PROXY STATEMENT

2002 ANNUAL MEETING OF SHAREHOLDERS

This Proxy Statement is furnished in connection with the solicitation by and on behalf of the Board of Directors (the "Board of Directors") of Flemington Pharmaceutical Corporation (the "Company") of proxies in the accompanying form to be voted at the 2002 Annual Meeting of Shareholders (the "Annual Meeting") to be held at 10:00 a.m., Eastern Standard Time, on Friday, February 15, 2002 at

Edgar Filing: FLEMINGTON PHARMACEUTICAL CORP - Form DEF 14A

the principal office of the Company at 31 State Highway 12 West, Flemington, New Jersey 08822 and at any adjournments thereof for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders. The approximate date on which this Proxy Statement and the accompanying form of proxy are first being sent or given to shareholders is January 16, 2002.

A copy of the Company's Annual Report on Form 10-KSB for the fiscal year ended July 31, 2001 and a copy of the Company's Quarterly Report on Form 10-QSB for the three month period ended October 31, 2001 is enclosed with these materials, but should not be considered proxy solicitation material.

The Company has fixed the close of business on January 7, 2002 as the record date (the "Record Date") for determination of shareholders entitled to notice of and to vote at the Annual Meeting or any adjournments thereof. As of the Record Date, there were 11,724,900 outstanding shares of common stock, \$.001 par value per share ("Common Stock"), each share entitled to one vote on each matter to be voted on at the Annual Meeting. The holders of a majority of shares entitled to vote and represented in person or by proxy at the Annual Meeting will constitute a quorum for the transaction of business at the Annual Meeting. In general, Common Stock represented by a properly signed and returned proxy card will be counted as Common Stock present and entitled to vote at the Annual Meeting for purposes of determining a quorum, without regard to whether the proxy card reflects abstentions (or is left blank) or reflects a "broker non-vote" on a matter (i.e., a card returned by a broker because voting instructions have not been received and the broker has no discretionary authority to vote). Holders of Common Stock are not entitled to cumulative voting rights.

The election of a nominee for director requires approval of such nominee by a plurality of the Common Stock present and entitled to vote in person or by proxy; and the approval of each of the other proposals described in the Proxy Statement requires the approval of a majority of the Common Stock present and entitled to vote in person or by proxy on that matter.

-1-

SOLICITATION OF PROXIES

The cost of the proxy solicitations will be borne by the Company. In addition to the use of the mails, proxies may be solicited by the directors, officers and employees of the Company, without additional compensation, by personal interview, telephone, telegram or otherwise. Arrangements may also be made with brokerage firms or other custodians, nominees or fiduciaries for the forwarding of soliciting material to the beneficial owners of Common Stock of the Company held of record by such persons, and the Company will reimburse such respective brokers, custodians, nominees and fiduciaries for the reasonable out-of-pocket expenses incurred by them in connection therewith. The Company shall not use specially engaged employees or paid solicitors to identify shareholders or to conduct the solicitation.

THE BOARD OF DIRECTORS

During the fiscal year ended July 31, 2001 ("fiscal 2001"), the Board of Directors held eleven (11) meetings, three (3) regular meetings and eight (8) special meetings, attended by all of the Company's Directors. During fiscal 2001, the Board of Directors also acted five (5) times by written consent. The Company has a compensation committee, and an audit committee, each of which met once in fiscal 2001. The Company does not have a stock option committee, shareholder relations committee, or a nominating committee.

Edgar Filing: FLEMINGTON PHARMACEUTICAL CORP - Form DEF 14A

Harry A. Dugger, III and John J. Moroney serve on the compensation committee, which determines the cash (and with respect to the 1997 Plan as defined hereinafter, the non-cash) compensation amounts to be paid to directors, officers and employees of the Company. Because the Board of Directors does not have a standing nominating committee, nominations for election to the Board of Directors may be made by the Board of Directors or by any shareholder entitled to vote for the election of directors. Nominations made by shareholders must be made by written notice received by the Secretary of the Company within ten (10) days of the date on which notice of a special meeting for the election of directors is first given to shareholders.

Special meetings are held from time to time to consider matters for which approval of the Board of Directors is desirable or is required by law.

