The shares represented by the proxies received, properly marked, dated, executed and not revoked will be voted at the Annual Meeting.

Our complete mailing address is 14114 Dallas Parkway, Suite 600, Dallas, Texas 75254. Our Internet Web site address is [www.crdentia.com](http://www.crdentia.com). Our annual reports on Form 10-KSB, quarterly reports on Form 10-QSB, current reports on Form 8-K, and amendments to those reports filed or furnished pursuant to Section 13(a) or 15(d) of the Exchange Act are available free of charge in electronic or paper form upon request to us after they are electronically filed with, or furnished to, the Securities and Exchange Commission (the SEC ). All materials filed by us with the SEC can also be obtained at the SEC 's Public Reference Room at 450 Fifth Street, N.W. Washington, D.C. 20549 or through the SEC 's Web site at [www.sec.gov](http://www.sec.gov). You may obtain information on the operation of the Public Reference Room by calling 1-800-SEC-0330.

**Solicitation, Record Date and Voting Procedures**

The solicitation of proxies will be conducted by mail and we will bear all attendant costs. These costs will include the expense of preparing and mailing proxy materials for the Annual Meeting and reimbursements paid to brokerage firms and others for their expenses incurred in forwarding solicitation material regarding the Annual Meeting to beneficial owners of our common stock. We may conduct further solicitation personally, telephonically or by facsimile through our officers, directors and regular employees, none of whom will receive additional compensation for assisting with the solicitation.

The close of business on October 10, 2005 has been fixed as the record date (the Record Date ) for determining the holders of shares of our capital stock entitled to notice of and to vote at the Annual Meeting. As of the close of business on the Record Date, we had 30,544,642 shares

## Edgar Filing: CRDENTIA CORP - Form DEF 14A

of common stock outstanding and entitled to vote at the Annual Meeting and 183,028 shares of Series C convertible preferred stock outstanding and entitled to vote at the Annual Meeting. (Unless otherwise indicated, all share amounts in this Proxy Statement have been adjusted to reflect the one-for-three reverse split of our common stock effected in June 2004.) The presence at the Annual Meeting of a majority of these shares of common stock and Series C convertible preferred stock, either in person or by proxy, voting together as a single class, will constitute a quorum for the transaction of business at the Annual Meeting. The Company's Secretary, Vicki L. Smith, will tabulate votes cast by proxy and act as inspector of elections to tabulate votes cast in person at the Annual Meeting. Each outstanding share of common stock on the Record Date is entitled to one vote on all matters, and each outstanding share of Series C convertible preferred stock on the Record Date is entitled to one hundred votes on all matters.

Under the General Corporation Law of the State of Delaware, an abstaining vote and a broker non-vote are counted as present and are, therefore, included for purposes of determining whether a quorum of shares is present at the Annual Meeting. Abstentions are included in determining the number of shares voted on the proposals submitted to stockholders (other than the election of directors) and will have the same effect as a no vote on such proposals. A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular matter because the nominee does not have the discretionary voting power with respect to that matter and has not received instructions from the beneficial owner. Broker non-votes, and shares as to which proxy authority

has been withheld with respect to any matter, are generally not deemed to be entitled to vote for purposes of determining whether stockholders approval of that matter has been obtained.

With regard to the election of directors, votes may be cast in favor of, or withheld from, each nominee. The directors, however, will be elected by plurality vote, and votes that are withheld will be excluded entirely from the vote and will have no effect. Stockholders may not cumulate votes in the election of directors. All other matters to be acted upon by the stockholders at the Annual Meeting will require the approval of the holders of a majority of the outstanding common stock and Series C convertible preferred stock present in person or represented by proxy and entitled to vote at the Annual Meeting. With respect to such matters, abstentions will have the effect of negative votes, and broker non-votes will not be counted for purposes of determining whether any of those proposals have been approved.

### **The Proxy**

The persons named as proxyholders, James D. Durham and James J. TerBeest, were selected by our Board of Directors and currently serve as executive officers of the Company.

All shares represented by each properly executed, unrevoked proxy received in time for the Annual Meeting will be voted in the manner specified therein. If no specification is made on the proxy as to any one or more of the proposals, shares of our common stock or Series C convertible preferred stock represented by the proxy will be voted as to the proposal for which no specification is given as follows: FOR the approval of the amendment to our Amended and Restated Certificate of Incorporation to effect a reverse stock split of our common stock; FOR the election of Joseph M. DeLuca and James D. Durham as Class III directors to the Board of Directors to hold office until their successors are duly elected and qualified; FOR the ratification of the appointment of KBA Group LLP as our independent auditors for the fiscal year ending December 31, 2005; and FOR the amendment to the employment agreement with James D. Durham, our Chairman and Chief Executive Officer, to provide for a bonus to be paid upon a sale of the Company. We presently do not know of any other business to be conducted at the Annual Meeting.

### **Revocability of Proxy**

If the shares of common stock or Series C convertible preferred stock are held in your name, you may revoke your proxy given pursuant to this solicitation at any time before the proxy card is voted by: (i) delivering to the Company (to the attention of Vicki L. Smith, our Secretary), at the address of our principal executive offices, a written notice of revocation or a duly executed proxy bearing a later date, or (ii) attending the Annual Meeting and voting in person. If your shares are held in street name, you should follow the directions provided by your broker regarding how to revoke your proxy. Your attendance at the Annual Meeting after having executed and delivered a valid proxy card will not in and of itself constitute a revocation of your proxy. You will be required to give oral notice of your intention to vote in person to the inspector of elections at the Annual Meeting.

**PROPOSAL NO. 1**

**APPROVAL OF AMENDMENT TO OUR AMENDED AND RESTATED CERTIFICATE OF INCORPORATION TO EFFECT A REVERSE STOCK SPLIT OF OUR COMMON STOCK**

**Overview**

The Board of Directors has approved a proposal to amend our Amended and Restated Certificate of Incorporation to effect a reverse stock split of all outstanding shares of our common stock at an exchange ratio ranging from one-for-two to one-for-ten. The Board of Directors has recommended that this proposal be presented to our stockholders for approval. To that end, you are now being asked to vote upon an amendment to our Amended and Restated Certificate of Incorporation to effect this reverse stock split whereby a number of outstanding shares of our common stock between and including two and ten will be combined into one share of our common stock. Pending stockholder approval, the Board of Directors will have the sole discretion pursuant to Section 242(c) of the Delaware General Corporation Law to elect, as it determines to be in the best interests of Crdentia and its stockholders, whether or not to effect a reverse stock split, and if so, the number of shares of our common stock between and including two and ten that will be combined into one share of our common stock, at any time before the first anniversary of this Annual Meeting. The Board of Directors believes that stockholder approval of an amendment granting the Board of Directors this discretion, rather than approval of a specified exchange ratio, provides the Board of Directors with maximum flexibility to react to then-current market conditions and, therefore, is in the best interests of Crdentia and its stockholders. We previously effected a one-for-three reverse split of our common stock in June 2004.

The text of the form of the proposed amendment to our Amended and Restated Certificate of Incorporation is attached to this Proxy Statement as Appendix A. By approving this amendment, stockholders will approve an amendment to our Amended and Restated Certificate of Incorporation pursuant to which any number of outstanding shares between and including two and ten would be combined into one share of our common stock and would authorize the Board of Directors to file such amendment as determined in the manner described herein. The Board of Directors may also elect not to do any reverse split.

