PROXY STATEMENT

Annual Meeting of Stockholders

To Be Held May 4, 2017

INTERNET AVAILABILITY OF PROXY MATERIALS

American Axle & Manufacturing Holdings, Inc. (AAM or the Company) is providing proxy materials electronically via the Internet, instead of mailing printed copies of those materials to each stockholder. On March 7, 2017, we mailed to our stockholders (other than those who previously requested e-mail or paper delivery) a Notice of Availability of Proxy Materials containing instructions on how to access our proxy materials, including our proxy statement, annual report to stockholders, and our 2016 annual report on Form 10-K. The Notice of Availability of Proxy Materials provides instructions on how you may submit your proxy over the Internet or by telephone.

This electronic delivery process is designed to expedite stockholder receipt of proxy materials, lower the cost of the Annual Meeting of Stockholders (annual meeting), and conserve natural resources. However, if you would prefer to receive printed proxy materials, please follow the instructions included in the Notice of Availability of Proxy Materials. If you have previously elected to receive our proxy materials electronically, you will continue to receive these materials by e-mail unless you elect otherwise. If you received a printed copy of proxy materials by mail and would like to view future proxy materials over the Internet, you can do so by accessing the Internet at www.envisionreports.com/axl.

QUESTIONS AND ANSWERS ABOUT VOTING AND THE ANNUAL MEETING

Why am I receiving this proxy statement?

You received these proxy materials because you owned shares of AAM common stock on March 7, 2017 (record date). AAM's Board of Directors (Board) is soliciting your proxy to vote your shares at the annual meeting. By use of a proxy, you can vote whether or not you attend the meeting. This proxy statement includes information that we are required to provide to you and is designed to assist you in voting your shares.

Who is entitled to vote?

Holders of AAM common stock on the record date are entitled to one vote per share. You are a holder of record if your shares are held directly in your name with AAM's transfer agent, Computershare Trust Company, N.A. If your shares are held in the name of a broker, bank, trustee or other record holder, you are a street name holder. If you hold shares in more than one account, each notice, proxy and/or voting instruction card you receive that has a unique control number must be voted so that all your shares are voted.

How do I vote?

You may vote by any of the following methods:

• In person — attending the annual meeting and casting a ballot.

• By mail — using the proxy and/or voting instruction card provided.

• By telephone or over the Internet — following the instructions on your notice card, proxy and/or voting instruction card. If you vote by telephone or over the Internet, have your notice card or proxy and/or voting instruction card available. The control number on your card is necessary to process your vote. A telephone or Internet vote authorizes the named proxies to vote in the same manner as if you marked, signed and returned the card by mail. If you hold shares in street name, refer to the voting instructions provided by your broker, bank, trustee or other record holder.

How many shares may vote at the meeting?

As of March 7, 2017, we had 76,912,332 shares of common stock outstanding and entitled to vote. Under AAM's by-laws, a majority of these shares must be present in person or by proxy to hold the annual meeting and take any action during the meeting.

Can I change my vote?

You may change your vote at any time before the annual meeting by:

• revoking it by written notice to AAM's Secretary at the address on the cover of this proxy statement;

• voting in person at the annual meeting; or

• delivering a later-dated proxy vote by mail, telephone or over the Internet.

Table of Contents

What are the Board's recommendations on how I should vote my shares?

Proposal 1 — FOR the election of the three nominees with terms expiring at the 2020 annual meeting;

Proposal 2 — FOR approval of the Amended and Restated AAM 2012 Omnibus Incentive Plan;

Proposal 3 — FOR approval, on an advisory basis, of the compensation of AAM's named executive officers as described in the Compensation Discussion and Analysis, tables and related narrative;

Proposal 4 — FOR approval, on an advisory basis, of a one-year frequency of future advisory votes on executive compensation; and

Proposal 5 — FOR ratification of the appointment of Deloitte & Touche LLP as the Company's independent registered public accounting firm for the year ending December 31, 2017.

What are my choices when voting?

Proposal 1 — You may vote for or against each nominee, or you may abstain from voting your shares.

Proposal 2 — You may vote for or against the proposal to approve the Amended and Restated AAM 2012 Omnibus Incentive Plan, or you may abstain from voting your shares.

Proposal 3 — You may vote for or against the proposal to approve the compensation of our named executive officers, or you may abstain from voting your shares.

Proposal 4 — You may vote for a one-year, two-year, or three-year frequency of future advisory votes on executive compensation, or you may abstain from voting your shares.

Proposal 5 — You may vote for or against the proposal to ratify the appointment of the Company's independent registered public accounting firm, or you may abstain from voting your shares.

How many vote are needed for the proposals to pass?

The election of each nominee is uncontested. In an uncontested election, nominees for director who receive a majority of "for" votes cast (meaning the number of shares voted "for" a nominee exceed the number of shares voted "against" that nominee) will be elected. If an incumbent director nominee does not receive a majority of votes cast in an uncontested election, our by-laws require the director to promptly tender a written resignation to the Board. After receiving a recommendation from the Nominating/Corporate Governance Committee, the Board will determine whether to accept or reject the resignation, and will publicly disclose its decision and the rationale behind it within 90 days of the date the election results are certified.

The advisory vote on the frequency of future proposals on executive compensation is a plurality vote. The Board and the Compensation Committee will consider stockholders to have expressed a non-binding preference for the frequency option that receives the most votes. Each of the other proposals will pass if the affirmative vote of a majority of the shares present in person or by proxy are cast in favor of the proposal.

Who will count the votes?

Representatives of Computershare Trust Company, N.A., AAM's transfer agent, will count the votes and serve as our inspector of election. The inspector of election will attend the annual meeting.

What if "abstain"?

In you abstain from voting, your shares will:

be counted as present for purposes of determining whether there are enough votes to establish a quorum;

have no effect on the outcome of the election of directors; or

count as a vote against any other proposal to be considered at the annual meeting.

What if I do not return my proxy card and do not attend the annual meeting?

If your shares are registered in your own name with our transfer agent and you do not vote, your shares will not be voted at all. If you hold your shares in "street name" and do not give your bank, broker, or other holder of record specific voting instructions, your record holder may vote your shares on the ratification of the independent registered public firm, but may not vote your shares on any other matter that comes before the annual meeting. If you do not provide voting instructions on these matters, the votes will be considered "broker non-votes." Broker non-votes will be counted as present for purposes of determining whether there is a quorum, but will not affect the outcome of any proposal. We urge you to give your record holder voting instructions on each proposal being presented at the annual meeting.

PROPOSAL 1: ELECTION OF DIRECTORS

The Board proposes that James A. McCaslin, William P. Miller II and Samuel Valenti III be re-elected to the Board as Class III directors for terms expiring at the annual meeting in 2020.

The Board is divided into three classes. Directors serve for staggered three-year terms. The Board believes that the staggered election of directors helps to maintain continuity and ensures that a majority of directors at any given time will have in-depth knowledge of the Company.

The Board unanimously approved the nominations of Mr. McCaslin, Mr. Miller and Mr. Valenti based on their demonstrated effectiveness as members of our Board and the committees on which they serve, their relevant experience and expertise, and their sound judgment and integrity. Each nominee brings a strong and unique background and set of skills to the Board.

Collectively, the Board has high levels of competence and experience in a variety of areas, including manufacturing, engineering, finance, international business, management, law, risk management, strategic business development and the global automotive industry. A summary of the principal occupation, professional background and specific knowledge and expertise that qualify each nominee and returning director to serve on our Board is provided in the following pages of this proxy statement.

The Board unanimously recommends a vote FOR each of the nominees.

Merger with Metaldyne Performance Group Inc.

As previously disclosed, on November 3, 2016, the Company, Alpha SPV I, Inc. (Merger Sub) and Metaldyne Performance Group Inc. (MPG) entered into an Agreement and Plan of Merger (the merger agreement). Pursuant to the merger agreement, upon the terms and subject to the conditions set forth in the merger agreement, Merger Sub will merge into MPG, with MPG as the surviving entity (the merger). As a result of the merger, MPG will become a wholly-owned subsidiary of the Company.

The merger agreement requires, among other things, that, prior to the effective time of the merger, AAM will (1) increase the size of the Board to 11 members, (2) appoint to a different class of the Board three individuals designated by American Securities (AS, and such individuals, the AS designees) and (3) cause one AS designee to be appointed to each committee of the Board, in each case, effective as of the effective time of the merger. The appointment of each AS designee to the Board will be subject to such designee satisfying AAM's qualification requirements for directors and, with respect to each committee appointment, will be subject to independence and other requirements for such committees set by the New York Stock Exchange (NYSE) and applicable law. The AS designees are current MPG directors George Thanopoulos, Kevin S. Penn and Loren S. Easton.

The Company currently expects to close the merger in the first half of 2017, subject to the satisfaction of the closing conditions set out in the merger agreement. If the merger closes on the day of or after the annual meeting of stockholders on May 4, 2017, the AS designees will be appointed to the Board as described above. If the merger closes before the annual meeting, the AS designees will be appointed to the Board as described above, but the term of the AS designee in Class III would end as of the annual meeting. In that case, the Board expects to immediately reappoint such AS designee to serve the new term of a Class III director. The AS designees in Classes I and II will stand for re-election upon the expiration of their terms in 2018 and 2019, respectively.

For more information regarding the merger, you are urged to read the joint proxy statement/prospectus dated March 6, 2017, which AAM and MPG filed with the Securities and Exchange Commission (SEC) on the same date and first mailed to each company's stockholders on or about March 7, 2017. You are urged to read the joint proxy statement/prospectus (including any amendments or supplements thereto) and other documents filed by AAM or MPG with the SEC in connection with the merger as these documents contain (or will contain) important information. Those documents, as well as AAM's other public filings with the SEC, may be obtained without charge at the SEC's website at <http://www.sec.gov> and at our website at <http://www.aam.com>.

Table of Contents

CORPORATE GOVERNANCE

Corporate Governance Guidelines

The Board has adopted Corporate Governance Guidelines that meet or exceed the requirements of the NYSE listing standards. AAM's Corporate Governance Guidelines are available on our website at <http://investor.aam.com>.

Director Independence

AAM's Corporate Governance Guidelines provide that at least a majority of the members of the Board meet the independence criteria of the NYSE listing standards. Currently, seven of our eight directors are independent from the Company. Only David C. Dauch, who serves as AAM's Chief Executive Officer, is not independent due to his employment with AAM.

The Board has established Director Independence Guidelines to assist in determining the independence of our directors for purposes of the NYSE independence standards. The Director Independence Guidelines are included in AAM's Corporate Governance Guidelines, which are available on our website at <http://investor.aam.com>. The Board annually reviews and determines, on the recommendation of the Nominating/Corporate Governance Committee, whether any director has a material relationship with the Company that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. No director qualifies as independent unless the Board determines that the director has no direct or indirect material relationship with the Company.

As a result of this evaluation, the Board determined that the following nominees and returning directors have no material relationships with AAM and are independent: Elizabeth A. Chappell, William L. Kozyra, Peter D. Lyons, James A. McCaslin, William P. Miller II, John F. Smith and Samuel Valenti III.

In making these independence determinations, the Board considered Ms. Chappell's position as President & CEO of the Detroit Economic Club, in light of the sponsorship fees AAM pays to this non-profit organization. The annual fees paid by AAM to the Detroit Economic Club are significantly below the threshold amount established under the NYSE independence standards and our Director Independence Guidelines, which is the greater of two percent of the outside entity's annual gross revenues or \$1 million.

Board Leadership Structure

The Board's current leadership structure includes a combined Chairman and CEO role with a lead independent director. In August 2013, the Board appointed David C. Dauch as Chairman of the Board.

Our Board believes that it is in the best interest of the Company to combine the roles of Chairman and CEO at this time because it provides the Company with unified leadership and direction. The Board believes the Company's CEO is best situated to serve as Chairman because he is the director most familiar with the Company's business and industry, and is in a position to effectively identify strategic priorities and lead the discussion and execution of strategy. While the Company's independent directors bring experience, oversight and expertise from various perspectives outside the Company, the CEO's in-depth knowledge of our business enables him to identify areas of focus for the Board and effectively recommend appropriate agendas. The Board believes that the combined role of Chairman and CEO facilitates information flow between management and the Board, provides clear accountability and promotes efficient decision making, all of which are essential to effective governance.

Our Board leadership structure is further enhanced by an Independent Lead Director. In April 2014, the Board selected Mr. McCaslin to serve in this role. The Independent Lead Director's responsibilities are to:

- preside at executive sessions of the independent directors, which are held at the end of each scheduled Board meeting;
- call special executive sessions of independent directors, as appropriate;
- serve as chair of the Nominating/Corporate Governance Committee;
- serve as liaison between the independent directors and the Chairman & CEO;
- inform the Chairman & CEO of issues arising from executive sessions of the independent directors; and
- with Board approval, retain outside advisors and/or consultants who report directly to the full Board on matters of interest to the Board.

Board Oversight of Risk Management

The Board, directly and through its committees, is responsible for overseeing the management of potential risks affecting the Company. In connection with our overall risk management process, the Board regularly reviews

information provided by senior management about the Company's strategic, operational, financial and compliance

risks. In addition, the chairs of each standing committee regularly report to the Board on the activities of their respective committees, including matters related to risk.

The Audit Committee oversees management of financial risks and receives regular reports from management on the Company's overall risk management structure and processes. The Nominating/Corporate Governance Committee manages risks associated with corporate governance and management succession planning. The Compensation Committee oversees risks related to AAM's compensation programs. The Technology Committee oversees risks related to AAM's product, process and systems technology. Additional review or reporting of specific risks is conducted as appropriate or as requested by the Board or a committee.

Our Board and management team value the opinions and feedback of our stockholders, and we engage with stockholders throughout the year on a variety of issues, including our executive compensation program and corporate governance. Stockholders and other interested parties who wish to communicate with us on these or other matters may contact our Investor Relations Department by email at investorrelations@aam.com or by mail at One Dauch Drive, Detroit, Michigan 48211-1198 (corporate address).

Stockholders or other interested parties may communicate with the Board through the Secretary of AAM by e-mail at AAMBoardofDirectors@aam.com or by mail at the corporate address above. The Board has instructed the Secretary to review all such communications and to exercise his discretion not to forward correspondence to the Board that is inappropriate, such as advertising and business solicitations, routine business matters and personal grievances. However, any director may at any time request the Secretary to forward any communication received by the Secretary on behalf of the Board.

Code of Business Conduct

AAM has adopted a Code of Business Conduct that is designed to assist AAM associates, executive officers and members of the Board in conducting AAM's business with the highest standards of ethics and integrity. AAM has also adopted a Code of Ethics applicable to our CEO, CFO and other Senior Financial Executives (Code of Ethics). The Board annually reviews the Code of Business Conduct and makes updates as appropriate. AAM's Code of Business Conduct and Code of Ethics are available on our website at <http://investor.aam.com>. A written copy also may be obtained by any stockholder without charge upon request to the AAM Investor Relations Department by email at investorrelations@aam.com or by mail at our corporate address above.

Related Person Transactions Policy

The Board has adopted a written policy and procedure for the review, approval and ratification of transactions involving AAM and any "related person" as defined in the policy. This policy supplements AAM's other conflict of interest policies in our Code of Business Conduct. The Audit Committee is responsible for reviewing, approving and ratifying all related person transactions in accordance with the policy and the Audit Committee's charter.

For purposes of this policy, a related person transaction includes any transaction, arrangement or relationship or series of similar transactions, arrangements or relationships in which AAM is or is expected to be a participant, the amount involved exceeds \$120,000, and a related person has or will have a material interest. A related person includes directors and executive officers and their immediate family members, stockholders owning more than five percent of the Company's outstanding common stock as of the last completed fiscal year, and any entity owned or controlled by any one of these persons.

The Audit Committee makes a determination whether a related person's interest in a transaction is material based on a review of the facts and circumstances. In deciding whether to approve or ratify a related person transaction, the Audit Committee will take into account, among other factors it deems appropriate, (1) whether the transaction is on terms no less favorable than terms generally available to an unaffiliated third party under the same or similar circumstances and (2) the significance of the related person's interest in the transaction.

A member of the Audit Committee may not participate in the review or vote concerning any related person transaction in which the Audit Committee member or his or her immediate family member is involved.

The policy also provides that certain types of transactions are deemed to be pre-approved by the Audit Committee and do not require separate approval or ratification. During fiscal year 2016 and as of the date of this Amendment, the Company has not engaged in any reportable related person transactions.

All Compensation Committee members are independent under NYSE listing standards, including the standards applicable specifically to compensation committee members, and our Director Independence Guidelines. All Compensation Committee members are "outside directors" within the meaning of Section 162(m) of the Internal Revenue Code and are "non-employee" directors within the meaning of SEC Rule 16b-3.

