If the subject report could not be filed without unreasonable effort or expense and the registrant seeks relief pursuant to Rule 12b-25(b), the following should be completed. (Check box if appropriate)

- (a) The reasons described in reasonable detail in Part III of this form could not be eliminated without unreasonable effort or expense;
- [X] (b) The subject annual report, semi-annual report, transition report on Form 10-K, Form 10KSB, 20-F, 11-K or Form N-SAR, or portion thereof, will be filed on or before the fifteenth calendar day following the prescribed due date; or the subject quarterly report or transition report on Form 10-Q, 10QSB or portion thereof, will be filed on or before the fifth calendar day following the prescribed due date; and

PART III -- NARRATIVE

State below in reasonable detail the reasons why Forms 10-K, 20-F, 11-K, 10-Q, N-SAR, N-CSR, or the transition or portion thereof, could not be filed within the prescribed time period.

The registrant will not file its Form 10-K by March 17, 2008 due to the divestiture and pending divestiture of certain facilities/operations within its Industrial Segment. With the many adjustments and valuations required, and the requirement to recast prior periods consistent with the discontinued operations, the Company requires the extension to ensure that the reported financial statements are accurate. The registrant continues to dedicate significant resources to the preparation of its financial statements.

PART IV -- OTHER INFORMATION

(1) Name and telephone number of person to contact in regard to this notification:

- (2) Have all other periodic reports under Section 13 or 15(d) of the Securities Exchange Act of 1934 or Section 30 of the Investment Company Act of 1940 during the preceding twelve months or for such shorter period that the registrant was required to file such report(s) been filed? If the answer is no, identify report(s). [X] YES [_] NO
- (3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof? [X] YES [_] NO

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

On May 18, 2007, our Board of Directors authorized the divestiture of our Industrial Segment. In 2007, the Industrial Segment met the held for sale criteria under Statement of Financial Accounting Standards ("SFAS") No. 144, "Accounting for the Impairment or Disposal of Long-Lived Assets", and therefore,

certain assets and liabilities of the Industrial Segment for current and prior fiscal years will be presented as held for sale, and we have ceased depreciation in 2007of the Industrial Segment's long-lived assets classified as held for sale. The result of operations and cash flows of the Industrial Segment will be reclassified in the Consolidated Financial Statements as discontinued operations for all periods presented.

The registrant estimates that it will have revenues of approximately \$54.1 million for fiscal year 2007 for our continuing operations, an increase of \$1.3 million from revenues of \$52.8 million for fiscal year 2006. The registrant estimates that it will have revenues of approximately \$30.4 million and \$35.1 million for our discontinued operations for fiscal year 2007 and 2006, respectively. Also, the registrant estimates it will have net income of approximately \$.5 million and \$5.7 million for our continuing operations for fiscal year 2007 and 2006, respectively, as compared to net loss of approximately \$10.0 million and \$.9 million for fiscal year 2007 and 2006, respectively for our discontinued operations. Our loss for the current fiscalyear for our discontinued operations includes approximately \$6.4 million in asset impairment.
