Explanation of Responses:

- If the form is filed by more than one reporting person, see Instruction 4(b)(v).
- Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).

This transaction is a purchase of shares of common stock of HealthSouth Corporation (the "Company") pursuant to an election by the reporting person to participate in the Directors Deferred Stock Investment Plan of the Company (the "Plan"). The Plan is a non-qualified deferral plan adopted and approved by the Board of Directors, effective November 1, 2007, allowing non-employee directors to make

10/16/2014

- (1) elections during 2013 to defer fixed percentages of their directors fees for 2014. The amount each participant defers under the Plan is deducted, on a quarterly basis, from the directors fees the participant would otherwise have received in cash. The transaction reported on this Form 4 is the acquisition of common stock of the Company in the market for the account of the reporting person, for an aggregate purchase price equal to the amount of fees deferred by the reporting person for the current quarter of 2014 under the Plan.
- This per share price is a weighted average price. These shares were purchased in multiple transactions at prices ranging from \$37.003 to \$37.028, inclusive. The reporting person undertakes to provide to HealthSouth Corporation, any of its security holders, or the staff of the Securities and Exchange Commission, upon request, full information regarding the number of shares purchased at each separate price within this range.

Pursuant to outstanding restricted stock unit award agreements, additional restricted stock units ("RSUs") are credited to each non-employee director's account on common stock dividend payment dates. The number of RSUs credited is equal to (a) the product of

(i) the number of the RSUs in each director's account on the associated dividend record date and (ii) the per share dividend, divided by (b) the closing price on the dividend payment date. On October 15, 2014 HealthSouth paid a dividend on its common stock of \$0.21 per share. The transaction reported on this Form 4 is an award of RSUs associated with that dividend payment.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, see Instruction 6 for procedure.