If approved by the stockholders, and following such approval, the Board of Directors determines that effecting a reverse stock split is in the best interests of Crdentia and its stockholders, the reverse stock split will become effective upon the filing of such amendment with the Secretary of State of the State of Delaware. The amendment filed thereby will contain the number of shares selected by the Board of Directors within the limits set forth in this proposal to be combined into one share of our common stock.

If the Board of Directors elects to effect a reverse stock split following stockholder approval, the number of issued and outstanding shares of common stock would be reduced in accordance with an exchange ratio determined by the Board of Directors within the limits set forth in this proposal. Except for adjustments that may result from the treatment of fractional shares as described below, each stockholder will hold the same percentage of our outstanding common stock immediately following the reverse stock split as such stockholder held immediately prior to the reverse stock split. Currently, Crdentia is authorized to issue up to a total of 160,000,000 shares of capital stock, consisting of 10,000,000 shares of preferred stock and 150,000,000 shares of common stock. The amendment would not change the number of total authorized shares of our capital stock. Thus, immediately following the reverse stock split, the total number of authorized shares of capital stock would remain at 160,000,000, consisting of 10,000,000 shares of preferred stock and 150,000,000 shares of common stock. The par value of our common stock and preferred stock would remain unchanged at \$0.0001 per share as well. Currently, the Board of Directors does not have any definite plans with regard to the authorized but unissued shares of our common stock following the reverse stock split.

**Reasons for the Reverse Stock Split**

The Board of Directors believes that a reverse stock split may be desirable for a number of reasons. First, the Board of Directors believes that a reverse stock split may better enable us to list our stock on a national exchange or market. Second, the Board of Directors believes that a reverse stock split could improve the marketability and liquidity of our common stock. Third, the Board of Directors believes that a reverse stock split is desirable in order

to increase our common stock price in the near term while we continue to progress towards achieving our business objectives.

Our common stock is currently quoted on the Over-the-Counter Bulletin Board ( OTC Bulletin Board ). The Board of Directors believes that it is in the best interests of Crdentia and its stockholders to list our common stock on a national exchange or market. Alternative markets like the OTC Bulletin Board or the pink sheets maintained by the National Quotation Bureau, Inc. are generally considered to be less efficient and not as widely followed as other exchanges or markets like those operated by the Nasdaq Stock Market, Inc. ( Nasdaq ) or the American Stock Exchange.

In order for us to list our common stock on a market operated by Nasdaq or the American Stock Exchange, we must satisfy certain listing standards, some of which standards require a minimum bid price. For example, certain listing standards of the Nasdaq Capital Market would require that our common stock have a minimum bid price of at least \$4.00 per share and certain listing standards of the Nasdaq National Market would require that our common stock have a minimum bid price of at least \$5.00 per share. In addition, certain of the listing standards of the American Stock Exchange would require that our common stock have a minimum bid price of at least \$3.00 per share. As of September 15, 2005, the high bid price for our common stock as reported on the OTC Bulletin Board was \$1.65 per share.

The Board of Directors expects that a reverse stock split of our common stock will increase the market price of our common stock so that we would be better able to satisfy the minimum bid price listing standards of a national market or exchange like Nasdaq or the American Stock Exchange. However, the effect of a reverse split upon the market price of our common stock cannot be predicted with any certainty, and the history of similar reverse stock split for companies in like circumstances is varied. It is possible that the per share price of our common stock after the reverse split will not rise in proportion to the reduction in the number of shares of our common stock outstanding resulting from the reverse stock split, and there can be no assurance that the market price per post-reverse split share will either exceed or remain in excess of the minimum bid price for a sustained period of time. The market price of our common stock may be based also on other factors that may be unrelated to the number of shares outstanding, including our future performance. Notwithstanding the foregoing, the Board of Directors believes that the proposed reverse stock split, when implemented within the proposed exchange ratio range, may result in the market price of our common stock rising to the level necessary to satisfy the minimum bid price requirement.

The Board of Directors also believes that the increased market price of our common stock expected as a result of implementing a reverse stock split will improve the marketability and liquidity of our common stock and will encourage interest and trading in our common stock. Because of the trading volatility often associated with low-priced stocks, many brokerage houses and institutional investors have internal policies and practices that either prohibit them from investing in low-priced stocks or tend to discourage individual brokers from recommending low-priced stocks to their customers. Some of those policies and practices may function to make the processing of trades in low-priced stocks economically unattractive to brokers. Additionally, because brokers' commissions on low-priced stocks generally represent a higher percentage of the stock price than commissions on higher-priced stocks, the current average price per share of our common stock can result in individual stockholders paying transaction costs representing a higher percentage of their total share value than would be the case if the share price were substantially higher. It should be noted that the liquidity of our common stock may be adversely affected by the proposed reverse stock split given the reduced number of shares that would be outstanding after the reverse stock split. The Board of Directors is hopeful, however, that the anticipated higher market price will reduce, to some extent, the negative effects on the liquidity and marketability of the common stock inherent in some of the policies and practices of institutional investors and brokerage houses described above.

The Board of Directors is hopeful that the price of our common stock will increase as a result of improvements in our business. The Board of Directors believes that the market price of our common stock will increase to the extent we are able to achieve commercial success over time. Nevertheless, the Board of Directors believes that a reverse stock split is desirable because of the anticipated higher market price of our common stock resulting from such action.

#### **Board Discretion to Implement the Reverse Stock Split**

If the reverse stock split is approved by our stockholders, it will be effected, if at all, only upon a determination by the Board

of Directors that a reverse stock split (with an exchange ratio determined by the Board of Directors as described above) is in the best interests of Crdentia and its stockholders. The determination by the Board of Directors as to whether the reverse split will be effected, if at all, will be based upon certain factors, including meeting the listing requirements for a national market or exchange like Nasdaq or the American Stock Exchange, existing and expected marketability and liquidity of our common stock, prevailing market conditions and the likely effect on the market price of our common stock. If the Board of Directors determines to effect the reverse stock split, the Board of Directors will consider certain factors in selecting the specific exchange ratio, including the overall market conditions at the time and the recent trading history of our common stock.

Notwithstanding approval of the reverse stock split by the stockholders, the Board of Directors may, in its sole discretion, abandon the proposed amendment and determine prior to the effectiveness of any filing with the Secretary of State of the State of Delaware not to effect the reverse stock split prior to the one-year anniversary of this Annual Meeting, as permitted under Section 242(c) of the Delaware General Corporation Law. If the Board of Directors fails to implement any of the reverse stock splits prior to the one-year anniversary of this Annual Meeting, stockholder approval again would be required prior to implementing any reverse stock split.

### **Effects of the Reverse Stock Split**

After the effective date of the proposed reverse stock split, each stockholder will own a reduced number of shares of our common stock. However, the proposed reverse stock split will affect all of our stockholders uniformly and will not affect any stockholder's percentage ownership interest in us, except to the extent that the reverse stock split results in any of our stockholders owning a fractional share as described below. Proportionate voting rights and other rights and preferences of the holders of our common stock will not be affected by the proposed reverse stock split (other than as a result of the payment of cash in lieu of fractional shares). For example, a holder of 2% of the voting power of the outstanding shares of common stock immediately prior to the reverse stock split would continue to hold 2% of the voting power of the outstanding shares of common stock immediately after the reverse stock split. The number of stockholders of record will not be affected by the proposed reverse stock split (except to the extent that any stockholder holds only a fractional share interest and receives cash for such interest after the proposed reverse stock split).

