In connection with Registrant's acquisition program and on-going financing efforts, management, in conjunction with several of the Company's largest shareholders, have determined that it would be in the best interest of the Company to reduce the number of shares of Common Stock that are issued and outstanding. In discussions with management these shareholders agreed to return an aggregate of 3,048,000 shares to the Company for no consideration, thus reducing the total number of shares issued and outstanding from 10,998,166 to 7,950,166 shares.
