Under Nevada law and our Bylaws, any action that can be taken at an annual or special meeting of stockholders may be taken without a meeting, without prior notice and without a vote, if a consent in writing, setting forth the action so taken, shall be signed by the holders of a majority of the outstanding shares entitled to vote. Under the NASDAQ Listing Rules, the approval of the issuance of shares of common stock that are more than 20% of the issued and outstanding shares of the issuer’s common stock on a pre-transaction basis for less than the greater of market or book

value for such stock requires the affirmative vote or written consent of a majority of the issued and outstanding shares of Common Stock. On the Record Date, the Company was authorized to issue 100,000,000 shares of Common Stock and there were 38,778,035 shares of Common Stock issued and outstanding with the holders thereof being entitled to cast one vote per share.

On August 17, 2010, the Board of Directors of the Company adopted resolutions approving the transactions in connection with the Issuance. In connection with the adoption of these resolutions, the Board of Directors had been informed that holders of a majority of our outstanding shares of Common Stock were in favor of this proposal and would enter into a written consent approving the Issuance. On September 2, 2010, holders of a total of 26,651,710 outstanding shares of our Common Stock, representing 68.7% of our outstanding shares of Common Stock on the Record Date, consented in writing to the Issuance. The full text of the Stockholder Consent is attached hereto as Exhibit A.

Accordingly, we have obtained all necessary corporate approvals in connection with the Issuance. We are not seeking written consent from any other stockholder, and the other stockholders will not be given an opportunity to vote with respect to the action described in this Information Statement. This Information Statement is furnished solely for the purposes of advising stockholders of the action taken by written consent and giving stockholders notice of such action taken as required by the Exchange Act.

APPROVAL OF THE ISSUANCE OF COMMON STOCK IN EXCESS OF 20% OF THE COMPANY'S ISSUED
AND OUTSTANDING COMMON STOCK

Purpose of the Private Placement Transaction

Our Board of Directors believes it is in the best interests of the Company to borrow up to RMB 200 million to complete the Phases IV and V of the Erdos TCH Energy Saving Development Co., Ltd project and other working capital needs. The Issuance is an integral part of this loan transaction.

Description of Private Placement Transaction

Notes and Loans

On August 18, 2010, the Company and its wholly-owned subsidiaries Sifang Holdings Co., Ltd. ("Sifang"), Shanghai TCH Energy Technology Co., Ltd. ("Shanghai TCH"), Xi'an TCH Energy Technology Co., Ltd. ("Xi'an TCH") entered into a Notes Purchase Agreement (the "Note Agreement") with China Cinda (HK) Asset Management Co., Ltd, a company organized under the laws of the Hong Kong Special Administrative Region of China ("Cinda"). Under the terms of the Note Agreement, the Company will issue and sell to Cinda and Cinda will purchase from the Company two tranches of convertible notes (the "Notes"), each having a principal amount equal to the US Dollar equivalent of RMB 50 million. Also on August 18, 2010, Xi'an TCH and affiliates of Cinda, China Jingu International Trust Co. Ltd. ("Jingu") and Well Kent (Shenzhen) Co., Ltd. ("Well Kent" and collectively with Jingu, the "Onshore Lenders"), also entered into a Capital Trust Loan Agreement ("Trust Loan Agreement"), in which the Onshore Lenders will raise RMB 100 million under a Jingu CREG Recycling Economy No. 1 Collective Fund Trust Plan ("Trust Plan") and lend such amount under the Trust Plan to Xi'an TCH (the "Loans"). If the Loans under the Trust Loan Agreement do not occur, then under the Note Agreement the principal amount of the Notes to be issued in each tranche will be the US dollar equivalent of RMB 100 million. All proceeds from the Notes and the Loans will be used to complete the Phases IV and V of the Erdos TCH Energy Saving Development Co., Ltd. ("Erdos TCH") project, a joint venture between Xi'an TCH and Erdos Metallurgy Co., Ltd. to recycle waste heat from Erdos Metallurgy's refining plants to generate power and steam and sell them back to Erdos Metallurgy, as well as other working capital needs. The Notes will be issued and the Loans will be made upon a request from the Company, which request must be at least forty-five (45) days prior to the applicable closing, although the forty-five (45) day period can be waived.

