2011 ANNUAL MEETING OF SHAREHOLDERS

PROXY STATEMENT

Why am I Receiving These Materials?

These proxy materials are being sent to the holders of shares of the voting stock of interclick, inc., a Delaware corporation, in connection with the solicitation of proxies by our Board of Directors (the “Board”) for use at the 2011 Annual Meeting of Shareholders to be held at 10:00 A.M. on June 23, 2011 at 11 West 19th Street, 10th Floor, New York, NY 10011. The proxy materials relating to the Annual Meeting are first being mailed to shareholders entitled to vote at the meeting on or about May 23, 2011. A copy of our Form 10-K/A for the year ended December 31, 2010 has been mailed concurrently with this Proxy Statement. This Proxy Statement and the Form 10-K/A are available at: <http://ir.interclick.com/financials.cfm>.

Who is Entitled to Vote?

interclick’s Board has fixed the close of business on May 12, 2011 as the record date for a determination of shareholders entitled to notice of, and to vote at, the Annual Meeting or any adjournment thereof. On the record date, there were 24,552,361 shares of common stock outstanding and no shares of preferred stock outstanding. Each share of common stock represents one vote that may be voted on each proposal that may come before the Annual Meeting.

What is the Difference Between Holding Shares as a Record Holder and as a Beneficial Owner (Holding Shares in Street Name)?

If your shares are registered in your name with our transfer agent, Action Stock Transfer Corporation, you are the “record holder” of those shares. If you are a record holder, these proxy materials have been provided directly to you by interclick.

If your shares are held in a stock brokerage account, a bank or other holder of record, you are considered the “beneficial owner” of those shares held in “street name.” If your shares are held in street name, these proxy materials have been forwarded to you by that organization. As the beneficial owner, you have the right to instruct this organization on how to vote your shares.

Who May Attend the Meeting?

Record holders and beneficial owners may attend the Annual Meeting. If your shares are held in street name, you will need to bring a copy of a brokerage statement or other documentation reflecting your stock ownership as of the record date.

How Do I Vote?

Shareholders of Record

For your convenience, interclick is offering our record holders three methods of voting:

Edgar Filing: interclick, inc. - Form DEF 14A

1. Vote by Internet. The website address for Internet voting is on your proxy card.
 2. Vote by mail. Mark, date, sign and mail promptly the enclosed proxy card (a postage-paid envelope is provided for mailing in the United States).
 3. Vote in person. Attend and vote at the Annual Meeting.
-

Beneficial Owners of Shares Held in Street Name

For your convenience, interclick is offering our beneficial owners four methods of voting:

1. Vote by Internet. The website address for Internet voting is on your vote instruction form.
2. Vote by telephone. The toll-free number for telephone voting is on your vote instruction form.
3. Vote by mail. Mark, date, sign and mail promptly your vote instruction form (a postage-paid envelope is provided for mailing in the United States).
4. Vote in person. Obtain a valid legal proxy from the organization that holds your shares and attend and vote at the Annual Meeting.

If you vote by Internet, please DO NOT mail your proxy card.

All shares entitled to vote and represented by a properly completed and executed proxy received before the meeting and not revoked will be voted at the meeting as you instruct in a proxy delivered before the meeting. If you do not indicate how your shares should be voted on a matter, the shares represented by your properly completed and executed proxy will be voted as the Board recommends on each of the enumerated proposals and with regard to any other matters that may be properly presented at the meeting and all matters incident to the conduct of the meeting. If you are a registered stockholder and attend the meeting, you may deliver your completed proxy card in person. "Street name" stockholders who wish to vote at the meeting will need to obtain a proxy form from the institution that holds their shares. All votes will be tabulated by the inspector of elections appointed for the meeting, who will separately tabulate affirmative and negative votes, abstentions and broker non-votes.

Is My Vote Confidential?

Yes, your vote is confidential. Only the following persons have access to your vote: the inspector of elections, individuals who help with processing and counting your votes, and persons who need access for legal reasons. Occasionally, shareholders provide written comments on their proxy cards, which may be forwarded to the Company's management and the Board of Directors.

What Constitutes a Quorum?

To carry on business at the Annual Meeting, we must have a quorum. A quorum is present when a majority of the shares entitled to vote, as of the record date, are represented in person or by proxy. Thus, 12,276,182 shares must be represented in person or by proxy to have a quorum. Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or other nominee) or if you vote in person at the Annual Meeting. Abstentions and broker non-votes will be counted towards the quorum requirement. Shares owned by interclick are not considered outstanding or considered to be present at the Annual Meeting. If there is not a quorum at the Annual Meeting, our shareholders may adjourn the meeting.

What is a Broker Non-Vote?

If your shares are held in street name, you must instruct the organization who holds your shares how to vote your shares. If you do not provide voting instructions, your shares will not be voted on any non-routine proposal. This vote is called a "broker non-vote." If you sign your proxy card but do not provide instructions on how your broker should vote, your broker will vote your shares as recommended by our Board. Broker non-votes are not included in the tabulation of the voting results of any of the proposals and, therefore, do not effect these proposals.

Edgar Filing: interclick, inc. - Form DEF 14A

Brokers cannot use discretionary authority to vote shares on the election of directors if they have not received instructions from their clients. Please submit your vote instruction form so your vote is counted.

Which Proposals are Considered “Routine” or “Non-Routine”?

With the exception of Proposal 2, the ratification of the appointment of J.H. Cohn LLP as our independent registered public accounting firm for our fiscal year ending 2011, all of the proposals to be voted upon at our 2011 Annual Meeting are considered non-routine.

What is an Abstention?

An abstention is a shareholders affirmative choice to decline to vote on a proposal. Abstentions are not included in the tabulation of the voting results of any of the proposals and, therefore, do not effect these proposals.

How Many Votes are Needed for Each Proposal to Pass?

Proposal	Vote Required	Broker Discretionary Vote Allowed
Election of eight (8) members to our Board of Directors	Plurality of the votes cast (the eight directors receiving the most “For” votes)	No
Ratification of the Appointment of J.H. Cohn LLP as our Independent Registered Public Accounting Firm for our Fiscal Year Ending 2011	A majority of the votes cast	Yes
Ratification and Approval of the 2011 Equity Incentive Plan	A majority of the votes cast	No

What Are the Voting Procedures?

In voting by proxy with regard to the election of directors, you may vote in favor of all nominees, withhold your votes as to all nominees, or withhold your votes as to specific nominees. With regard to other proposals, you may vote in favor of each proposal or against each proposal, or in favor of some proposals and against others, or you may abstain from voting on any or all of the proposals. You should specify your respective choices on the accompanying proxy card or your vote instruction form.

Is My Proxy Revocable?

You may revoke your proxy and reclaim your right to vote at any time before it is voted by giving written notice to the Secretary of interclick, by delivering a properly completed, later-dated proxy card or vote instruction form or by voting in person at the Annual Meeting. All written notices of revocation and other communications with respect to revocations of proxies should be addressed to: interclick, inc., 11 West 19th Street, 10th Floor, New York, NY 10011, Attention: Secretary, or by facsimile at (646) 395-1777.

Who is Paying for the Expenses Involved in Preparing and Mailing this Proxy Statement?

All of the expenses involved in preparing, assembling and mailing these proxy materials and all costs of soliciting proxies will be paid by interclick. In addition to the solicitation by mail, proxies may be solicited by our officers and other employees by telephone or in person. Such persons will receive no compensation for their services other than

their regular salaries. Arrangements will also be made with brokerage houses and other custodians, nominees and fiduciaries to forward solicitation materials to the beneficial owners of the shares held of record by such persons, and we may reimburse such persons for reasonable out of pocket expenses incurred by them in so doing. Because we need a majority of outstanding shares to be present in person or by proxy for a quorum, we have retained the services of Morrow & Co., LLC, 470 West Avenue, Stamford, CT 06902, a professional proxy solicitation firm, for a fee of \$6,500 plus customary expenses.

What is “Householding” and How Does it Affect Me?

Record holders who have the same address and last name will receive only one copy of their proxy materials, unless we are notified that one or more of these record holders wishes to continue receiving individual copies. This procedure will reduce our printing costs and postage fees. Shareholders who participate in householding will continue to receive separate proxy cards.

If you are eligible for householding, but you and other record holders with whom you share an address, receive multiple copies of these proxy materials, or if you hold interclick stock in more than one account, and in either case you wish to receive only a single copy of each of these documents for your household, please contact: interclick Inc., 11 West 19th Street, 10th Floor, New York, NY 10011, Attention: Secretary.

If you participate in householding and wish to receive a separate copy of these proxy materials, or if you do not wish to continue to participate in householding and prefer to receive separate copies of these documents in the future, please contact interclick as indicated above.

