1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

On March 19, 2007, Applied DNA Sciences, Inc. (the "Company") and HPT International, LLC ("HPT") entered into a Technology Reseller Agreement (the "Agreement"). In the Agreement the Company agreed to supply its SigNature DNA Markers to HPT to be affixed onto HPT's holograms, Nylon 6 tags and other plastic or metal food tags. HPT has been granted exclusive rights to affix the Company's SigNature DNA Markers onto its tagging products for distribution to its customers in the United States in the poultry and kosher foods markets, and non-exclusive rights to attach the Company's SigNature DNA Markers onto its tagging products for distribution to its customers worldwide. The Company will be paid a fee for each SigNature DNA Marker that is attached to an HPT product and distributed to a third party, and for each forensic authentication test that the Company performs at HPT's request. HPT has been granted exclusive rights in the U.S. poultry and kosher foods markets with respect to new customers through March 18, 2008. After that date, HPT will lose its exclusive rights if it does not realize certain sales goals or does not agree to certain minimum purchases during the subsequent year of the agreement. Under the Agreement, HPT has the right to permanent exclusivity in the U.S. poultry and kosher foods markets if it realizes its sales goals for the first two years under the agreement and achieves an additional milestone to be agreed by the Company and HPT prior to March 18, 2009. The Agreement may be terminated by the Company or HPT on any anniversary of the Agreement by providing ninety (90) days prior written notice.

The foregoing description is qualified in its entirety by reference to the Agreement, a copy of which is attached hereto as Exhibit 10.1 and incorporated herein by reference. A copy of the press release relating to the announcement is attached as Exhibit 99.1 and is incorporated herein by reference.