The reverse stock split would not reduce the number of shares of Series C convertible preferred stock that are outstanding. Rather, the reverse stock split would reduce the number of shares of our common stock issuable upon conversion of our Series C convertible preferred stock by increasing the conversion price of the Series C convertible preferred stock in proportion to the exchange ratio of the reverse stock split in accordance with the terms of the Certificate of Designations, Preferences and Rights of the Series C convertible preferred stock. We currently have 183,028 shares of Series C convertible preferred stock issued and outstanding, each of which is convertible into one hundred shares of our common stock. The par value of the Series C convertible preferred stock would remain at \$0.0001 per share following the effective time of the reverse stock split, and the number of shares of Series C convertible preferred stock issued and outstanding would remain unchanged.

Although the proposed reverse stock split will not affect the rights of stockholders or any stockholder's proportionate equity interest in Crdentia, subject to the treatment of fractional shares, the number of authorized shares of common stock and preferred stock will not be reduced. This will increase significantly the ability of the Board of Directors to issue authorized and unissued shares without further stockholder action. The issuance in the future of such additional authorized shares may have the effect of diluting the earnings per share and book value per share, as well as the stock ownership and voting rights, of the currently outstanding shares of common stock. The effective increase in the number of authorized but unissued shares of common stock may be construed as having an anti-takeover effect by permitting the issuance of shares to purchasers who might oppose a hostile takeover bid or oppose any efforts to amend or repeal certain provisions of our Certificate of Incorporation or Bylaws.

The proposed reverse stock split will reduce the number of shares of common stock available for issuance upon exercise of our outstanding stock options in proportion to the exchange ratio of the reverse stock split and will effect a proportionate increase in the exercise price of such

## Edgar Filing: CRDENTIA CORP - Form DEF 14A

outstanding stock options. In connection with the proposed reverse stock split, the number of shares of common stock issuable upon exercise or conversion of outstanding stock options will be rounded to the nearest whole share and no cash payment will be made in respect of such rounding.

If the proposed reverse stock split is implemented, it will increase the number of stockholders of Crdentia who own odd lots of less than 100 shares of our common stock and decrease the number of stockholders who own whole lots of 100 shares or more of our common stock. Brokerage commission and other costs of transactions in

odd lots are generally higher than the costs of transactions of more than 100 shares of common stock. In addition, certain listing standards of exchanges or markets like those operated by Nasdaq or the American Stock Exchange may require that we have a certain minimum number of holders of whole lots.

Our common stock is currently registered under Section 12(g) of the Securities Exchange Act of 1934, as amended, and we are subject to the periodic reporting and other requirements of the Exchange Act. The proposed reverse stock split will not affect the registration of the common stock under the Exchange Act. If the proposed reverse stock split is implemented (and depending on whether we choose thereafter to list our common stock on another market or exchange), our common stock will continue to be reported on the OTC Bulletin Board under the symbol CRDE.

The proposed reverse stock split will not affect the par value of our common stock. As a result, on the effective date of the reverse stock split, the stated capital on our balance sheet attributable to the common stock will be reduced in proportion to the exchange ratio selected by the Board of Directors in the manner described above, and the additional paid-in capital account shall be credited with the amount by which the stated capital is reduced. The per share net income or loss and net book value of our common stock will be increased because there will be fewer shares of our common stock outstanding.

#### **Effective Date**

The proposed reverse stock split would become effective as of 5:00 p.m., Eastern Time on the date of filing of a Certificate of Amendment to our Amended and Restated Certificate of Incorporation with the office of the Secretary of State of the State of Delaware. Except as explained below with respect to fractional shares, on the effective date, shares of common stock issued and outstanding immediately prior thereto will be combined and converted, automatically and without any action on the part of the stockholders, into new shares of common stock in accordance with reverse stock split ratio determined by the Board of Directors within the limits set forth in this proposal.

#### **Payment for Fractional Shares**

No fractional shares of common stock will be issued as a result of the proposed reverse stock split. Instead, stockholders who otherwise would be entitled to receive fractional shares, upon surrender to the exchange agent of such certificates representing such fractional shares, will be entitled to receive cash in an amount equal to the product obtained by multiplying (i) the fair market value of our common stock as determined by our Board of Directors on the effective date by (ii) the number of shares of our common stock held by such stockholder that would otherwise have been exchanged for such fractional share interest. For purposes of determining the amount of cash to be distributed to holders of fractional shares, the fair market value of our common stock shall be the closing price as reported on the OTC Bulletin Board on the effective date.

#### **Exchange of Stock Certificates**

As soon as practicable after the effective date, stockholders will be notified that the reverse split has been effected. Our transfer agent will act as exchange agent for purposes of implementing the exchange of stock certificates. We refer to such person as the exchange agent. Holders of pre-reverse split shares will be asked to surrender to the exchange agent certificates representing pre-reverse split shares in exchange for certificates representing post-reverse split shares in accordance with the procedures to be set forth in a letter of transmittal to be sent by us. No

## Edgar Filing: CRDENTIA CORP - Form DEF 14A

new certificates will be issued to a stockholder until such stockholder has surrendered such stockholder's outstanding certificate(s) together with the properly completed and executed letter of transmittal to the exchange agent. Stockholders should not destroy any stock certificate and should not submit any certificates until requested to do so.

### **Accounting Consequences**

The par value per share of our common stock would remain unchanged at \$0.0001 per share after the reverse stock split. As a result, on the effective date of the reverse split, the stated capital on our balance sheet attributable to the common stock will be reduced proportionally, based on the exchange ratio of the reverse stock split, from its present amount, and the additional paid-in capital account shall be credited with the amount by which the stated capital is reduced. The per share common stock net income or loss and net book value will be increased

because there will be fewer shares of our common stock outstanding. We do not anticipate that any other accounting consequences would arise as a result of the reverse stock split.

### **No Appraisal Rights**

Under the Delaware General Corporation Law, our stockholders are not entitled to appraisal rights with respect to our proposed amendments to our charter to effect the reverse stock split, and we will not independently provide our stockholders with any such rights.

### **Material Federal U.S. Income Tax Consequences of the Reverse Stock Split**

The following is a summary of important tax considerations of the proposed reverse stock split. It addresses only stockholders who hold the pre-reverse split shares and post-reverse split shares as capital assets. It does not purport to be complete and does not address stockholders subject to special rules, such as financial institutions, tax-exempt organizations, insurance companies, dealers in securities, mutual funds, foreign stockholders, stockholders who hold the pre-reverse split shares as part of a straddle, hedge or conversion transaction or other risk reduction strategy, stockholders who hold the pre-reverse split shares as qualified small business stock within the meaning of Section 1202 of the Internal Revenue Code of 1986, as amended (the "Code"), stockholders who are subject to the alternative minimum tax provisions of the Code and stockholders who acquired their pre-reverse split shares pursuant to the exercise of employee stock options or otherwise as compensation. This summary is based upon current law, which may change, possibly even retroactively. It does not address tax considerations under state, local, foreign and other laws. Furthermore, we have not obtained a ruling from the Internal Revenue Service or an opinion of legal or tax counsel with respect to the consequences of the reverse stock split. Each stockholder is advised to consult his or her tax advisor as to his or her own situation.

The reverse stock split is intended to constitute a reorganization within the meaning of Section 368 of the Code. Assuming the reverse split qualifies as a reorganization, a stockholder generally will not recognize gain or loss on the reverse stock split, except (as discussed below) to the extent of cash, if any, received in lieu of a fractional share interest in the post-reverse split shares. The aggregate tax basis of the post-reverse split shares received will be equal to the aggregate tax basis of the pre-reverse split shares exchanged therefor (excluding any portion of the holder's basis allocated to fractional shares), and the holding period of the post-reverse split shares received will include the holding period of the pre-reverse split shares exchanged.