SECURITY OWNERSHIP OF MANAGEMENT AND CERTAIN BENEFICIAL OWNERS

As of the Record Date, there were 11,724,900 shares of Common Stock outstanding and entitled to vote at the Annual Meeting. Each share is entitled to one vote on each of the matters to be voted on at the Annual Meeting. The following table sets forth, as of the Record Date, certain information regarding the ownership of the Common Stock by (i) each person known by the Company to be the beneficial owner of more than 5% of the Common Stock, (ii) each of the Company's Directors and Named Executive Officers, as such term is defined under Item 402(a)(3) of Securities and Exchange Commission ("SEC") Regulation S-K, and (iii) all of the Company's Executive Officers and Directors as a group. Beneficial ownership has been determined in accordance with Rule 13d-3 under the Securities Exchange Act of 1934, as amended (the "Exchange Act"). Under Rule 13d-3 certain shares may be deemed to be beneficially owned by more than one person (such as where persons share voting power or investment power). In

-2-

addition, shares are deemed to be beneficially owned by a person if the person has the right to acquire the shares (for example, upon the exercise of an option) within sixty (60) days of the date as of which the information is provided. In computing the ownership percentage of any person, the amount of shares outstanding is deemed to include the amount of shares beneficially owned by such person (and only such person) by reason of these acquisition rights. As a result, the percentage of outstanding shares of any person as shown in the following table does not necessarily reflect the person's actual ownership or voting power at any particular date.

COMPLIANCE WITH SECTION 16(A) OF THE SECURITIES EXCHANGE ACT OF 1934

Section 16(a) of the Exchange Act requires officers, directors and persons who own more than ten (10) percent of a class of equity securities registered pursuant to Section 12 of the Exchange Act to file reports of ownership and changes in ownership with both the SEC and the principal exchange upon which such securities are traded or quoted. Officers, directors and persons holding greater than ten (10) percent of the outstanding shares of a class of Section 12-registered equity securities ("Reporting Persons") are also required to furnish copies of any such reports filed pursuant to Section 16(a) of the Exchange Act with the Company. Based solely on a review of the copies of such

Edgar Filing: FLEMINGTON PHARMACEUTICAL CORP - Form DEF 14A

forms furnished to the Company, the Company believes that from August 1, 2000 to September 30, 2001 all Section 16(a) filing requirements applicable to its Reporting Persons were complied with.

COMPENSATION OF DIRECTORS

The Directors of the Company are elected annually and serve until the next annual meeting of stockholders and until a successor shall have been duly elected and qualified. Effective January 1999, Directors of the Company, who are not employees or consultants receive for each meeting attended directors fees of \$500 for their services as members of the Board of Directors. Such Directors are also reimbursed for expenses incurred in connection with their attendance at meetings of the Board of Directors. Directors may be removed with or without cause by a vote of the majority of the stockholders then entitled to vote. There were no other arrangements pursuant to which any Director was compensated during fiscal 2001 for any services provided as a Director.

STOCK OPTION PLANS

The Company has three stock option plans, adopted in 1992, 1997 and 1998, respectively (collectively referred to as the "Plans"). Each Plan provides for the issuance of options to purchase 500,000 shares of Common Stock, for a total of 1,500,000 shares. The 1997 Stock Option Plan is administered by Harry A. Dugger, III, Ph.D. and John J. Moroney, who constitute the Compensation Committee of the Board of Directors ("Committee"), and the 1992 Stock Option Plan and 1998 Stock Option Plan are administered by the entire Board of Directors. For purposes of the following discussion, the term "Committee" will be used to reference the Committee with respect to the 1997 Stock Option Plan and the entire Board of Directors with respect to the 1992 Stock Option Plan and

Edgar Filing: FLEMINGTON PHARMACEUTICAL CORP - Form DEF 14A

1998 Stock Option Plan, as applicable. The Committee has sole discretion and authority, consistent with the provisions of the Plans, to select the Eligible Participants to whom options will be granted under the Plans, the number of shares which will be covered by each option and the form and terms of the agreement to be used. All employees and officers of the Company are eligible to participate in the Plans.