Risk Assessment of Compensation Policies and Practices

We conducted an annual risk assessment for the Compensation Committee to determine whether the risks arising from our fiscal year 2016 compensation policies and practices are reasonably likely to have a material adverse effect on the Company. The risk assessment considered, among other things, AAM's annual and long-term incentive programs and pay mix, performance measures used to calculate payouts, and pay philosophy and governance. Our annual assessment of compensation-related risks focuses on the program for executive officers in light of their decision-making authority and influence, but also includes a review of the compensation of our other salaried associates. Our risk assessment methodology was reviewed by the Compensation Committee and its independent compensation consultant, Meridian Compensation Partners, LLC (Meridian).

We have designed our compensation programs, including incentive compensation plans, with specific features to address potential risks while rewarding our executive officers and other associates for achieving long-term financial and strategic objectives through prudent business judgment and appropriate risk taking. The following elements have been incorporated in our programs for executive officers:

A balanced mix of compensation components. The target compensation mix for our executive officers is composed of base salary, annual cash incentives and long-term equity incentives, representing a mix that is not overly weighted toward short-term cash incentives.

Multiple performance factors. Our annual incentive and long-term incentive plans include multiple measures of performance. Our use of various performance factors diversifies the risk associated with any single aspect of performance. The performance factors and target award opportunities are established in advance by the Compensation Committee in consideration of the Company's performance goals and objectives and stockholder interests.

Long-term incentives. Our long-term incentives are 100% equity-based and have a three-year vesting schedule, which complements our annual cash incentive plan. Sixty-six percent of long-term incentive awards to executive officers are performance-based. These awards are capped at a maximum payout.

Stock ownership requirements. Our executive officers are required to maintain significant share ownership, which aligns their interests with those of our stockholders.

Clawback policy. Our clawback policy authorizes the Compensation Committee to recoup past incentive compensation in the event of a material restatement of the Company's financial results due to fraud or intentional misconduct of an executive officer.

Based on our risk assessment and consideration of various mitigating factors, we concluded that the Company's compensation policies and practices do not create risks that are reasonably likely to have a material adverse effect on the Company.

Role of Management in Compensation Decisions

The Compensation Committee is responsible for making compensation decisions relative to executive officers. In making these decisions, the Compensation Committee seeks and considers input from senior management. Since management has direct involvement with and in-depth knowledge of the business strategy, goals and performance of the Company, certain executive officers play an important role in the executive compensation decision-making process. Senior management participates in the Compensation Committee's activities in the following specific respects:

The CEO provides the Compensation Committee with his evaluation of the performance of the Company's executive officers, including the other named executive officers (NEOs). The CEO and Vice President, Human Resources make compensation recommendations for executive officers, including base salary levels and the amount and mix of incentive awards.

•

The CEO, Vice President & CFO and the Vice President, Human Resources develop and recommend performance objectives and targets for AAM's incentive compensation programs.

Table of Contents

The Vice President, Human Resources assists the Chair of the Compensation Committee in developing meeting agendas and oversees the preparation of meeting materials on the matters to be considered.

The CEO, President, Vice President & CFO, the Vice President, Human Resources and the General Counsel, Secretary & Chief Compliance Officer regularly attend Compensation Committee meetings. Management does not attend the executive session of the Compensation Committee.

Role of Compensation Consultant

The Compensation Committee has retained Meridian as its independent compensation consultant. Meridian provides the Compensation Committee with independent advice and ongoing recommendations on compensation matters related to our executive officers and non-employee directors. Meridian also provides the Compensation Committee with competitive market data, peer group analyses and updates on compensation trends and regulatory developments. In the course of fulfilling its responsibilities, Meridian may communicate directly with the Chair of the Compensation Committee. Meridian also meets with management to gather information, prepare materials, and review proposals to be made to the Compensation Committee. Meridian provides no other services to the Company other than those described above, and has no other direct or indirect business relationships with the Company or any of its subsidiaries or affiliates.

The Compensation Committee determined that Meridian is independent of management and that the services provided by Meridian to the Compensation Committee do not give rise to conflicts of interest. In written correspondence to the Compensation Committee, Meridian provided detailed information addressing each of the six independence factors set forth in NYSE listing standards. In this correspondence and in communications with the Compensation Committee, Meridian affirmed its independence and that of its partners, consultants and employees who service the Compensation Committee on executive compensation matters.

Nominating/Corporate Governance Committee

The Nominating/Corporate Governance Committee's primary responsibilities are to:

- identify qualified individuals to serve on the Board and committees;
- review our Corporate Governance Guidelines and Code of Business Conduct and recommend changes as appropriate; and
- oversee and approve the process for succession planning for the CEO and other executive officers.

The Nominating/Corporate Governance Committee's responsibilities are more fully described in its written charter, which is available on our website at <http://investor.aam.com>. All members of the Nominating/Corporate Governance Committee are independent under NYSE listing standards and our Director Independence Guidelines.

Selection Process for Director Nominees. In consultation with the Chairman & CEO, the Nominating/Corporate Governance Committee identifies, evaluates and recommends potential candidates for membership on the Board. This committee conducts inquiries into the backgrounds and qualifications of the candidates and considers questions of independence and possible conflicts of interest. Based on the committee's evaluation, candidates who meet the Board's criteria may receive further consideration, which may include interviews with the committee and other directors. The committee then submits its recommendations for nominees to the Board for approval.

Before the Board nominates an incumbent director for re-election by our stockholders, the incumbent director is evaluated by the Nominating/Corporate Governance Committee and/or the Board. This evaluation is based on, among other things, each incumbent director's contributions to the activities of the Board. After consideration of each incumbent Class III director's qualifications and independence, the committee recommended that the Board nominate Mr. McCaslin, Mr. Miller and Mr. Valenti for re-election as Class III directors, each with a term expiring on the date of the 2020 annual meeting of stockholders. Upon review, the Board decided to recommend Mr. McCaslin, Mr. Miller and Mr. Valenti for re-election at the 2017 annual meeting.

Director Qualifications. AAM's Corporate Governance Guidelines provide the qualifications for Board membership. Candidates for director nominees to the Board are reviewed in consideration of the current composition of the Board, the operating requirements of the Company and the interests of stockholders. Although specific qualifications may vary from time to time, desired qualities and characteristics include:

- high ethical character and shared values with AAM;

high-level leadership experience and achievement at a policy-making level in business, educational or professional activities;

• breadth of knowledge of issues affecting AAM;

Table of Contents

the ability to contribute special competencies to Board activities, such as financial, technical, international business or other expertise, or industry knowledge;

■ awareness of a director's vital role in AAM's good corporate citizenship and corporate image; and

■ sufficient time and availability to effectively carry out a director's duties.

The Board as a whole should reflect the appropriate balance of knowledge, experience, skills, expertise and diversity that, when taken together, will enhance the quality of the Board's deliberations and decisions. Although the Board has no formal policy regarding diversity, the Board believes that diversity is an essential element of Board effectiveness. In this context, diversity is defined broadly to include differences in background, skills, education, experience, gender, race, national origin and culture.

The Nominating/Corporate Governance Committee considers recommendations of potential candidates from members of our Board, our Chairman & CEO and our stockholders. For director candidates recommended by stockholders, the Nominating/Corporate Governance Committee follows the procedures described below in Other Matters, Stockholder Proposals for 2018 Annual Meeting. The committee will evaluate candidates recommended by stockholders using substantially the same criteria that are considered in evaluating director candidates recommended by our Board members or Chairman & CEO.

Succession Planning. The Nominating/Corporate Governance Committee is responsible for overseeing the Company's succession planning process for executive officers and other key executive positions at AAM. In performing this role, this committee monitors and approves management's succession planning process and actions and, with respect to the CEO, makes recommendations to the full Board for approval. The Board has primary responsibility for CEO succession planning and develops both long-term and contingency plans for CEO succession. The Company's long-term and ongoing succession planning program is designed to support effective senior leadership development and succession in a manner that positions AAM to achieve its strategic, operating and financial performance goals, and enhance stockholder value.

Strategy & Technology Committee/Technology Committee

In July 2015, the Board created the Strategy & Technology Committee and appointed all Board members to serve on this committee. This committee provided oversight of the development and implementation of AAM's strategic plan and advice to management on specific strategic opportunities as well as oversight and advice to management regarding product, process and systems technologies. In February 2017, the Board changed the Strategy & Technology Committee to a Technology Committee and appointed the following members: John F. Smith (Chairman), James A. McCaslin, William L. Kozyra and William P. Miller II. The Technology Committee oversees and provides advice and counsel to the Company on matters relative to product, process and systems technology.

Oversight of strategic matters is the responsibility of the full Board.

Executive Committee

The Executive Committee exercises the authority of the Board during the intervals between Board meetings and does not meet on a regular basis.

PROPOSAL 2: APPROVAL OF AMENDED AND RESTATED AMERICAN AXLE & MANUFACTURING HOLDINGS, INC. 2012 OMNIBUS INCENTIVE PLAN

Background

Upon recommendation of the Compensation Committee, the Board adopted an amended and restated American Axle & Manufacturing Holdings, Inc. 2012 Omnibus Incentive Plan (the Amended and Restated 2012 Plan or the Plan) on February 2, 2017, subject to shareholder approval, which we are now seeking. The Amended and Restated 2012 Plan includes amendments to increase the number of shares authorized for issuance under the Plan and make certain other changes to the treatment of awards and payouts thereunder. The following material changes will take effect upon adoption of the Amended and Restated 2012 Plan:

The number of shares of common stock available for issuance under the Amended and Restated 2012 Plan will be increased by 2,100,000 shares. The proposed increase in shares represents approximately 2.7% of the common shares of the Company outstanding as of March 7, 2017 (the record date).

• All awards granted under the Plan will be subject to a minimum one year time-based vesting requirement.

• Distribution of dividends or dividend equivalents on unvested awards will be prohibited until such awards are vested.

• Aggregate cash and equity compensation paid to non-employee directors will be limited to \$1,000,000.

• Recycling of shares underlying exercised stock options will be prohibited.

The 2012 Omnibus Incentive Plan was initially approved by shareholders on April 26, 2012 and most recently amended and restated on April 30, 2015. Under NYSE rules, the proposed amendments to the Plan will not be effective if our shareholders do not approve them. If our shareholders do not approve the proposed Amended and Restated 2012 Plan, we may be required to re-evaluate our compensation structure to ensure that it remains competitive.

We use incentive awards to attract, motivate and retain leadership talent as well as to align our employees' and non-employee directors' interests with those of our shareholders. The purpose of the proposed amendments is to allow the Company to award the equity incentives important to our compensation program for the foreseeable future, while resulting in no more than a reasonable amount of potential equity dilution. The Board believes that the proposal to increase the number of shares authorized for issuance is in the best interest of shareholders and supports this proposal for the following reasons:

If the proposed amendment to increase the number of shares available under the Amended and Restated 2012 Plan is not approved, the Company will be compelled to increase significantly the cash-based component of employee compensation, which could reduce the alignment of employee and shareholder interests.

• The terms of our equity and other annual and long-term incentive compensation awards and our employee policies are designed to protect shareholder interests and encourage employees to focus on the long-term success of the Company.

As has been the Company's practice, the proposed amendment includes a minimum vesting provision that explicitly imposes a minimum vesting period of one year on all awards, except (i) for certain awards substituted for awards with time-based vesting no less than the award being replaced, (ii) for 5% of the number of shares reserved for future issuance under the Plan as of the date the Plan amendment becomes effective, and (iii) in the event of a termination or qualifying termination of employment on or following a change in control, or due to retirement, death or disability.

The Plan allows for dividends or payments equivalent to dividends to be made with respect to an outstanding award under the Plan, but under the proposed amendment, such payments with respect to unvested awards must be accumulated until such award is earned and vested. Distribution of dividends or dividend equivalents accumulated

Table of Contents

with respect to an outstanding award will not be made if performance and time-based vesting conditions have not been satisfied.

The new non-employee director pay limit under the proposed amendment provides that the aggregate maximum grant date fair market value of shares with respect to awards granted to under the Plan in any calendar year to any non-employee director, when added to any other compensation paid to such non-employee director in respect of such year, shall not exceed \$1,000,000.

Consistent with best practice, the proposed amendment prohibits using the following shares again for grant under the Plan: (i) shares not issued or delivered as a result of net settlement of an outstanding option or stock appreciation right (SAR), (ii) shares delivered to or withheld by the Company to pay the exercise price of or withholding taxes with respect to an option, and (iii) shares repurchased with proceeds from the payment of the exercise price of an option.

Summary of Amended and Restated 2012 Plan as Proposed to Be Amended

The description of the Amended and Restated 2012 Plan in this document is only a summary. Capitalized terms not defined in this summary shall have the meaning given in the Amended and Restated 2012 Plan. We encourage you to read the entire Plan to understand all of its terms. A copy of the Amended and Restated 2012 Plan has been provided as Appendix A to this proxy statement. In addition, we will send to you, without charge, a copy of the Plan upon your request. You may send your request to: Investor Relations, American Axle & Manufacturing Holdings, Inc., One Dauch Drive, Detroit, Michigan 48211-1198

Purpose and Eligibility

The purpose of the Plan is to foster and promote the long-term financial success of the Company and materially increase shareholder value by (a) motivating superior performance by means of performance-related incentives, (b) encouraging and providing the means for employees and non-employee directors to obtain an ownership interest in the Company, and (c) attracting and retaining qualified persons to serve as members of an outstanding management team and as Board members whose judgment, interest and performance are required for the successful and sustained operations of the Company.

All employees and non-employee directors of the Company and its subsidiaries and designated affiliates are eligible to participate in the Amended and Restated 2012 Plan. The ability of our employees and non-employee directors to participate in the Plan is subject to the approval of the Compensation Committee. Approximately 200 employees and non-employee directors may be eligible to participate in the Plan. In addition, the Compensation Committee may select third-party service providers to the Company or any subsidiary to participate in the Plan.

Termination Date

No Awards may be made after ten years from the effective date of the original plan on April 26, 2012.

Administration of the Amended and Restated 2012 Plan

The Compensation Committee will administer the Amended and Restated 2012 Plan and will have the discretion to select the individuals who receive Awards (Participants) and determine the form and terms of the Awards, including any vesting, exercisability, payment or other restrictions. Subject to certain limitations, the Compensation Committee may delegate some or all of its authority to one or more Plan administrators, including members of the Compensation Committee, officers of the Company or selected advisors.

Limits on Awards

The Amended and Restated 2012 Plan limits the grants of Awards to a single Participant in any calendar year as follows:

• the maximum aggregate number of shares that may be granted in the form of stock options and SARs is 2,000,000 shares.

Table of Contents

The maximum aggregate amount that may be paid under an Award of performance units (settled in cash), cash-based Awards or any other Award that is payable in cash, in each case that are performance-based compensation for purposes of Section 162(m) of the Internal Revenue Code of 1986, as amended (Code), is \$6,000,000, determined as of the date of payout.

The Amended and Restated 2012 Plan limits the grants of Awards to a single non-employee director in any calendar year as follows:

The aggregate maximum grant date fair market value of shares that may be granted under the Plan in any calendar year to any non-employee director, when added to any other compensation paid to such non-employee director in respect of such year, shall not exceed \$1,000,000.

Shares Available under the Amended and Restated 2012 Plan

The total number of shares that may be delivered under the Amended and Restated 2012 Plan will be 9,200,000 shares of our authorized but unissued shares of common stock (which takes into account the proposed 2,100,000 share increase), subject to adjustment for share recycling. The number of shares available under the Plan will be equitably adjusted to reflect certain transactions, including, but not limited to, merger, consolidation, reorganization, recapitalization, separation, reclassification, stock dividend, stock split, reverse stock split, split up or spin-off.

Share Recycling Rules

The number of shares subject to any portion of an Award granted under the Amended and Restated 2012 Plan that is canceled or that expires without having been settled in shares will be available for new Awards. If shares are tendered or withheld to pay the exercise price of a stock option award, to satisfy a tax withholding obligation with respect to an option, as a result of the net settlement of an option or SAR, or repurchased with proceeds from the payment of the exercise price of an option, such tendered or withheld shares will not be available for new Awards under the Plan.

Types of Awards Allowed under the Amended and Restated 2012 Plan

Form of Awards. The Amended and Restated 2012 Plan authorizes the following awards (Awards): (i) restricted stock or restricted stock units; (ii) performance shares; (iii) performance units; (iv) stock options; (v) SARs; (vi) cash-based awards; and (vii) other forms of equity-based or equity-related Awards which the Compensation Committee determines to be consistent with the purposes of the Plan.