A holder of the pre-reverse split shares who receives cash in lieu of a fractional share interest in the post-reverse split shares will generally recognize gain or loss equal to the difference between the portion of the tax basis of the pre-reverse split shares allocated to the fractional share interest and the cash received. Such gain or loss will be a capital gain or loss and will be short term if the pre-reverse split shares were held for one year or less and long term if held more than one year. It is assumed for this purpose that cash will be paid in lieu of fractional shares only as a mechanical rounding off of fractions resulting from the exchange rather than separately bargained-for consideration. It is also assumed that the reverse split is not being undertaken to increase any shareholder's proportionate ownership of the Company.

No gain or loss will be recognized by us as a result of the reverse stock split.

### **Required Vote**

**PROPOSAL NO. 2**

**ELECTION OF DIRECTORS**

**General**

Our Board of Directors is currently comprised of three classes of directors generally consisting of two directors in each class with staggered three-year terms. The directors in each class serve for their respective terms or until their successors have been duly elected and qualified. Upon expiration of the term of a particular class, directors elected to the class will serve for a term of three years following expiration of the term.

The nominees for election have agreed to serve if elected, and our management has no reason to believe that the nominees will be unavailable to serve. If any nominee is unable or declines to serve as a director at the time of the Annual Meeting, the proxies will be voted for any nominee who may be designated by our present Board of Directors to fill the vacancy. Unless otherwise instructed, the proxy holders will vote the proxies received by them FOR the nominees named below.

No arrangement or understanding exists between any nominee and any other person or persons pursuant to which any nominee was or is to be selected as a director or nominee. **Board Committees and Meetings**

Our Board of Directors held twelve meetings during our fiscal year ended December 31, 2004. Our Board of Directors has an audit committee and a compensation committee. Each director attended 75% or more of the aggregate of (i) the total number of meetings of our Board of Directors (held during the period for which such person was a director) and (ii) the total number of meetings held by all committees of our Board of Directors on which the director served (during the periods that he served).

Although the Board of Directors does not have a formal policy regarding attendance by members of the Board of Directors at the Annual Meeting, it encourages directors to attend. Each of our then-current directors attended the 2004 Annual Meeting of Stockholders.

Our compensation committee currently consists of two directors, Mr. Kenneth, who serves as chairman of the committee, and Mr. Herman, and is primarily responsible for reviewing and approving our general compensation policies and setting compensation levels for our executive officers. The committee held three meetings during our 2004 fiscal year.

Our audit committee currently consists of three directors, Mr. DeLuca, who serves as chairman of the committee, Mr. Oliver and Mr. Herman. Each of the members of the audit committee is independent as defined pursuant to Rule 4200 of the National Association of Securities Dealers listing standards and as required by applicable law and the SEC. Our Board of Directors has designated Mr. Herman as the audit committee's financial expert.

The audit committee generally meets at least quarterly to review our financial statements and to perform its other functions. The audit committee held nine meetings during our 2004 fiscal year.

Given our limited operating history, our Board of Directors has yet not formed a nominating committee for the election of directors. Currently, our full Board of Directors designates nominees for election to the Board of Directors at each Annual Meeting of Stockholders.

Historically, the Board of Directors has not adopted a formal policy concerning stockholder recommendations regarding the election of directors. The absence of such a policy does not mean, however, that a recommendation would not have been considered had one been received. Although our Board of Directors has historically designated nominees for election, the Board of Directors will consider nominations submitted by our stockholders, and our Bylaws contain provisions which address the process by which a stockholder may nominate an individual to stand for election to the Board of Directors at the Annual Meeting. To date, the Board of Directors has not received any recommendations from stockholders requesting that it consider a candidate for inclusion among the slate of nominees in the Proxy Statement.

In evaluating director nominees, the Board of Directors considers a number of factors, including the appropriate size of the Board of Directors; the knowledge, skills and experience of nominees, including experience in business, finance, administration or healthcare in light of prevailing business conditions and the knowledge, skills and experience already possessed by other members of the Board of Directors; experience with accounting rules and practices; and the desire to balance the considerable benefit of continuity with the periodic injection of the fresh perspective provided by new members. The Board of Directors' goal is to assemble a Board of Directors that brings a variety of perspectives and skills derived from high quality business and professional experience. In doing so, the Board of Directors also considers candidates with appropriate non-business backgrounds. Other than the foregoing there are no stated minimum criteria for director nominees, although the Board of Directors and any nominating committee may also consider such other factors as it may deem are in the best interests of the Company and its stockholders.

The Board of Directors identifies nominees by first evaluating the current members of the Board of Directors willing to continue in service. Current members of the Board of Directors with skills and experience that are relevant to our business and who are willing to continue in service are considered for re-nomination, balancing the value of continuity of service by existing members of the Board of Directors with that of obtaining a new perspective. If any member of the Board of Directors does not wish to continue in service or if the Board of Directors decides not to re-nominate a member for re-election, the Board of Directors then identifies the desired skills and experience of a new nominee in light of the criteria above. Current members of the Board of Directors are polled for suggestions as to individuals meeting the desired criteria. Research may also be performed to identify qualified individuals. To date, the Board of Directors has not engaged third parties to identify or evaluate or assist in identifying potential nominees, although it reserves the right in the future to retain a third party search firm, if necessary.

Stockholders seeking to nominate persons for election as directors at our 2006 Annual Meeting of Stockholders should submit such nominations in writing to Crdentia Corp., c/o Corporate Secretary, 14114 Dallas Parkway, Suite 600, Dallas, Texas 75254. In order to ensure that our Board of Directors has a reasonable opportunity to evaluate such nominations, such nominations must be submitted no later than June 29, 2006.

## Edgar Filing: CRDENTIA CORP - Form DEF 14A

Historically, we have not adopted a formal process for stockholder communications with the Board of Directors. Nevertheless, every effort has been made to ensure that the views of stockholders are heard by the Board of Directors or individual directors, as applicable, and that appropriate responses are provided to stockholders in a timely manner.

### **Code of Ethics**

The Board of Directors has adopted a Code of Ethics that applies to all of our employees, officers and directors. The Code of Ethics contains general guidelines for conducting the business of our company consistent

with the highest standards of business ethics, and is intended to qualify as a code of ethics within the meaning of Section 406 of the Sarbanes-Oxley Act of 2002 and Item 406 of Regulation S-K. The Code of Ethics is filed as Exhibit 14.1 to our annual report on Form 10-KSB/A for the fiscal year ended December 31, 2004, as filed with the SEC on April 29, 2005 (the Annual Report ).

#### **Report of the Audit Committee**

The Audit Committee oversees our financial reporting process on behalf of our Board of Directors. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements in our Annual Report with management, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

The Audit Committee reviewed with KBA Group LLP, who are responsible for expressing an opinion on the conformity of these audited financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of our accounting principles and such other matters as are required to be discussed with the Audit Committee under generally accepted auditing standards. In addition, the Audit Committee discussed with KBA Group LLP their independence from management and our company, received from KBA Group LLP the written disclosures and the letter required by Independence Standards Board Standard No. 1, and considered the compatibility of non-audit services with the auditors' independence.

The Audit Committee discussed with KBA Group LLP the overall scope of their audit. The Audit Committee met with KBA Group LLP, with and without management present, to discuss the results of their examination, their evaluation of our internal controls and the overall quality of our financial reporting.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to our Board of Directors that the audited financial statements be included in our Annual Report on Form 10-KSB for the year ended December 31, 2004 for filing with the SEC. The Audit Committee and our Board of Directors also recommended the ratification of the selection of KBA Group LLP as our independent auditors for 2005.

