You should review this information in conjunction with our 2002 Annual Report to Shareholders, which accompanies this

Edgar Filing: E COM VENTURES INC - Form DEF 14A

Proxy Statement.

ABOUT THE ANNUAL MEETING

What is the purpose of the Annual Meeting?

At the Annual Meeting, shareholders will vote on the election of Directors and ratification of the appointment of our independent public accountants. In addition, we will report on our performance and respond to questions from our shareholders.

Who is entitled to vote at the Annual Meeting?

Only shareholders of record at the close of business on the record date, October 24, 2003, are entitled to receive notice of the Annual Meeting and to vote shares of our common stock that they held on the record date, or any postponements or adjournments of the Annual Meeting. Each outstanding share of common stock entitles its holder to cast one vote on each matter to be voted upon.

Who can attend the Annual Meeting?

All shareholders as of the record date, or their duly appointed proxies, may attend. If your shares are held in the name of your broker or bank, you will need to bring evidence of your stock ownership, such as your most recent brokerage statement, and valid picture identification.

What constitutes a quorum?

The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of all of the shares of common stock outstanding on the record date will constitute a quorum, permitting the Annual Meeting to conduct its business. As of the record date, 2,461,838 shares of our common stock were outstanding. Proxies received but marked as abstentions and broker non-votes will be included in the calculation of the number of shares considered to be present at the Annual Meeting for purposes of a quorum, but will not be counted as votes cast "for" or "against" any given matter.

If less than a majority of outstanding shares entitled to vote are represented at the Annual Meeting, a majority of the shares present at the Annual Meeting may adjourn the Annual Meeting to another date, time or place, and notice need not be given of the new date, time or place if the new date, time or place is announced at the Annual Meeting before an adjournment is taken.

1

How do I vote?

If you complete and properly sign the accompanying proxy card and return it to us, it will be voted as you direct. If you are a registered shareholder and you attend the Annual Meeting, you may deliver your completed proxy card in person. "Street name" shareholders who wish to vote at the Annual Meeting will need to obtain a proxy from the institution that holds their shares.

Can I vote by telephone or electronically?

If your shares are held in "street name," please check your proxy card or contact your broker or nominee to determine whether you will be able to vote by telephone or electronically.

Edgar Filing: E COM VENTURES INC - Form DEF 14A

Can I change my vote after I return my proxy card?

Yes. Even after you have submitted your proxy, you may change your vote at any time before the proxy is exercised by filing with our Secretary either a notice of revocation or a duly executed proxy bearing a later date. You may also change your vote by attending the Annual Meeting in person and voting. The powers of the proxy holders will be suspended if you attend the Annual Meeting in person and vote, although attendance at the Annual Meeting will not by itself revoke a previously granted proxy.

What are the Board's recommendations?

Unless you give other instructions on your proxy card, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations of our Board of Directors. The recommendation of the Board of Directors is set forth with the description of each proposal in this Proxy Statement. In summary, the Board of Directors recommends a vote:

- o for the election of the nominated slate of Directors;
- o for the ratification of the appointment of Deloitte & Touche LLP as our independent public accountants.

The Board of Directors does not know of any other matters that may be brought before the Annual Meeting, nor does it foresee or have reason to believe that the proxy holders will have to vote for substitute or alternate Board of Directors nominees. In the event that any other matter should properly come before the Annual Meeting or any Board of Directors nominee is not available for election, the proxy holders will vote as recommended by the Board of Directors or, if no recommendation is given, in accordance with their best judgment.

What vote is required to approve each proposal?

Election of Directors. The affirmative vote (either in person or by proxy) of a plurality of the votes cast at the Annual Meeting is required for the election of Directors. This means that candidates who receive the highest number of votes are elected. Abstentions and broker non-votes are not votes cast and are not counted in determining whether a nominee is elected. A properly executed proxy marked to "Withhold Authority" with respect to the election of one or more Directors will not be voted with respect to the Director or Directors indicated, although it will be counted for purposes of determining whether there is a quorum. Shareholders do not have the right to cumulate their votes for Directors.