Each grant of an Award will be evidenced by an Award agreement that will set forth the terms and conditions of the grant as determined in the sole discretion of the Compensation Committee. These terms and conditions may include, but are not limited to, restrictions on transferability and the continued employment of the grantee, performance or other conditions, if any, that must be satisfied before all or part of the applicable restrictions or vesting periods lapse, the applicable performance conditions, if any, the duration of the exercise period, if any, and the effect of terminations of employment and change in control. The terms and conditions need not be uniform among all grants of Awards, form of Awards or Participants.

Transferability. Unless otherwise permitted by the Compensation Committee, no Award will be transferable other than by will or by the laws of descent and distribution. During the lifetime of a Participant, stock options and SARs

will be exercisable only by the Participant.

Restricted Stock and Restricted Stock Units. Restricted stock Awards are outstanding shares of common stock that the Compensation Committee may make subject to restrictions on transfer, vesting requirements or cancellation under specified circumstances. A Participant granted restricted stock generally has most of the rights of a shareholder, including the right to receive dividends and the right to vote such shares.

Table of Contents

Upon satisfaction of the terms and conditions of the Award, a restricted stock unit will be payable in common stock or in cash equal to the fair market value on the payment date of one share of common stock, as specified in the Award agreement. As a holder of restricted stock units, a Participant will have only the rights of a general unsecured creditor of the Company. A Participant will not be a shareholder with respect to the shares underlying restricted stock units unless and until the restricted stock units convert to shares of common stock. However, the Compensation Committee, in its discretion, may provide for the payment of dividend equivalents with respect to restricted stock units.

Performance Shares and Performance Units. Performance shares and performance units are Awards based upon the attainment of certain performance criteria over a performance period specified by the Compensation Committee at the time of grant. Each performance share shall have an initial value equal to one share of common stock. Each performance unit shall have an initial notional value equal to a dollar amount as established by the Compensation Committee, in its discretion. Performance shares and performance units may be settled in cash, in shares or a combination thereof. Performance shares and performance units may but are not required to comply with the requirements of Code Section 162(m). The Compensation Committee may elect to utilize performance measures that are not specified in the Amended and Restated 2012 Plan with respect to performance shares and performance units not intended to comply with Code Section 162(m).

Stock Options and SARs

General. Stock options represent the right to purchase shares of common stock in the future at a specified exercise price set by the Compensation Committee. Stock options may be either nonqualified stock options or incentive stock options (ISOs) granted pursuant to Code Section 422. Upon satisfaction of the conditions to exercisability, a Participant may exercise a stock option and receive the number of shares of common stock in respect of which the stock option is exercised. Upon satisfaction of the conditions to payment, each SAR will entitle a Participant to an amount, if any, equal to the amount by which the fair market value of a share of common stock on the date of exercise exceeds the SAR exercise price. At the discretion of the Compensation Committee, SARs may be payable in common stock, cash or a combination thereof.

Exercise Price. The exercise price of stock options and SARs awarded under the Plan may not be less than 100% of the fair market value of one share of common stock on the grant date. The exercise price of a stock option may be paid in cash, by tendering previously acquired shares, by a cashless (broker assisted) exercise, through net share settlement involving the withholding of shares subject to the stock option or any other method approved by the Compensation Committee.

Maximum Term of Stock Options and SARs. No stock option or SAR may have an expiration date that is later than the tenth anniversary of the Award date. No ISO granted to a Participant who owns more than 10% of our stock may have an expiration date that is later than the fifth anniversary of the grant date.

Other Stock-Based and Cash-Based Awards. The Compensation Committee may grant other forms of cash-based and stock-based Awards not specifically described in the Plan including, but not limited to, unrestricted shares, deferred shares and deferred share units.

162(m) Performance-Based Compensation

The Compensation Committee may designate any Award (other than an Option or SAR) as performance-based compensation upon grant, in each case based upon a determination that (i) the Participant is or may be a covered employee, within the meaning of Code Section 162(m), with respect to such Award, and (ii) the Committee wishes such Award to qualify for exemption from the limitation on deductibility under Code Section 162(m)(4)(c). The Compensation Committee shall have the sole authority to specify which Awards are to be granted in compliance with

Code Section 162(m) and treated as performance-based compensation.

For each grant of an Award designated as performance-based compensation, the Compensation Committee will establish the terms and conditions of the grant in accordance with the requirements of Code Section 162(m), including, but not limited to, the size of the Award, performance measures and related performance goals, the performance period over which performance goals must be achieved, payout levels based on achieved goals, form and timing and payout, and the impact of a termination of employment and change in control. At the end of the performance period, the Compensation Committee will determine the degree of achievement of the performance goals that will determine the payout. No Award of performance-based compensation will be earned, vested or paid

Compensation Committee also has the authority to provide for accelerated vesting of any Award based on the achievement of performance goals pursuant to the performance measures specified above.

The Performance Measures shall be determined in accordance with generally accepted accounting principles consistently applied on a business unit, divisional, subsidiary or consolidated basis or any combination thereof. The Compensation Committee may provide in any Award that any evaluation of performance may include or exclude the impact, if any, on reported financial results of any of the following events that occurs during a Performance Period: (a) asset write-downs, (b) litigation or claim judgments or settlements, (c) changes in tax laws, accounting principles or other laws or provisions, (d) reorganization or restructuring programs, (e) acquisitions or divestitures, (f) foreign exchange gains and losses, and (g) gains and losses that are treated as unusual or infrequently occurring items within the meaning of the accounting standards of the Financial Accounting Standard Board or such comparable successor term.

Types of Awards Allowed for Non-employee Directors under the Amended and Restated 2012 Plan

Our non-employee directors generally may receive Awards under the Amended and Restated 2012 Plan similar to those granted to other Participants. The Board may provide that all or a portion of a non-employee director's annual retainer and/or retainer fees or other Awards or compensation be payable in non-qualified stock options, restricted shares and restricted stock units, either automatically or at the choice of the non-employee directors. The Board will determine the terms and conditions of any such Awards, including those that apply upon the termination of a non-employee director's service as a member of the Board. Non-employee directors are also eligible to receive other Awards pursuant to the terms of the Plan, including options and SARs, restricted shares and restricted stock units and deferred stock units, upon such terms as the Board may determine. With respect to Awards made to non-employee directors, the Plan will be administered by our Board.

Amendment of the Amended and Restated 2012 Plan

Our Board may amend the Amended and Restated 2012 Plan and any Award made under the Plan at any time for any reason or no reason, except that our Board must obtain shareholder approval if shareholder approval is required in order to comply with the listing or other requirements of any securities exchange on which shares of the Company are listed or are desired to be listed or to comply with applicable U.S. or state laws, or regulations and the law of any foreign country or jurisdiction where Awards are granted under the Plan. No termination, amendment or suspension of the Plan and any Award made under the Plan may adversely affect in any material way any Award previously granted under the Plan without the written consent of the Award recipient, subject to certain conditions described in the Plan.

Treatment of Awards under the Amended and Restated 2012 Plan in the Event of a Change in Control of the Company

A "change in control" is generally defined in the Amended and Restated 2012 Plan as:

• The acquisition by a person unaffiliated with the Company of beneficial ownership of 30% or more of the voting power of the Company's outstanding voting securities that may be cast for the election of directors;

• The occurrence of certain mergers, consolidations, cash tender or exchange offers, sale of assets or similar forms of corporation transactions resulting in the transfer of 50% or more of the total voting power of the Company's outstanding securities that may be cast for the election of directors;

• A change in the composition of a majority of the Company's Board over a period of two consecutive years (if the new directors are not approved by the incumbent Board); or

¶The approval by the shareholders of a plan or proposal for the Company's dissolution.

Disposition of Awards Upon Change in Control

Subject to the minimum vesting period of one year, if a Participant has in effect an employment, retention, change in control, severance or similar agreement with the Company or any subsidiary or is subject to a policy or plan that discusses the effect of a change in control on a Participant's awards, then such agreement, plan or policy shall

govern. In all other cases, unless provided otherwise in an Award agreement or by the Compensation Committee prior to the date of the change in control, in the event of a change in control:

Award Assumed by Successor. If a Successor agrees, some or all outstanding awards will either be assumed, or replaced with awards of the same type with similar terms and conditions, by a Successor in the transaction. In the event of termination following a change in control, the Plan provides for double-trigger vesting acceleration. Subject to the minimum vesting period of one year, if the Participant's employment with a Successor terminates in connection with or within two years following the change in control for any reason other than an involuntary termination by a Successor for cause or a voluntary termination by the Participant without good reason, then all of the Participant's awards that are in effect will be vested in full or deemed earned in full (assuming the target performance goals provided under the award were met, if applicable) effective on the date of the Participant's termination of employment.

Reimbursement of Cancelled Awards. Subject to the minimum vesting period of one year, if a Successor does not assume the awards or issue replacement awards, then, unless provided otherwise in an award agreement or by the Compensation Committee, immediately prior to the date of the change in control all awards that are then held by Participants will be cancelled in exchange for the right to receive the following:

• For each stock option or SAR, a cash payment equal to the excess of the change in control price of the shares covered by the stock option or SAR over the purchase or grant price of such shares;

• For each share of restricted stock and each restricted stock unit, a cash payment equal to the change in control price per share or such other consideration as the Company or shareholders receive as a result of the change in control;

• For each performance share and/or performance share unit that has been earned but not yet paid, a cash payment equal to the value of the performance share and/or performance unit;

For each performance share and/or performance unit for which the performance period has not yet expired, a cash payment equal to the product of (x) and (y) where (x) is the Award the Participant would have earned based on target performance and (y) is a fraction, the numerator of which is the number of calendar months the Participant was employed by the Company during the performance period (any partial month counts as a full month) and the denominator of which is the number of months in the performance period;

• For all other Awards that are earned but not yet paid, a cash payment equal to the value of the other Awards;

For all other Awards that are not yet earned, a cash payment equal to either the amount that would have been due under such Award(s) if any performance goals (as measured at the time of the change in control) were to be achieved at the target level through the end of the performance period or a cash payment based on the value of the Award as of the date of the change in control; and

• For all dividend equivalents, a cash payment equal to the value of the dividend equivalents as of the date of the change in control.

Treatment of Awards upon a Participant's Termination of Employment

The Compensation Committee will determine at or after the time of grant, the terms and conditions that apply to any Award upon a Participant's termination of employment with the Company and its subsidiaries. Subject to applicable laws, rules and regulations, as well as the minimum vesting period of one year, in connection with a Participant's termination, the Compensation Committee shall have the discretion to accelerate the vesting, exercisability or settlement of, eliminate the restrictions and conditions applicable to, or extend the post-termination exercise period of

an outstanding Award.

Federal Tax Consequences of the Awards Granted under the Amended and Restated 2012 Plan

The following is a brief summary of the United States federal income tax consequences related to Awards granted under the Amended and Restated 2012 Plan:

Table of Contents

Restricted Stock Units. The grant of restricted stock units will not result in the recognition of taxable income by the Participant or in a deduction to the Company. Upon settlement of restricted stock units, the Participant will recognize ordinary income in an amount equal to the then fair market value of the shares of common stock, or cash, distributed at the time of settlement and a corresponding deduction will be allowable to the Company (subject to Code Section 162(m)). If settled in shares, the Participant's tax basis in the shares will equal the amount taxed as ordinary income, and on subsequent disposition the Participant will realize a capital gain or loss (long-term or short-term, depending upon the holding period of the shares sold).

Restricted Stock. The grant of restricted stock will not result in the recognition of taxable income by the Participant or in a deduction to the Company, unless the Participant makes the special election with the Internal Revenue Service pursuant to Code Section 83(b). Upon lapse of the risk of forfeiture or restrictions on transferability applicable to a grant of restricted stock, the Participant will recognize ordinary income in an amount equal to the then fair market value of the shares subject to the grant and a corresponding deduction will be allowable to the Company (subject to Code Section 162(m)). The Participant's tax basis in the shares will be equal to the ordinary income recognized. Upon subsequent disposition of the shares, the Participant will realize long-term or short-term capital gain or loss.

Pursuant to Section 83(b) of the Code, the Participant may elect within 30 days of receipt of the Award to be taxed at ordinary income tax rates on the fair market value of the shares comprising such Award at the time of Award (determined without regard to any restrictions which may lapse) less any amount paid for the shares. In that case, the Participant will acquire a tax basis in the shares equal to the ordinary income recognized by the Participant at the time of Award. No tax will be payable upon the lapse or release of the restrictions or at the time the shares first become transferable, and any gain or loss upon subsequent disposition will be a capital gain or loss. In the event of a forfeiture of shares of common stock with respect to which a Participant previously made a Section 83(b) election, the Participant will generally not be entitled to a loss deduction.

Nonqualified Stock Options. The grant of a nonqualified stock option will not result in the recognition of taxable income by the Participant or in a deduction to the Company. Upon exercise, a Participant will recognize ordinary income in an amount equal to the excess of the fair market value of the shares of common stock purchased over the exercise price, and a tax deduction is allowable to the Company equal to the amount of such income (subject to Code Section 162(m)). Gain or loss upon a subsequent sale of any shares received upon the exercise of a nonqualified stock option generally would be taxed as capital gain or loss (long-term or short-term, depending upon the holding period of the shares sold). Certain additional rules apply if the exercise price for an option is paid in shares previously owned by the Participant.

ISOs. Upon the grant or exercise of an ISO within the meaning of Code Section 422, no income will be realized by the Participant for federal income tax purposes and the Company will not be entitled to any deduction. However, the excess of the fair market value of the shares of common stock as of the date of exercise over the exercise price will constitute an adjustment to taxable income for purposes of the alternative minimum tax. If the shares are not disposed of within the one-year period beginning on the date of the transfer of such shares to the Participant or within the two-year period beginning on the date of grant of the stock option, any profit realized by the Participant upon the disposition of such shares will be taxed as long-term capital gain and no deduction will be allowed to the Company. If the shares are disposed of within the one-year period from the date of transfer of such shares to the Participant or within the two-year period from the date of grant of the stock option, the excess of the fair market value of the shares on the date of exercise or, if less, the fair market value on the date of disposition, over the exercise price will be taxable as ordinary income to the Participant at the time of disposition, and a corresponding deduction will be allowable to the Company. Certain additional rules apply if the exercise price for a stock option is paid in shares previously owned by the Participant.

SARs. The grant of SARs will not result in the recognition of taxable income by the Participant or in a deduction to the Company. Upon exercise, a Participant will recognize ordinary income in an amount equal to the then fair market value of the shares of common stock or cash distributed to the Participant. The Company is entitled to a tax deduction equal to the amount of such income (subject to Code Section 162(m)). Gain or loss upon a subsequent sale of any shares received upon the exercise of SARs generally would be taxed as capital gain or loss (long-term or short-term, depending upon the holding period of the shares sold).

Code Section 162(m) generally disallows a public company from taking a tax deduction for compensation paid in excess of \$1,000,000 in any tax year to its chief executive officer and three most highly compensated executive officers other than the chief financial officer. However, compensation that qualifies as performance-based is

Table of Contents

excluded from this \$1,000,000 deduction limit and therefore remains fully deductible by the Company. The Company generally intends that Awards under the Amended and Restated 2012 Plan qualify as performance-based compensation so that these Awards will not be subject to the Code Section 162(m) deduction limit. However, if the Compensation Committee determines that it is in the Company's best interest, compensation that is not deductible under Section 162(m) may be paid to a Participant in the Compensation Committee's sole discretion.

The foregoing discussion is general in nature and is not intended to be a complete description of the United States federal income tax consequences of the Amended and Restated 2012 Plan. This discussion does not address the effects of other federal taxes or taxes imposed under state, local or foreign tax laws. Participants in the Amended and Restated 2012 Plan are urged to consult a tax advisor as to the tax consequences of participation.

New Plan Benefits

No awards have been granted, and no shares have been issued, on the basis of the proposed 2,100,000 share increase. Future grants under the Amended and Restated 2012 Plan will be made at the discretion of the Compensation Committee and, accordingly, are not yet determinable. In addition, the value of the awards granted under the Plan will depend on a number of factors, including the fair market value of our common stock on future dates and the exercise decisions made by the participants. Consequently, it is not possible to determine the benefits that might be received by participants receiving discretionary grants under the Common Stock.

COMPENSATION OF EXECUTIVE OFFICERS

Compensation Discussion and Analysis

Executive Summary

Our executive compensation program reflects an externally competitive compensation structure based on a market study of executive compensation programs in AAM's comparative peer group. In addition to attracting and retaining key executives, our program is designed to drive Company and individual performance while aligning the interests of our executives with those of our stockholders. In order to ensure that our executive compensation program drives performance in support of our strategic principles and cultural values, we regularly compare our compensation practices and governance against market best practices and consider stockholder feedback.