Beneficial owners can request information about householding from their brokers, banks or other holders of record.

Do I Have Dissenters' Rights of Appraisal?

interclick shareholders do not have appraisal rights under Delaware law or under the governing documents of interclick.

Can a Shareholder Present a Proposal To Be Considered At the 2012 Annual Meeting?

Under the rules of the SEC, if a shareholder wants us to include a proposal for inclusion in our proxy materials for the 2012 Annual Meeting, your proposal must be submitted in writing by February 11, 2012 to interclick, inc., 11 West 19th Street, 10th Floor, New York, NY 10011, Attention: Secretary. If you wish to submit a proposal that is not to be included in our proxy materials or wish to nominate a director, you must do so no later than the close of business on April 12, 2012 (60 days prior to the one year anniversary of the 2011 Annual Meeting) nor earlier than the close of business on March 13, 2011 (90 days prior to the one year anniversary of the 2011 Annual Meeting). You are also advised to review our Bylaws, which contain additional requirements about advance notice of shareholder proposals and director nominations.

Interest of Officers and Directors in Matters to Be Acted Upon

Except for the election to our board of the three nominees set forth herein, none of our officers or directors has any interest in any of the matters to be acted upon at the Annual Meeting.

In 2010, our Board held a total of six regularly scheduled and special meetings. None of our incumbent directors attended less than 75% of the Board or committee meetings. interclick does not have a policy with regard to board members’ attendance at annual meetings. Michael Mathews was the only director who attended the 2010 Annual Meeting.

Our Board has determined that Messrs. Cravatt, Brauser, Honig, Cotroneo, Hills and Wise are independent under the NASDAQ Stock Market Listing Rules.

Audit Committee

The Audit Committee's primary role is to review our accounting policies and any issues which may arise in the course of the audit of our financial statements. The Audit Committee selects our independent registered public accounting firm, approves all audit and non-audit services, and reviews the independence of our independent registered public accounting firm. The Audit Committee also reviews the audit and non-audit fees of the auditors. Our Audit Committee is also responsible for certain corporate governance and legal compliance matters including internal and disclosure controls and Sarbanes-Oxley compliance. The members of the Audit Committee are Frank Cotroneo (Chairman), Brett Cravatt, Barry Honig, Dave Hills and Bill Wise. Our Board has determined that Messrs. Cravatt and Cotroneo are each qualified as an Audit Committee Financial Expert, as that term is defined by the rules of the SEC and in compliance with the Sarbanes-Oxley Act of 2002. The Board has determined that Messrs. Cravatt, Honig, Cotroneo, Hills and Wise are independent in accordance with the NASDAQ Stock Market independence standards for audit committees.

Compensation Committee

The function of the Compensation Committee is to review and recommend the compensation of benefits payable to our officers, review general policies relating to employee compensation and benefits and administer our various stock option plans. The members of the Compensation Committee are Messrs. Brauser, Cravatt, Cotroneo, Hills (Chairman) and Wise.

Nominating Committee

The purpose and responsibilities of the Nominating Committee include the identification of individuals qualified to become Board members, the selection or recommendation to the Board of nominees to stand for election as directors, the oversight of the evaluations of the Board and management, and review with the Board from time to time the appropriate skills and characteristics required of Board members in the context of the current make-up of the Board, including issues of diversity, age, skills such as understanding of technology, finance and marketing. The members of the Nominating Committee are Messrs. Cravatt, Brauser (Chairman), Honig, Hills and Wise.

Code of Ethics

Our Board of Directors has adopted a Code of Ethics that applies to all of our employees, including our Chief Executive Officer and Chief Financial Officer. Although not required, the Code of Ethics also applies to our directors. The Code of Ethics provides written standards that we believe are reasonably designed to deter wrongdoing and promote honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest between personal and professional relationships, full, fair, accurate, timely and understandable disclosure and compliance with laws, rules and regulations, including insider trading, corporate opportunities and whistle-blowing or the prompt reporting of illegal or unethical behavior. A copy of our Code of Ethics is available on our website at <http://ir.interclick.com/governance.cfm>.

Board Diversity

While we do not have a formal policy on diversity, our Board considers diversity to include the skill set, background, reputation, type and length of business experience of our Board members as well as a particular nominee's contributions to that mix. Although there are many other factors, the Board seeks individuals with experience on public company boards as well as experience with Internet marketing, legal and accounting skills.

Board Leadership Structure and Risk Oversight

Since we acquired Desktop in August 2007, our Board has separated the positions of Chairman of the Board and Chief Executive Officer. Since that time, Messrs. Michael Brauser and Barry Honig have acted as our Co-Chairmen and Mr. Michael Mathews acted as our Chief Executive Officer until January 31, 2011 and Mr. Michael Katz has acted as our Chief Executive Officer since February 1, 2011. Separating these positions allows Mr. Katz to focus on our day-to-day business while allowing the Co-Chairmen of the Board to lead the Board in its fundamental role of providing advice to management and acting as an independent oversight of management. Because of our rapid growth, we believe that this leadership structure is appropriate for us. While our Bylaws and corporate governance guidelines do not require that our Chairman and Chief Executive Officer positions be separate, the Board believes having these separate positions and having two independent outside directors serve as Co-Chairmen is the appropriate leadership structure for interclick at this time and demonstrates our commitment to good corporate governance.

Our risk management function is overseen by our Board. Through our policies, our Code of Ethics and our Board committees' review of financial and other risks, our management keeps our Board apprised of material risks and provides our directors access to all information necessary for them to understand and evaluate how these risks interrelate, how they affect interclick, and how management addresses those risks. Mr. Katz, a director and Chief Executive Officer, and Mr. Clark, our Chief Financial Officer, work closely together with the Board once material risks are identified on how to best address such risk. If the identified risk poses an actual or potential conflict with management, our independent directors may conduct the assessment. Presently, the primary risks affecting interclick include our ability to continue increasing market share in an intensely competitive online advertising market, successfully execute our business strategy and deploy a differentiated technology solution, and effectively raise sufficient capital as we scale our business. The Board focuses on these key risks and interfaces with management on seeking solutions.

Shareholder Communications

Although we do not have a formal policy regarding communications with the Board of Directors, shareholders may communicate with the Board by writing to interclick, inc., 11 West 19th Street, 10th Floor, New York, NY 10011 Attention: Mr. Roger Clark, or by facsimile (646) 395-1777. Shareholders who would like their submission directed to a member of the Board may so specify, and the communication will be forwarded, as appropriate.

Certain Relationships and Related Transactions

Review, Approval or Ratification of Transactions with Related Persons

As required under the Audit Committee Charter, our Audit Committee is responsible for reviewing and approving all related party transactions for potential conflict of interest situations. A related party transaction refers to transactions required to be disclosed pursuant to Item 404 of Regulation S-K promulgated by the SEC.

PROPOSAL 2. RATIFICATION OF THE APPOINTMENT OF OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR 2011

Our Board has appointed J.H. Cohn LLP, or Cohn, to serve as our independent registered public accounting firm for the year ending December 31, 2011. Cohn has acted as our principal accountant since October 5, 2009 and served as our principal accountant for the year ending December 31, 2010.

The selection of our independent registered public accounting firm is not required to be submitted to a vote of our shareholders for ratification. However, interclick is submitting this matter to the shareholders as a matter of good corporate governance. Even if the appointment is ratified, the Board may, in its discretion, appoint a different independent registered public accounting firm at any time during the year if they determine that such a change would be in the best interests of interclick and its shareholders. If the appointment is not ratified, the Board will consider its options.

A representative of Cohn is expected to be present at the Annual Meeting. He or she will have the opportunity to make a statement if desired and is expected to be available to respond to appropriate questions.

Our Audit Committee retains our independent registered public accounting firm and approves in advance all audit and non-audit services performed by this firm and any other auditing firms. Although management has the primary responsibility for the financial statements and the reporting process including the systems of internal control, the Audit Committee consults with management and our independent registered public accounting firm regarding the preparation of financial statements, the adoption and disclosure of our critical accounting estimates and generally oversees the relationship of the independent registered public accounting firm with interclick. The independent registered public accounting firm is responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, relating to their judgments as to the quality, not just the acceptability, of interclick's accounting principles, and such other matters as are required to be discussed with the Audit Committee under generally accepted auditing standards.

It is not the duty of the Audit Committee to determine that interclick's financial statements and disclosures are complete and accurate and in accordance with generally accepted accounting principles or to plan or conduct audits. Those are the responsibilities of management and interclick's independent registered public accounting firm. In giving its recommendation to the Board, the Audit Committee has relied on: (1) management's representation that such financial statements have been prepared with integrity and objectivity and in conformity with GAAP; and (2) the report of interclick's independent registered public accounting firm with respect to such financial statements.