This report of the Audit Committee shall not be deemed incorporated by reference by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent that we specifically incorporate this information by reference, and shall not otherwise be deemed filed under such acts.

The foregoing report has been furnished by the Audit Committee.

Subject to the terms and conditions of the merger agreement, we made an advance closing payment of 39,361 shares of our common stock to the former stockholders of Nurses Network, Inc. at the closing. Pursuant to the terms of the Separation Agreement, we agreed to continue to pay Mr. Leftwich his current base salary of \$175,000 per year for a period of one month. In addition, we agreed to accelerate Mr. Leftwich's vesting in twenty-five percent of the options he holds to purchase 110,504 shares of our common stock and agreed to provide Mr. Leftwich until September 10, 2005 in which to exercise the options. ## Employment, Bonus and Option Agreements with Executive Officers

We entered into an Employment Agreement with James D. Durham, our Chairman and Chief Executive Officer, and have submitted a proposal in this Proxy Statement to amend the Employment Agreement. For a description of the Employment Agreement and amendment, please see PROPOSAL NO. 4 AMENDMENT TO EMPLOYMENT AGREEMENT WITH JAMES D. DURHAM.

We entered into a Common Stock Purchase Agreement dated May 15, 2002 with Mr. Durham, pursuant to which Mr. Durham had the right to purchase, at a purchase price of \$0.0003 per share, up to a number of additional shares of our common stock equal to 25% of the aggregate number of additional shares of our common stock and other securities convertible into common stock issued or issuable in connection with any acquisitions we complete on or before August 7, 2004. We have issued an aggregate of 3,689,703 shares as consideration for our four completed acquisitions of Baker Anderson Christie, Inc., New Age Staffing, Inc., Nurses Network, Inc., PSR Nurse Recruiting, Inc. and PSR Nurses Holdings Corp. As a result of the completion of these acquisitions, Mr. Durham has the right to purchase up to 922,426 shares of our common stock at \$0.0003 per share.

In December 2003, our Board of Directors approved certain modifications to our current equity arrangements with Mr. Durham. In connection with these modifications, Mr. Durham agreed to relinquish certain rights pursuant to the Common Stock Purchase Agreement to purchase additional shares of our common stock that accrue to him after December 31, 2003 in connection with acquisitions that occur either before or after December 31, 2003. With respect to Mr. Durham's rights to purchase an additional 922,426 shares of Common Stock that accrued to him prior to such date, we agreed to extend Mr. Durham's right to purchase such additional shares to fifteen years after the Vesting Expiration Date (as defined in the Common Stock Purchase Agreement). In consideration for Mr. Durham's modification of his purchase right, our Board of Directors approved the issuance to him of an option (the "Option") to purchase up to 2,333,333 shares of our common stock at an exercise price of \$0.30 per share, which expires on December 31, 2018. Mr. Durham is fully vested in the Option, which is exercisable by him in accordance with the following schedule: One hundred percent (100%) of the shares of our common stock subject to the Option shall be exercisable by Mr. Durham on December 31, 2008. Notwithstanding the foregoing, a certain number of shares of common stock subject to the Option may be exercised prior to December 31, 2008 upon the closing of certain acquisitions by us. In addition to the issuance of the Option, we also entered into a Bonus and Other Agreement with Mr. Durham pursuant to which we agreed to pay to Mr. Durham two cash bonuses in the amount of \$540,000 each on December 31, 2006 and January 4, 2007.

Mr. Durham was granted an option to purchase 866,666 shares of common stock, at a price per share of \$3.10, on August 3, 2004. This option is exercisable with respect to 433,333 shares and, due to the failure to satisfy certain vesting provisions, the option terminated with respect to the remaining 433,333 shares on December 31, 2004.

We entered into a Restricted Stock Bonus Agreement with Mr. Durham. For a description of the agreement, please see Executive Compensation and Other Matters Employment Contracts, Severance Agreements and Change of Control Arrangements.

We entered into an Employment Agreement with Pamela G. Atherton, our President. For a description of the agreement, please see Executive Compensation and Other Matters Employment Contracts, Severance Agreements and Change of Control Arrangements.

We entered into a Restricted Stock Issuance Agreement with Ms. Atherton dated November 1, 2002 and an Option Agreement dated December 16, 2003, pursuant to which she may receive accelerated vesting in the shares of common stock purchased thereby or underlying the option in the event that she is terminated within 18 months of our acquisition. For a description of such agreements, please see Executive Compensation and Other Matters Employment Contracts, Severance Agreements and Change of Control Arrangements.

Ms. Atherton was granted an option to purchase 433,333 shares of common stock, at a price per share of \$3.10, on August 3, 2004. This option is exercisable with respect to 216,667 shares and, due to the failure to satisfy certain vesting provisions, the option terminated with respect to the remaining 216,666 shares on December 31, 2004.

### **Stock and Option Agreements with Directors**

In October 2002, we entered into a Restricted Stock Issuance Agreement with each of Robert J. Kenneth and Joseph M. DeLuca pursuant to which we issued each of them 33,333 shares of common stock at a per share price of \$0.0201. In November 2002, we entered into a Restricted Stock Issuance Agreement with Robert P. Oliver pursuant to which we issued him 33,333 shares of common stock at a per share price of \$0.0201. Mr. Kenneth, Mr. DeLuca and Mr. Oliver are members of our Board of Directors. Each of the directors vests in the shares of common stock over a period of thirty-six months. In the event that any of the directors is subject to an involuntary termination within 18 months of our acquisition, he will immediately accelerate in the remaining shares of common stock. As defined in the agreement, an involuntary termination shall mean the termination of the director's service which occurs by reason of his involuntary dismissal or discharge for reasons other than misconduct. Misconduct means the commission of any act of fraud, embezzlement or dishonesty, any unauthorized use or disclosure of confidential information or trade secrets or any other intentional misconduct adversely affecting our business or affairs.

In December 2003, we issued to each of Thomas F. Herman and C. Fred Toney, members of our Board of Directors, an option to purchase 33,333 shares of our common stock with an exercise price of \$2.88 in connection with their respective appointments to our Board of Directors. **PROPOSAL NO. 3**

**RATIFICATION OF SELECTION OF INDEPENDENT AUDITORS**

Our Board of Directors and Audit Committee have selected KBA Group LLP to be our independent auditors for the fiscal year ending December 31, 2005 and have further directed that the selection of the independent auditors be submitted for ratification at the Annual Meeting. Representatives of KBA Group LLP are expected to be present at the Annual Meeting, will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Stockholder ratification of the selection of KBA Group LLP as our independent auditors is not required by the Company's Bylaws or otherwise. However, the Board of Directors is submitting the selection of KBA Group LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Board of Directors will reconsider whether or not to retain that firm. Even if the selection is ratified, the Board of Directors in its discretion may direct the appointment of different independent auditors at any time during the year if they determine that such a change would be in the best interests of the Company and its stockholders.

