**Item 1.01. Entry into a Material Definitive Agreement.**

*Agreement and Plan of Merger*

On October 5, 2015, Skyworks Solutions, Inc. (the Company or Skyworks), and its newly formed, wholly owned subsidiary, Amherst Acquisition, Inc. (Merger Sub), entered into an Agreement and Plan of Merger (the Merger Agreement) with PMC-Sierra, Inc. (PMC), providing for, subject to the terms and conditions of the Merger Agreement, the acquisition of PMC by the Company at a price of \$10.50 per share in cash (the Merger Consideration) through the merger of Merger Sub into PMC (the Merger), with PMC surviving the Merger as a wholly owned subsidiary of the Company.

At the effective time of the Merger, each share of PMC's common stock issued and outstanding immediately prior to the effective time (other than shares owned by (i) the Company, PMC or any of their respective subsidiaries (which will be cancelled) or (ii) stockholders who have properly exercised and perfected appraisal rights under Delaware law) will be converted into the right to receive \$10.50 in cash, without interest.

As a result of the Merger, (i) each vested in-the-money stock option and restricted stock unit will be cancelled in exchange for the right to receive the Merger Consideration (less any amounts withheld and, in the case of options, the exercise price of such options), and (ii) each unvested stock option, out-of-the-money stock option (whether vested or unvested) and unvested restricted stock unit (including unvested performance stock units) will be assumed by the Company and converted, as applicable, into stock options and restricted stock units of Skyworks, on the basis of an exchange ratio based on the Merger Consideration and the Company's stock price prior to the Merger, which converted stock options and restricted stock units shall retain the same vesting terms (except that performance stock units will be subject only to time-based vesting conditions following the Merger).

The Merger Agreement contains customary representations and warranties from both PMC and the Company. It also contains customary covenants, including covenants providing for each of the parties to use its reasonable best efforts to cause the Merger to be consummated, and covenants requiring PMC (i) subject to certain exceptions, to carry on its business in all material respects in the ordinary course of business consistent with past practice during the period between the execution of the Merger Agreement and the closing of the Merger and (ii) not to initiate, solicit, seek or knowingly facilitate or encourage the making of any inquiries, proposals or offers relating to alternate transactions or, subject to certain exceptions, to engage in any discussions or negotiations with respect thereto.

Completion of the Merger is subject to customary closing conditions, including receipt of required regulatory approvals, approval by PMC's stockholders and the absence of a material adverse effect on PMC. The Company's and PMC's obligations are not subject to any financing condition.

The Merger Agreement contains certain termination rights and provides that, upon termination of the Merger Agreement under specified circumstances, including, but not limited to, termination of the Merger Agreement by the Company following a change in the recommendation of the board of directors of PMC, PMC's knowing and intentional material breach of PMC's non-solicitation obligations or a termination of the Merger Agreement by PMC to enter into an agreement to enter into a definitive agreement for a superior proposal, PMC will pay to the Company a cash termination fee of \$70 million.

## Edgar Filing: SKYWORKS SOLUTIONS, INC. - Form DEFA14A

The foregoing description of the Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the Merger Agreement, a copy of which is filed as Exhibit 2.1 hereto and is incorporated herein by reference.

The Merger Agreement has been included to provide investors and security holders with information regarding its terms. It is not intended to provide any other factual information about the Company, PMC, Merger Sub or their respective subsidiaries and affiliates. The Merger Agreement contains representations and warranties by the Company and Merger Sub, on the one hand, and by PMC, on the other hand, made solely for the benefit of the other. The assertions embodied in those representations and warranties are qualified by information in confidential disclosure schedules delivered by each party in connection with the signing of the Merger Agreement. Moreover, certain representations and warranties in the Merger Agreement were made as of a specified date, may be subject to a contractual standard of materiality different from what might be viewed as material to investors, or may have been used for the purpose of allocating risk between the Company and Merger Sub, on the one hand, and PMC, on the other hand. Accordingly, the representations and warranties in the Merger Agreement should not be relied on by any persons as characterizations of the actual state of facts about the Company at the time they were made or otherwise.

In addition, information concerning the subject matter of the representations and warranties may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in the Company's or PMC's public disclosures.

#### *Commitment Letter*

In connection with the Merger Agreement, the Company entered into a debt commitment letter (the "Commitment Letter"), dated as of October 5, 2015, with Barclays Bank PLC (the "Commitment Party"), pursuant to which, among other things, the Commitment Party has committed to provide the Company with a senior secured term loan facility in an aggregate principal amount of \$1,857,000,000 (the "Term Facility") to finance, in part, the acquisition of PMC (the "Financing"). The Term Facility will be secured by a first-priority security interest in substantially all of the assets of the Company and its domestic subsidiaries, subject to certain exclusions. Pursuant to the Merger Agreement, PMC has agreed to use reasonable best efforts to provide cooperation to the Company in connection with the Financing. The Commitment Party's commitment to provide the Financing is subject to certain conditions, including consummation of the Merger in accordance with the Merger Agreement; the negotiation and execution of definitive documentation consistent with the Commitment Letter; delivery of certain pro forma and other financial information; subject to certain limitations, the absence of a material adverse effect on PMC; the accuracy of specified representations and warranties of PMC in the Merger Agreement and specified representations and warranties of the Company to be set forth in the definitive loan documents; and other customary closing conditions.

The foregoing description of the Commitment Letter does not purport to be complete and is qualified in its entirety by reference to the Commitment Letter, a copy of which is being filed as Exhibit 10.1 hereto and is incorporated herein by reference.