-6-

At September 30, 2001, eleven (11) persons were eligible to receive Incentive Stock Options ("ISOs") under the 1992, 1997 and 1998 Plans.

See proposal Number 3 - Amendment of the 1998 Stock Plan.

OPTIONS. The Committee is empowered to determine the exercise price of options granted under the Plans, but the exercise price of ISOs must be equal to or greater than the fair market value of a share of Common Stock on the date the option is granted (110% with respect to optionees who own at least 10% of the outstanding Common Stock). The Committee has the authority to determine the time or times at which options granted under the Plans become exercisable, but options expire no later than ten years from the date of grant (five years with respect to Optionees who own at least 10% of the outstanding Common Stock of the Company). Options are nontransferable, other than by will and the laws of descent, and generally may be exercised only by an employee while employed by the Company or within 90 days after termination of employment (one year from termination resulting from death or disability).

No ISO may be granted to an employee if, as the result of such grant, the aggregate fair market value (determined at the time each option was granted) of the shares with respect to which ISOs are exercisable for the first time by such Employee during any calendar year (under all such plans of the Company and any parent and subsidiary) exceeds \$100,000. The Plans do not confer upon any employee any right with respect to the continuation of employment by the Company, nor do the Plans interfere in any way with the employee's right or the Company's right to terminate the employee's employment at any time.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Harry A. Dugger, III and John J. Moroney serve as the members of the Company's Compensation Committee, which reviews and makes recommendations with respect to compensation of officers, employees and consultants, including the granting of options under the Company's 1997 Stock Option Plan. The 1992 and 1998 Stock Option Plans are administered by the entire Board.

Mr. Moroney is also a Director and President of Landmark Financial Corp. ("Landmark").

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

Compensation of the Company's executives is intended to attract, retain and award persons who are essential to the enterprise. The fundamental policy of the Company's executive compensation program is to offer competitive compensation to executives that appropriately rewards the individual executive's contribution to corporate performance. The Board of Directors utilizes subjective criteria for evaluation of individual performance. The Board focuses on two primary components of the Company's executive compensation program, each of which is intended to reflect individual and corporate performance: base salary compensation and long-term incentive compensation. The Company has not paid cash incentive bonuses during fiscal 2001.

-7-

Except as set forth herein, the Company does not have any annuity, retirement, pension, deferred or incentive compensation plan or arrangement under which any executive officer is entitled to benefits, nor does the Company have any long-term incentive plan pursuant to which performance units or other forms of compensation are paid. Executive officers who qualify will be permitted to participate in the Company's 1992, 1997 and 1998 Stock Option Plans which were adopted in May 1992, February 1997 and June 1998, respectively. In September 1998 the Board of Directors adopted an investment retirement account plan in which all employees of the Company are eligible to participate. Executive officers may participate in group life, health and hospitalization plans, if and when such plans are available generally to all employees. The Compensation Committee is satisfied that the compensation and stock option plans provided to the officers of the Company are structured and operated to create strong alignment with the long-term best interests of the Company and its stockholders.

The compensation of the Company's Chief Executive Officer, Dr. Dugger, for fiscal 2001 consisted of base salary of \$ 232,000. Because of an inadequacy of cash flow during the second and third quarters of fiscal 2001, Dr. Dugger agreed to accrue all of his salary until the cash flow situation resolved itself. In May 2001, Dr. Dugger's salary was resumed and one-half of his accrued salary was paid out. The remaining half (\$49,000) continues as an accrual at this time. No bonuses, stock grants or option grants were awarded to Dr. Dugger during fiscal 2001. The determination by the Compensation Committee of Dr. Dugger's remuneration is based upon methods consistent with those used for other senior executives. The committee considers certain quantitative factors, including the Company's financial, strategic and operating performance for the year. The qualitative criteria include Dr. Dugger's leadership qualities and management skills, as exhibited by his innovations, time and effort devoted to the Company, and other general considerations. The Compensation Committee also takes note of comparable remuneration of other CEOs at similar companies. Based on the performance of the Company, the Compensation Committee believes that Mr. Dugger's compensation was appropriate.