Our independent auditor for the fiscal year ending December 31, 2002 was Sanford H. Feibusch. Mr. Feibusch was dismissed as our independent auditor following the preparation of his report dated February 5, 2003 on our consolidated financial statements as of December 31, 2002, for the four months then ended and for the period from November 10, 1997 to December 31, 2002. Pursuant to the recommendation of our Board of Directors and Audit Committee, we engaged BDO Seidman, LLP on April 28, 2003, and BDO Seidman, LLP reported on our financial statements for the fiscal year ended December 31, 2003 and reviewed our quarterly reports on Form 10-QSB filed for the first three fiscal quarters of the fiscal year ended December 31, 2004. On January 13, 2005 we received a resignation letter from BDO Seidman, LLP. On January 13, 2005 our Audit Committee approved, and our Board of Directors ratified, the engagement of KBA Group LLP as our independent auditors. KBA Group LLP reported on our financial statements for the fiscal year ended December 31, 2004.

The report of BDO Seidman, LLP on our financial statements for the fiscal year ended December 31, 2003 did not contain any adverse opinion or disclaimer of opinion, nor was it qualified or modified as to uncertainty, audit scope or accounting principles. In addition, there were no disagreements at any time between Mr. Feibusch or BDO Seidman, LLP, as the case may be, and us on matters of accounting principles or practices, financial statement disclosure or auditing scope or procedures, which disagreements, if not resolved to the satisfaction of Mr. Feibusch or BDO Seidman, LLP, would have caused him or it to make reference to the subject matter of the disagreement in his or its report. In addition, during the Company's two most recent fiscal years ended December 31, 2004 and 2003 and through January 13, 2005, there were no reportable events, as such term is defined in Item 304(a)(1)(v) of Regulation S-B.

During the fiscal years ended December 31, 2003 and 2004 and the subsequent interim period through January 13, 2005, we did not consult KBA Group LLP with respect to the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on our consolidated financial statements, or any other matters that were either the subject of a disagreement (as defined in Item 304(a)(1)(iv) of Regulation S-B) or a reportable event (as defined in Item 304(a)(1)(v) of Regulation S-B).

**Audit Fees**

## Edgar Filing: CRDENTIA CORP - Form DEF 14A

The aggregate fees billed by BDO Seidman, LLP for professional services rendered in the fiscal years ended December 31, 2003 and 2004 were approximately \$125,500 and \$120,700, respectively.

No audit or other services were performed by KBA Group LLP in the fiscal years ended December 31, 2003 and 2004.

Audit fees include amounts billed for our audit and our quarterly reviews.

### **Tax Fees and All Other Fees**

The aggregate fees billed by BDO Seidman, LLP for the fiscal years ended December 31, 2003 and 2004, other than as stated above under the caption **Audit Fees** were \$152,600 and \$36,600. The fees incurred in 2003 were primarily for tax and other audit services rendered in connection with our acquisition of New Age Staffing, Inc. PSR Nurse Recruiting, Inc. and PSR Nurses Holdings Corp. The fees incurred in 2004 were primarily for tax

and other audit services rendered in connection with our acquisition of PSR Nurse Recruiting, Inc. and PSR Nurses Holdings Corp.

No fees were billed by Mr. Feibusch for the fiscal years ended December 31, 2003 and 2004.

The Audit Committee's policy is to pre-approve all audit and non-audit services provided by the independent auditors. All of the services described above under the caption "Tax Fees and All Other Fees" were pre-approved by the Audit Committee.

#### **Required Vote**

The affirmative vote of the holders of a majority of the shares of our common stock and Series C convertible preferred stock present or represented at the Annual Meeting and voting together as a single class is required to approve the ratification of the selection of KBA Group LLP as our independent auditors for the fiscal year ended December 31, 2005. Abstentions will have the same effect as "no" votes on this proposal, whereas broker "non-votes" will have no effect.

**THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE RATIFICATION OF THE SELECTION OF KBA GROUP LLP.**

**PROPOSAL NO. 4**

**AMENDMENT TO EMPLOYMENT AGREEMENT WITH JAMES D. DURHAM**

**General**

The Board of Directors has approved a proposal to amend the employment agreement with our Chairman and Chief Executive Officer, James D. Durham, which was originally entered into on August 14, 2002, and amended on January 1, 2004 (collectively, the Employment Agreement), to provide for a bonus to be paid upon a sale of the Company. The Board of Directors has recommended that this proposal be presented to our stockholders for approval. The amendment is not currently effective, however, as both the amendment to the Employment Agreement and the Board of Directors' approval of the amendment are contingent on stockholder approval.

You are now being asked to approve the amendment to the Employment Agreement, a copy of which is attached to this Proxy Statement as Appendix C (the Amendment). Stockholder approval of the Amendment is not required by the Company's Bylaws or otherwise. However, the Board of Directors is submitting the Amendment to the stockholders for approval as a matter of good corporate governance. If the stockholders do not give their approval, we will not enter into the Amendment. Neither management nor the Board of Directors is currently engaged in discussions with any third parties for the acquisition or sale of the Company. However, in fulfilling their fiduciary obligations, management and the Board of Directors would seriously consider and evaluate any acquisition or sale offer that they felt was in the best interests of the Company and its stockholders. In the event that the Company were presented with such a proposal, the Board of Directors believes that the Amendment will provide proper incentives to Mr. Durham to negotiate the highest possible sales price for the Company, thereby ultimately providing greater value for our stockholders. As a result, the Board of Directors believes that the Amendment is in the best interests of the Company and its stockholders.

**Summary of Employment Agreement**

Pursuant to the Employment Agreement, a copy of which is attached to this Proxy Statement as Appendix B, we have agreed to pay Mr. Durham a base salary \$320,000 for the 2004 calendar year, subject to adjustment each calendar year thereafter by the Board of Directors. In the event that Mr. Durham becomes subject to an Involuntary Termination, we have agreed to pay severance to Mr. Durham in one lump sum within thirty (30) days of the date of such Involuntary Termination in an aggregate amount equal to two times his then-current rate of base salary. In addition, for a period of twenty-four months, Mr. Durham would also be provided with life, health and disability plan benefits.

As used in the Employment Agreement, the term Involuntary Termination means the termination of Mr. Durham's employment with us involuntarily upon his discharge, dismissal or our failure to renew the Employment Agreement. In addition, the term Involuntary Termination also means his termination, voluntarily or involuntarily, provided such termination occurs in connection with (i) a change in his position with us or any successor which materially reduces his level of responsibility or changes his title from Chairman and Chief Executive Officer, (ii) a reduction in his level of compensation, (iii) a relocation of his principal place of employment by more than forty-five (45) miles without his written consent, (iv) our failure to qualify for trading on the OTC Bulletin Board within ninety (90) days of the date of the Employment Agreement or to continuously be listed for trading on the OTC Bulletin Board or another national securities exchange at all times thereafter, or (v) the commencement of any action, arbitration, audit, hearing, investigation, litigation or suit conducted or heard by or before, or otherwise involving, the SEC, the National Association of Securities Dealers or any other federal or state governmental body which has a material adverse effect on the price at which our securities trade and is not principally attributable to his actions or omissions.

Under the Employment Agreement, if Mr. Durham receives the benefit of any payment or distribution of any type from the Company, any of its affiliates, any person who acquires ownership or effective control of the Company or ownership of a substantial portion of the Company's assets (within the meaning of Section 280G of the Code and the regulations thereunder) or any affiliate of such person, pursuant to the terms of the Employment Agreement or otherwise (the "Total Payments"), that is subject to the excise tax imposed by Section 4999 of the Code or any interest or penalties with respect to such excise tax (collectively, the "Excise Tax"), then Mr. Durham will be entitled to receive an additional payment (a "Gross-Up Payment") in an amount such that after payment by Mr. Durham of all taxes imposed upon the Gross-Up Payment, including any Excise Tax, Mr. Durham will retain an amount of the Gross-Up Payment equal to the Excise Tax imposed on the Total Payments.