Named Executive Officers

Our NEOs for the fiscal year ending December 31, 2016 are:

David C. Dauch, Chairman & Chief Executive Officer;

Christopher J. May, Vice President & Chief Financial Officer;

Michael K. Simonte, President;

Alberto L. Satine, President Driveline; and

Norman Willemse, President Metal Formed Products

2016 Highlights

AAM Performance

AAM had an outstanding year in 2016. The year brought record profit and sales, operational excellence, technology advancement and a strategic initiative that will help position AAM to meet future customer and market demands.

During the year, our team worked to continue to diversify our revenue base and improve our capital structure.

Business diversification fueled by growth in key global vehicle segments has contributed to our record profitability and strong operating cash flow. By meaningfully strengthening the balance sheet and reducing our debt leverage, we are positioned for both organic growth initiatives and strategic opportunities. The following highlights AAM's sales and earnings before interest, taxes, depreciation and amortization (EBITDA) performance, excluding the impact of restructuring and acquisition-related costs and non-recurring items (Adjusted EBITDA). For a reconciliation of adjusted measures to measures reported under generally accepted accounting principles in the United States, see Reconciliation of Non-GAAP and GAAP Information below.

(in
millions)

In November 2016, AAM announced the proposed acquisition of Metaldyne Performance Group Inc. (MPG). The combination will bring together highly complementary businesses and form a premier, global Tier 1 supplier with broad capabilities across powertrain, drivetrain and driveline product lines, as well as a diversified customer base and end-markets.

Pay for Performance

AAM's compensation philosophy is to pay for performance, support the Company's business strategies and offer market competitive compensation. Our compensation programs consist of complementary elements that reward achievement of both short-term and long-term objectives. The metrics used for our incentive programs are either associated with operating performance or based upon relative total shareholder return (TSR). The 2016 incentive payouts for our NEOs reflect an overall pay-for-performance alignment as shown below. This result supports AAM's compensation objectives of rewarding performance and aligning the interests of our executive officers with those of our stockholders.

Metrics

The graphic shown above highlights cumulative EBITDA and relative TSR for the three year period ending December 31, 2016. These two metrics were used to measure performance under the 2014 long-term incentive performance share awards. Three year cumulative EBITDA excludes the impact of a settlement charge related to certain terminated vested participants under our defined benefit plans and restructuring and acquisition-related costs. Based on these metrics, the NEOs received a 0% payout on the relative TSR award and a 191% payout on the EBITDA award.

Results of 2016 Say-on-Pay Vote

At our 2016 annual meeting, over 97% of the votes cast were in favor of the Company's say-on-pay proposal. The Compensation Committee (Committee) and the Board considered this favorable outcome as a reflection of our stockholders' strong support of the overall executive compensation program for our NEOs.

Executive Compensation Philosophy and Objectives

The Committee determines the overall compensation philosophy of the Company. The Committee believes that the compensation paid to AAM executives should be structured to provide them with meaningful rewards, while maintaining alignment with stockholder interests, our cultural values and strategic principles. Accordingly, AAM's executive compensation program consists of a mix of base salary, annual incentive compensation and long-term incentive compensation, with limited perquisites and other personal benefits. A significant portion of total direct compensation is performance-based and contingent upon the achievement of stated Company performance goals. Compensation Objectives. The following objectives are considered in determining compensation programs and pay levels for our NEOs:

Compensation and benefit programs should attract, motivate and retain experienced executives who are vital to our short-term and long-term success, profitability and growth. AAM makes an effort to remain competitive by targeting pay levels of our comparative peer group while considering industry conditions and other market influences. Our compensation programs should encourage high-achieving, marketable executives to remain motivated and committed to AAM for long and productive careers.

Compensation and benefit programs should reward Company and individual performance. Our compensation programs strive to deliver competitive compensation for exceptional individual and Company performance as compared to companies in our comparative peer group. As executives progress to higher level leadership positions, a greater portion of their compensation is linked to

Table of Contents

Company performance measured against financial and operational objectives and to stockholder returns.

Compensation and benefit programs should foster the long-term focus required to deliver value to our stockholders. Our long-term incentive compensation program motivates executive officers to achieve our strategic objectives and deliver long-term value creation to our stockholders. Executive officers who influence long-term results have a greater proportion of their compensation tied to long-term performance.

Total compensation opportunities should reflect each executive's level of responsibility and contribution to AAM. While the overall structure of compensation and benefit programs should be broadly similar across the Company, individual pay levels and benefit packages will reflect differences in job responsibilities, geography and marketplace considerations.

Stock ownership requirements for executive officers should align their interests with those of our stockholders. Our stock ownership requirements align our executive officers' interests with those of stockholders and reinforce the importance of making sound long-term decisions. AAM's executive officers are required to maintain a certain level of stock ownership based on their position.

Peer Group and Compensation Benchmarking

Determination of Comparative Peer Group

The Committee uses a comparative peer group in determining competitive pay levels and compensation structure, setting incentive pay opportunities and assessing Company performance relative to its peers in support of AAM's executive compensation philosophy and objectives. The Committee annually reviews the composition of the comparative peer group and makes adjustments to reflect changes in the Company's business as well as industry and market conditions.

Our current comparative peer group consists of the following companies:

A. O. Smith Corporation	Flowserve Corporation	Tower International Inc.
BorgWarner Inc. *	Kennametal Inc.	Trinity Industries, Inc.
Briggs & Stratton	Lear Corporation *	USG Corporation
Cooper-Standard Holdings, Inc.	Meritor Inc. *	Valmont Industries, Inc.
Dana Holding Corporation *	Regal-Beloit Corporation	Visteon Corporation *
Donaldson Company, Inc.	Tenneco Automotive Inc. *	Woodward Inc.
Federal-Mogul Corporation	Terex Corporation	

* Included in our competitor peer group as disclosed in our 2016 annual report to shareholders.

Our competitor peer group also includes Autoliv Inc. and Magna International Inc. The Committee selected this peer group based on guidance from the Committee's independent compensation consultant, Meridian Compensation Partners, LLC. Our comparative peer group includes companies in automotive and related industries with comparable (1) revenues (between one-third and three times our revenues), (2) complexity of global business and operations and (3) market capitalization. This group also includes companies that compete with AAM for executive talent and companies included in the proxy advisory firms' peer groups. AAM's projected revenues are at approximately the median of the comparative peer group's projected revenues. The Committee annually reviews the comparative peer group to determine the appropriateness of the peer group considering the factors noted above. Based on an updated analysis of the peer group performed by Meridian during

2016, the Committee approved certain changes to the peer group to be used in the 2017 executive compensation benchmarking analysis. The changes to the peer group resulted in removing five of the current companies and adding six new companies. AAM's projected revenues remain at approximately the median of the revised comparative peer group's projected revenues.

Table of Contents

Compensation Benchmarking

Generally, the Committee targets total direct compensation at approximately the 50th percentile of our comparative peer group. The Committee believes that this approach reflects a generally accepted benchmark of external competitiveness and supports our ability to attract and retain key executives.

Total direct compensation consists of base salary plus target annual and long-term incentive compensation. Total direct compensation for each NEO may be above or below the 50th percentile of our comparative peer group based on various factors, including an individual's level of responsibility, demonstrated skills and experience, significance of position, contribution to Company performance, time in position, potential for advancement and internal pay equity considerations. The Committee generally sets performance objectives for annual and long-term incentive compensation so that targeted total direct compensation levels can be achieved only when target performance objectives are met. Consequently, actual pay may vary from targeted levels based on achieved performance against pre-established performance objectives.

Tally Sheets

Annually, the Committee reviews compensation tally sheets for each executive officer, including the NEOs. The tally sheets, which are prepared by management, provide a summary of the current amounts of each component of pay and a history of prior long-term incentive grants. The tally sheets also show estimates of potential payments and benefits that could be realized under various hypothetical termination scenarios. The tally sheets consist of information that is substantially similar to the information shown for each NEO in Potential Payments Upon Termination or Change in Control below. The Committee did not change the NEOs' compensation based on its review of this information in 2016.

Total NEO Total Direct Compensation Pay Mix

The following chart illustrates the allocation of 2016 total direct compensation components at target for our CEO and for our other NEOs as a group as of December 31, 2016. This analysis highlights the Company's emphasis on long-term and at-risk compensation.

CEO Other NEOs (Average)

Total NEO Compensation

For 2016, the Committee set total direct compensation for Mr. Dauch and Mr. Simonte at approximately the 50th percentile of the peer group. For Mr. May, who was appointed CFO in August 2015, the Committee set total direct compensation below the 50th percentile based on his limited time in this position. The levels of total direct compensation for Mr. Satine and Mr. Willemse were determined in consideration of internal pay equity for their positions. Accordingly, total direct compensation was set below the 50th percentile of the peer group for Mr. Satine and above the 50th percentile for Mr. Willemse.

Table of Contents

Base Salary. In the fourth quarter of each year, the Committee reviews base salaries for executive officers for the following calendar year. In determining 2016 base salaries for executive officers, the Committee reviewed benchmark data comparing pay levels of our executive officers with those of executives holding similar positions at companies in our comparative peer group. The Committee considered the recommendations of Mr. Dauch in determining other NEO base salaries. The Committee approved 2016 base salaries as follows:

	Base Salary		% Change	
	2016	2015		
David C. Dauch	\$1,150,000	\$1,150,000	—	%
Christopher J. May (effective March 1, 2016)	\$400,000	\$350,000	14	%
Michael K. Simonte	\$640,000	\$640,000	—	%
Alberto L. Satine	\$510,000	\$510,000	—	%
Norman Willemse	\$450,000	\$450,000	—	%

In 2016, the Committee approved an increase to Mr. May's base salary to bring it closer the 50th percentile of the CFO positions among companies in our comparative peer group. Mr. May was appointed CFO in August 2015 and therefore, the Committee set his initial base salary below the 50th percentile subject to further review in 2016. The Summary Compensation Table shows the base salary earned in 2016 for each NEO.

Annual Incentive Compensation. Each NEO's annual incentive compensation is based on achieved results against pre-established financial targets approved by the Committee and established under AAM's Incentive Compensation Plan for Executive Officers. Payment of annual cash incentive awards is permitted to the extent the Company meets or exceeds threshold performance levels and reports positive net income. Subject to 162(m) of the Internal Revenue Code, the Committee may make discretionary adjustments if it determines that the achievement of performance targets for a plan year do not reflect the true performance of the Company due to unanticipated circumstances specified in the plan. The table below shows the 2016 target annual incentive opportunities for our NEOs, stated as a percentage of base salary:

	Target Annual Incentive Opportunity	
	2016	2015
David C. Dauch	125%	125%
Christopher J. May	60%	54%
Michael K. Simonte	100%	88%
Alberto L. Satine	80%	68%
Norman Willemse	80%	68%

The annual incentive target opportunities for Mr. May, Mr. Simonte, Mr. Satine and Mr. Willemse were increased effective August 1, 2015 in connection with promotions to their new leadership positions.

Amendment and Restatement of Annual Incentive Plan

In February 2016, the Committee approved the use of operating income margin as an additional performance measure for annual incentives awarded under the Annual Incentive Plan for Executive Officers. The Committee selected this additional performance measure to more closely align compensation with our business strategy of exceptional operating performance. By removing the impact of financing and tax activities, this metric more effectively aligns incentive opportunities with operational performance objectives. This pre-tax earnings measure is more prevalent among companies in our comparative peer group. The plan will continue to include net income as a percentage of sales, net operating cash flow and return on invested capital as available performance measures.

In support of the Company's 2016 goals and objectives, the Committee approved the use of net operating cash flow and operating income margin, each with equal weighting, as the performance metrics for determining 2016 annual

cash incentives. These performance metrics were selected for the following reasons:

- net operating cash flow is an important financial metric for AAM due to its impact on liquidity, debt reduction and stockholder value creation;

- increasing net operating cash flow is also key to achieving credit rating upgrades, which has a favorable impact on the Company's cost of future financing; and

- operating income is a key indicator of financial and operational performance.

Table of Contents

Net operating cash flow is defined as net cash provided by or used in operating activities less capital expenditures net of proceeds from the sale of property, plant and equipment and from government grants.

2016 Annual Incentive Performance

In the fourth quarter of 2015, in conjunction with a review of the Board-approved annual budget, the Committee set 2016 performance targets for the net operating cash flow and operating income margin performance metrics as follows:

	Weighting	Threshold (Payout 50%)	Target (Payout 100%)	Maximum (Payout 200%)	2016 Actual Performance
Net Operating Cash Flow	50%	\$82.5 million	\$110.0 million	\$126.5 million	\$198.6 million ⁽¹⁾
Operating Income Margin	50%	6.72%	8.96%	10.30%	10.31% ⁽²⁾

(1) Excludes the impact of cash paid for restructuring and acquisition-related costs of \$9.5 million.

(2) Excludes the impact of restructuring, acquisition-related and asset impairment costs of \$26.2 million.

The target for each performance metric was set at budget. The threshold performance was set at 75% of target and the maximum performance was set at 115% of target. In determining these performance and payout levels, the Committee considered an annual incentive plan market analysis performed by Meridian that compared the Company's performance and payout levels to those used by companies in our comparative peer group and among a broader industry group.

The Committee considered the effectiveness of the annual incentive plan design to drive desired levels of performance. The Committee concluded that the threshold performance levels 10.31 should be set at a percentage of target that would drive a higher minimum level of performance, resulting in the achievement of a greater payout of 50% (previously 25%). In addition, the Committee set the maximum levels to reward exceptional performance deserving of a 200% payout. The 2016 annual incentive performance and payout levels are consistent with market practices based on Meridian's analysis.

The operating income margin performance levels were also compared to that of our competitor peer group for the three most recent fiscal years. The target performance level was set at a level to meet the performance of the top one-third of our competitor peer group.

Based on the weighting of each performance metric, the 2016 annual incentive awards resulted in a payout of 200% of target. No discretionary increases were made to 2016 annual incentive payouts for any NEO. The annual incentive awards paid are shown in the Summary Compensation Table.

Long-Term Incentive Compensation. The table below shows the 2016 target long-term incentive opportunities for our NEOs:

	2016 Target Long-Term Incentive Opportunity	
	(\$) ⁽¹⁾	% ⁽²⁾
David C. Dauch	4,600,000	400%
Christopher J. May	400,000	100%
Michael K. Simonte	1,472,000	230%
Alberto L. Satine	765,000	150%
Norman Willemse	675,000	150%

(1) Amounts reflect the value the Committee considered when granting the awards for 2016. These amounts differ from the value of the awards shown in the 2016 Summary Compensation Table and Grants of Plan-Based Awards Table because those tables reflect the probable outcome of the performance metrics for the performance shares.

(2) Stated as a percentage of base salary.

Mr. Dauch's LTI opportunity was increased to 400% from 375% of base salary effective January 1, 2016. The Committee approved this increase in consideration of the Company's financial performance and Mr. Dauch's leadership in strengthening AAM's management team and advancing product technology and innovation. In addition, Mr. Dauch's LTI opportunity has been increased to 450% for 2017. In determining Mr. Dauch's 2017 LTI

target and in consultation with Meridian, the Committee considered, among other factors, market data provided by Meridian, the strong leadership exhibited by Mr. Dauch in positioning AAM to achieve its strategic objectives, and the outstanding operational and financial performance of the Company in 2016.

The target LTI opportunities for Mr. May (from 60%), Mr. Simonte (from 200%), Mr. Satine (from 120%) and Mr. Willemse (from 100%) were increased for 2016 awards in connection with their appointments to new positions.

2016 Long-Term Incentives

The Committee determined the LTI program and each NEO's target LTI opportunity for 2016 in consideration of peer group data, market trends, pay-for-performance alignment and executive retention. Under the 2016 LTI program, each NEO was granted performance shares of 66% and RSUs of 34% of the NEO's target LTI value. RSU awards vest in full on the third anniversary of the grant date and are payable in shares. These awards were granted under the Amended and Restated 2012 Omnibus Incentive Plan (2012 Omnibus Incentive Plan).

Performance share awards are subject to two equally weighted three-year performance metrics: (1) cumulative earnings before interest, taxes, depreciation and amortization (EBITDA) margin and (2) relative total shareholder return (TSR). The Committee selected EBITDA margin because it is a key indicator of our financial and operational performance and is useful in analyzing entity valuation. The Committee selected relative TSR because of its alignment with stock price performance. This TSR performance metric is designed to motivate executive officers to build long-term value for our stockholders. The EBITDA and relative TSR performance measures also complement the metrics we use to determine payouts under our annual incentive program.

The following table shows the threshold, target and maximum EBITDA margin and relative TSR performance levels to be used in determining the payouts for these awards for the performance period January 1, 2016 through December 31, 2018. These performance levels were designed to drive a level of performance in the top one-half of our competitor peer group. The competitor peer group consists of companies listed above in Peer Group and Compensation Benchmarking.