EMPLOYMENT AGREEMENTS AND CHANGE IN CONTROL ARRANGEMENTS

DR. DUGGER AND MR. MORONEY. The Employment Agreements previously in effect for Dr. Dugger and Mr. Moroney terminated in accordance with their terms in November, 2000. At that time the Board of Directors decided, with the concurrence of Dr. Dugger and Mr. Moroney, not to renew their agreements, but rather to continue their employment, on the same terms and conditions, on a month-to-month basis. In May 2001, Mr. Moroney resigned as an employee of the Company (remaining as a Chairman of the Board of Directors), and entered into a fee-for-service consulting relationship with the Company.

MR. ROBERT C. GALLER. In September 2001, the Company entered into a three year Employment Agreement with Mr. Galler, who was appointed Vice President -

-8-

Corporate Development and elected to the Board of Directors. The Agreement also provides for certain non-competition and non-disclosure covenants on the part of

Edgar Filing: FLEMINGTON PHARMACEUTICAL CORP - Form DEF 14A

the executive. However, with respect to the non-competition covenants, a court may determine not to enforce such provisions or only partially enforce such provisions. Additionally, each of the foregoing agreements provides for certain Company-paid fringe benefits, such as disability insurance and inclusion in pension, profit sharing, stock option, savings, hospitalization and other benefit plans at such times as the Company shall adopt them.

CERTAIN TRANSACTIONS

CONSULTING AGREEMENT

On May 1, 1997, the Company entered into a consulting agreement with Saggi Capital Corp., a public relations consultant (the "Consultant") pursuant to which the Consultant received a Nonqualified Stock Option under the 1997 Stock Option Plan to purchase an aggregate of 200,000 shares of Common Stock. On March 25, 1998, the Company amended its consulting agreement pursuant to which the Consultant agreed to expand the scope and duration of the services provided. As a consequence, the Nonqualified Stock Option was restated and amended and the Consultant surrendered 200,000 unexercised stock options having an exercise price of \$5.80 per share in exchange for receiving 200,000 stock options having an exercise price of \$1.00 per share plus 120,000 stock options having an exercise price of \$2.00 per share. These options are exercisable for a period of five (5) years following the date of the grant.

LEGAL FEES

During fiscal 2001 the Company paid Mr. Schaul approximately \$85,000 for legal services rendered to the Company.

STOCKHOLDER LOANS

In fiscal 1998, the Company lent the principal amount of \$60,000 to Dr. Dugger in exchange for a 7% promissory note. The note is due on demand, with interest due quarterly. Interest approximated \$4,200 for fiscal 2001. This note remains outstanding. In October, 2001, Dr. Dugger indicated that the loan and all accrued interest would be paid in full by year-end 2001.

STOCKHOLDER RETURN PERFORMANCE PRESENTATION

PROPOSAL 3

AMENDMENT OF THE 1998 STOCK PLAN

Edgar Filing: FLEMINGTON PHARMACEUTICAL CORP - Form DEF 14A

At the 1998 Annual Meeting of Shareholders, the Company's stockholders approved the adoption of the Company's 1998 Stock Plan (the "1998 Plan"). The 1998 Plan authorizes up to 500,000 shares of Company common stock for grants of non-qualified and incentive stock options. The Board of Directors has amended the 1998 Plan, subject to stockholder approval, to authorize 575,000 additional shares for future awards (the "Plan Proposal"). The affirmative vote of the holders of a majority of the total votes cast on the Plan Proposal is needed to approve the Plan Proposal.

Because of the limited number of remaining shares that may be granted under the 1998 Plan, the Board of Directors believes it is appropriate and necessary at this time to authorize additional shares for future awards. Authorization of these additional shares will allow grants to employees, consultants and directors in furtherance of the Company's goal of continuing to achieve significant gains in stockholder value and operating results.

The Company intends to continue awarding options in order to attract and retain the services or advice of such directors, employees, officers, agents, consultants, and independent contractors and to provide additional incentive for such persons to exert maximum efforts for the success of the Company and its affiliates. The following is a summary of the principal features of the 1998 Plan. The summary is qualified in its entirety by reference to the complete text of the 1998 Plan, as proposed to be amended. The proposed amendment to the 1998 Plan is set forth as Annex A to this Proxy Statement.