#### **Summary of Proposed Amendment to Employment Agreement**

The text of the proposed Amendment to the Employment Agreement with Mr. Durham is attached to this Proxy Statement as Appendix B. Under the Amendment, in the event that, during the term of the Employment Agreement, the Company closes a sale transaction which constitutes a "Change in Control" thereunder (such

transaction, a Corporate Transaction ), Mr. Durham will be entitled to receive a bonus in the amount of one and one-half percent (1 ½%) of the Total Consideration actually paid to the Company's stockholders in connection therewith. As used therein, the term Total Consideration means the aggregate consideration actually paid to the stockholders of the Company in respect of capital stock of the Company owned by such stockholders and will not include earn-out, escrow, hold back or similar contingent payments unless and until such amounts are actually paid to the stockholders of the Company. Such payment(s) will be made at the same time(s) and in the same form and combination (whether in cash, securities or other property) as the form and combination in which the Total Consideration is paid to the stockholders in respect of their ownership of the Company's capital stock.

#### **Implications of the Amendment**

Mr. Durham will receive a bonus in the amount of one and one-half percent (1 ½%) of the Total Consideration actually paid to the Company's stockholders in connection with a sale transaction. The Total Payments received by Mr. Durham (including this bonus) may be subject to Excise Tax. In the event the Total Payments are subject to Excise Tax, Mr. Durham will be entitled to receive a Gross-Up Payment in an amount such that, after payment by Mr. Durham of all taxes imposed upon the Gross-Up Payment, including any Excise Tax, Mr. Durham will retain an amount of the Gross-Up Payment equal to the Excise Tax imposed on the Total Payments.

#### **Required Vote**

The affirmative vote of the holders of a majority of the shares of our common stock and Series C convertible preferred stock present or represented at the Annual Meeting and voting together as a single class is required to approve the Amendment. Abstentions will have the same effect as no votes on this proposal, whereas broker non-votes will have no effect.

**APPENDIX B**

**EMPLOYMENT AGREEMENT WITH JAMES D. DURHAM**

LIFEN, INC.

August 14, 2002

James D. Durham

West Shore Road

Belvedere, California 94920

Dear Mr. Durham:

We are pleased to inform you that the Board of Directors (the "Board") of Lifen, Inc. (the "Company") has authorized an employment package for you which will provide certain assurances concerning the terms and conditions of your continued employment with the Company and will allow you to participate in a program of severance benefit payments should your employment terminate. The purpose of this letter agreement (the "Agreement") is to document the terms of your employment package by providing you with a formal employment contract.

The Company considers it essential to the continuing operation of the Company and in the best interests of its stockholders to assure the continuous dedication of key management personnel. It is recognized in the context of public ownership that a termination of an employee's employment without cause may be sought and that such circumstances could prove distracting to key executives and detrimental to the ongoing management and administration of the Company. Such distraction is not in the best interest of the stockholders of the Company. Accordingly, the Board has determined to discourage the inevitable distraction to you in the face of potentially disturbing circumstances inherent in any uncertainty regarding your employment status. This Agreement is intended to secure and encourage your ongoing retention by providing separation benefits in the event that your employment is altered as hereinafter described. In order to induce you to remain in the employ of the Company, and in consideration of your agreement set forth in Sections 12, 13, 14 and 15 of Part Two hereof, the Company agrees to pay the severance payments and benefits set forth in this Agreement, under the circumstances described herein.

Part One of this Agreement sets forth certain definitional provisions to be in effect for purposes of determining your benefit entitlements. Part Two specifies the terms and conditions which will apply to your continued employment with the Company, including the severance payments and benefits to which you will become entitled in the event your employment should be terminated. Part Three concludes this Agreement with a series of general terms and conditions applicable to your employment benefits.

(v) on or after the date hereof, a change in ownership of the Company through an action or series of transactions, such that any person is or becomes the beneficial owner, directly or indirectly, of securities of the Company representing fifty percent (50%) or more of the securities of the combined voting power of the Company's outstanding securities; or

with respect thereto will terminate so that each such Option or share of restricted or unvested Common Stock will become immediately exercisable and fully exercisable or vested as of the date of termination. Each such accelerated Option, together with all of Employee's other vested Options, will remain exercisable following Employee's Involuntary Termination and may be exercised for any or all of the option shares, including the accelerated shares, in accordance with the exercise provisions of the Option agreement evidencing the grant during the full term of such Option agreement.

D. Release of Company. Receipt of severance benefits pursuant to this Section 9 shall be in lieu of all other amounts payable by the Company to Employee and in settlement and complete release of all claims Employee may have against the Company other than those arising out of the severance benefits due and payable under Sections 9 and 17 of Part Two of this Agreement and Employee's rights under Part Three of this Agreement. Employee acknowledges and agrees that execution of a mutual general release of claims setting forth the terms of this Section 9.D. and otherwise reasonably acceptable to the Company and Employee shall be a condition precedent to the Company's obligation to pay severance benefits hereunder.

10. Option/Vesting Acceleration upon Change in Control.

A. To the extent the acquiring company in any Change in Control transaction does not assume or otherwise continue in full force and effect the Employee's outstanding Options under the Stock Option Plan, those Options shall automatically accelerate and vest so that each such Option will, immediately prior to the Change in Control, become fully exercisable for all the option shares and shall terminate immediately after the Change in Control transaction.

B. The following provisions shall govern any Options which are to be assumed or otherwise continued in effect in the Change in Control and any restricted or unvested shares of Common Stock held by the Employee at the time of the Change in Control. The Options shall accelerate and vest at the time of the Change in Control so that each Option will become exercisable for all of the Option shares immediately prior to the Change in Control transaction, except to the extent the Option parachute payment attributable to such accelerated vesting would otherwise result in an excess parachute payment under Code Section 280G. Any Option which does not accelerate and vest at the time of the Change in Control by reason of the foregoing limitation shall continue to become exercisable and vest in accordance with the vesting schedule applicable to that Option immediately prior to the Change in Control.

Any restricted or unvested shares of Common Stock held by the Employee at the time of the Change in Control shall immediately vest at that time and the Company's repurchase rights with respect to those shares shall terminate, except to the extent the parachute payment attributable to such accelerated vesting, when added to the parachute payment attributable to the acceleration of the Employee's outstanding Options, would result in an excess parachute payment under Code Section 280G. The Company's repurchase rights with respect to any restricted or unvested shares which do not vest at the time of the Change in Control by reason of the foregoing limitation shall continue in effect and shall be assigned to any successor entity in the Change in Control transaction, and Employee shall continue to vest in those shares in accordance with the vesting schedule in effect for the shares immediately prior to the Change in Control.

Any Option which does not accelerate, and any restricted or unvested shares of Common Stock which do not vest at the time of the Change in Control by reason of the foregoing limitations shall immediately vest in full pursuant to the provisions of Section 9.C. upon any Involuntary Termination of Employee's employment following the Change in Control (other than a Termination for Cause). Each such accelerated Option, together with each of the Employee's other vested Options shall remain exercisable and outstanding for the full term of the Option agreement evidencing such Option and may be exercised for any or all of the Option shares, including the accelerated shares, in accordance with the provisions of such Option agreement.

## Edgar Filing: CRDENTIA CORP - Form DEF 14A

All determinations concerning the application of the parachute payment provisions of Code Section 280G to the accelerated vesting of Options and shares pursuant to this Section 11 shall be made in accordance with the procedures set forth in Section 17.B.