Other Proposals. For each other proposal, the affirmative vote of a majority of the votes cast at the Annual Meeting (either in person or by proxy) will be required for approval. Abstentions and broker non-votes are treated as shares present or represented and entitled to vote on such matters, and thus have the same effect as negative votes. A properly marked "ABSTAIN" with respect to any such matter will not be voted, although it will be counted for purposes of determining whether there is a quorum.

2

If you hold your shares in "street name" through a broker or other nominee, your broker or nominee may not be permitted to exercise voting discretion with respect to some of the matters to be acted upon. Thus, if you do not give your broker or nominee specific instructions, your shares may not be voted on those matters and will not be counted in determining the number of shares necessary for approval. Shares represented by such "broker non-votes"

Edgar Filing: E COM VENTURES INC - Form DEF 14A

will, however, be counted in determining whether there is a quorum.

Who pays for the preparation of the proxy?

We will pay the cost of preparing, assembling and mailing the Proxy Statement, Notice of Annual Meeting and enclosed proxy card. In addition to the use of mail, our employees may solicit proxies personally and by telephone. Our employees will receive no compensation for soliciting proxies other than their regular salaries. We may request banks, brokers and other custodians, nominees and fiduciaries to forward copies of the proxy material to the beneficial owners of our common stock and to request authority for the execution of proxies, and we may reimburse such persons for their expenses incurred in connection with these activities.

Our principal executive offices are located at 251 International Parkway, Sunrise, Florida 33325, and our telephone number is (954) 335-9100. A list of shareholders entitled to vote at the Annual Meeting will be available at our offices for a period of ten days prior to the Annual Meeting and at the Annual Meeting itself for examination by any shareholder.

3

However, if any of them should become unavailable to serve as Director, the Board of Directors may designate a substitute nominee or the number of Directors may be reduced in accordance with our bylaws. Employment and Severance Agreements

Effective February 1, 2002, we entered into a 3-year employment agreement with Ilia Lekach pursuant to which he will receive an annual salary of \$460,000, subject to cost-of-living increases or 5% if higher. The employment agreement provides that Mr. Lekach will continue to receive his annual salary until the expiration of the term of the agreement if his employment is terminated by us for any reason other than death, disability or cause (as defined in the employment agreement). The agreement contains a performance bonus plan, which provides for additional compensation and grant of stock options, if we meet certain specified net income levels. The employment agreement prohibits the employee from directly or indirectly competing with us during the term of his employment and for one year after termination of employment except in the

Edgar Filing: E COM VENTURES INC - Form DEF 14A

case of our termination of employment without cause. Pursuant to the terms of this agreement, Mr. Lekach received a signing bonus of \$250,000 and was granted 125,000 options to purchase our common stock at an exercise price of \$4.00 per share (the closing market price of our common stock on January 31, 2002). The options will vest one-third after each twelve month period from February 1, 2002.

Effective January 2003, we entered into 3-year employment agreements with A. Mark Young and Jeffrey Geller pursuant to which they receive annual salaries of \$210,000 subject to specified increases. The employment agreements provide that Mr. Young and Mr. Geller will continue to receive their salary until the expiration of the term of the employment agreements if their employment is terminated by us for any reason other than death, disability or cause (as defined in the employment agreements), as well as provisions for change in control.

Director Compensation

We pay each non-employee Director a \$10,000 annual retainer, and reimburse their expenses in connection with their activities as Directors. In addition, non-employee Directors are eligible to receive stock options under the 2000 Directors Stock Option Plan.

The 2000 Directors Stock Option Plan currently provides for an automatic grant of an option to purchase 500 shares of our common stock upon a person's election as Director, and an automatic grant of options to purchase 1,000 shares of our common stock upon re-election to the Board, in both instances at an exercise price equal to the fair market value of the common stock on the date of the option grant.

REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee reviews and approves the compensation of our executive officers, including salaries, bonuses and benefit plans. The Compensation Committee met once during the fiscal year ended February 1, 2003.