Principal Accountant Fees and Services

Our Audit Committee reviews and approves audit and permissible non-audit services performed by our independent registered public accounting firm J.H. Cohn LLP ("Cohn" or "principal accountant") as well as the fees charged for such services. In its review of non-audit service and its appointment of Cohn as our independent registered public accounting firm, the Audit Committee considered whether the provision of such services is compatible with maintaining independence. Salberg & Co., P.A. ("Salberg") was our independent registered public accounting firm for 2008 and provided services in 2009 until Cohn was appointed. Salberg's services in 2009 consisted of the review of interclick's financial statements for the quarters ended March 31 and June 30, 2009 and review of the August 2009 registration statement, the fees for which totaled \$86,000.

All of the services provided and fees charged by Cohn and Salberg were approved by the Audit Committee. The following table shows the principal accountant fees for the years ended December 31, 2010 and 2009:

Edgar Filing: interclick, inc. - Form DEF 14A

	2010	2009
Audit Fees (1)	\$ 160,730	\$ 109,531
A Audit Related Fees (2)	\$ 5,377	\$ 50,944
Tax Fees	\$ 60,036	\$ -
All Other Fees	\$ 1,570	\$ -

(1) Audit fees – these fees relate to the audits of our annual consolidated financial statements and the reviews of our interim quarterly consolidated financial statements.

(2) Audit related fees – The audit related fees for the years ended December 31, 2010 and 2009 were for professional services rendered for assistance with reviews of documents filed with the SEC.

Vote Required

The affirmative vote of the majority of the votes cast at the annual meeting is required for the ratification of the appointment of J.H. Cohn LLP as interclick's independent registered public accounting firm for the fiscal year ending December 31, 2011.

Recommendation

The Board recommends a vote "For" this proposal.

PROPOSAL 3. RATIFICATION AND APPROVAL OF THE 2011 EQUITY INCENTIVE PLAN

There is being submitted to the shareholders at the Annual Meeting, the ratification and approval of the Company's 2011 Equity Incentive Plan (the "2011 Plan"), a copy of which is included as Appendix A, pursuant to which the Company may grant an aggregate of approximately 1,700,000 shares of the Company's common stock (the "Common Stock") to the Company's directors, officers, employees or consultants.

Description of the 2011 Plan

The Board believes that in order to attract and retain the services of executives and other key employees, it is necessary for the Company to have the ability and flexibility to provide a compensation package which compares favorably with those offered by other companies. Accordingly, on May 17, 2011, the Board adopted, subject to stockholder approval, the 2011 Plan, covering approximately 1,700,000 shares of Common Stock. The 2011 Plan has been designed to provide the Compensation Committee with an integral resource as it evaluates the Company's compensation structure, performance incentive programs, and long-term equity targets for executives and key employees during 2011. This evaluation process will be facilitated by an independent compensation consultant. Set forth below is a summary of the 2011 Plan, but this summary is qualified in its entirety by reference to the full text of the 2011 Plan, a copy of which is included as Appendix A.

Administration

Generally, the 2011 Plan will be administered by the Board or any of its committees in accordance with the 2011 Plan (the "Administrator"), provided, however, that:

- (i) To the extent permitted by applicable laws, the 2011 Plan may be administered by different bodies with respect to directors, officers who are not directors and employees who are neither directors nor officers;
- (ii) To the extent that the Administrator determines it to be desirable to qualify awards granted under the 2011 Plan as "performance-based compensation" within the meaning of Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"), the 2011 Plan shall be administered by a committee consisting solely of two or more "outside directors" within the meaning of Section 162(m) of the Code;
- (iii) With respect to options grants made to employees who are also officers subject to Section 16(b) of the Exchange Act of 1934 (the "Exchange Act") the 2011 Plan shall be administered by (A) the Board, if the Board may administer the 2011 Plan in compliance with Rule 16b-3, or (B) a committee designated by the Board to administer the 2011 Plan, which committee shall be constituted to comply with Rule 16b-3;
- (iv) With respect to award grants made to employees or consultants who are not officers of the Company, the 2011 Plan shall be administered by (A) the Board, (B) a committee designated by the Board, or (C) a sub-committee designated by the designated committee, which committee or sub-committee shall be constituted to satisfy applicable laws;
 - (v) Any award grants to outside directors shall be made by the Board or a committee thereof; and
 - (vi) the Board, by a resolution adopted by the Board, or a committee comprised solely of directors may delegate, to the extent permitted by Section 157(c) of the Delaware General Corporation Law and any other applicable laws, to one or more Officers of the Company, its powers under the 2011 Plan (a) to designate the employees of the Company who will receive grants of awards under the 2011 Plan provided such Officers will not be permitted to designate awards to other Officers, and (b) to determine the number of shares subject to, and the other terms and conditions of, such awards.

Eligibility

Generally, the persons who are eligible to receive grants are directors, officers, employees or consultants to the Company. Incentive stock options may only be granted to employees, including officers and directors employed by the Company.

Awards Granted under the 2011 Plan

Awards granted under the 2011 Plan include Incentive Stock Options, Nonqualified Stock Options, Restricted Stock, Restricted Stock Units, Stock Appreciation Rights, Performance Shares, Performance Units, or Dividend Equivalents.

Stock Subject to the 2011 Plan

Stock subject to grants may be authorized, but unissued, or reacquired Common Stock. Subject to adjustment as provided in the 2011 Plan, (i) the maximum aggregate number of shares of Common Stock that may be issued under the 2011 Plan is 1,300,000, plus (ii) the shares of Common Stock subject to stock options or similar awards granted under the 2007 Stock Incentive Plan and the 2007 Incentive Stock and Award Plan that expire or otherwise terminate without having been exercised in full and shares issued pursuant to awards granted under the 2007 Stock Incentive Plan and the 2007 Incentive Stock and Award Plan that are forfeited to or repurchased by the Company, with the maximum number of shares of Common Stock to be added to the 2011 Plan pursuant to clause (ii) equal to approximately 400,000 shares.

Terms and Conditions of Options

Options awarded under the 2011 Plan shall be designated in the Award Agreement as either an Incentive Stock Option or a Nonqualified Stock Option. However, notwithstanding such designations, to the extent that the aggregate fair market value of shares of Common Stock subject to a participant's Incentive Stock Options granted by the Company that become exercisable for the first time during any calendar year (under all plans of the Company) exceeds \$100,000, such excess Options shall be treated as Nonqualified Stock Options.

The term of each Option shall be stated in a notice of grant; provided, however, that the term shall be ten (10) years from the date of grant or such shorter term as may be provided in the notice of grant. Moreover, in the case of an Incentive Stock Option granted to a participant who, at the time the Incentive Stock Option is granted, owns stock representing more than ten percent (10%) of the voting power of all classes of stock of the Company, the term of the Incentive Stock Option shall be five (5) years from the date of grant or such shorter term as may be provided in a notice of grant.

Terms and Conditions of Stock Appreciation Rights

Stock Appreciation Rights, ("SARs") may be granted to participants at any time and from time to time as shall be determined by the Administrator, in its sole discretion. The per share exercise price for the shares to be issued pursuant to exercise of an SAR shall be determined by the Administrator and shall be no less than 100% of the fair market value per share on the date of grant. Otherwise, subject to the 2011 Plan, the Administrator, shall have complete discretion to determine the terms and conditions of SARs granted under the 2011 Plan; provided, however, that no SAR may have a term of more than ten (10) years from the date of grant.

Terms and Conditions of Restricted Stock

Restricted Stock may be granted to participants at any time as shall be determined by the Administrator, in its sole discretion. Subject to the 2011 Plan, the Administrator shall have complete discretion to determine (i) the number of shares subject to a Restricted Stock award granted to any participant, and (ii) the conditions that must be satisfied, which typically will be based principally or solely on continued provision of services but may include a performance-based component, upon which is conditioned the grant, vesting or issuance of Restricted Stock.

The Administrator, subject to the provisions of the 2011 Plan, shall have complete discretion to determine the terms and conditions of Restricted Stock granted under the 2011 Plan; provided that Restricted Stock may only be issued in the form of shares. Restricted Stock grants shall be subject to the terms, conditions, and restrictions determined by the Administrator at the time the stock or the restricted stock unit is awarded. Any certificates representing the shares of stock awarded shall bear such legends as shall be determined by the Administrator.

Terms and Conditions of Restricted Stock Units

Restricted Stock Units may be granted at any time and from time to time as determined by the Administrator. After the Administrator determines that it will grant Restricted Stock Units under the 2011 Plan, it shall advise the participant in writing or electronically of the terms, conditions, and restrictions related to the grant, including the number of Restricted Stock Units and the form of payout, which, subject to the 2011 Plan, may be left to the discretion of the Administrator. Until the Shares underlying the Restricted Stock Units are issued, no right to vote or receive dividends or any other rights as a stockholder shall exist with respect to the Restricted Stock Units.