-13-

DESCRIPTION OF THE 1998 PLAN

The maximum number of shares of Common Stock with respect to which awards may be presently granted pursuant to the 1998 Plan is 500,000 shares. The Plan Proposal would authorize the use of up to an additional 575,000 shares of the Company's common stock for a total of 1,075,000 shares being subject of the 1998 Plan. Shares issuable under the 1998 Plan may be either treasury shares or authorized but unissued shares. The number of shares available for issuance will be subject to adjustment to prevent dilution in the event of stock splits, stock dividends or other changes in the capitalization of the Company.

Subject to compliance with Rule 16b-3 of the Securities Exchange Act of 1934 (the "Exchange Act"), the Plan shall be administered by the Board of Directors of the Company (the "Board") or, a committee (the "Committee"). Except for the terms and conditions explicitly set forth in the Plan, the Committee shall have the authority, in its discretion, to determine all matters relating to the options to be granted under the Plan, including, without limitation, selection of whether an option will be an incentive stock option or a nonqualified stock option, selection of the individuals to be granted options, the number of shares to be subject to each option, the exercise price per share, the timing of grants and all other terms and conditions of the options.

Options granted under the 1998 Plan may be "incentive stock options" ("Incentive Options") within the meaning of Section 422 of the Internal Revenue Code (the "Code") or stock options which are not incentive stock options ("Non-Incentive Options" and, collectively with Incentive Options, hereinafter referred to as "Options"). Each Option may be exercised in whole or in part; provided, that only whole shares may be issued pursuant to the exercise of any Option. Subject to any other terms and conditions herein, the Committee may provide that an Option may not be exercised in whole or in part for a stated period or periods of time during which such Option is outstanding; provided, that the Committee may rescind, modify, or waive any such limitation (including by the acceleration of the vesting schedule upon a change in control of the

Edgar Filing: FLEMINGTON PHARMACEUTICAL CORP - Form DEF 14A

Company) at any time and from time to time after the grant date thereof. During an optionee's lifetime, any incentive stock options granted under the Plan are personal to such optionee and are exercisable solely by such optionee.

The Committee can determine at the time the Option is granted in the case of Incentive Options, or at any time before exercise in the case of Non-Incentive Options, that additional forms of payment will be permitted. To the extent permitted by the Committee and applicable laws and regulations (including, without limitation, federal tax and securities laws and regulations and state corporate law), an Option may be exercised by:

(a) delivery of shares of Common Stock of the Company held by an optionee having a fair market value equal to the exercise price, such fair market value to be determined in good faith by the Committee;

(b) delivery of a properly executed notice of exercise, together with irrevocable instructions to a broker, all in accordance with the regulations of the Federal Reserve Board, to promptly deliver to the Company the amount of sale or loan proceeds to pay the exercise price and any federal, state, or local withholding tax obligations that may arise in connection with the exercise; or

-14-

(c) delivery of a properly executed notice of exercise, together with instructions to the Company to withhold from the shares of Common Stock that would otherwise be issued upon exercise that number of shares of Common Stock having a fair market value equal to the Option exercise price.

Upon a Change in Control of the Company, any award carrying a right to exercise that was not previously exercisable shall become fully exercisable, the restrictions, deferral limitations and forfeiture conditions applicable to any other award granted shall lapse and any performance conditions imposed with respect to awards shall be deemed to be fully achieved.

Options granted under the 1998 Plan may not be transferred, pledged, mortgaged, hypothecated or otherwise encumbered other than by will or under the laws of descent and distribution, except that the Committee may permit transfers of awards for estate planning purposes if, and to the extent, such transfers do not cause a participant who is then subject to Section 16 of the Exchange Act to lose the benefit of the exemption under Rule 16b-3 for such transactions.