The policy of the Board of Directors is to maintain executive compensation at levels that will permit us to attract, motivate and retain individuals with superior managerial abilities. The levels of compensation are intended to reward individual initiative and achievement, while motivating our executives to increase shareholder value by improving our performance and profitability.

The base salaries of our Chief Executive Officer and all Named Executive Officers have been fixed in accordance with the terms of their respective employment agreements, which salaries have been reviewed by the Compensation Committee. In reviewing base salaries, the Compensation Committee considers factors such as the responsibilities of the position, corporate progress toward achieving objectives and individual performance, experience and expertise. In determining our executives' overall compensation, the Compensation Committee also reviews certain compensation levels at other companies because the Compensation Committee believes that we compete for executive talent with companies in addition to those in our peer group. Additional criteria reviewed by the Compensation Committee in determining appropriate compensation levels include subjective factors related to corporate and individual performance.

Our Stock Option Committee reviews and approves the grant of options pursuant to our 2000 Stock Option Plan. In furtherance of our executive

Edgar Filing: E COM VENTURES INC - Form DEF 14A

compensation policies, stock options are considered an integral part of our executives' overall compensation. The Compensation Committee believes that as an executive's level of responsibility increases, a greater portion of the total compensation opportunity should be based upon share ownership and other incentives and less upon base salary. Our executives' compensation pursuant to a stock option grant generally increases only to the extent the value of common stock underlying the stock options increases, therefore aligning the interest of our executive officers with our shareholders by tying long-term compensation with our growth and appreciation of shares. During the fiscal year ended February 1, 2003, we did not grant any stock options to any Named Executive Officer.

Report of the Audit Committee

The following report concerns the Audit Committee's activities regarding oversight of our accounting, auditing and financial reporting process.

The Audit Committee is comprised of four independent Directors, as defined in the Marketplace Rules of The Nasdaq Stock Market. It operates under a written charter adopted by the Board of Directors. The composition of the Audit Committee, the qualifications of its members and the responsibilities of the Committee, as reflected in its charter, are intended to be in accordance with applicable requirements for corporate audit committees. The Committee reviews and assesses the adequacy of its charter on an annual basis.

As described more fully in its charter, the purpose of the Audit Committee is to assist the Board of Directors in its general oversight of our internal control, accounting, auditing and financial reporting functions. Management is responsible for the preparation, presentation and integrity of our financial statements, accounting and financial reporting principles and internal controls and procedures designed to ensure compliance with accounting standards, applicable laws and regulations. Deloitte & Touche LLP, our independent auditing firm, is responsible for performing an independent audit of our consolidated financial statements in accordance with generally accepted auditing standards.

The Audit Committee members are not professional accountants or auditors, and their functions are not intended to duplicate or to certify the activities of management and the independent auditor, nor can the Audit Committee certify that the independent auditor is "independent" under applicable rules. The Committee serves a board-level oversight role, in which it provides advice, counsel and direction to management and the auditors on the basis of the information it receives, discussions with management and the auditors and the experience of the Committee's members in business, financial and accounting matters.

Among other matters, and in accordance with the Sarbanes-Oxley Act of 2002, the Audit Committee monitors the activities and performance of our external auditors, including the audit scope, external audit fees, auditor independence matters and the extent to which the independent auditor may be retained to perform non-audit services. The Audit Committee and the Board have

Edgar Filing: E COM VENTURES INC - Form DEF 14A

ultimate authority and responsibility to select, evaluate and, when appropriate, replace our independent auditor. The Audit Committee also reviews the results of the external audit work with regard to the adequacy and appropriateness of our financial, accounting and internal controls. Management and independent auditor presentations to and discussions with the Audit Committee also cover various topics and events that may have significant financial impact or are the subject of discussions between management and the independent auditor. In addition, the Audit Committee generally oversees our internal compliance programs.

In fulfilling its oversight responsibilities, the Committee has reviewed and discussed the audited consolidated financial statements with management and the independent auditor. Management represented to the Committee that our consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the independent auditor represented that its presentations included the matters required to be discussed with the independent auditor by Statement on Auditing Standards No. 61, as amended, "Communication with Audit Committees." Our independent auditor also provided the Committee with the written disclosures required by Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees," and the Audit Committee discussed with the independent auditor that firm's independence.