The Administrator shall set vesting criteria in its discretion, which, depending on the extent to which the criteria are met, will determine the number of Restricted Stock Units that will be paid out to the participant. The Administrator may set vesting criteria based upon the achievement of Company-wide, business unit, or individual goals, or any other basis determined by the Administrator in its discretion. Upon meeting the applicable vesting criteria, the participant shall be entitled to receive a payout as specified in the Restricted Stock Unit Award Agreement. Notwithstanding the foregoing, at any time after the grant of Restricted Stock Units, the Administrator, in its sole discretion, may reduce or waive any vesting criteria that must be met to receive a payout. On the date set forth in the Restricted Stock Unit Award Agreement, all unearned Restricted Stock Units shall be forfeited to the Company.

Terms and Conditions of Performance Shares

Subject to the terms and conditions of the 2011 Plan, Performance Shares may be granted to participants at any time as shall be determined by the Administrator, in its sole discretion. Subject to the 2011 Plan, the Administrator shall have complete discretion to determine (i) the number of shares subject to a Performance Share award granted to any participant, and (ii) the conditions that must be satisfied, which typically will be based principally or solely on achievement of performance milestones but may include a service-based component, upon which is conditioned the grant or vesting of Performance Shares. Performance Shares shall be granted in the form of units to acquire shares. Each such unit shall be the equivalent of one Share for purposes of determining the number of shares subject to an Award. Until the shares are issued, no right to vote or receive dividends or any other rights as a stockholder shall exist with respect to the units to acquire shares.

The Administrator, subject to the provisions of the 2011 Plan, shall have complete discretion to determine the terms and conditions of Performance Shares granted under the 2011 Plan. Performance Share grants shall be subject to the terms, conditions, and restrictions determined by the Administrator at the time the stock is awarded, which may include such performance-based milestones as are determined appropriate by the Administrator. The Administrator may require the recipient to sign a Performance Shares Award Agreement as a condition of the award. Any certificates representing the shares of stock awarded shall bear such legends as shall be determined by the Administrator.

Terms and Conditions of Performance Units

Performance Units are similar to Performance Shares, except that they shall be settled in a cash equivalent to the Fair Market Value of the underlying shares, determined as of the vesting date. Subject to the terms and conditions of the 2011 Plan, Performance Units may be granted to participants at any time and from time to time as shall be determined by the Administrator, in its sole discretion. The Administrator shall have complete discretion to determine the conditions that must be satisfied, which typically will be based principally or solely on achievement of performance milestones but may include a service-based component, upon which is conditioned the grant or vesting of Performance Units. Performance Units shall be granted in the form of units to acquire shares. Each such unit shall be the cash equivalent of one Share of Common Stock. No right to vote or receive dividends or any other rights as a stockholder shall exist with respect to Performance Units or the cash payable thereunder. Subject to the 2011 Plan, the Administrator will have complete discretion in determining the number of Performance Units granted to any

participant. The Administrator, subject to the provisions of the 2011 Plan, shall have complete discretion to determine the terms and conditions of Performance Units granted under the 2011 Plan. Performance Unit grants shall be subject to the terms, conditions, and restrictions determined by the Administrator at the time the grant is awarded, which may include such performance-based milestones as are determined appropriate by the Administrator. The Administrator may require the recipient to sign a Performance Unit agreement as a condition of the award. Any certificates representing the units awarded shall bear such legends as shall be determined by the Administrator.

Transferability of Awards

Except as determined otherwise by the Administrator in its sole discretion (but never a transfer in exchange for value), Awards may not be sold, pledged, assigned, hypothecated, transferred, or disposed of in any manner other than by will or by the laws of descent or distribution and may be exercised, during the lifetime of the participant, only by the participant, without the prior written consent of the Administrator. If the Administrator makes an Award transferable, such Award shall contain such additional terms and conditions as the Administrator deems appropriate.

Merger or Change in Control

In the event of a merger or Change in Control (as defined in the 2011 Plan), (i) each outstanding Award will be treated as the Administrator determines, including, without limitation, that each Award be assumed or an equivalent option or right substituted by the successor corporation or a parent or subsidiary of the successor corporation, provided, however, that if an officer has entered into an employment agreement that is in effect at the time of the consummation of a merger or Change in Control, and the terms as set forth in such employment agreement regarding the treatment of Awards in the event of a merger or Change of Control are more favorable to the officer than as determined by the Administrator, then such terms set forth in such employment agreement shall govern, (ii) the Administrator will not be required to treat all Awards similarly in the transaction, and (iii) the 2011 Plan shall terminate upon the consummation of the merger or Change in Control.

In the event that the successor corporation does not assume or substitute for the Award, (x) the Board of Directors will fully vest in and have the right to exercise all of his or her outstanding Options and Stock Appreciation Rights, including Shares as to which such Awards would not otherwise be vested or exercisable, all restrictions on Restricted Stock and Restricted Stock Units will lapse, and, with respect to Awards with performance-based vesting, all performance goals or other vesting criteria will be deemed achieved at one hundred percent (100%) of target levels and all other terms and conditions met, and (y) if the Administrator so provides, in its sole discretion, Employees will fully vest in and have the right to exercise all of his or her outstanding Options and Stock Appreciation Rights, including Shares as to which such Awards would not otherwise be vested or exercisable, all restrictions on Restricted Stock and Restricted Stock Units will lapse, and, with respect to Awards with performance-based vesting, all performance goals or other vesting criteria will be deemed achieved at one hundred percent (100%) of target levels and all other terms and conditions met. In addition, if an Option or Stock Appreciation Right is not assumed or substituted in the event of a Change in Control, the Administrator will notify the participant in writing or electronically that the Option or Stock Appreciation Right will be exercisable for a period of time determined by the Administrator in its sole discretion, and the Option or Stock Appreciation Right will terminate upon the expiration of such period.

With respect to Awards granted to an outside director that are assumed or substituted for in a Change in Control or merger, if on the date of or following such assumption or substitution the participant's status as a Director or a director of the successor corporation, as applicable, is terminated other than upon a voluntary resignation by the participant (unless such voluntary resignation is at the request of the acquirer), then the Outside Director will immediately vest 100% in all such Awards.

Federal Income Tax Consequences

The following is a brief summary of the federal income tax consequences as of the date hereof with respect to awards under the 2011 Plan for participants who are both citizens and residents of the United States. This description of the federal income tax consequences is based upon law and Treasury interpretations in effect on the date of this information statement (including proposed and temporary regulations which may be changed when finalized), and it should be understood that this summary is not exhaustive, that the law may change and further that special rules may

apply with respect to situations not specifically discussed herein, including federal employment taxes, foreign, state and local taxes and estate or inheritance taxes. Accordingly, participants are urged to consult with their own qualified tax advisors.

Non-Qualified Options

No taxable income will be realized by the participant upon the grant of a non-qualified option. On exercise, the excess of the fair market value of the stock at the time of exercise over the option price of such stock will be compensation and (i) will be taxable at ordinary income tax rates in the year of exercise, (ii) will be subject to withholding for federal income tax purposes and (iii) generally will be an allowable income tax deduction to us. The participant's tax basis for stock acquired upon exercise of a non-qualified option will be equal to the option price paid for the stock, plus any amounts included in income as compensation. If the participant pays the exercise price of an option in whole or in part with previously-owned shares of common stock, the participant's tax basis and holding period for the newly-acquired shares is determined as follows: As to a number of newly-acquired shares equal to the number of previously-owned shares used by the participant to pay the exercise price, no gain or loss will be recognized by the participant on the date of exercise and the participant's tax basis and holding period for the previously-owned shares will carry over to the newly-acquired shares on a share-for-share basis, thereby deferring any gain inherent in the previously-owned shares. As to each remaining newly acquired share, the participant's tax basis will equal the fair market value of the share on the date of exercise and the participant's holding period will begin on the day after the exercise date. The participant's compensation income and our deduction will not be affected by whether the exercise price is paid in cash or in shares of common stock. Special rules, discussed below under "Incentive Stock Options - Disposition of Incentive Option Shares," will apply if a participant surrenders previously-owned shares acquired upon the exercise of an incentive option that have not satisfied certain holding period requirements in payment of any or all of the exercise price of a non-qualified option.

Disposition of Option Shares

When a sale of the acquired shares occurs, a participant will recognize capital gain or loss equal to the difference between the sales proceeds and the tax basis of the shares. Such gain or loss will be treated as capital gain or loss if the shares are capital assets. The capital gain or loss will be long-term capital gain or loss treatment if the shares have been held for more than twelve months. There will be no tax consequences to us in connection with a sale of shares acquired under an option.