For federal income tax purposes, the grant to an optionee of a Non-Incentive Option will not constitute a taxable event to the optionee or to the Company. Upon exercise of a Non-Incentive Option (or, in certain cases, a later tax recognition date), the optionee will recognize compensation income taxable as ordinary income, measured by the excess of the fair market value of the Common Stock purchased on the exercise date (or later tax recognition date) over the amount paid by the optionee for such Common Stock, and will be subject to tax withholding. The Company may claim a deduction for the amount of such compensation. The optionee will have a tax basis in the Common Stock purchased equal to the amount paid plus the amount of ordinary income recognized upon exercise of the Non-Incentive Option. Upon the subsequent sale of the Common Stock received upon exercise of the Non-Incentive Option, an optionee will recognize capital gain or loss equal to the difference between the amount realized on such sale and his or her tax basis in the Common Stock, which may be long-term capital gain or loss if the optionee holds the Common Stock for more than one year from the exercise date.

For federal income tax purposes, neither the grant nor the exercise of an Incentive Option will constitute a taxable event to the optionee or to the

Edgar Filing: FLEMINGTON PHARMACEUTICAL CORP - Form DEF 14A

Company, assuming the Incentive Option qualifies as an "incentive stock option" under Code 422. If an optionee does not dispose of the Common Stock acquired upon exercise of an Incentive Option during the statutory holding period, any gain or loss upon subsequent sale of the Common Stock will be long-term capital gain or loss, assuming the shares represent a capital asset in the optionee's hands. The statutory holding period is the later of two years from the date the Incentive Option is granted or one year from the date the Common Stock is transferred to the optionee pursuant to the exercise of the Incentive Option. If the statutory holding period requirements are satisfied, the Company may not claim any federal income tax deduction upon either the exercise of the Incentive Option or the subsequent sale of the Common Stock received upon exercise thereof. If the statutory holding period requirement is not satisfied, the optionee will recognize compensation income taxable as ordinary income on the date the Common Stock is sold (or later tax recognition date) in an amount equal to the lesser of (i) the fair market value of the Common Stock on that date less the amount paid by the optionee for such Common Stock, or (ii) the amount realized on the disposition of the Common Stock less the amount paid by the optionee for such Common Stock; the Company may then claim a deduction for the amount of such compensation income.

-15-

The federal income tax consequences summarized hereinabove are based upon current law and are subject to change.

The Board may amend, alter, suspend, discontinue or terminate the 1998 Plan at any time, except that any such action shall be subject to stockholder approval at the annual meeting next following such Board action if such stockholder approval is required by federal or state law or regulation or the rules of any exchange or automated quotation system on which the Common Stock may then be listed or quoted, or if the Board of Directors otherwise determines to submit such action for stockholder approval. In addition, no amendment, alteration, suspension, discontinuation or termination to the 1998 Plan may materially impair the rights of any participant with respect to any Option granted before amendment without such participant's consent. Unless terminated earlier by action of the Board of Directors, the 1998 Plan shall continue to remain effective until such time no further awards may be granted and all awards under the 1998 are no longer outstanding.

RECOMMENDATION OF THE BOARD OF DIRECTORS

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR APPROVAL OF THE 1998 PLAN PROPOSAL. UNLESS MARKED TO THE CONTRARY, PROXIES RECEIVED FROM STOCKHOLDERS WILL BE VOTED IN FAVOR OF THE PLAN PROPOSAL.

GENERAL

The Management of the Company does not know of any matters, other than those stated in this Proxy Statement, that are to be presented for action at the Meeting. If any other matters should properly come before the Meeting, proxies will be voted on those other matters in accordance with the judgment of the persons voting the proxies. Discretionary authority to vote on such matters is conferred by such proxies upon the persons voting them.

The Company will bear the cost of preparing, printing, assembling and mailing all proxy materials that may be sent to shareholders in connection with this solicitation. Arrangements will also be made with brokerage houses, other custodians, nominees and fiduciaries, to forward soliciting material to the beneficial owners of the Common Stock of the Company held by such persons. The Company will reimburse such persons for reasonable out-of-pocket expenses incurred by them. In addition to the solicitation of proxies by use of the

Edgar Filing: FLEMINGTON PHARMACEUTICAL CORP - Form DEF 14A

mails, officers and regular employees of the Company may solicit proxies without additional compensation, by telephone or telegraph. The Company does not expect to pay any compensation for the solicitation of proxies.