Performance Level	EBITDA Margin Performance Measure		Relative TSR Performance Measure	
	3 Year Cumulative EBITDA Margin	Percent of Target Award Opportunity Earned	Company's TSR Percentile Rank	Percent of Target Award Opportunity Earned
Threshold	10%	25%	35 th	50%
Target	12%	100%	50 th	100%
Maximum	15%	200%	75 th	200%

Payout of 2014 Performance Share Awards

The performance period for performance shares granted in 2014 ended on December 31, 2016. The final number of shares earned was based on EBITDA margin and relative TSR over the three-year performance period as follows:

	Actual Performance	% of Target Shares Earned	Award Weighting	Weighted Payout
EBITDA Margin	14.7% ⁽¹⁾	191%	50%	96%
Relative TSR	22 nd percentile	—%	50%	—%
		Final Payout as a % of Target		96%

(1) Excludes the impact of a settlement charge related to certain terminated vested participants under our defined benefit U.S. pension plans and restructuring and acquisition-related costs. See Reconciliation of Non-GAAP and GAAP information.

Equity Grant Practices

AAM generally makes equity grants to its executive officers and other executives on an annual basis, subject to the approval of the Committee. Grants are typically made in the first quarter of each year to coincide with the communication to executive officers of their annual cash incentive awards for the previous year's performance.

Table of Contents

This timing increases the impact of the awards by strengthening the link between pay and performance. AAM has never allowed backdating, spring loading or other timing of option grants with the release of material non-public information. Currently, stock options are not used as a vehicle for long-term incentive awards under our compensation programs.

Benefits. Our NEOs participate in the same benefit and retirement plans in which our U.S. salaried associates participate. A group of approximately 60 senior executives, including the NEOs, also receive supplemental life, supplemental disability and umbrella liability insurance benefits. Our NEOs are eligible to participate in AAM's qualified and nonqualified defined benefit pension plans and defined contribution plans. They are also eligible to participate in a nonqualified deferred compensation plan that permits deferrals of a portion of base salary and/or annual cash incentive compensation on a pretax basis. These plans are described in the Pension Benefits and Nonqualified Deferred Compensation sections below.

Perquisites. AAM provides a limited number of perquisites to senior executives, including our NEOs. AAM does not pay for country club memberships. Senior executives are eligible for the use of a Company-provided vehicle with AAM content. Mr. Dauch has the use of two Company-provided vehicles. Occasionally, the Company invites spouses of AAM executives to attend Company business events and pays for the spouse's travel and related non-business expenses. The Company reimburses the executive for taxes attributable to the income associated with this benefit. We do not otherwise provide tax gross ups for executives except for those available for all salaried associates generally. Perquisites are further described in the footnotes to the Summary Compensation Table.

Employment Agreements

The terms of Mr. Dauch's and Mr. Simonte's employment agreements are described in the Narrative to the Summary Compensation Table and Grants of Plan-Based Awards Table and Potential Payments Upon Termination or Change in Control.

Change in Control Plan

The AAM Executive Officer Change in Control (CIC) Plan provides eligible executive officers severance payments and benefits in the event of termination of employment on or within two years following a CIC. Mr. Dauch and Mr. Simonte do not participate in the CIC Plan due to the severance payments and benefits provided under each of their employment agreements. The Board believes the CIC Plan enhances stockholder value by encouraging executive officers to consider CIC transactions that may be in the best interests of the Company and our stockholders while keeping them neutral to potential job loss. The Board also believes that the CIC Plan is aligned with competitive market practices and will help to retain key talent. Severance benefits provided to our NEOs are described under Potential Payments Upon Termination or Change in Control.

Executive Compensation Recoupment (Clawback) Policy

The clawback policy authorizes the Committee to determine whether to require recoupment of performance-based incentive compensation actually paid or awarded to any executive officer if certain conditions are met. For purposes of this policy, performance-based compensation includes all annual incentives for periods beginning with the 2014 fiscal year and long-term incentives awarded after January 1, 2014, whether paid in cash or equity, to the extent the awards are determined based on the Company's financial performance.

The Committee may require recoupment if the executive officer engaged in fraud or intentional misconduct that caused or contributed to the need for a material restatement of the Company's financial statements filed with the SEC. If the Committee determines that any performance-based compensation paid or awarded to the executive officer would not have been awarded or would have been awarded at a lower amount had it been calculated based on such restated financial statements (adjusted compensation), the Committee may seek to recover for the benefit of the Company the excess of the awarded compensation over the adjusted compensation (excess compensation). In deciding whether to seek recovery of excess compensation from the executive officer, the Committee will consider the factors it deems relevant under the circumstances and whether the assertion of a claim is in the best interests of the Company.

Table of Contents

Executive Officer Stock Ownership Requirements

A fundamental objective of our compensation program is for executive officers to own AAM stock in order to align their interests with those of our stockholders and to reinforce the importance of making sound long-term decisions. The Company's current stock ownership requirements are as follows:

	Multiple of Base Salary
Chief Executive Officer	6
Chief Financial Officer; President	3
Senior Vice President	2

Executive officers have five years to meet these requirements or, for new executive officers, five years from the date of appointment. Shares owned directly, unvested RSUs and performance shares (at target) count toward the requirement while unexercised stock options are not included. These ownership levels must be maintained as long as the person is an executive officer of AAM. NEOs who have not met these requirements may not sell shares. The Committee annually reviews each executive officer's stock ownership level according to this policy. Each NEO has met or is on track to meet the ownership requirements established for his position.

Anti-hedging and Anti-pledging Policy

AAM prohibits employees and non-employee directors from entering into transactions that may result in a financial benefit if our stock price declines, or any hedging transaction involving our stock, including but not limited to the use of financial derivatives, short sales or any similar transactions. Pledging of Company stock is also prohibited.

Tax Deductibility of Compensation

In general, the compensation awarded to NEOs will be taxable to the executive and will give rise to a corresponding corporate deduction at the time the compensation is paid. Section 162(m) of the Code precludes a public corporation from taking a tax deduction for annual compensation in excess of \$1 million paid to the CEO or to other NEOs other than the CFO. One exception applies to performance-based compensation paid pursuant to stockholder-approved employee benefit plans. Performance-based compensation is compensation that is paid only if the individual's performance meets pre-established objective performance goals based on performance criteria approved by our stockholders.

Although deductibility of compensation is preferred, tax deductibility is not the primary objective of our compensation programs. The Committee may decide to pay compensation or grant awards that serve the objectives of our executive compensation program even though such compensation or awards may not be deductible by the Company.

The annual incentives and long-term incentive performance share awards granted in 2016 to our NEOs are intended to comply with the performance-based compensation exemption under Section 162(m). RSUs granted to NEOs in 2016, although not deductible, were considered to be the appropriate vehicle for a portion of the long-term incentive component of our executive compensation program.

2017 Changes to Executive Compensation Program

In 2017, we made the following changes to our executive compensation program:

• The Board proposed an amendment to the 2012 Omnibus Incentive Plan that included the following:

Minimum one-year vesting of awards;

Non-employee director pay limits;

Prohibition of share recycling on stock options; and

Prohibition of the payout of dividend equivalents before awards are vested.

In anticipation of the proposed acquisition of MPG, the Committee approved a new custom peer group for benchmarking executive compensation that took into consideration the expected increase in projected AAM revenues.

• In February 2017, based on Meridian's benchmark analysis, the Committee approved adjustments to the components of NEO and non-employee director compensation which will not be implemented until the successful closing of the acquisition of MPG.

Increased stock ownership requirements for the CEO and certain other NEOs and increased stock ownership guidelines for non-employee directors.

Reconciliation of Non-GAAP and GAAP Information

AAM has included in this Amendment adjusted operating income margin, adjusted net operating cash flow and adjusted EBITDA, which are financial metrics used in our Incentive Compensation Plan for Executive Officers and the 2012 Omnibus Incentive Plan. These metrics are non-GAAP financial measures. Such information is reconciled to its closest GAAP measure in the tables below in accordance with Securities and Exchange Commission rules.

Management believes that these non-GAAP financial measures are useful to both management and its stockholders in their analysis of the Company's business and operating performance. Management also uses this information for operational planning and decision-making purposes. Non-GAAP financial measures are not and should not be considered a substitute for any GAAP measure. Additionally, non-GAAP financial measures as presented by AAM may not be comparable to similarly titled measures reported by other companies.

Annual Incentive Awards

In 2016, annual incentive awards were granted under the AAM Incentive Compensation Plan for Executive Officers. Net operating cash flow and operating income margin were selected as performance metrics for these awards. The maximum payout for each performance metric is 200%. See Annual Incentive Compensation in the CD&A.

Long-Term Incentive Awards

In 2016, the Company granted long-term incentive awards to NEOs in the form of RSUs and performance share awards. The terms of these awards are described in Long-Term Incentive Compensation in the CD&A.

2016 Awards Granted Under the 2012 Omnibus Incentive Plan

Restricted Stock Units (RSUs). The RSUs granted on March 4, 2016 to NEOs vest in three years. All RSUs are payable in common stock.

Performance Share Awards. The performance share awards granted to NEOs on March 4, 2016 are based upon the attainment of certain EBITDA margin performance targets and relative TSR over a three-year performance period beginning January 1, 2016 through December 31, 2018. The performance share awards represented 66% of the total LTI award opportunity for executive officers. One-half of the 2016 performance share payouts, or 33% of the total LTI award, earned will be measured by EBITDA margin performance and one-half, or 33% of the total LTI award, will be measured by relative TSR performance over a three-year period. TSR performance share payouts will be capped if the Company's TSR is negative for the three-year period. All performance shares are payable in common stock.

The following tables illustrate the threshold, target and maximum performance levels for determining 2016 award payouts for each performance measure.

PENSION BENEFITS

The NEOs are eligible to participate in pension plans that provide benefits based on years of service and pay. The following table shows the value of the benefits accumulated by the NEOs and their years of credited service under AAM's Salaried Retirement Program (SRP), the Albion Pension Plan and AAM's Supplemental Executive Retirement Program (SERP), each effective as of December 31, 2016.

The years of credited service are through December 31, 2016. Benefits under the SRP were frozen effective December 31, 2006 for Mr. Dauch, Mr. May and Mr. Simonte. Benefits under the SRP were frozen effective

(1) December 31, 2011 for Mr. Satine. As a result, credited service under the SRP is less than actual service with the Company. Credited service under the SERP reflects actual years of service with the Company, including for Mr. Willemse his years of service with our UK subsidiary, Albion Automotive Limited.

The values shown are based on benefits deferred to the earliest age at which unreduced benefits are payable. The assumptions used to calculate the actuarial present value of accumulated benefits are the same assumptions used in

(2) our audited consolidated financial statements for the fiscal year ended December 31, 2016 and assume continued employment until unreduced retirement age is attained. For material assumptions used, see Note 6 to the audited consolidated financial statements in our annual report on Form 10-K for the fiscal year ended December 31, 2016.

Mr. Satine was eligible to retire on December 31, 2016 under both the SRP and the SERP. He qualifies for a

(3) reduced benefit of approximately 88% of the unreduced benefit under the SRP and the lump sum benefit under the SERP.

(4) Mr. Willemse is not a participant in the SRP. Mr. Willemse was eligible to retire on December 31, 2016 under both the Albion Pension Plan and the SERP. He qualifies for the lump sum benefit under the SERP.

Table of Contents

Salaried Retirement Program (SRP). The annual retirement benefit payable to each executive, commencing on retirement at or after age 65, equals the sum of the executive's contributions plus an additional benefit based on the executive's average monthly salary (determined as the average of the executive's base salary in the highest 60 months during his final 10 years of service) and years of credited service. Benefits under the SRP may be paid as a single life annuity or, upon election, in the form of a joint and survivor annuity with a reduction in the amount of the annual benefit. The SRP is a qualified plan subject to Internal Revenue Code (IRC) limitations on benefits and is subject to Employee Retirement Income Security Act of 1974.

Effective December 31, 2006, the SRP was amended to freeze benefits at current levels for associates who were not eligible to retire by December 1, 2011. Associates who were eligible for early or normal retirement on or before December 31, 2011 continued to accrue benefits through December 31, 2011.

Albion Pension Plan. Our Albion Automotive Limited subsidiary provides pension benefits under the Albion Pension Plan for its salaried associates. Mr. Willemse is a participant in this plan based on his former employment with this subsidiary. The annual retirement benefit payable, commencing on retirement at or after age 65, is based on the participant's average salary (as defined in the plan during the final 10 years of service with Albion Automotive Limited), years of pensionable service and the percentage of participant contributions made to the plan. The participant may elect benefits to be in the form of an annuity or to receive a portion of the benefit payable in a lump sum.

Supplemental Executive Retirement Program (SERP). Executive officers who are grandfathered under the SRP are eligible to receive the basic form of pension benefit under the SERP upon retirement. In addition, the executive may be eligible to receive the alternative form of benefit, if greater than the basic benefit, upon retirement at or after age 62. The executive must have at least 10 years of credited service to receive either form of benefit under the SERP.

The total monthly benefit payable under the basic form of SERP is equal to the following amount:

- Two percent of the executive's average monthly salary calculated as of December 31, 2011 (as determined for the SRP excluding the limitations as specified under the IRC), multiplied by the executive's years of credited service; less

- The benefit payable to the executive under the SRP (without reduction for survivor benefits), plus 2% of the maximum monthly social security benefit payable at age 65 multiplied by the executive's years of credited service.

The Compensation Committee has discretion to reduce or eliminate the amount payable under the alternative form of benefit. Subject to the Compensation Committee's discretion, the total monthly benefit payable under the alternative form of SERP is equal to the following amount:

- 1.5% of the executive's average monthly salary calculated as of December 31, 2011 (as determined for the SRP excluding the limitations as specified under the IRC) and average monthly incentive compensation as of December 31, 2011 (determined as the average of the highest five of the executive's last 10 annual cash incentive awards, divided by 12) multiplied by the executive's years of credited service; less

- The benefit payable to the executive under the SRP (without reduction for survivor benefits), plus the maximum monthly social security benefit payable at age 65.

SERP benefits payable under the basic and alternative forms are generally paid as a single life annuity. If the executive's spouse is eligible for survivor benefits under the SRP; however, the executive's monthly SERP benefit will be reduced and paid in the form of a joint and survivor annuity.

Mr. Dauch, Mr. May, Mr. Simonte and Mr. Willemse, who are not grandfathered under the SRP, are eligible to receive a benefit under the current SERP formula, payable six months after retirement in a lump sum. As a grandfathered participant, Mr. Satine may alternatively be eligible to receive a benefit under the current SERP formula if this benefit is greater than that under the basic or alternative benefit described above. Under the current SERP formula, the amount of the benefit will be equal to 12.5% of the executive's final average compensation (determined as the executive's average annual base salary and cash incentive for the highest five consecutive years), multiplied by the executive's years of credited service, less the sum of the actuarial equivalent value of the executive's benefits payable under the SRP, Albion Pension Plan and the balance of the executive's employer retirement contribution account under AAM's 401(k) plan.

Reflects hypothetical accrued earnings or losses during 2016 on notional investments designed to track (1) the performance of funds similar to those available to participants in the Company's 401(k) plan. None of the earnings shown in this column are reported as compensation in the Summary Compensation Table.

(2) Of the aggregate balance, the amounts reflect compensation previously reported in the Summary Compensation Table for each of the NEOs.

Under AAM's Executive Deferred Compensation Plan, a nonqualified, tax-deferred savings plan, certain executives, including the NEOs, may elect to defer payment of 6% to 75% of their base salary and/or their annual incentive award during any plan year. Base salary deferred into the plan receives a 3% Company match. Matching contributions are vested after five years of credited service. The amounts deferred are unfunded and unsecured obligations of AAM. Amounts deferred or credited into this plan are represented in the executive's notional account and are "invested" among funds similar to those available under AAM's 401(k) plan. Although the executive has no actual or constructive ownership of shares in the investment funds, the return on the executive's account is determined as if the amounts were notionally invested in these funds.

Distributions can be received (1) upon retirement in a lump sum or in annual payments over a period of five or ten years, (2) in a lump sum upon death, disability, termination of employment or change in control or (3) if elected by the participant, during employment at a specified date after a minimum deferral period. The minimum deferral period is at least three years following the end of the plan year to which the deferral election relates and distributions during employment consist of participant deferrals and related earnings or losses (not Company contributions and related earnings or losses).

Table of Contents

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE IN CONTROL

The following tables show the estimated potential payments and benefits that each of the NEOs would receive upon termination of employment under various circumstances that would trigger payments under applicable employment agreements and the Company's plans and programs, assuming the termination event occurred on December 31, 2016. Although the calculations are intended to provide reasonable estimates of the potential payments, they are based on numerous assumptions and may not represent the actual amounts these NEOs would receive upon each termination event.