Incentive Stock Options

The grant of an ISO will not result in any federal income tax to a participant. Upon the exercise of an incentive option, a participant normally will not recognize any income for federal income tax purposes. However, the excess of the fair market value of the shares transferred upon the exercise over the exercise price of such shares (the "spread") generally will constitute an adjustment to income for purposes of calculating the alternative minimum tax of the participant for the year in which the option is exercised. As a result of the exercise a participant's federal income tax liability may be increased. If the holder of an incentive stock option pays the exercise price, in full or in part, with shares of previously acquired common stock, the exchange should not affect the incentive stock option tax treatment of the exercise. No gain or loss should be recognized on the exchange and the shares received by the participant, equal in number to the previously acquired shares exchanged therefor, will have the same basis and holding period as the previously acquired shares. The participant will not, however, be able to utilize the old holding period for the purpose of satisfying the incentive stock option holding period requirements described below. Shares received in excess of the number of previously acquired shares will have a basis of zero and a holding period, which commences as of the date the common stock is issued to the participant upon exercise of the incentive option. If an exercise is effected using shares previously acquired through the exercise of an incentive stock option, the exchange of the previously acquired shares will be considered a disposition of such shares for the purpose of determining whether a disqualifying disposition has occurred.

Disposition of Incentive Option Shares. If the incentive option holder disposes of the stock acquired upon the exercise of an incentive stock option (including the transfer of acquired stock in payment of the exercise price of another incentive stock option) either within two years from the date of grant or within one year from the date of exercise, the option holder will recognize ordinary income at the time of such disqualifying disposition to the extent of the difference between the exercise price and the lesser of the fair market value of the stock on the date the incentive option is exercised or the amount realized on such disqualifying disposition. Any remaining gain or loss is treated as a short-term or long-term capital gain or loss, depending on how long the shares were held prior to the disqualifying disposition. In the event of such disqualifying disposition, the incentive stock option alternative minimum tax treatment described above may not apply (although, where the disqualifying disposition occurs subsequent to the year the incentive stock option is exercised, it may be necessary for the participant to amend his return to eliminate the tax preference item previously reported).

Our Deduction. We are not entitled to a tax deduction upon either exercise of an incentive option or disposition of stock acquired pursuant to such an exercise, except to the extent that the option holder recognized ordinary income in a disqualifying disposition.

Stock Grants

A participant who receives a stock grant under the 2011 Plan generally will be taxed at ordinary income rates on the fair market value of shares when they vest, if subject to vesting or other restrictions, or, otherwise, when received. However, a participant who, within 30 days after receiving such shares, makes an election under Section 83(b) of the Code, will recognize ordinary income on the date of issuance of the stock equal to the fair market value of the shares on that date. If a Section 83(b) election is made, the holding period for the shares will commence on the day after the shares are received and no additional taxable income will be recognized by the participant at the time the shares vest. However, if shares subject to a Section 83(b) election are forfeited, no tax deduction is allowable to the participant for the forfeited shares. Taxes are required to be withheld from the participant at the time and on the amount of ordinary income recognized by the participant. We will be entitled to a deduction at the same time and in the same amount as the participant recognizes income.

2011 Plan Benefits

No determination has been made as to the types or amounts of awards that will be granted to specific individuals under the 2011 Plan.

Vote Required

The affirmative vote of the majority of the votes cast at the annual meeting is required for the ratification and approval of the 2011 Equity Incentive Plan.

Recommendation

The Board recommends a vote “For” the ratification and approval of the 2011 Equity Incentive Plan

2011 EQUITY INCENTIVE PLAN

1. Purposes of the Plan. The purposes of this Equity Incentive Plan are to attract and retain the best available personnel for positions of substantial responsibility, to provide additional incentive to Service Providers and to promote the success of the Company's business.

Awards to Service Providers granted hereunder may be Incentive Stock Options, Nonqualified Stock Options, Restricted Stock, Restricted Stock Units, Stock Appreciation Rights, Performance Shares, Performance Units, or Dividend Equivalents, at the discretion of the Administrator and as reflected in the terms of the written Award Agreement.

2. Definitions. As used herein, the following definitions shall apply:

(a) "Administrator" shall mean the Board or any of its Committees as shall be administering the Plan, in accordance with Section 4 of the Plan.

(b) "Applicable Laws" shall mean the legal requirements relating to the administration of equity incentive plans under Delaware corporate, securities laws, the Code, and the rules and policies of any exchanges or quotation systems on which the Common Stock is listed or quoted.

(c) "Award" shall mean, individually or collectively, a grant under the Plan of Incentive Stock Options, Nonqualified Stock Options, Restricted Stock, Restricted Stock Units, Stock Appreciation Rights, Performance Shares, Performance Units, or Dividend Equivalents.

(d) "Award Agreement" shall mean the written or electronic agreement setting forth the terms and provisions applicable to each Award granted under the Plan. The Award Agreement is subject to the terms and conditions of the Plan.

(e) "Awarded Stock" shall mean the Common Stock subject to an Award.

(f) "Board" shall mean the Board of Directors of the Company.

(g) "Change in Control" means the occurrence of any of the following events:

(i) A change in the ownership of the Company which occurs on the date that any one person, or more than one person acting as a group ("Person"), acquires ownership of the stock of the Company that, together with the stock held by such Person, constitutes more than fifty percent (50%) of the total fair market value or total voting power of the stock of the Company; provided, however, that for purposes of this subsection (i), (A) if any Person is considered to own more than fifty percent (50%) of the total fair market value or total voting power of the stock of the Company, the acquisition of additional stock by the same Person is not considered to cause a change in the ownership of the Company, and (B) an increase in the percentage of stock owned by any Person as a result of a transaction in which the Company acquires its stock in exchange for property will be treated as an acquisition. This subsection (i) applies only when there is a transfer of stock of the Company (or issuance of stock of the Company) and stock in the Company remains outstanding after the transaction; or

(ii) A change in the effective control of the Company which occurs (A) on the date that a Person acquires (or has acquired during the twelve (12) month period ending on the date of the most recent acquisition by such Person) ownership of stock of the Company possessing thirty percent (30 %) or more of the total voting power of the stock of the Company, or (B) on the date that a majority of members of the Board is replaced during any twelve (12) month period by Directors whose appointment or election is not endorsed by a majority of the members of the Board before the date of the appointment or election. All elections by a Participant to have Shares or cash withheld for this purpose shall be made in such form and under such conditions as the Administrator may deem necessary or advisable;

(xii) to authorize any person to execute on behalf of the Company any instrument required to effect the grant of an Award previously granted by the Administrator;

(xiii) to determine the terms and restrictions applicable to Awards;

(xiv) to determine whether Awards (other than Options or SARs) will be adjusted for Dividend Equivalents;

(xv) to determine the treatment of any outstanding Awards; and

(xvi) to make all other determinations deemed necessary or advisable for administering the Plan.

(c) Delegation. The Board may, by a resolution adopted by the Board, delegate responsibility for administering the Plan, including with respect to designated classes of Employees and Consultants, to different committees consisting of one or more Directors subject to such limitations as the Board deems appropriate. The Board or a committee comprised solely of directors may delegate, to the extent permitted by Section 157(c) of the Delaware General Corporation Law and any other Applicable Laws, to one or more Officers of the Company, its powers under this Plan (a) to designate the Officers and Employees of the Company and its Subsidiaries who will receive grants of awards under this Plan, and (b) to determine the number of shares subject to, and the other terms and conditions of, such Awards.

For purposes of qualifying grants of Restricted Stock, Performance Shares, Performance Units or Restricted Stock Units as "performance-based compensation" under Section 162(m) of the Code, the Administrator, in its discretion, may set restrictions based upon the achievement of Performance Goals. The Performance Goals shall be set by the Administrator on or before the latest date permissible to enable the Restricted Stock, Performance Shares, Performance Units or Restricted Stock Units to qualify as "performance-based compensation" under Section 162(m) of the Code. In granting Restricted Stock, Performance Shares, Performance Units or Restricted Stock Units which are intended to qualify under Section 162(m) of the Code, the Administrator shall follow any procedures determined by it from time to time to be necessary or appropriate to ensure qualification of the Award under Section 162(m) of the Code (e.g., in determining the Performance Goals).

7. Stock Options.

However, notwithstanding such designations, to the extent that the aggregate Fair Market Value of Shares subject to a Participant's incentive stock options granted by the Company, any Parent or Subsidiary, that become exercisable for the first time during any calendar year (under all plans of the Company or any Parent or Subsidiary) exceeds \$100,000, such excess Options shall be treated as Nonqualified Stock Options. For purposes of this Section 7(a), incentive stock options shall be taken into account in the order in which they were granted, and the Fair Market Value of the Shares shall be determined as of the time of grant.

