Notes:

Attach as many copies of the second part of the cover page as are needed, one reporting person per page.

Filing persons may, in order to avoid unnecessary duplication, answer items on the schedules (Schedule 13D, 13G or 14D-1) by appropriate cross references to an item or items on the cover page(s). This approach may only be used where the cover page item or items provide all the disclosure required by the schedule item. Moreover, such a use of a cover page item will result in the item becoming a part of the schedule and accordingly being considered as "filed" for purposes of Section 18 of the Securities Exchange Act or otherwise subject to the liabilities of that section of the Act.

Reporting persons may comply with their cover page filing requirements by filing either completed copies of the blank forms available from the Commission, printed or typed facsimiles, or computer printed facsimiles, provided the documents filed have identical formats to the forms prescribed in the Commission's regulations and meet existing Securities Exchange Act rules as to such matters as clarity and size (Securities Exchange Act Rule 12b-12).

SPECIAL INSTRUCTIONS FOR COMPLYING WITH SCHEDULE 13D

Under Sections 13(d) and 23 of the Securities Exchange Act of 1934 and the rules and regulations thereunder, the Commission is authorized to solicit the information required to be supplied by this schedule by certain security holders of certain issuers.

Disclosure of the information specified in this schedule is mandatory, except for I.R.S. identification numbers, disclosure of which is voluntary. The information will be used for the primary purpose of determining and disclosing the holdings of certain beneficial owners of certain equity securities. This statement will be made a matter of public record. Therefore, any information given will be available for inspection by any member of the public.

Because of the public nature of the information, the Commission can utilize it for a variety of purposes, including referral to other governmental authorities or securities self-regulatory organizations for investigatory

Edgar Filing: EXACT SCIENCES CORP - Form SC 13D

purposes or in connection with litigation involving the Federal securities laws or other civil, criminal or regulatory statutes or provisions. I.R.S. identification numbers, if furnished, will assist the Commission in identifying security holders and, therefore, in promptly processing statements of beneficial ownership of securities.

Failure to disclose the information requested by this schedule, except for I.R.S. identification numbers, may result in civil or criminal action against the persons involved for violation of the Federal securities laws and rules promulgated thereunder.

Item 4. Purpose of Transaction

The shares of the issuer were originally acquired for investment in the ordinary course of business and neither with the purpose nor with the effect of changing or influencing the control of the issuer. A Schedule 13G with respect to such acquisition has been previously filed. Recently, the filing person of this Schedule 13D communicated with the issuer and to members of its board of directors great concerns about serious deficiencies in the management of the issuer.

Over the last week, the filing person has come to the conclusion that the sale of the Exact Sciences through a formal auction process, led by mergers and acquisitions team from a highly reputable investment banking firm, is the best and safest way to maximize shareholder value. Therefore, the filer is formally requesting that the board of directors immediately retain an outside investment firm to be charged with selling the company to the highest bidder in a process to be conducted over a period not less than 30 days or more than 90 days.

Other than as described in this schedule 13d, the filing persons have no plans or proposals of the type described in this schedule 13d.

(ii) Intrinsic Value Asset Management, Inc. beneficially owned 2,159,361

(c) During the past sixty days the Reporting Persons sold a total of 188,953 shares of the Company's Common Stock for the aggregate amount of \$438,889.

(d) The shares of Common Stock to which this schedule relates, other than the shares personally owned by Luskin, are held for the accounts of investment advisory clients of Intrinsic Value Asset Management, Inc. As a result, various persons have the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, the Common Stock.
