Item 4. Description of Securities

Not applicable.

Item 5. Interests of Named Experts and Counsel

Not applicable.

Item 6. Indemnification of Directors and Officers

Edgar Filing: EDWARDS LIFESCIENCES CORP - Form S-8

In accordance with Section 102(b)(7) of the Delaware General Corporation Law (the "DGCL"), the Registrant's Restated Certificate of Incorporation provides that directors will not be personally liable to the Registrant or its stockholders for monetary damages for breaches of their fiduciary duty as directors except for (i) breaches of their duty of loyalty to the Registrant or its stockholders, (ii) acts of omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) certain transactions under Section 174 of the DGCL (which concerns unlawful payments of dividends, stock purchases or redemptions) or (iv) transactions from which a director derives an improper personal benefit.

II-1

While the Registrant's Restated Certificate of Incorporation provides directors with protection from awards for monetary damages for breaches of their duty of care, it does not eliminate their duty of care. Accordingly, the Restated Certificate of Incorporation will have no effect on the availability of equitable remedies such as an injunction or rescission based on a director's breach of his or her duty of care. The provisions of the Restated Certificate of Incorporation described above apply to an officer of the Registrant only if he or she is a director of the Registrant and is acting in his or her capacity as director, and do not apply to the Registrant's officers who are not directors.

The Registrant's Restated Certificate of Incorporation provides that each person who is, or was, a director or officer of the Registrant, and each person who serves, or may have served, at the Registrant's request as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, will be indemnified by and advanced expenses from the Registrant in connection with any liability incurred as a result of such service to the fullest extent permitted by the DGCL, as amended from time to time. Directors and officers will not be indemnified with respect to an action commenced by such directors or officers against the Registrant or by such directors or officers as a derivative action by or in the right of the Registrant.

The Registrant's Restated Certificate of Incorporation provides that the right to indemnification and payment of expenses conferred therein will not be exclusive of any other right that any person may have or may in the future acquire under any agreement, vote of stockholders, vote of disinterested directors or otherwise. The Restated Certificate of Incorporation permits the Registrant to maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the Registrant, or is serving at the request of the Registrant as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against any liability asserted against and incurred by him or her in any such capacity, or arising out of his or her status as such, whether or not the Registrant would have the power to indemnify such person against such liability under the Restated Certificate of Incorporation or the DGCL.

The Registrant has obtained directors and officers liability insurance providing coverage to its directors and officers.

Item 7. Exemption from Registration Claimed

Not applicable.

Item 9. Undertakings

A. The undersigned Registrant hereby undertakes: (1) to file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement: (i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933, as amended (the 1933 Act), (ii) to reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement and (iii) to include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement; provided, however, that clauses (1)(i) and (1)(ii) shall not apply if the information required to be included in a post-effective amendment by those clauses is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the 1934 Act that are incorporated by reference into this Registration Statement; (2) that for the purpose of determining any liability under the 1933 Act each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and (3) to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the Edwards Lifesciences Corporation Long-Term Incentive Compensation Program or the Edwards Lifesciences Corporation Nonemployee Directors Stock Incentive Program.

B. The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the 1933 Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the 1934 Act that is incorporated by reference into this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

C. Insofar as indemnification for liabilities arising under the 1933 Act may be permitted to directors, officers or controlling persons of the Registrant pursuant to the indemnification provisions summarized in Item 6 or otherwise, the Registrant has been advised that, in the opinion of the Commission, such indemnification is against public policy as expressed in the 1933 Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer, or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the 1933 Act and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, as amended, the Registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-8, and has duly caused this Registration Statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of Irvine, State of California on this 14th day of October, 2008.