(b) Term of Option. The term of each Option shall be stated in the Notice of Grant; provided, however, that the term shall be ten (10) years from the date of grant or such shorter term as may be provided in the Notice of Grant. Moreover, in the case of an Incentive Stock Option granted to a Participant who, at the time the Incentive Stock Option is granted, owns stock representing more than ten percent (10%) of the voting power of all classes of stock of the Company or any Parent or Subsidiary, the term of the Incentive Stock Option shall be five (5) years from the date of grant or such shorter term as may be provided in the Notice of Grant.

(c) Exercise Price and Consideration.

(i) The per Share exercise price for the Shares to be issued pursuant to exercise of an Option shall be such price as is determined by the Administrator, but shall be subject to the following:

(B) In the case of any other Incentive Stock Option and any Nonqualified Stock Option, the per Share exercise price shall be no less than 100% of the Fair Market Value per Share on the date of grant.

(d) The consideration to be paid for the Shares to be issued upon exercise of an Option, including the method of payment, shall be determined by the Administrator. Such consideration, to the extent permitted by Applicable Laws, may consist entirely of:

(i) cash;

(ii) check;

(iii) broker-assisted cashless exercise;

(iv) any combination of the foregoing methods of payment; or such other consideration and method of payment for the issuance of Shares to the extent permitted by Applicable Laws; or

8. Stock Appreciation Rights.

(a) Grant of SARs. Subject to the terms and conditions of the Plan, SARs may be granted to Participants at any time and from time to time as shall be determined by the Administrator, in its sole discretion. Subject to Section 6(a) hereof, the Administrator shall have complete discretion to determine the number of SARs granted to any Participant.

(b) Exercise Price and other Terms. The per share exercise price for the Shares to be issued pursuant to exercise of an SAR shall be determined by the Administrator and shall be no less than 100% of the Fair Market Value per share on the date of grant. Otherwise, subject to Section 6(a) of the Plan, the Administrator, subject to the provisions of the Plan, shall have complete discretion to determine the terms and conditions of SARs granted under the Plan; provided, however, that no SAR may have a term of more than ten (10) years from the date of grant.

(c) Payment of SAR Amount. Upon exercise of a SAR, a Participant shall be entitled to receive payment from the Company in an amount determined by multiplying:

- (i) The difference between the Fair Market Value of a Share on the date of exercise over the exercise price; times
 - (ii) The number of Shares with respect to which the SAR is exercised.
-

(d) Payment upon Exercise of SAR. At the discretion of the Administrator, but only as specified in the Award Agreement, payment for a SAR may be in cash, Shares or a combination thereof. If the Award Agreement is silent as to the form of payment, payment of the SAR may only be in Shares.

(e) SAR Agreement. Each SAR grant shall be evidenced by an Award Agreement that shall specify the exercise price, the term of the SAR, the conditions of exercise, whether it may be settled in cash, Shares or a combination thereof, and such other terms and conditions as the Administrator, in its sole discretion, shall determine.

(f) Expiration of SARs. A SAR granted under the Plan shall expire upon the date determined by the Administrator, in its sole discretion, and set forth in the Award Agreement.

(ii) An Option or SAR may not be exercised for a fraction of a Share.

(iii) An Option or SAR shall be deemed to be exercised when written notice of such exercise has been given to the Company in accordance with the terms of the Option or SAR by the person entitled to exercise the Option or SAR and, with respect to Options only, full payment for the Shares with respect to which the Option is exercised has been received by the Company. With respect to Options only, full payment may, as authorized by the Administrator, consist of any consideration and method of payment allowable under Section 7(d) of the Plan. Until the issuance (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company) of the stock certificate evidencing such Shares, no right to vote or receive dividends or any other rights as a shareholder shall exist with respect to the Optioned Stock, notwithstanding the exercise of the Option. No adjustment will be made for a dividend or other right for which the record date is prior to the date the stock certificate is issued, except as provided in Section 19 of the Plan.

If a Participant ceases to serve as a Service Provider, other than upon their death or Disability, he or she may, but only within 90 days (or such other period of time as is determined by the Administrator and as set forth in the Option or SAR Agreement) after the date he or she ceases to be a Service Provider, exercise his or her Option or SAR to the extent that he or she was entitled to exercise it at the date of such termination. To the extent that he or she was not entitled to exercise the Option or SAR at the date of such termination, or if he or she does not exercise such Option or SAR (which he or she was entitled to exercise) within the time specified herein, the Option or SAR shall terminate.

(c) Disability. If a Participant ceases to be a Service Provider as a result of the Participant's Disability, the Participant may exercise his or her Option or SAR within such period of time as is specified in the Award Agreement to the extent the Option or SAR is vested on the date of termination (but in no event later than the earlier of 10 years or the expiration of the term of such Option or SAR as set forth in the Award Agreement). In the absence of a specified time in the Award Agreement, the Option or SAR shall remain exercisable for twelve (12) months following the Participant's termination. If, on the date of termination, the Participant is not vested as to his or her entire Option or SAR, the Shares covered by the unvested portion of the Option or SAR shall revert to the Plan. If, after termination, the Participant does not exercise his or her Option or SAR within the time specified herein, the Option or SAR shall terminate, and the Shares covered by such Option or SAR shall revert to the Plan.

(d) Death of Participant. If a Participant dies while a Service Provider, the Option or SAR may be exercised following the Participant's death within such period of time as is specified in the Award Agreement (but in no event may the option be exercised later than the expiration of the term set forth in the Award Agreement), by the Participant's designated beneficiary, provided such beneficiary has been designated prior to Participant's death in a form acceptable to the Administrator. If no such beneficiary has been designated by the Participant, then such Option or SAR may be exercised by the personal representative of the Participant's estate or by the person(s) to whom the Option or SAR is transferred pursuant to the Participant's will or in accordance with the laws of descent and distribution. In the absence of a specified time in the Award Agreement, the Option or SAR shall remain exercisable for twelve (12) months following Participant's death. If the Option or SAR is not so exercised within the time specified herein, the Option or SAR shall terminate, and the Shares covered by such Option or SAR shall revert to the Plan.

10. RESERVED.

11. Restricted Stock.

(a) Grant of Restricted Stock. Subject to the terms and conditions of the Plan, Restricted Stock may be granted to Participants at any time as shall be determined by the Administrator, in its sole discretion. Subject to Section 6(b) hereof, the Administrator shall have complete discretion to determine (i) the number of Shares subject to a Restricted Stock award granted to any Participant, and (ii) the conditions that must be satisfied, which typically will be based principally or solely on continued provision of services but may include a performance-based component, upon which is conditioned the grant, vesting or issuance of Restricted Stock.

Until the Shares underlying the Restricted Stock Units are issued, no right to vote or receive dividends or any other rights as a stockholder shall exist with respect to the Restricted Stock Units.

(b) Vesting Criteria and Other Terms. The Administrator shall set vesting criteria in its discretion, which, depending on the extent to which the criteria are met, will determine the number of Restricted Stock Units that will be paid out to the Participant. The Administrator may set vesting criteria based upon the achievement of Company-wide, business unit, or individual goals (including, but not limited to, continued employment), or any other basis determined by the Administrator in its discretion.

(c) Earning Restricted Stock Units. Upon meeting the applicable vesting criteria, the Participant shall be entitled to receive a payout as specified in the Restricted Stock Unit Award Agreement. Notwithstanding the foregoing, at any time after the grant of Restricted Stock Units, the Administrator, in its sole discretion, may reduce or waive any vesting criteria that must be met to receive a payout.

(d) Form and Timing of Payment. Payment of earned Restricted Stock Units shall be made as soon as practicable after the date(s) set forth in the Restricted Stock Unit Award Agreement. The Administrator, in its sole discretion, but only as specified in the Award Agreement, may pay earned Restricted Stock Units in cash, Shares, or a combination thereof. Subject to Section 6(b) hereof, the Administrator shall have complete discretion to determine (i) the number of Shares subject to a Performance Share award granted to any Participant, and (ii) the conditions that must be satisfied, which typically will be based principally or solely on achievement of performance milestones but may include a service-based component, upon which is conditioned the grant or vesting of Performance Shares. Performance Shares shall be granted in the form of units to acquire Shares. Each such unit shall be the equivalent of one Share for purposes of determining the number of Shares subject to an Award. Until the Shares are issued, no right to vote or receive dividends or any other rights as a stockholder shall exist with respect to the units to acquire Shares.

(b) Other Terms. The Administrator, subject to the provisions of the Plan, shall have complete discretion to determine the terms and conditions of Performance Shares granted under the Plan. Performance Share grants shall be subject to the terms, conditions, and restrictions determined by the Administrator at the time the stock is awarded, which may include such performance-based milestones as are determined appropriate by the Administrator. The Administrator may require the recipient to sign a Performance Shares Award Agreement as a condition of the award. Any certificates representing the Shares of stock awarded shall bear such legends as shall be determined by the Administrator.

