Item 1.01. Entry into a Material Definitive Agreement.

On December 24, 2004, the Compensation and Governance Committee of the Board of Directors of Edwards Lifesciences Corporation (the Company) adopted the Edwards Lifesciences Corporation Executive Deferred Compensation Plan, effective as of January 1, 2005 (the Plan). It is expected that one or more of the Company's executive officers will participate in the Plan.

In summary, the Plan provides selected employees with the opportunity to defer specified percentages of their cash compensation and receive matching employer contributions that could not be deferred or contributed to the Edwards Lifesciences Corporation 401(k) Savings and Investment Plan because of the limitations under such plan. The Plan also permits the participants to defer up to 100% of their base pay and annual incentive bonus. Participants may elect distributions of deferred compensation to be paid in a lump sum or in installments upon separation from service, death or a specified date. Deferrals are credited with gain or loss based on the performance of one or more investment options selected by the participant from various investment funds. No actual investments will be held in the participant's accounts and participants remain general unsecured creditors of the Company with respect to their account balances. Although the Compensation and Governance Committee has discretion to amend, suspend or terminate the Plan, it may not reduce amounts credited to a participant's account.

A copy of the Plan is attached as exhibit 10.1.

Item 9.01. Financial Statements and Exhibits.