12

Following the Audit Committee's discussions with management and the independent auditor, the Committee recommended that the Board of Directors include the audited consolidated financial statements in our annual report on Form 10-K for the fiscal year ended February 1, 2003.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Relationship with Parlux. Parlux Fragrances, Inc. ("Parlux") is a public company engaged in the manufacture of fragrances. Ilia Lekach, our Chairman of the Board and Chief Executive Officer and one of our principal shareholders, is the chairman of the board of Parlux, beneficially owns approximately 27% of the outstanding shares of common stock of Parlux, and has power or voting control to direct the disposition of the shares of our company that are owned by Parlux. Parlux beneficially owns approximately 15.4% of the outstanding shares of our common stock. During fiscal year 2002 and the first twenty-six weeks of fiscal year 2003, we purchased approximately \$11,613,000 and \$9,457,000, respectively, of merchandise from Parlux. We believe that our purchases of merchandise from Parlux were on terms no less favorable to us than could reasonably be obtained in arm's length transactions with independent third parties. The amount due to Parlux at February 1, 2003 and August 2, 2003, was approximately \$10,739,000 and \$16,645,000, respectively, including a \$100,000 and \$4,750,000, respectively, subordinated interest bearing secured note payable. Trade accounts payable due to Parlux are non-interest bearing.

Edgar Filing: E COM VENTURES INC - Form DEF 14A

On September 30, 2002, Perfumania signed a \$3,000,000 subordinated note agreement with Parlux. The note was in consideration for the reduction of \$3,000,000 in trade payables due to Parlux. The note was due on March 31, 2003 with various periodic principal payments, bore interest at prime plus 1% and was subordinate to all bank related indebtedness. As of February 1, 2003, the outstanding principal balance due on the note had been reduced to \$100,000. The note was repaid in full in April 2003. Perfumania signed a similar \$5,000,000 subordinated note agreement with Parlux in June 2003. As of August 2, 2003, the outstanding principal balance due in the note was \$4,750,000.

Relationship with Grupo Tulin, Inc. Grupo Tulin, Inc. ("Grupo") is a privately held distributor of fragrances. Zalman Lekach, a former Director and a brother of Ilia Lekach is the founder of Grupo. During fiscal year 2002 and the first twenty-six weeks of fiscal year 2003, we purchased approximately \$10,562,000 and \$1,849,000, respectively, of merchandise from Grupo. We believe that our purchases of merchandise from Grupo were on terms no less favorable to us than could reasonably be obtained in arm's length transactions with independent third parties. The amount due to Grupo at February 1, 2003 and August 2, 2003, was approximately \$1,383,000 and \$1,155,000, respectively.

Relationship with S&R Fragrances, Inc. S&R Fragrances, Inc. ("S&R") is a privately held distributor of fragrances. Rachmil Lekach, a brother of Ilia Lekach is the founder of S&R. During fiscal year 2002 and the first twenty-six weeks of fiscal year 2003, we purchased approximately \$6,021,000 and \$2,659,000, respectively, of merchandise from S&R. We believe that our purchases of merchandise from S&R were on terms no less favorable to us than could reasonably be obtained in arm's length transactions with independent third parties. The amount due to S&R at February 1, 2003 and August 2, 2003, was approximately \$1,310,000 and \$1,334,000, respectively.

Relationship with Nimbus Group, Inc. (formerly TakeToAuction.com, Inc.) During fiscal year 2000, we purchased 314,000 shares of common stock of Take to Auction.Com, Inc. ("TTA"), an Internet auction site, for approximately \$2.5 million. Our Chairman of the Board and Chief Executive Officer, Ilia Lekach, was also the Chairman of the Board and Chief Executive Officer of TTA at that time. In June 2000, we acquired approximately 139,000 shares of TTA's common stock upon conversion of a \$1.0 million convertible promissory note receivable.