14. Performance Units.

(a) Grant of Performance Units. Performance Units are similar to Performance Shares, except that they shall be settled in cash equivalent to the Fair Market Value of the underlying Shares, determined as of the vesting date. Subject to the terms and conditions of the Plan, Performance Units may be granted to Participants at any time and from time to time as shall be determined by the Administrator, in its sole discretion. The Administrator shall have complete discretion to determine the conditions that must be satisfied, which typically will be based principally or solely on achievement of performance milestones but may include a service-based component, upon which is conditioned the grant or vesting of Performance Units. Performance Units shall be granted in the form of units to acquire Shares. Each such unit shall be the cash equivalent of one Share of Common Stock. No right to vote or receive dividends or any other rights as a stockholder shall exist with respect to Performance Units or the cash payable thereunder.

(b) Number of Performance Units. Subject to Section 6(c) hereof, the Administrator will have complete discretion in determining the number of Performance Units granted to any Participant.

(c) Other Terms. The Administrator, subject to the provisions of the Plan, shall have complete discretion to determine the terms and conditions of Performance Units granted under the Plan. Performance Unit grants shall be subject to the terms, conditions, and restrictions determined by the Administrator at the time the grant is awarded, which may include such performance-based milestones as are determined appropriate by the Administrator. The Administrator may require the recipient to sign a Performance Unit agreement as a condition of the award. Any certificates representing the units awarded shall bear such legends as shall be determined by the Administrator.

(d) Performance Unit Award Agreement. Each Performance Unit grant shall be evidenced by an agreement that shall specify such terms and conditions as the Administrator, in its sole discretion, shall determine.

15. RESERVED.

16. Leaves of Absence. Unless the Administrator provides otherwise or as otherwise required by Applicable Laws, vesting of Awards granted hereunder shall cease commencing on the first day of any unpaid leave of absence and shall only recommence upon return to active service.

17. Part-Time Service. Unless otherwise required by Applicable Laws, if as a condition to being permitted to work on a less than full-time basis, the Administrator may determine in its discretion the degree to which, if at all, that any service-based vesting of Awards granted hereunder may be extended on a proportionate basis in connection with such transition to a less than a full-time basis, vesting shall be adjusted in accordance with such agreement. Such vesting shall be proportionately re-adjusted prospectively in the event that the Employee subsequently becomes regularly scheduled to work additional hours of service.

18. Non-Transferability of Awards. Except as determined otherwise by the Administrator in its sole discretion (but never a transfer in exchange for value), Awards may not be sold, pledged, assigned, hypothecated, transferred, or disposed of in any manner other than by will or by the laws of descent or distribution and may be exercised, during the lifetime of the Participant, only by the Participant, without the prior written consent of the Administrator. If the Administrator makes an Award transferable, such Award shall contain such additional terms and conditions as the Administrator deems appropriate.

19. Adjustments Upon Changes in Capitalization, Dissolution, Merger or Change in Control.

(a) Changes in Capitalization. Subject to any required action by the shareholders of the Company, the number of shares of Common Stock covered by each outstanding Award, and the number of shares of Common Stock which have been authorized for issuance under the Plan but as to which no Awards have yet been granted or which have been returned to the Plan upon cancellation or expiration of an Award, as well as the price per share of Common Stock covered by each such outstanding Award and the annual share limitations under Sections 6(a) and (b) hereof, shall be proportionately adjusted for any increase or decrease in the number of issued shares of Common Stock resulting from a stock split, reverse stock split, stock dividend, combination or reclassification of the Common Stock, or any other increase or decrease in the number of issued shares of Common Stock effected without receipt of consideration by the Company; provided, however, that conversion of any convertible securities of the Company shall not be deemed to have been “effected without receipt of consideration.” Such adjustment shall be made by the Board, whose determination in that respect shall be final, binding and conclusive. Except as expressly provided herein, no issuance by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, shall affect, and no adjustment by reason thereof shall be made with respect to, the number or price of shares of Common Stock subject to an Award.

(b) Dissolution or Liquidation. In the event of the proposed dissolution or liquidation of the Company, the Administrator shall notify each Participant as soon as practicable prior to the effective date of such proposed transaction. The Administrator in its discretion may provide for a Participant to have the right to exercise his or her Option or SAR until ten (10) days prior to such transaction as to all of the Awarded Stock covered thereby, including Shares as to which the Award would not otherwise be exercisable. In addition, the Administrator may provide that any Company repurchase option or forfeiture rights applicable to any Award shall lapse 100%, and that any Award vesting shall accelerate 100%, provided the proposed dissolution or liquidation takes place at the time and in the manner contemplated. To the extent it has not been previously exercised (with respect to Options and SARs) or vested (with respect to other Awards), an Award will terminate immediately prior to the consummation of such proposed action.

(c) Merger or Change in Control. (i) In the event of a merger or Change in Control, (x) each outstanding Award will be treated as the Administrator determines, including, without limitation, that each Award be assumed or an equivalent option or right substituted by the successor corporation or a Parent or Subsidiary of the successor corporation, provided, however, that if an Officer has entered into an employment agreement that is in effect at the time of the consummation of a merger or Change in Control, and the terms as set forth in such employment agreement regarding the treatment of Awards in the event of a merger or Change of Control are more favorable to the Officer than as determined by the Administrator, then such terms set forth in such employment agreement shall govern, (y) the Administrator will not be required to treat all Awards similarly in the transaction, and (z) the Plan shall terminate upon the consummation of the merger or Change in Control.

(ii) In the event that the successor corporation does not assume or substitute for the Award, (x) the Board of Directors will fully vest in and have the right to exercise all of his or her outstanding Options and Stock Appreciation Rights, including Shares as to which such Awards would not otherwise be vested or exercisable, all restrictions on Restricted Stock and Restricted Stock Units will lapse, and, with respect to Awards with performance-based vesting, all performance goals or other vesting criteria will be deemed achieved at one hundred percent (100%) of target levels

and all other terms and conditions met, and (y) if the Administrator so provides, in its sole discretion, Employees will fully vest in and have the right to exercise all of his or her outstanding Options and Stock Appreciation Rights, including Shares as to which such Awards would not otherwise be vested or exercisable, all restrictions on Restricted Stock and Restricted Stock Units will lapse, and, with respect to Awards with performance-based vesting, all performance goals or other vesting criteria will be deemed achieved at one hundred percent (100%) of target levels and all other terms and conditions met. In addition, if an Option or Stock Appreciation Right is not assumed or substituted in the event of a Change in Control, the Administrator will notify the Participant in writing or electronically that the Option or Stock Appreciation Right will be exercisable for a period of time determined by the Administrator in its sole discretion, and the Option or Stock Appreciation Right will terminate upon the expiration of such period.

(iii) For the purposes of this subsection (c), an Award will be considered assumed if, following the Change in Control, the Award confers the right to purchase or receive, for each Share subject to the Award immediately prior to the Change in Control, the consideration (whether stock, cash, or other securities or property) received in the Change in Control by holders of Common Stock for each Share held on the effective date of the transaction (and if holders were offered a choice of consideration, the type of consideration chosen by the holders of a majority of the outstanding Shares); provided, however, that if such consideration received in the Change in Control is not solely common stock of the successor corporation or its Parent, the Administrator may, with the consent of the successor corporation, provide for the consideration to be received upon the exercise of an Option or Stock Appreciation Right or upon the payout of a Restricted Stock Unit, Performance Unit or Performance Share, for each Share subject to such Award, to be solely common stock of the successor corporation or its Parent equal in fair market value to the per share consideration received by holders of Common Stock in the Change in Control.

(iv) Notwithstanding anything in this Section 19(c) to the contrary, an Award that vests, is earned or paid-out upon the satisfaction of one or more performance goals will not be considered assumed if the Company or its successor modifies any of such performance goals without the Participant's consent; provided, however, a modification to such performance goals only to reflect the successor corporation's post-Change in Control corporate structure will not be deemed to invalidate an otherwise valid Award assumption.

(d) Outside Director Awards. With respect to Awards granted to an Outside Director that are assumed or substituted for in a Change in Control or merger, if on the date of or following such assumption or substitution the Participant's status as a Director or a director of the successor corporation, as applicable, is terminated other than upon a voluntary resignation by the Participant (unless such voluntary resignation is at the request of the acquirer), then the Outside Director will immediately vest 100% in all such Awards.

20. Time of Granting Awards. The date of grant of an Award shall, for all purposes, be the date on which the Administrator makes the determination granting such Award or such later date as is specified by the Administrator. Notice of the determination shall be given to each Employee or Consultant to whom an Award is so granted within a reasonable time after the date of such grant.