A copy of the Company's Form 10-KSB for the fiscal year ended July 31, 2001 and the Company Quarterly Report on Form 10-QSB for the three month period ended October 31, 2001 as filed with the Securities and Exchange Commission, accompanies this Proxy Statement. Upon written request, the Company will provide each shareholder being solicited by this Proxy Statement with a free copy of any exhibits and schedules thereto. All such requests should be directed to Flemington Pharmaceutical Corporation, 31 State Highway 12 West, Flemington, New Jersey 08822, Attn: Robert F. Schaul, Secretary.

-16-

All properly executed proxies delivered pursuant to this solicitation and not revoked will be voted at the Annual Meeting in accordance with the directions given. In voting by proxy in regard to items to be voted upon, shareholders may (i) vote in favor of, or FOR, the item, (ii) vote AGAINST the item or, (iii) ABSTAIN from voting on one or more items. Shareholders should specify their choices on the enclosed proxy. If no specific instructions are given with respect to the matters to be acted upon, the shares represented by the proxy will be voted FOR the election of all Directors, and FOR the ratification the appointment of Wiss & Company, LLP as the Company's independent certified public accountants for the fiscal year ending July 31, 2002.

SHAREHOLDER PROPOSALS FOR 2003 ANNUAL MEETING

Any shareholder proposals intended to be presented at the Company's 2003 Annual Meeting of Shareholders must be received by the Company at its office in Flemington, New Jersey on or before June 30, 2002 in order to be considered for inclusion in the Company's proxy statement and proxy relating to such meeting. The Company has received no shareholders nominations or proposals for the Annual Meeting.

VOTING OF PROXIES

Proxies may be revoked by shareholders at any time prior to the voting thereof by giving notice of revocation in writing to the Secretary of the Company or by voting in person at the Annual Meeting. If the enclosed proxy is properly signed, dated and returned, the Common Stock represented thereby will be voted in accordance with the instructions thereon. If no instructions are indicated, the Common Stock represented thereby will be voted FOR the election of Directors and FOR the ratification of the appointment of Wiss & Company, LLP as the Company's independent certified public accounts for the fiscal year ending July 31, 2002.

REVOCABILITY OF PROXY

Shares represented by valid proxies will be voted in accordance with instructions contained therein, or, in the absence of such instructions, in accordance with the Board of Directors' recommendations. Any person signing and mailing the enclosed proxy may, nevertheless, revoke the proxy at any time prior to the actual voting thereof by attending the Annual Meeting and voting in person, by providing written notice of revocation of the proxy or by submitting a signed proxy bearing a later date. Any written notice of revocation should be sent to the attention of the Secretary of the Company at the address above. Any shareholder of the Company has the unconditional right to revoke his or her proxy at any time prior to the voting thereof by any action inconsistent with the proxy, including notifying the Secretary of the Company in writing, executing a subsequent proxy, or personally appearing at the Annual Meeting and casting a contrary vote. However, no such revocation will be effective unless

Edgar Filing: FLEMINGTON PHARMACEUTICAL CORP - Form DEF 14A

and until such notice of revocation has been received by the Company at or prior to the Annual Meeting.

-17-

METHOD OF COUNTING VOTES

Unless a contrary choice is indicated, all duly executed proxies will be voted in accordance with the instructions set forth on the proxy card. A broker non-vote occurs when a broker holding shares registered in street name is permitted to vote, in the broker's discretion, on routine matters without receiving instructions from the client, but is not permitted to vote without instructions on non-routine matters, and the broker returns a proxy card with no vote (the "non-vote") on the non-routine matter. Under the rules and regulations of the primary trading markets applicable to most brokers, both the election of directors or the ratification of the appointment of accountants are routine matters on which a broker has the discretion to vote if instructions are not received from the client in a timely manner. Abstentions will be counted as present for purposes of determining a quorum but will not be counted for or against the election of directors or the ratification of independent auditors. As to Item 1, the Proxy confers authority to vote for all of the five (5) persons listed as candidates for a position on the Board of Directors even though the block in Item 1 is not marked unless the names of one or more candidates are lined out. The Proxy will be voted "For" Item 2 unless "Against" or "Abstain" is indicated. If any other business is presented at the meeting, the Proxy shall be voted in accordance with the recommendations of the Board of Directors.

By order of the Board of Directors