Employment Agreements

Under our employment agreements with Mr. Dauch and Mr. Simonte, the Company may terminate their employment with or without cause. Cause means:

- a material breach of his obligations under the agreement;
- the willful and continued failure or refusal to satisfactorily perform his duties;
- a conviction of or pleading guilty (or no contest) to a felony or to another crime involving dishonesty or moral turpitude or which reflects negatively upon the Company or impairs its operations;
- engaging in any misconduct, negligence, act of dishonesty (including any violation of federal securities laws) or violence that is materially injurious to the Company;
- a material breach of a restrictive covenant (i.e., non-competition, non-solicitation) or Company policy;
- refusal to follow the directions of the Board; or
- any other willful misconduct that is materially injurious to AAM's financial condition or business reputation.

In addition, Mr. Dauch and Mr. Simonte may resign for good reason, which means:

- a material decrease in compensation or a failure by the Company to pay material compensation;
- a material diminution of responsibilities, positions or titles (other than solely as a result of the Company ceasing to be a publicly-traded company);
- relocation more than 50 miles outside the Detroit-metropolitan area; or
- a material breach by the Company.

Upon termination for cause or resignation without good reason, Mr. Dauch and Mr. Simonte are entitled to receive only accrued and unpaid compensation. Participation in the Company's benefit plans would cease upon termination. If employment is terminated without cause or upon resignation for good reason on or within two years following a CIC, Mr. Dauch and Mr. Simonte are entitled to a severance payment of a multiple of annual base salary and annual bonus, plus a target annual bonus prorated through the termination date. The annual bonus payment is determined based on the higher of his target annual bonus for either the year of the CIC or the year of termination. The severance multiple for Mr. Dauch is three times and Mr. Simonte's multiple is two times. In addition, each would receive medical benefit continuation after termination of employment following a CIC; Mr. Dauch for three years and Mr. Simonte for two years. Each would also receive outplacement services; Mr. Dauch \$50,000 and Mr. Simonte \$30,000. If employment is terminated without cause, or upon resignation for good reason not in connection with a CIC, Mr. Dauch and Mr. Simonte are entitled to receive accrued and unpaid compensation and continued payment of base salary for two years following termination. Each would also receive outplacement services; Mr. Dauch \$50,000 and Mr. Simonte \$30,000.

Certain severance payments are subject to recoupment or clawback. Salary and benefit continuation is also subject to compliance with the confidentiality, non-competition, non-solicitation and intellectual property assignment provisions of each employment agreement as well as the execution and non-revocation of a general waiver and release of claims. If employment terminates due to disability or death, Mr. Dauch and Mr. Simonte will be entitled to accrued benefits under applicable benefit plans and programs.

AAM Executive Officer Change in Control Plan

Under the AAM Executive Officer Change in Control Plan adopted in February 2015, upon termination of employment by the Company without cause or resignation by an executive officer (other than Mr. Dauch and Mr. Simonte) for good reason on or within two years following a CIC, each eligible executive officer will be entitled to certain severance payments and benefits, in addition to other accrued compensation and benefits:

- a cash amount equal to annual base salary multiplied by two;

Table of Contents

- a cash amount equal to target annual bonus multiplied by two, with target annual bonus determined as the greater of the target amount in the year of the CIC or the year of termination of employment;
- reimbursement of outplacement service costs of up to \$30,000 incurred within 24 months following termination of employment; and
- continued participation in AAM's medical benefit plans for two years following termination of employment, or, in certain cases, a cash amount equal to the value of the benefit continuation.

For purposes of the CIC Plan, cause means: (1) the participant's willful and continued failure or refusal to satisfactorily perform his/her duties; (2) a conviction of or pleading guilty (or no contest) to a felony or to another crime involving dishonesty or moral turpitude or which reflects negatively upon the Company or impairs its operations; (3) engaging in any willful misconduct, gross negligence, act of dishonesty (including any violation of federal securities laws) or violence that is injurious to the Company; (4) a material breach of any restrictive covenant or any material written policy of the Company; (5) a material failure to comply with any material applicable laws and regulations or professional standards relating to the business of the Company; or (6) any other misconduct that is injurious to the financial condition or business reputation of the Company.

The CIC Plan defines good reason to include any of the following acts or omissions: (1) a material reduction in a participant's position, authority, duties or responsibilities following the CIC; (2) a material reduction in a participant's annual base salary or bonus opportunity in effect prior to the CIC; or (3) a relocation of the office at which the participant is to perform the majority of his or her duties following a CIC to a location more than 50 miles from such location prior to the CIC.

This salary and benefit continuation is subject to the executive officer's compliance with the confidentiality, non-competition, non-solicitation and intellectual property assignment provisions of the CIC Plan as well as the execution and non-revocation of a general waiver and release of claims. Certain severance payments are also subject to recoupment or clawback.

No Tax Gross Ups

The Company does not provide tax gross ups to executive officers upon a CIC. If any of the payments or benefits under Mr. Dauch's or Mr. Simonte's employment agreement or the CIC Plan are deemed to be parachute payments under Section 280G of the Code and would be subject to the excise tax imposed under Section 4999 of the Code, the payments or benefits will be reduced by the amount required to avoid the excise tax if the reduction would give a better after-tax result than if the full payments and benefits were received.

Non-Competition Agreements

Pursuant to their non-competition agreements with the Company, Mr. May, Mr. Satine and Mr. Willemse are prohibited, while employed by AAM and for one year following termination of employment (prior to a CIC), from:

- directly or indirectly engaging in any business that competes with AAM;
- soliciting or inducing our employees to leave AAM, or offering employment to our employees or otherwise interfering with our relationship with our employees, agents or consultants; and
- using, exploiting or disclosing our confidential information to any third party without our prior written consent.

Potential Payments Upon Termination or Change in Control

The tables below reflect potential payments to each NEO upon resignation for good reason, termination without cause, disability, retirement and a CIC as of December 31, 2016. Upon termination for cause or resignation without good reason, each NEO would receive only accrued and unpaid compensation and benefits. The assumptions used to determine retirement benefits for eligible NEOs are the same as those used in our audited consolidated financial statements for the fiscal year ended December 31, 2016. See Note 6 to the audited consolidated financial statements in our 2016 annual report on Form 10-K. Mr. Dauch, Mr. May and Mr. Simonte were not eligible to retire as of December 31, 2016. The footnotes following the tables provide additional detail regarding the potential payments and benefits shown for each termination scenario.

PROPOSAL 3: ADVISORY VOTE ON EXECUTIVE COMPENSATION

AAM is seeking a non-binding advisory vote from our stockholders to approve the compensation of our named executive officers as disclosed in the Compensation Discussion and Analysis (CD&A) and narrative and tabular disclosures in this proxy statement. In the CD&A, we provide a detailed description of our compensation programs, including our compensation philosophy and objectives, the individual elements of executive pay, and how the programs are administered. We encourage you to review the CD&A, together with the other narrative and tabular disclosures, in considering your advisory vote on our named executive officers' compensation (say-on-pay).

Our executive officer compensation program is designed to reward performance that supports the achievement of our business objectives and creates long-term stockholder value. The Compensation Committee considers the following fundamental objectives, among others, in determining our compensation programs:

• Compensation and benefit programs should attract, motivate and retain experienced executives who are vital to our short-term and long-term success, profitability and growth;

• Compensation and benefit programs should reward Company and individual performance; and

• Compensation and benefit programs should foster the long-term focus required to deliver value to our stockholders.

Our executive officer compensation program also reflects an externally competitive compensation structure based on a market study of executive compensation programs in AAM's comparative peer group. In order to ensure that our compensation program drives performance in support of our strategic principles and cultural values, we regularly compare our compensation practices against market best practices and stockholder feedback.

At the 2016 annual meeting of stockholders, over 97% of the votes cast were in favor of our say-on-pay proposal. The Compensation Committee and the Board considered this favorable outcome as a reflection of our stockholders' strong support of the overall executive compensation program for our NEOs.

Although the vote on this proposal is advisory and non-binding, the Board and the Compensation Committee will carefully consider the voting results when making future compensation decisions.

The Board unanimously recommends a vote FOR the approval of the compensation of our named executive officers.

Table of Contents

PROPOSAL 4: FREQUENCY OF FUTURE ADVISORY VOTES ON EXECUTIVE COMPENSATION

Stockholders have an opportunity to vote on a non-binding resolution to advise the Board of Directors on whether the advisory stockholder vote on executive compensation (say-on-pay) should occur every one, two or three years. Although this vote is advisory and non-binding, the Board will review voting results and give consideration to the outcome of the vote when making future decisions about the frequency of future say-on-pay proposals.

The Board believes that submitting the advisory vote on executive compensation to stockholders on an annual basis is the best approach for AAM and its stockholders. While the Board is recommending that you vote in favor of submitting advisory votes every year, you are not voting to approve or disapprove the Board's recommendation. The proxy card provides you with a choice of voting to submit the say-on-pay proposal every one, two or three years, or of abstaining from voting. The frequency option that receives the most votes "for" of all votes cast on the proposal will be the frequency option approved by stockholders.

The Board unanimously recommends that you vote for the alternative of ONE YEAR for future advisory votes on executive compensation.

Non-employee directors may elect to defer, on a pre-tax basis, a portion of their retainer and meeting fees and receive tax-deferred earnings (or losses) on the deferrals under AAM's Executive Deferred Compensation Plan. PROPOSAL 5: RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR 2017

The Audit Committee of the Board of Directors of AAM has appointed Deloitte & Touche LLP to serve as the independent registered public accounting firm to examine the Company's consolidated financial statements for the year ending December 31, 2017. Although ratification is not required by our by-laws or otherwise, the Board is submitting the appointment of Deloitte & Touche LLP to our stockholders as a matter of good corporate practice. If the appointment is not ratified, the Audit Committee will consider whether the appointment is appropriate and will use its discretion in determining whether the appointment of Deloitte & Touche LLP is in the best interests of the Company and its stockholders.

Representatives of Deloitte & Touche LLP will attend the 2017 annual meeting and be available to make a statement or respond to appropriate questions.

The Board unanimously recommends a vote FOR ratification of the appointment of Deloitte & Touche LLP as the Company's independent registered public accounting firm for 2017.

AUDIT COMMITTEE DISCLOSURE

Report of the Audit Committee

The Audit Committee assists the Board in fulfilling its oversight responsibilities with respect to the Company's financial reporting process by monitoring, among other matters, the quality and integrity of the Company's financial statements, the independence and performance of Deloitte & Touche LLP (D&T), the Company's independent registered public accounting firm, and the performance of the Company's internal auditors. Management has primary responsibility for preparing the consolidated financial statements and for the reporting processes, including the design and maintenance of the Company's system of internal controls. The independent registered public accounting firm is responsible for auditing the Company's consolidated financial statements and opining upon the effectiveness of the internal control over financial reporting under the standards of the Public Company Accounting Oversight Board (PCAOB). The Audit Committee is solely responsible for the compensation, appointment and oversight of the Company's independent registered public accounting firm.

In this context, the Audit Committee has met and held discussions with management, D&T and the internal auditors, separately and together, with and without management present, regarding the Company's audited consolidated financial statements for the year ended December 31, 2016, and the Company's internal controls over financial reporting. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles in the U.S. The Audit Committee also discussed with D&T the matters required to be discussed by PCAOB Auditing Standard No. 16, Communications with Audit Committees, applicable rules of the SEC, and other relevant professional and regulatory standards, which include, among other items, matters related to the conduct of the audit of the Company's consolidated financial statements. Further, the Audit Committee discussed with the internal auditors the Company's plans for and scope of internal audits, identification of audit risks and results of audit activities.

The Audit Committee reviewed and discussed with D&T the auditor's independence from the Company and the Company's management. As part of that review, D&T submitted to the Audit Committee the written disclosures and the letter required by requirements of the PCAOB regarding D&T's communication with the Audit Committee concerning independence. Further, the Audit Committee discussed with D&T the firm's independence and considered whether D&T's performance of non-audit services to the Company was compatible with maintaining D&T's independence. The Audit Committee concluded that D&T is independent from the Company and its management. Based on the considerations described above and the limitations of the role and responsibilities of the Audit Committee, the Audit Committee recommended to the Board that the audited consolidated financial statements for the year ended December 31, 2016 be included in the Company's 2016 annual report on Form 10-K.

Policy for Pre-Approval of Audit and Non-Audit Services

The Audit Committee's policy is to approve in advance all audit and permitted non-audit services (including scope, fee structure and the potential effect of the service on the auditor's independence) to be performed for the Company by its independent registered public accounting firm. Pre-approval is generally provided for up to one year, is detailed as to the particular service or category of services and is generally subject to a specific budget. The Audit Committee may also pre-approve particular services on a case-by-case basis. The Chairman of the Audit Committee may pre-approve permissible non-audit services that arise between Audit Committee meetings, provided the fees do not exceed a limit established by the Audit Committee and the Audit Committee is informed of the decision to pre-approve the service at its next scheduled meeting. The Audit Committee received regular updates on the amount of fees and scope of audit, non-audit and tax services provided by D&T during 2016. All services provided by D&T during fiscal 2016 were authorized and approved by the Audit Committee in compliance with applicable pre-approval policies and procedures.

Unless otherwise determined by the Committee, all payments under all of the methods indicated above shall be paid in United States dollars or Shares, as applicable.

6.6 Special Rules Regarding ISOs. The terms of any Incentive Stock Option ("ISO") granted under the Plan shall comply in all respects with the provisions of Code Section 422, or any successor provision thereto, as amended from time to time. Notwithstanding any provision of the Plan to the contrary, an Option granted in the form of an ISO to a Participant shall be subject to the following rules:

(a) Special ISO definitions:

- (i) "Parent Corporation" shall mean as of any applicable date a corporation in respect of the Company that is a parent corporation within the meaning of Code Section 424(e).
 - (ii) "ISO Subsidiary" shall mean as of any applicable date any corporation in respect of the Company that is a subsidiary corporation within the meaning of Code Section 424(f).
 - (iii) A "10% Owner" is an individual who owns stock possessing more than ten percent (10%) of the total combined voting power of all classes of stock of the Company or its Parent Corporation or any ISO Subsidiary.
- (b) Eligible Employees. An ISO may be granted solely to eligible Employees of the Company, Parent Corporation, or ISO Subsidiary.
- (c) Specified as an ISO. An Award Agreement evidencing the grant of an ISO shall specify that such grant is intended to be an ISO.

(d) Option Price. The Option Price for each grant of an ISO shall be determined by the Committee in its sole discretion and shall be specified in the Award Agreement; provided, however, the Option Price must be at least equal 100% of the Fair Market Value of a Share as of the ISO's Grant Date (in the case of 10% Owners, the Option Price may not be not less than 110% of such Fair Market Value), subject to adjustment provided for under Section 4.4.

(e) Right to Exercise. Any ISO granted to a Participant shall be exercisable during his or her lifetime solely by such Participant.

(f) Exercise Period. The period during which a Participant may exercise an ISO shall not exceed ten years (five years in the case of a Participant who is a 10% Owner) from the date on which the ISO was granted.

(g) Termination of Employment. In the event a Participant terminates employment due to death or Disability (as defined in Code Section 22(e)(3)), the Participant (or, in the case of death, the person(s) to whom the Option is transferred by will or the laws of descent and distribution) shall have the right to exercise the Participant's ISO award during the period specified in the applicable Award Agreement solely to the extent the Participant had the right to exercise the ISO on the date of his death or Disability; as applicable, provided, however, that such period may not exceed one year from the date of such termination of employment or if shorter, the remaining term of the ISO. In the event a Participant terminates employment for reasons other than death or Disability, the Participant shall have the right to exercise the Participant's ISO during the period specified in the applicable Award Agreement solely to the extent the Participant had the right to exercise the ISO on the date of such termination of employment; provided, however, that such period may not exceed three months from the date of such termination of employment or if shorter, the remaining term of the ISO.

(h) Dollar Limitation. To the extent that the aggregate Fair Market Value of (i) the Shares with respect to which Options designated as Incentive Stock Options plus (ii) the shares of stock of the Company, Parent Corporation and any ISO Subsidiary with respect to which other Incentive Stock Options are exercisable for the first time by a holder of such Incentive Stock Options during any calendar year under all plans of the Company and ISO Subsidiary exceeds \$100,000, such Options shall be treated as Nonqualified Stock Options. For purposes of the preceding sentence, Options shall be taken into account in the order in which they were granted, and the Fair Market Value of the Shares shall be determined as of the time the Option or other incentive stock option is granted.