Each Option which is assumed or otherwise continued in effect will be appropriately adjusted to apply to the number and class of securities which would have been issued to Employee in the consummation of the Change in Control transaction had the Option been exercised immediately prior to such transaction, and appropriate adjustments will be made to the Option exercise price payable per share, provided the aggregate exercise price will remain the same.

In the event that it is determined that any payment or distribution of any type to or for Employee's benefit made by the Company, by any of its affiliates, by any person who acquires ownership or effective control of the Company or ownership of a substantial portion of the Company's assets (within the meaning of Section 280G of the Code and the regulations thereunder) or by any affiliate of such person, whether paid or payable or distributed or distributable pursuant to the terms of this Agreement or otherwise (the "Total Payments"), would be subject to the excise tax imposed by Section 4999 of the Code or any interest or penalties with respect to such excise tax (such excise tax, together with any such interest or penalties, are collectively referred to as the "Excise Tax"), then Employee shall be entitled to receive an additional payment (a "Gross-Up Payment") in an amount such that after payment by Employee of all taxes imposed upon the Gross-Up Payment, including any Excise Tax, Employee retains an amount of the Gross-Up Payment equal to the Excise Tax imposed on the Total Payments.

B. Determination by Accountant. All mathematical determinations and all determinations of whether any of the Total Payments are parachute payments (within the meaning of Section 280G of the Code) that are required to be made under this Section 17, including all determinations of whether a Gross-Up Payment is required, of the amount of such Gross-Up Payment and of amounts relevant to the last sentence of this Section 17, shall be made by an independent accounting firm selected by Employee and reasonably acceptable to the Company from among the largest five (5) accounting firms in the United States (the Accounting Firm), which shall provide its determination, together with detailed supporting calculations regarding the amount of any Gross-Up Payment and any other relevant matters (the Determination), both to the Company and to Employee within five (5) business days of Employee's termination date, if applicable, or such earlier time as is requested by the Company or by Employee (if Employee reasonably believes that any of the Total Payments may be subject to the Excise Tax). If the Accounting Firm determines that no Excise Tax is payable by Employee, it shall furnish Employee with a written statement that such Accounting Firm has concluded that no Excise Tax is payable (including the reasons therefor) and that Employee has substantial authority not to report any Excise Tax on Employee's federal income tax return. If a Gross-Up Payment is determined to be payable, it shall be paid to Employee within five (5) business days after the Determination is delivered to the Company or to Employee. Any Determination by the Accounting Firm shall be binding upon the Company and Employee, absent manifest error. All of the costs and expenses of the Accounting Firm shall be borne by the Company.

C. Underpayments and Overpayments. As a result of uncertainty in the application of Section 4999 of the Code at the time of the initial determination by the Accounting Firm hereunder, it is possible that Gross-Up Payments not made by the Company should have been made ( Underpayments ) or that Gross-Up Payments will have been made by the Company which should not have been made ( Overpayments ). In either event, the Accounting Firm shall determine the amount of the Underpayment or Overpayment that has occurred. In the case of an Underpayment, the amount of such Underpayment shall promptly be paid by the Company to or for Employee s benefit. In the case of an Overpayment, Employee shall, at the direction and expense of the Company, take such steps as are reasonably necessary (including the filing of returns and claims for refund), follow reasonable instructions from, and procedures established by, the Company and otherwise reasonably cooperate with the Company to correct such Overpayment; provided, however, that (i) Employee shall in no event be obligated to return to the Company an amount greater than the net after-tax portion of the Overpayment that Employee has retained or has received as a refund from the applicable taxing authorities and (ii) this provision shall be interpreted in a manner consistent with the intent of this Section 17, which is to make Employee whole, on an after-tax basis, for the application of the Excise Tax, it being understood that the correction of an Overpayment may result in Employee s repaying to the Company an amount which is less than the Overpayment.

### **PART THREE MISCELLANEOUS PROVISIONS**

1. Mitigation. Employee shall not be required to mitigate damages or the amount of any payment provided for under this Agreement by seeking other employment or otherwise and no future income earned by Employee from employment or otherwise shall in any way reduce or offset any payments due to Employee hereunder. The provisions of this Agreement, and any payment provided for hereunder, shall not reduce any amounts otherwise payable, or in any way diminish Employee s existing rights which would accrue solely as a result of the passage of time, under any Company Employee Benefit Plan, Payroll practice (as defined in ERISA), compensation arrangement, incentive plan, stock option or other stock-related plan.
2. Successors. This Agreement shall be binding upon and inure to the benefit of the Company and any successor of the Company, including, without limitation, any corporation or corporations acquiring directly or indirectly all or substantially all of the stock, business or assets of the Company whether by merger, consolidation, division, sale or otherwise (and such successor shall thereafter be deemed the Company for the purposes of this Agreement). The Company will require any successor (whether direct or indirect, by purchase, merger, consolidation or otherwise) to all or substantially all of the business and/or assets of the Company, by agreement in form and substance satisfactory to Employee, to expressly assume and agree to perform this Agreement in the same manner and to the same extent that the Company would be required to perform it if no such succession had taken place. Failure of the Company to obtain such assumption and agreement prior to the effectiveness of any such succession shall be a breach of this Agreement entitling Employee to the benefits hereunder, as though Employee was subject to Involuntary Termination. This Agreement shall be binding upon and inure to the benefit of Employee, his successors, assigns, executors, administrators or beneficiaries.
3. Indemnification. The indemnification provisions for officers and directors under the Company s Bylaws and any applicable indemnification agreement between Employee and the Company will (to the maximum extent permitted by law) be extended to Employee, during the period following Employee s Involuntary Termination, with respect to any and all matters, events or transactions occurring or effected during Employee s Employment Period.
4. Miscellaneous. The provisions of this Agreement will be construed and interpreted under the laws of the State of California. This Agreement incorporates the entire Agreement between Employee and the Company relating to the terms of his employment and the subject of severance benefits and supersedes all prior agreements and understandings with respect to such subject matter. This Agreement may only be amended by written instrument signed by Employee and an authorized officer of the Company.

5. Arbitration. Any controversy which may arise between Employee and the Company with respect to the construction, interpretation or application of any of the terms, provisions, covenants or conditions of this Agreement or any claim arising from or relating to this Agreement will be submitted to final and binding arbitration in San Francisco, California in accordance with the rules of the American Arbitration Association then in effect.

6. Notices. Any notice required to be given under this Agreement shall be deemed sufficient, if in writing, and sent by certified mail, return receipt requested, via overnight courier, or hand delivered to the Company at its last known address, and to Employee at his most recent address reflected in the permanent Company records.

B-8

---

Copies of each such notice delivered by either the Company or Employee shall be provided to each current member of the Board at each such director's current address as listed in the Company's records.

7. Legal Costs. If any legal action or other proceeding is brought by Employee for the enforcement of this Agreement, or because of an alleged dispute, breach, default or misrepresentation in connection with any of the provisions of this Agreement, Employee shall be entitled to recover reasonable attorneys fees and other costs incurred in that action or proceeding, in addition to any other relief to which Employee may be entitled, in the event and to the extent that Employee prevails in such action or other proceeding. Notwithstanding anything herein above to the contrary, as between Employee and the Company, the Company shall bear all legal costs and expenses of defending the validity of this Agreement against any third party. The Company shall bear all legal costs and expenses incurred in the event the Company should contest or dispute the characterization of any amounts paid pursuant to this Agreement as being nondeductible under Section 280G of the Code or subject to imposition of an excise tax under Section 4999 of the Code.
