### STOCK OPTION PLANS AND AGREEMENTS

Option Plan - In May 1996, the directors of the Company adopted and the stockholders of the Company approved the adoption of the Company's 1996 Stock Option Plan (as amended, the "Option Plan"). The purpose of the Option Plan is to enable the Company to encourage key employees and directors to contribute to the success of the Company by granting such employees and directors incentive stock options ("ISOs") or non-qualified stock options ("NQOs").

The Option Plan will be administered by the Board of Directors or a committee appointed by the Board of Directors (the "Committee") which will determine, in its discretion, among other things, the recipients of grants, whether a grant will consist of ISOs, NQOs or a combination thereof, and the number of shares to be subject to such options.

The Option Plan provides for the granting of ISOs or NQOs to purchase Common Stock at an exercise price to be determined by the Board of Directors or the Committee not less than the fair market value of the Common Stock on the date the option is granted.

The total number of shares with respect to which options may be granted under the Option Plan is currently 1,850,000 (See, however, Proposal 2 - Amendment to 1996 Option Plan). Options may not be granted to an individual to the extent that in the calendar year in which such options first become exercisable the shares subject to such options have a fair market value on the date of grant in excess of \$100,000. No option may be granted under the Option Plan after May 2006 and no option may be outstanding for more than ten years after its grant. Additionally, no option can be granted for more than five (5) years to a stockholder owning 10% or more of the Company's outstanding Common Stock and such options must have an exercise price of not less than 110% of the fair market value on the date of grant.

Upon the exercise of an option, the holder must make payment of the full exercise price. Such payment may be made in cash or in shares of Common Stock, or in a combination of both. The Company may lend to the holder of an option funds sufficient to pay the exercise price, subject to certain limitations.

The Option Plan may be terminated or amended at any time by the Board of Directors, except that, without stockholder approval, the Option Plan may not be amended to increase the number of shares subject to the Option Plan, change the class of persons eligible to receive options under the Option Plan or materially increase the benefits of participants.

### PROPOSAL TWO

#### AMENDMENT OF THE 1996 OPTION PLAN

In 1996, the Board of Directors and stockholders approved the adoption of the Option Plan. The Option Plan originally authorized up to 1,500,000 shares of Company Common Stock for grants of stock options. In December 2000, upon the recommendation of the Board of Directors, the stockholders approved an amendment to the 1996 Option Plan increasing the number of shares of Common Stock subject to the Option Plan from 1,500,000 to 1,850,000 shares. The Board of Directors has amended the Option Plan, subject to stockholder approval, to authorize 375,000 additional shares for future awards (the "Plan Proposal").

Because of the limited number of remaining shares that may be granted under the Option Plan, the Board of Directors believes it is appropriate and necessary at this time to authorize additional shares for future awards. Authorization of these additional shares will allow grants to employees and directors in furtherance of the Company's goal of continuing to achieve significant gains in stockholder value and operating results.

The Company intends to continue awarding options in order to attract and retain the services or advice of such directors and employees to provide additional incentive for such persons to exert maximum efforts for the success of the Company. For a summary of the principal features of the Option Plan, see "Stock Option Plans and Agreements." The proposed amendment to the Option Plan is set forth as Appendix A to this Proxy Statement.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR APPROVAL OF THE PLAN PROPOSAL. UNLESS MARKED TO THE CONTRARY, PROXIES RECEIVED FROM STOCKHOLDERS WILL BE VOTED IN FAVOR OF THE PLAN PROPOSAL.

### PROPOSAL THREE

#### RATIFICATION OF SELECTION OF THE FIRM OF GRANT THORNTON, LLP AS INDEPENDENT PUBLIC ACCOUNTANTS FOR THE COMPANY

The Board of Directors, upon recommendation of the Audit Committee, concluded that the continued engagement of Grant Thornton, LLP as the Company's independent public accountants for the 2001 fiscal year was in the best interests of the Company. The Board of Directors recommends that stockholders ratify its choice of Grant Thornton, LLP.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR THE RATIFICATION OF THE SELECTION OF GRANT THORNTON, LLP AS INDEPENDENT PUBLIC ACCOUNTANTS FOR THE COMPANY. UNLESS MARKED TO THE CONTRARY, PROXIES RECEIVED FROM STOCKHOLDERS WILL BE VOTED IN FAVOR OF SUCH PROPOSAL.

### OTHER PROPOSED ACTION

The Board of Directors does not intend to bring any other matters before the Annual Meeting, nor does the Board of Directors know of any matters which other persons intend to bring before the Annual Meeting. If, however, other matters not mentioned in this Proxy Statement properly come before the Annual Meeting, the persons named in the accompanying form of Proxy will vote thereon in accordance with the recommendation of the Board of Directors.