(i) Duration of Plan. No ISO may be granted more than ten years after the earlier of (a) adoption of this Plan by the Board and (b) the Effective Date.

(j) Notification of Disqualifying Disposition. If any Participant shall make any disposition of Shares issued pursuant to the exercise of an ISO, such Participant shall notify the Company of such disposition within 30 days thereof. The Company shall use such information to determine whether a disqualifying disposition as described in Code Section 421(b) has occurred.

(k) Transferability. No ISO may be sold, transferred, pledged, assigned or otherwise alienated or hypothecated, other than by will or by the laws of descent and distribution; provided, however, that at the discretion of the Committee, an ISO may be transferred to a grantor trust under which Participant making the transfer is the sole beneficiary.

7.6 Settlement of SARs. Upon the exercise of an SAR, pursuant to a notice of exercise properly completed and submitted to the Company in accordance with Section 7.5, a Participant shall be entitled to receive payment from the Company in an amount equal to the product of (a) and (b) below:

Shares of Restricted Stock covered by each Restricted Stock grant shall become freely transferable by the Participant after all conditions and restrictions applicable to such Shares have been satisfied or lapsed (including satisfaction of any applicable tax withholding obligations).

8.4 Shareholder Rights. Unless otherwise determined by the Committee and set forth in a Participant's applicable Award Agreement, to the extent permitted or required by law a Participant holding Shares of Restricted Stock granted hereunder shall be granted full rights as a shareholder (including voting rights) with respect to those Shares during the Period of Restriction.

10.3 Earning of Performance Shares. After the applicable Performance Period has ended, the number of Performance Shares earned by the Participant over the Performance Period shall be determined as a function of the extent to which the applicable corresponding performance goals have been achieved. This determination shall be made solely by the Committee.

10.4 Form and Timing of Payment of Performance Shares. The Committee shall pay at the close of the applicable Performance Period, or as soon as practicable thereafter, any earned Performance Shares in the form of cash or in Shares or in a combination thereof, as specified in a Participant's applicable Award Agreement. (a) The Committee may grant Other Stock-Based Awards not otherwise described by the terms of this Plan, including, but not limited to, the grant or offer for sale of unrestricted Shares and the grant of deferred Shares or deferred Share units, in such amounts and subject to such terms and conditions, as the Committee shall determine, in its sole discretion. Such Awards may involve the transfer of actual Shares to Participants, or payment in cash or otherwise of amounts based on the value of Shares.

(b) The Committee, at any time and from time to time, may grant Cash-Based Awards to a Participant in such amounts and upon such terms as the Committee shall determine, in its sole discretion.

If the Committee exercises its discretion to establish performance goals, the value of Cash-Based Awards paid to the Participant will depend on the extent to which such performance goals are met.

12.3 Payment of Other Stock-Based Awards and Cash-Based Awards. Payment, if any, with respect to Cash-Based Awards and Other Stock-Based Award shall be made in accordance with the terms of the applicable Award Agreement, in cash, Shares or a combination of both as determined by the Committee in its sole discretion.

ARTICLE 13. TRANSFERABILITY OF AWARDS AND SHARES

13.1 Transferability of Awards. Except as provided in Section 13.2, during a Participant's lifetime, Options and SARs shall be exercisable only by the Participant. Awards shall not be transferable other than by will or the laws of descent and distribution or pursuant to a domestic relations order entered into by a court of competent jurisdiction. No Awards shall be subject, in whole or in part, to attachment, execution or levy of any kind. Any purported transfer in violation of this Section 13.1 shall be null and void.

13.2 Committee Action. Notwithstanding Section 13.1, the Committee may, subject to applicable laws, rules and regulations and such terms and conditions as it shall specify, determine that any or all Awards shall be transferable, for no consideration to a Permitted Transferee. Any Award transferred to a Permitted Transferee shall be further

transferable only by last will and testament or the laws of descent and distribution or, for no consideration, to another Permitted Transferee of the Participant. "Permitted Transferees" include (i) a Participant's family member, (ii) one or more trusts established in whole or in part for the benefit of one or more of such family members, (iii) one or more entities which are beneficially owned in whole or in part by one or more such family members, or (iv) a charitable or not-for-profit organization. 13.3 Restrictions on Share Transferability. The Committee may impose such restrictions on any Shares acquired by a Participant under the Plan as it may deem advisable, including, without limitation, minimum holding period requirements, restrictions under applicable federal securities laws, under the requirements of any stock exchange or market upon which such Shares are then listed or traded or under any blue sky or state securities laws applicable to such Shares.

ARTICLE 14. PERFORMANCE-BASED COMPENSATION AND COMPLIANCE
WITH CODE SECTION 162(M)

14.1 Compliance with Section 162(m). The provisions of the Plan are intended to ensure that all Options and SARs granted hereunder to any Participant who is or may be a Covered Employee at the time of exercise of such Option or SAR qualify for exemption from the limitation on deductibility imposed by Code Section 162(m) and that such Options and SARs shall therefore be considered Performance-Based Compensation and this Plan shall be interpreted and operated consistent with that intention. The Committee may designate any Award (other than an Option or SAR) as Performance-Based Compensation upon grant, in each case based upon a determination that (i) the Participant is or may be a Covered Employee with respect to such Award, and (ii) the Committee wishes such award to qualify for exemption from the limitation on deductibility imposed by Code Section 162(m) that is set forth in Section 162(m)(4)(c). The Committee shall have the sole authority to specify which Awards are to be granted in compliance with Section 162(m) and treated as Performance-Based Compensation.

14.2 162(m) Performance-Based Compensation Grant. The Participants to receive Performance-Based Compensation will be designated, and the targets for the applicable Performance Measures will be established, by the Committee within ninety (90) days following the commencement of the applicable performance period (or such earlier or later date permitted or required by Code Section 162(m)). Each Participant will be assigned a target dollar amount or number of Shares payable if the applicable performance targets are achieved. Any payment of Performance-Based Compensation intended to comply with Code Section 162(m) shall be conditioned on the written certification of the Committee in each case that the applicable targets for the Performance Measures and any other material conditions were satisfied. The Committee may determine, at the time of Award grant, that if performance exceeds the specified targets, the Award may be settled with payment greater than the target amount, but in no event may such payment exceed the Annual Award Limits. The Committee retains the right to reduce any Award notwithstanding the attainment of the target Performance Measures.

14.3 Performance Measures. The performance goals upon which the payment or vesting of an Award to a Covered Employee that is intended to qualify as Performance-Based Compensation shall be limited to the following Performance Measures:

- (a) Book value or earnings per Share;
- (b) Cash flow, free cash flow or operating cash flow;
- (c) Earnings before or after either, or any combination of, interest, taxes, depreciation, or amortization;
- (d) Expenses/costs;
- (e) Gross, net or pre-tax income (aggregate or on a per-share basis);
- (f) Net income as a percentage of sales;
- (g) Gross or net operating margins or income, including operating income;
- (h) Gross or net sales or revenues;
- (i) Gross profit or gross margin;
- (j) Improvements in capital structure, cost of capital or debt reduction;
- (k) Market share or market share penetration;
- (l) Growth in managed assets;
- (m) Reduction of losses, loss ratios and expense ratios;

A-13

- (n) Asset turns, inventory turns or fixed asset turns;
- (o) Operational performance measures;
- (p) Profitability ratios (pre or post tax);
- (q) Profitability of an identifiable business unit or product;
- (r) Return measures (including return on assets, return on equity, return on investment, return on capital, return on invested capital, gross profit return on investment, gross margin return on investment, economic value added or similar metric);
- (s) Share price (including growth or appreciation in share price and total shareholder return);
- (t) Strategic business objectives (including objective project milestones);
- (u) Transactions relating to acquisitions or divestitures; or
- (v) Working capital.

Any Performance Measure(s) may, as the Committee in its sole discretion deems appropriate, (i) relate to the performance of the Company or any Subsidiary as a whole or any business unit or division of the Company or any Subsidiary or any combination thereof, (ii) be compared to the performance of a group of comparator companies, or published or special index, (iii) be based on change in the Performance Measure over a specified period of time and such change may be measured based on an arithmetic change over the specified period (e.g., cumulative change or average change), or percentage change over the specified period (e.g., cumulative percentage change, average percentage change or compounded percentage change), (iv) relate to or be compared to one or more other Performance Measures, or (v) any combination of the foregoing. Subject to Section 23.1, the Committee also has the authority to provide for accelerated vesting of any Award based on the achievement of performance goals pursuant to the Performance Measures specified in this Article 14.

14.4 Evaluation of Performance. The Performance Measures shall be determined in accordance with generally accepted accounting principles consistently applied on a business unit, divisional, subsidiary or consolidated basis or any combination thereof. The Committee may provide in any Award intended to qualify as Performance-Based Compensation that any evaluation of performance may include or exclude the impact, if any, on reported financial results of any of the following events that occurs during a Performance Period: (a) asset write-downs, (b) litigation or claim judgments or settlements, (c) changes in tax laws, accounting principles or other laws or provisions, (d) reorganization or restructuring programs, (e) acquisitions or divestitures, (f) foreign exchange gains and losses and (g) gains and losses that are treated as unusual or infrequently occurring items within the meaning of the accounting standards of the Financial Accounting Standard Board or such comparable successor term. To the extent such inclusions or exclusions affect Awards to Covered Employees, they shall be prescribed in a form that meets the requirements of Code Section 162(m) for deductibility.

14.5 Adjustment of Performance-Based Compensation. Awards that are intended to qualify as Performance-Based Compensation may not be adjusted upward. The Committee shall retain the discretion to adjust such Awards downward, either on a formula or discretionary basis or any combination, as the Committee determines, in its sole discretion.

14.6 Committee Discretion. In the event that applicable tax or securities laws change to permit Committee discretion to alter the governing Performance Measures or permit flexibility with respect to the terms of any Award or Awards to be treated as Performance-Based Compensation without obtaining shareholder approval of such changes, the Committee shall have sole discretion to make such changes without obtaining shareholder approval. In addition, in the event that the Committee determines that it is advisable to grant Awards that shall not qualify as Performance-Based Compensation, the Committee may make such grants without satisfying the requirements of Code Section 162(m) and base vesting on Performance Measures other than those set forth in Section 14.3.

ARTICLE 15. TERMINATION OF EMPLOYMENT; TERMINATION OF DIRECTORSHIP AND
TERMINATION AS A THIRD-PARTY SERVICE PROVIDER

The Committee shall specify at or after the time of grant of an Award the provisions governing the disposition of an Award in the event of a Participant's Termination of Employment or Termination of

A-14

Table of Contents

Directorship. Subject to applicable laws, rules and regulations, in connection with a Participant's termination, as well as Section 23.1, the Committee shall have the discretion to accelerate the vesting, exercisability or settlement of, eliminate the restrictions and conditions applicable to, or extend the post-termination exercise period of an outstanding Award. Such provisions shall be determined by the Committee in its sole discretion and may be specified in the applicable Award Agreement or determined at a subsequent time. The Committee's decisions need not be uniform among all Award Agreements and Participants and may reflect distinctions based on the reasons for termination. In addition, the Committee shall determine, in its sole discretion, the circumstances constituting a termination as a Third-Party Service Provider and shall set forth those circumstances in each Award Agreement entered into with each Third Party Service Provider.

ARTICLE 16. NON-EMPLOYEE DIRECTOR AWARDS

16.1 Awards to Non-Employee Directors. The Board or Committee shall determine and approve all Awards to Non-Employee Directors. The terms and conditions of any grant of any Award to a Non-Employee Director shall be set forth in an Award Agreement. The aggregate maximum Fair Market Value (determined as of the Grant Date) of the Shares with respect to Awards granted under the Plan in any calendar year to any Non-Employee Director when added to retainer fees, meeting fees and any other compensation earned in respect of services as a Non-Employee Director for such a year shall not exceed \$1,000,000.

16.2 Awards in Lieu of Fees. The Board or Committee may permit a Non-Employee Director the opportunity to receive an Award in lieu of payment of all or a portion of future director fees (including but not limited to cash retainer fees and meeting fees) or other type of Awards pursuant to such terms and conditions as the Board or Committee may prescribe and set forth in an applicable sub-plan or Award Agreement.

ARTICLE 17. EFFECT OF A CHANGE IN CONTROL

17.1 Change in Control. Subject to Section 23.1, if a Participant has in effect an employment, retention, Change in Control, severance or similar agreement with the Company or any Subsidiary or is subject to a policy or plan that discusses the effect of a Change in Control on a Participant's Awards, then such agreement, plan or policy shall control. In all other cases, unless provided otherwise in an Award agreement or by the Committee prior to the date of the Change in Control, in the event of a Change in Control:

(a) If a Successor so agrees, some or all outstanding Awards shall be assumed, or replaced with the same type of award with similar terms and conditions, by a Successor in the Change in Control transaction. If applicable, each Award that is assumed by a Successor shall be appropriately adjusted, immediately after such Change in Control, to apply to the number and class of securities that would have been issuable to a Participant upon the consummation of such Change in Control had the Award been exercised, vested or earned immediately prior to such Change in Control, and other appropriate adjustments in the terms and conditions of the Award shall be made. Subject to Section 23.1, upon the termination of a Participant's employment with a Successor in connection with or within twenty-four (24) months following the Change in Control for any reason other than an involuntary termination by a Successor for cause or a voluntary termination by the Participant without good reason (as cause and good reason (or analogous terms) are defined by an applicable employment agreement or a change in control plan or policy (including, without limitation, the AAM Executive Officer Change in Control Plan), if not applicable, the policies generally applicable to employees of a Successor), all of the Participant's Awards that are in effect as of the date of such termination shall be vested in full or deemed earned in full (assuming the target performance goals provided under such Award were met, if applicable) effective on the date of such termination.

(b) Subject to Section 23.1, to the extent a Successor in the Change in Control transaction does not assume the Awards or issue replacement awards as provided in clause (a), then, unless provided otherwise in an Award agreement or by the Committee, immediately prior to the date of the Change in Control all Awards that are then held by Participants

shall be cancelled in exchange for the right to receive the following:

- (i) For each Option or SAR, a cash payment equal to the excess of the Change in Control price of the Shares covered by the Option or SAR that is so cancelled over the purchase or grant price of such Shares under the Award;

A-15

Table of Contents

- (ii) For each Share of Restricted Stock and each Restricted Stock Unit, the Change in Control price per Share in cash or such other consideration as the Company or the shareholders of the Company receive in such Change in Control;
- (iii) For all Performance Shares and/or Performance Units that are earned but not yet paid, a cash payment equal to the value of the Performance Share and/or Performance Unit;
- (iv) For all Performance Shares and Performance Units for which the performance period has not expired, a cash payment equal to the product of (x) and (y) where (x) is the Award the Participant would have earned based on target performance and (y) is a fraction, the numerator of which is the number of calendar months that the Participant was employed by the Company during the performance period (with any partial month counting as a full month for this purpose) and the denominator of which is the number of months in the performance period;
- (v) For all other Awards that are earned but not yet paid, a cash payment equal to the value of the other Awards;
- (vi) For all other Awards that are not yet earned, a cash payment equal to either the amount that would have been due under such Award(s) if any performance goals (as measured at the time of the Change in Control) were to be achieved at the target level through the end of the performance period or a cash payment based on the value of the Award as of the date of the Change in Control;
- (vii) For all Dividend Equivalents, a cash payment equal to the value of the Dividend Equivalents as of the date of the Change in Control.

If the value of an Award is based on the Fair Market Value of a Share, Fair Market Value shall be deemed to mean the per share Change in Control price. The Committee shall determine the per share Change in Control price paid or deemed paid in the Change in Control transaction.

ARTICLE 18. DIVIDENDS AND DIVIDEND EQUIVALENTS

The Committee may provide Participants with the right to receive dividends or payments equivalent to dividends ("Dividend Equivalents") or interest with respect to an outstanding Award, which payments can either be paid in cash or deemed to have been reinvested in Shares, or a combination thereof, as the Committee shall determine, in each case, subject to all applicable laws, rules and regulations, including, without limitation, Code Section 409A. Dividends or Dividend Equivalents with respect to Awards that vest based on the achievement of Performance Measures shall be accumulated until such Award is earned and vested, and the dividends or Dividend Equivalents shall not be paid if the Performance Measures and time-based vesting restrictions are not satisfied. Dividends or Dividend Equivalents with respect to Awards that are subject to time-based vesting restrictions shall be accumulated until such Awards vest in accordance with their terms, and the dividends or Dividend Equivalents shall not be paid if the time-based vesting restrictions are not satisfied. Notwithstanding the foregoing, no dividends or Dividend Equivalents shall be paid with respect to Options or Stock Appreciation Rights.