21. Term of Plan. The Plan shall continue in effect until ten years from the date of its initial adoption by the Board, or such other date of effectiveness as determined by the Board.

22. Amendment and Termination of the Plan.

(a) Amendment and Termination. The Board may at any time amend, alter, suspend or terminate the Plan.

(b) Shareholder Approval. The Company shall obtain shareholder approval of any Plan amendment to the extent necessary and desirable to comply with Rule 16b-3 or with Section 422 of the Code (or any successor rule or statute or other applicable law, rule or regulation, including the requirements of any exchange or quotation system on which the Common Stock is listed or quoted). Such shareholder approval, if required, shall be obtained in such a manner and to such a degree as is required by the applicable law, rule or regulation.

(c) Effect of Amendment or Termination. No amendment, alteration, suspension or termination of the Plan shall impair the rights of any Participant, unless mutually agreed otherwise between the Participant and the Administrator, which agreement must be in writing and signed by the Participant and the Company.

23. Conditions Upon Issuance of Shares. (i) Shares shall not be issued pursuant to the exercise of an Option unless the exercise of such Option and the issuance and delivery of such Shares pursuant thereto shall comply with all relevant provisions of law, including, without limitation, the Securities Act, the Exchange Act, the rules and regulations

promulgated thereunder, state securities laws, and the requirements of any stock exchange upon which the Shares may then be listed, and shall be further subject to the approval of counsel for the Company with respect to such compliance.

(ii) As a condition to the exercise or payout, as applicable, of an Award, the Company may require the person exercising such Option or SAR, or in the case of another Award (other than a Dividend Equivalent or Performance Unit), the person receiving the Shares upon vesting, to render to the Company a written statement containing such representations and warranties as, in the opinion of counsel for the Company, may be required to ensure compliance with any of the aforementioned relevant provisions of law, including a representation that the Shares are being purchased only for investment and without any present intention to sell or distribute such Shares, if, in the opinion of counsel for the Company, such a representation is required.

24. **Reservation of Shares.** The Company, during the term of this Plan, will at all times reserve and keep available such number of Shares as shall be sufficient to satisfy the requirements of the Plan. Inability of the Company to obtain authority from any regulatory body having jurisdiction, which authority is deemed by the Company's counsel to be necessary to the lawful issuance and sale of any Shares hereunder, shall relieve the Company of any liability in respect of the failure to issue or sell such Shares as to which such requisite authority shall not have been obtained.

25. **Section 409A Compliance.** Awards granted hereunder are intended to comply with the requirements of Section 409A of the Code to the extent Section 409A of the Code applies to such Awards, and any ambiguities in this Plan or Awards granted hereunder will be interpreted to so comply. The terms of the Plan and any Award granted under the Plan shall be interpreted, operated and administered in a manner consistent with the foregoing intention to the extent the Administrator deems necessary or advisable in its sole discretion. Notwithstanding any other provision in the Plan, the Administrator, to the extent it unilaterally deems necessary or advisable in its sole discretion, reserves the right, but shall not be required, to amend or modify the Plan and any Award granted under the Plan so that the Award qualifies for exemption from or complies with Section 409A of the Code; provided, however, that the Company makes no representation that the Awards granted under the Plan shall be exempt from or comply with Section 409A of the Code and makes no undertaking to preclude Section 409A of the Code from applying to Awards granted under the Plan.

26. **Dodd-Frank Clawback.** In the event that the Company is required to restate its audited financial statements due to material noncompliance with any financial reporting requirement under the securities laws, each current or former executive officer Participant shall be required to immediately repay the Company any compensation they received pursuant to Awards hereunder during the three-year period preceding the date upon which the Company is required to prepare the restatement that is in excess of what would have been paid to the executive officer Participant under the restated financial statement, in accordance with Section 10D of the Exchange Act and any rules promulgated thereunder. Any amount required to be repaid hereunder shall be determined by the Board or its Committee in its sole discretion, unless otherwise required by Applicable Laws, and shall be binding on all current and former executive officer Participants.

1. Grant of Option.

The Company hereby grants to the Optionee (the “Optionee”) named in the Notice of Grant section of this Agreement (the “Notice of Grant”), an option (the “Option”) to purchase the number of Shares set forth in the Notice of Grant, at the exercise price per share set forth in the Notice of Grant (the “Exercise Price”), subject to the terms and conditions of the

Plan (which is incorporated herein by reference) and this Option Agreement. In the event of a conflict between the terms and conditions of the Plan and the terms and conditions of this Option Agreement, the terms and conditions of the Plan shall prevail.

2. Exercise of Option.

(a) Right to Exercise. This Option is exercisable during its term in accordance with the Vesting Terms set out in the Notice of Grant and the applicable provisions of the Plan and this Option Agreement, subject to Optionee's remaining a Service Provider on each vesting date.

(b) Post-Termination Exercise Period. If Optionee ceases to be a Service Provider, then this Option may be exercised, but only to the extent vested on the date of such cessation as a Service Provider, until the earlier of (i) ninety days after the date upon which Optionee ceases to be a Service Provider, or (ii) the original ten-year Option term.

(c) Method of Exercise. This option may be exercised with respect to all or any part of any vested Shares by giving the Company or any stock option plan administrator designated by the Company written or electronic notice of such exercise, in the form designated by the Company or the Company's designated third-party stock option plan administrator, specifying the number of shares as to which this option is exercised and accompanied by payment of the aggregate Exercise Price as to all exercised shares.

This Option shall be deemed to be exercised upon receipt by the Company or any third-party stock option plan administrator designated by the Company of such fully executed exercise notice accompanied by such aggregate Exercise Price.

No Shares shall be issued pursuant to the exercise of this Option unless such issuance and exercise complies with applicable laws. This Option may not be transferred in any manner otherwise than by will or by the laws of descent or distribution and may be exercised during the lifetime of Optionee only by the Optionee. The terms of the Plan and this Option Agreement shall be binding upon the executors, administrators, heirs, successors and assigns of the Optionee.

4. Term of Option.

This Option may be exercised only within the term set out in the Notice of Grant, and may be exercised during such term only in accordance with the Plan and the terms of this Option Agreement.

5. Tax Consequences.

Some of the federal tax consequences relating to this Option, as of the date of this Option, are set forth below. THIS SUMMARY IS NECESSARILY INCOMPLETE, AND THE TAX LAWS AND REGULATIONS ARE SUBJECT

TO CHANGE. THE OPTIONEE SHOULD CONSULT A TAX ADVISER BEFORE EXERCISING THIS OPTION OR DISPOSING OF THE SHARES.

(a) Exercising the Option. The Optionee may incur regular federal income tax liability upon exercise of a Nonqualified Stock Option. The Optionee will be treated as having received compensation income (taxable at ordinary income tax rates) equal to the excess, if any, of the fair market value of the exercised shares on the date of exercise over their aggregate Exercise Price. If the Optionee is an Employee or a former Employee, the Company will be required to withhold from his or her compensation or collect from Optionee and pay to the applicable taxing authorities an amount in cash equal to a percentage of this compensation income at the time of exercise, and may refuse to honor the exercise and refuse to deliver Shares if such withholding amounts are not delivered at the time of exercise.

(b) Disposition of Shares. If the Optionee holds NSO Shares for at least one year, any gain realized on disposition of the Shares will be treated as long-term capital gain for federal income tax purposes.

6. Entire Agreement; Governing Law.

The Plan is incorporated herein by reference. The Plan and this Option Agreement constitute the entire agreement of the parties with respect to the subject matter hereof and supersede in their entirety all prior undertakings and agreements of the Company and Optionee with respect to the subject matter hereof, and may not be modified adversely to the Optionee's interest except by means of a writing signed by the Company and Optionee. This agreement is governed by the laws of the state Delaware.

By your signature and the signature of the Company's representative below, you and the Company agree that this Option is granted under and governed by the terms and conditions of the Plan and this Option Agreement. 3. Vesting. The RSUs awarded by this Agreement will vest in the Participant according to the vesting terms specified in the Notice of Grant.

4. Forfeiture upon Termination as Employee, Director or Consultant. 10. Additional Conditions to Issuance of Stock. If at any time the Company will determine, in its discretion, that the listing, registration or qualification of the Shares upon any securities exchange or under any state or federal law, or the consent or approval of any governmental regulatory authority is necessary or desirable as a condition to the issuance of Shares to the Participant (or his or her estate), such issuance will not occur unless and until such listing, registration, qualification, consent or approval will have been effected or obtained free of any conditions not acceptable to the Company. The Company will make all reasonable efforts to meet the requirements of any such state or federal law or securities exchange and to obtain any such consent or approval of any such governmental authority.