In January 2001, we received 250,000 shares of TTA common stock as partial payment on a loan receivable from Ilia Lekach. These shares were valued at \$252,500 (\$1.01 per share).

14

As of February 3, 2001, the market price for TTA's common stock was below our average cost per share of \$5.38. In consideration of accounting guidance that considers a six to nine month decline in stock price to be other-than-temporary, we valued the shares at \$1.01 per share and recorded a non-cash charge of approximately \$3.1 million to realized loss on investments on the consolidated statement of operations for fiscal year 2000. As of November 2, 2002, the market price of the shares was again below our carrying value and approximately \$700,000 was recorded as a non-cash charge to realized loss on investments on the consolidated statement of operations for the third fiscal quarter then ended.

In September 2001, TTA effected a corporate reorganization ("Reorganization") as a result of which TTA became a wholly owned subsidiary of Nimbus Group, Inc. ("Nimbus"). As a result of the Reorganization, our shares of TTA common stock were exchanged for an equal number of shares of Nimbus common stock. Ilia Lekach has been Chairman of the Board of Nimbus since the

Edgar Filing: E COM VENTURES INC - Form DEF 14A

Reorganization and was Interim Chief Executive Officer until March 21, 2003.

In January 2002, we received 300,000 shares of Nimbus common stock as partial payment on a loan receivable from Ilia Lekach. These shares were valued at \$357,000 (\$1.19 per share).

As of February 1, 2002, the amount due from TTA was approximately \$811,000. During fiscal year 2002, the amount due from TTA increased to approximately \$2 million and a provision for impairment of the receivable was recorded. In January 2003, we issued a letter of default to TTA regarding the licensing agreement. In February 2003, we regained control of our retail Internet website from TTA.

As of February 1, 2003 and August 2, 2003, we owned approximately 1,003,000 and 983,000 shares, respectively, of Nimbus common stock representing approximately 13% of its total outstanding common stock. The investment in Nimbus is shown on our consolidated balance sheets as of February 1, 2003 and August 2, 2003 as investments available for sale in the amount of approximately \$211,000 and \$167,000, respectively, representing the market value of the shares at those dates.

Indebtedness of Ilia Lekach. Notes receivable from Ilia Lekach, our Chairman of the Board and Chief Executive Officer was \$311,604 and \$319,458 as of February 1, 2003 and August 2, 2003, respectively. The notes are unsecured, mature in five years and bear interest at prime plus 1% per annum. Principal and interest are payable in full at maturity. Interest income recognized during fiscal years 2002, 2001, and 2000 was approximately \$174,000, \$264,000 and \$236,000, respectively. Accrued interest receivable at February 1, 2003 and August 2, 2003 was approximately \$12,000 and \$20,000, respectively. In January 2003, the Company received repayment from Ilia Lekach on a loan of approximately \$2,790,000.

Relationship with the Nussdorfs. On September 16, 2003, we entered into non-binding letters of intent to acquire all of the outstanding capital stock of Scents of Worth, Inc., and certain of the assets of Quality King Fragrances, Inc. Glenn Nussdorf, and his brother Stephen Nussdorf (the "Nussdorfs") together own a majority interest in the parent of Scents of Worth, Inc. and quality King Fragrances, Inc. The Nussdorfs disclosed in recent filings with the SEC that they collectively own approximately 407,000 shares of our common stock representing approximately 16.6% of our outstanding shares. The Nussdorfs also requested that our Board of Directors approve the potential acquisition of up to a total of 40% of our outstanding shares, and the request was approved by the Board of Directors. On September 15, 2003, we were advised that Stephen Nussdorf has provided personal loans to Ilia Lekach aggregating \$3.5 million at a 6% interest rate payable in 5 years. We are not, in any manner, a guarantor to this loan.

15

During the first twenty-six weeks of fiscal year 2003, Perfumania purchased approximately \$1,707,000 of merchandise from Quality King and sold approximately \$2,589,000 of different merchandise to Quality King.

Mark Young and Leon Geller reflecting a stock purchase, and one late report filed by Leon Geller reflecting a stock sale.