The term of the Loans is for three years from the date of the first draw down. The interest rate for the Loans is the People's Bank of China ("PBOC")'s three year loan base interest rate plus two percent (2%). If the Loans are not exchanged or fully exchanged for shares of the Common Stock of the Company as described below prior to maturity, Xi'an TCH will pay the difference between the interest rate described above and a rate of 18% on the outstanding amount. Under the Trust Loan Agreement and separate agreements entered by Jingu, Erdos TCH, Shanghai TCH, Xi'an TCH and Mr. Guohua Ku on August 18, 2010, Erdos TCH shall pledge the accounts receivable, equipment and assets of its Phases IV and V projects to Jingu as a guarantee to the Loans, Xi'an TCH shall pledge its 80% equity in Erdos TCH to Jingu as a guarantee to the Loans, Shanghai TCH shall provide a joint liability guarantee to Jingu for the Loans, and Mr. Guohua Ku shall provide his personal joint liability to Jingu for the Loans.

Under the Note Agreement the Notes shall be issued before August 18, 2011. The Notes have a three year maturity date from the date of the issuance of the first tranche. The exchange rate between RMB and US Dollar for each issue of Notes is the middle rate published by the PBOC for the second business day prior to each issuance. Each Note bears interest at a rate equal to that of PBOC base interest rate for the relevant interest period (the period commencing on and including January 1 of each year and ending on and including December 31 of such year) plus two percent (2%). If Cinda does not convert or fully convert the Notes to shares prior to maturity, the Company will pay the difference between the interest rate described above and a rate of 18% on the outstanding amount.

Conversion of Notes / Exchange of Loans

Each Note will be immediately convertible upon issuance to Common Stock at a conversion price of the lower of (i) US\$ 2.46 per share or (ii) an amount equal to the Company's earnings per share based upon the consolidated earnings of the Company for 2010 on a weighted average fully diluted basis, multiplied by 7. The Company also entered into an Exchange Rights Agreement pursuant to which the debt under the Loans can be immediately exchanged (on the same terms as the Notes can be converted) for shares of the Common Stock. The Common Stock issuable upon conversion of the Notes and exchange of the debt under the Loans can in turn be registered under a registration rights agreement between the Company and Cinda, both for itself as the lender and investor under the Note Agreement and as Agent for the Onshore Lenders. For a further description of the registration rights agreement as well as other agreements entered into in connection with the above described transaction, including an amended and restated shareholders agreement, please see the Company's Current Report on Form 8-K, filed on August 20, 2010.

Reason for Stockholder Approval and Effect of the Issuance

Pursuant to Nasdaq Stock Market Listing Rule 5635, if an issuer intends to issue securities in a transaction which could result in the issuance of more than 20% of the issued and outstanding shares of the issuer's common stock on a pre-transaction basis for less than the greater of market or book value for such stock, the issuer must obtain the prior approval of its stockholders before an issuance equal to or in excess of 20%. As of September 2, 2010, the Company had 38,778,035 shares of Common Stock issued and outstanding (the "Outstanding Shares"). The maximum number of shares of Common Stock issuable upon conversion of the Notes and exchange of the debt under the Loans, assuming the Company borrows the full RMB 200 million, is expected to result in the issuance of a number of shares that is at least equal to 31% of the Outstanding Shares on a pre-transaction basis (assuming no change from current exchange rates). The exact number of shares issuable is dependent on (i) the applicable exchange rate between RMB and US Dollar as published by the PBOC for the second business day prior to each issuance and (ii) the consolidated earnings of the Company for 2010. As a result, the total possible number of shares issuable in the transaction is expected to exceed 20% of the voting power of the Outstanding Shares for a price less than the greater of market or book value for such stock and consequently, the approval of holders of a majority of the Outstanding Shares was required.

Action Taken

The affirmative vote of the holders of 26,651,710 shares of Common Stock or approximately 68.7% of the Outstanding Shares entitled to vote on this corporate action, has been received in the form of a written consent in lieu of special meeting, attached hereto as Exhibit A, approving the issuance of (i) the Notes, which are convertible into Common Stock, (ii) the Common Stock issuable upon conversion of the Notes, (iii) the debt under the Loans, which is exchangeable for Common Stock, and (iv) the Common Stock issuable upon exchange of the debt under the Loans.

Effective Date of the Issuance

The initial Notes will be issued and the first Loans will be made forty-five (45) days after the Company provides notice to Cinda and the Onshore Lenders requesting the initial funds. The forty-five (45) day period may be waived, although, pursuant to Rule 14c-2 under the Exchange Act, the date of the issuance of the initial Notes and the issuance of the initial debt under the Loans must be at least 20 days after the date on which this Information Statement has been mailed to the stockholders.

DISSENTERS' RIGHTS OF APPRAISAL

Under the General Corporation Law of the State of Nevada, our stockholders are not entitled to appraisal rights with respect to the Issuance.

INTEREST OF CERTAIN PERSONS IN OR OPPOSITION TO MATTERS TO BE ACTED UPON

No director of the Company has informed the Company that he intends to oppose the proposed actions to be taken by the Company as set forth in this Information Statement.