ARTICLE 19. BENEFICIARY DESIGNATION

Each Participant under this Plan may, from time to time, name any beneficiary or beneficiaries (who may be named contingently or successively) to whom any benefit under this Plan is to be paid in case of his death before he receives any or all of such benefit. Each such designation shall revoke all prior designations by the same Participant, shall be in a form prescribed by the Committee, and will be effective only when filed by the Participant in writing with the Company during the Participant's lifetime. In the absence of any such beneficiary designation, benefits remaining unpaid or rights remaining unexercised at the Participant's death shall be paid to or exercised by the Participant's executor, administrator or legal representative.

ARTICLE 20. RIGHTS OF PARTICIPANTS

20.1 Employment. Nothing in this Plan or an Award Agreement shall (a) interfere with or limit in any way the right of the Company or any Subsidiary to terminate any Participant's employment with the Company or any Subsidiary at any time or for any reason not prohibited by law or (b) confer upon any Participant any right

A-16

Table of Contents

to continue his employment or service as a Director or Third-Party Service Provider for any specified period of time. Neither an Award nor any benefits arising under this Plan shall constitute an employment contract with the Company or any Subsidiary and, accordingly, subject to Articles 3 and 21, this Plan and the benefits hereunder may be amended or terminated at any time in the sole and exclusive discretion of the Board without giving rise to any liability on the part of the Company, any Subsidiary, the Committee or the Board.

20.2 Participation. No individual shall have the right to be selected to receive an Award under this Plan, or, having been so selected, to be selected to receive a future Award. The Committee may grant more than one Award to a Participant and may designate an individual as a Participant for overlapping periods of time.

20.3 Rights as a Shareholder. Except as otherwise provided herein, a Participant shall have none of the rights of a shareholder with respect to Shares covered by any Award until the Participant becomes the record holder of such Shares. No adjustment shall be made for dividends or other rights for which the record date is prior to the date on which the Participant becomes the record holder of the Shares.

ARTICLE 21. AMENDMENT AND TERMINATION

21.1 Amendment and Termination of the Plan and Awards. Subject to applicable laws, rules and regulations and Section 21.3 of the Plan, the Board may at any time amend or terminate the Plan or amend or terminate any outstanding Award. Notwithstanding the foregoing, no amendment of this Plan shall be made without shareholder approval if shareholder approval is required pursuant to rules promulgated by any stock exchange or quotation system on which Shares are listed or quoted or by applicable U.S. state corporate laws or regulations, applicable U.S. federal laws or regulations and the applicable laws of any foreign country or jurisdiction where Awards are, or will be, granted under the Plan.

21.2 Adjustment of Awards Upon the Occurrence of Certain Unusual or Nonrecurring Events. Subject to Section 14.4, the Committee may make adjustments in the terms and conditions of, and the criteria included in, Awards in recognition of unusual or nonrecurring events (including, without limitation, the events described in Section 4.4) affecting the Company or the financial statements of the Company or of changes in applicable laws, regulations, or accounting principles, whenever the Committee determines that such adjustments are appropriate in order to prevent unintended dilution or enlargement of the benefits or potential benefits intended to be made available under this Plan. The determination of the Committee as to the foregoing adjustments, if any, shall be conclusive and binding on Participants under this Plan. By accepting an Award under this Plan, a Participant agrees to any adjustment to the Award made pursuant to this Section 21.2 without further consideration or action.

21.3 Awards Previously Granted. Notwithstanding any other provision of this Plan to the contrary, other than Sections 21.2, 21.4 and 23.15, no termination or amendment of this Plan or an Award Agreement shall adversely affect in any material way any Award previously granted under this Plan, without the written consent of the Participant holding such Award.

21.4 Amendment to Conform to Law. Notwithstanding any other provision of this Plan to the contrary, the Committee shall have the broad authority to amend the Plan, an Award or an Award Agreement, to take effect retroactively or otherwise, as deemed necessary or advisable in order to comply with, take into account changes in, or interpretations of, applicable tax laws, securities laws, employment laws, accounting rules and other applicable laws, rules, rulings and regulations promulgated thereunder. By accepting an Award under this Plan, a Participant agrees to any amendment made pursuant to this Section 21.4 to the Plan and any Award without further consideration or action.

21.5 Repricing of Options and Stock Appreciation Rights. Except in connection with a corporate transaction involving the Company (including, without limitation, any stock dividend, stock split, extraordinary cash dividend,

recapitalization, reorganization, merger, consolidation, split-up, spin-off, combination, or exchange of Shares), the terms of outstanding Awards may not be amended, without stockholder approval, to reduce the exercise price of outstanding Options or Stock Appreciation Rights, or to cancel outstanding Options or Stock Appreciation Rights in exchange for cash, other Awards, or Options or Stock Appreciation Rights with an exercise price that is less than the exercise price of the original Options or Stock Appreciation Rights.

ARTICLE 22. TAX WITHHOLDING

22.1 Tax Withholding. The Company may require any individual entitled to receive a payment of an Award to remit to the Company prior to payment, an amount sufficient to satisfy any applicable federal, state, local and foreign tax withholding requirements. The Company shall also have the right to deduct from all cash payments made to a Participant (whether or not such payment is made in connection with an Award) any applicable taxes required to be withheld with respect to such Award.

22.2 Share Withholding. With respect to withholding required upon the exercise of Options or SARs, upon the lapse of restrictions on Restricted Stock, upon the settlement of Restricted Stock Units, or upon the achievement of performance goals related to Performance Shares, or any other taxable event arising as a result of an Award granted hereunder (collectively and individually referred to as a "Share Payment"), the Committee may permit or require a Participant to satisfy the withholding requirement, in whole or in part, by having the Company withhold Shares from a Share Payment (or repurchase Shares that were previously issued) having a Fair Market Value on the date the withholding is to be determined equal to the minimum statutory withholding requirement or such other rate as will not result in any adverse accounting consequences, as determined by the Company in its sole discretion.

ARTICLE 23. GENERAL PROVISIONS

23.1 Minimum Vesting. All Awards shall be subject to a minimum time-based vesting restriction or Performance Period, as applicable, of not less than one year; provided, however, the requirements set forth in this sentence shall not apply (i) to acceleration in the event of a Termination of Employment or Termination of Directorship on or following a Change in Control, or due to Retirement, death or Disability, (ii) to substitute Awards subject to time-based vesting restrictions no less than the restrictions of the Awards being replaced, and (iii) Awards involving an aggregate number of Shares not in excess of 5% of the total shares authorized for issuance under this Plan.

23.2 Forfeiture Events. The Committee may specify in an Award Agreement that the Participant's rights, payments and benefits with respect to an Award shall be subject to reduction, cancellation, forfeiture or recoupment upon the occurrence of certain specified events as determined by the Committee in its sole discretion.

23.3 Legend. All certificates for Shares delivered under the Plan shall be subject to such stock-transfer orders and other restrictions as the Committee may deem advisable under the rules, regulations, and other requirements of the Securities and Exchange Commission, any exchange upon which the Shares are then listed, and any applicable securities law, and the Committee may cause a legend or legends to be put on any such certificates to make appropriate reference to such restrictions.

23.4 Gender and Number. Except where otherwise indicated by the context, any masculine term used herein also shall include the feminine, the plural shall include the singular, and the singular shall include the plural.

23.5 Severability. In the event any provision of this Plan shall be held illegal or invalid for any reason, the illegality or invalidity shall not affect the remaining parts of this Plan, and this Plan shall be construed and enforced as if the illegal or invalid provision had not been included.

23.6 Requirements of Law. The granting of Awards and the issuance of Shares under this Plan shall be subject to all applicable laws, rules and regulations, and to such approvals by any governmental agencies or national securities exchanges as may be required.

23.7 Delivery of Title. The Company shall have no obligation to issue or deliver evidence of title for Shares issued under this Plan prior to:

(a) Obtaining any approvals from governmental agencies that the Company determines are necessary or advisable; and

A-18

Table of Contents

(b) Completion of any registration or other qualification of the Shares under any applicable national, state or foreign law or ruling of any governmental body that the Company determines to be necessary or advisable.

23.8 Inability to Obtain Authority. The inability of the Company to obtain authority from any regulatory body having jurisdiction, which authority is deemed by the Company's counsel to be necessary to the lawful issuance and sale of any Shares hereunder, shall relieve the Company of any liability in respect of the failure to issue or sell such Shares as to which such requisite authority shall not have been obtained.

23.9 Investment Representations. The Committee may require any individual receiving Shares pursuant to an Award under this Plan to represent and warrant in writing that the individual is acquiring the Shares for investment and without any present intention to sell or distribute such Shares.

23.10 Employees Based Outside of the United States. Notwithstanding any provision of this Plan to the contrary, subject to Section 23.1, in order to comply with the laws in other countries in which the Company or any Subsidiaries operate or have Employees, Directors or Third-Party Service Providers, the Committee, in its sole discretion, shall have the power and authority to:

(a) Determine which Subsidiaries shall be covered by this Plan;

(b) Determine which Employees, Directors or Third-Party Service Providers outside the United States are eligible to participate in this Plan;

(c) Modify the terms and conditions of any Award granted to Employees, Directors or Third-Party Service Providers outside the United States to comply with applicable foreign laws;

(d) Establish sub-plans and modify exercise procedures and other terms and procedures, to the extent such actions may be necessary or advisable. Any sub-plans and modifications to Plan terms and procedures established under this Section 23.10 by the Committee shall be attached to this Plan document as appendices; and

(e) Take any action, before or after an Award is made, that it deems advisable to obtain approval or comply with any necessary local government regulatory exemptions or approvals.

Notwithstanding the above, the Committee may not take any actions hereunder, and no Awards shall be granted, that would violate applicable law.

23.11 Uncertificated Shares. To the extent that this Plan provides for issuance of certificates to reflect the transfer of Shares, the transfer of such Shares may be affected on a noncertificated basis, to the extent not prohibited by applicable law or the rules of any stock exchange.

23.12 Unfunded Plan. Participants shall have no right, title or interest whatsoever in or to any investments that the Company or any Subsidiaries may make to aid it in meeting its obligations under this Plan. Nothing contained in this Plan, and no action taken pursuant to its provisions, shall create or be construed to create a trust of any kind, or a fiduciary relationship between the Company and any Participant, beneficiary, legal representative or any other individual. To the extent that any individual acquires a right to receive payments from the Company or any Subsidiary under this Plan, such right shall be no greater than the right of an unsecured general creditor of the Company or the Subsidiary, as the case may be. All payments to be made hereunder shall be paid from the general funds of the Company, or the Subsidiary, as the case may be, and no special or separate fund shall be established, and no segregation of assets shall be made to assure payment of such amounts except as expressly set forth in this Plan.

23.13 No Fractional Shares. No fractional Shares shall be issued or delivered pursuant to this Plan or any Award. The Committee shall determine whether cash, Awards or other property shall be issued or paid in lieu of fractional Shares or whether such fractional Shares or any rights thereto shall be forfeited or otherwise eliminated.

23.14 Retirement and Welfare Plans. Neither Awards made under this Plan nor Shares or cash paid pursuant to such Awards may be included as “compensation” for purposes of computing the benefits payable to any Participant under the Company’s or any Subsidiary’s retirement plans (both qualified and nonqualified) or welfare benefit plans unless such other plan expressly provides that such compensation shall be taken into account in computing a Participant’s benefit.

23.15 Deferrals.

(a) Notwithstanding any contrary provision in the Plan or an Award Agreement, if any provision of the Plan or an Award Agreement contravenes any regulations or guidance promulgated under Code Section 409A or would cause an Award to be subject to additional taxes, accelerated taxation, interest and/or penalties under Code Section 409A, such provision of the Plan or Award Agreement may be modified by the Committee without consent of the Participant in any manner the Committee deems reasonable or necessary. In making such modifications the Committee shall attempt, but shall not be obligated, to maintain, to the maximum extent practicable, the original intent of the applicable provision without contravening the provisions of Code Section 409A. Moreover, any discretionary authority that the Committee may have pursuant to the Plan shall not be applicable to an Award that is subject to Code Section 409A to the extent such discretionary authority would contravene Code Section 409A or the guidance promulgated thereunder.

(b) If a Participant is a “specified employee” as defined under Code Section 409A and the Participant’s Award is to be settled on account of the Participant’s separation from service (for reasons other than death) and such Award constitutes “deferred compensation” as defined under Code Section 409A, then any portion of the Participant’s Award that would otherwise be settled during the six-month period commencing on the Participant’s separation from service shall be settled as soon as practicable following the conclusion of the six-month period (or following the Participant’s death if it occurs during such six-month period).

(c) In accordance with the procedures authorized by, and subject to the approval of, the Committee, Participants may be given the opportunity to defer the payment or settlement of an Award to one or more dates selected by the Participant; provided, however, that the terms of any deferrals must comply with all applicable laws, rules and regulations, including, without limitation, Code Section 409A. No deferral opportunity shall exist with respect to an Award unless explicitly permitted by the Committee on or after the time of grant.

23.16 Nonexclusivity of this Plan. The adoption of this Plan shall not be construed as creating any limitations on the power of the Board or Committee to adopt such other compensation arrangements as it may deem desirable for any Participant.

23.17 No Constraint on Corporate Action. Nothing in this Plan shall be construed to: (i) limit, impair, or otherwise affect the Company’s or a Subsidiary’s right or power to make adjustments, reclassifications, reorganizations or changes of its capital or business structure, or to merge or consolidate, or dissolve, liquidate, sell or transfer all or any part of its business or assets; or, (ii) limit the right or power of the Company or a Subsidiary to take any action that such entity deems to be necessary or appropriate. The proceeds received by the Company from the sale of Shares pursuant to Awards will be used for general corporate purposes.

23.18 Conflicts. In the event of any conflict or inconsistency between the Plan and any Award Agreement, the Plan shall govern and the Award Agreement shall be interpreted to minimize or eliminate any such inconsistency.

23.19 Recoupment. Notwithstanding anything in the Plan to the contrary, all Awards granted under the Plan and any payments made under the Plan shall be subject to claw-back or recoupment as permitted or mandated by applicable law, rules, regulations or Company policy as enacted, adopted or modified from time to time. For the avoidance of doubt, this provision shall apply to any gains realized upon exercise or settlement of an Award.

23.20 Delivery and Execution of Electronic Documents. To the extent permitted by applicable law, the Company may (i) deliver by email or other electronic means (including posting on a website maintained by the Company or by a third party under contract with the Company) all documents relating to the Plan or any Award thereunder (including without limitation, prospectuses and other securities requirements) and all other documents that the Company is required to deliver to its security holders (including without limitation, annual

reports and proxy statements) and (ii) permit Participants to electronically execute applicable Plan documents (including, but not limited to, Award Agreements) in a manner prescribed to the Committee.

23.21 No Representations or Warranties Regarding Tax Effect. Notwithstanding any provision of the Plan to the contrary, the Company, Subsidiaries, the Board and the Committee neither represent nor warrant the tax treatment under any federal, state, local or foreign laws and regulations thereunder (individually and collectively referred to as the “Tax Laws”) of any Award granted or any amounts paid to any Participant under the Plan including, but not limited to, when and to what extent such Awards or amounts may be subject to tax, penalties and interest under the Tax Laws.

23.22 Indemnification. Subject to applicable laws, rules and regulations and the Company’s Certificate of Incorporation as it may be amended from time to time, each individual who is or shall have been a member of the Board, or a Committee appointed by the Board, or an officer of the Company to whom authority was delegated in accordance with Article 3, shall be indemnified and held harmless by the Company against and from (i) any loss, cost, liability, or expense that may be imposed upon or reasonably incurred by him or her in connection with or resulting from any claim, action, suit or proceeding to which he or she may be a party or in which he or she may be involved by reason of any good faith action taken or failure to act under this Plan, (ii) any and all amounts paid by him or her in settlement thereof, with the Company’s approval, or paid by him or her in satisfaction of any judgment in any such action, suit, or proceeding against him or her, provided he or she shall give the Company an opportunity, at its own expense, to handle and defend the same before he or she undertakes to handle and defend it on his/her own behalf. Notwithstanding the forgoing, no individual shall be entitled to indemnification if such loss, cost, liability or expense is a result of his/her own willful misconduct. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such individuals may be entitled under the Company’s Articles of Incorporation or By-laws, as a matter of law or otherwise, or any power that the Company may have to indemnify them or hold them harmless.

23.23 Successors. Subject to Article 17, all obligations of the Company under this Plan with respect to Awards granted hereunder shall be binding on any successor to the Company (each, a “Successor”), whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation, or otherwise, of all or substantially all of the business and/or assets of the Company.

23.24 Governing Law. The Plan and each Award Agreement shall be governed by the laws of the state of Delaware excluding any conflicts or choice of law rule or principle that might otherwise refer construction or interpretation of this Plan to the substantive law of another jurisdiction.
