**Item 1.01 Entry into a Material Definitive Agreement.**

On November 27, 2013, The ServiceMaster Company ( ServiceMaster or we ) entered into Amendment No. 3 (the 2013 Revolver Amendment ) to the syndicated revolving credit agreement (the Credit Agreement ) governing its revolving credit facility, which facility provides for senior secured revolving loans and stand-by and other letters of credit. Under the Credit Agreement, ServiceMaster currently has approximately \$324.2 million of available borrowing capacity through July 24, 2014 and approximately \$265.2 million of available borrowing capacity from July 25, 2014 through January 31, 2017.

As previously reported in ServiceMaster's Form 10-Q for the quarterly period ended September 30, 2013, filed with the SEC on November 14, 2013, ServiceMaster Global Holdings, Inc., the indirect parent corporation of ServiceMaster, is planning a transaction (the Transaction ) to spin off our TruGreen business through a tax-free, pro rata dividend to the stockholders of ServiceMaster Global Holdings, Inc., with a target effective date of December 31, 2013. Concurrently with the completion of the Transaction, it is expected that ServiceMaster's subsidiary, TruGreen Limited Partnership, will enter into a revolving credit facility (the TruGreen Revolving Facility ) providing for revolving loans and stand-by and other letters of credit with certain lenders who are also lenders under the Credit Agreement.

Pursuant to the 2013 Revolver Amendment, upon the TruGreen Revolving Facility becoming effective, immediately after the completion of the Transaction, the commitments of certain lenders under the Credit Agreement will be reduced by an amount equal to their commitments under the TruGreen Revolving Facility. Following such commitment reduction, it is expected that we will have not more than approximately \$254.2 million of available borrowing capacity through July 24, 2014 and not more than approximately \$195.2 million of available borrowing capacity from July 25, 2014 through January 31, 2017. We will continue to have access to letters of credit of up to \$75 million through January 31, 2017. The 2013 Revolver Amendment also increases the size of the miscellaneous restricted payments basket and makes certain other changes to the Credit Agreement. ServiceMaster will file the 2013 Revolver Amendment no later than as an exhibit to our Annual Report on Form 10-K for the year ending December 31, 2013.
