**Stellus Capital Investment Corporation Prices Public Offering of Common Stock**

HOUSTON—March 15, 2019/PRNewswire/-- Stellus Capital Investment Corporation (NYSE: SCM) (the “Company”) today announced that it has priced a public offering of 2,750,000 shares of common stock in an underwritten public offering. The public offering price was set at \$14.43 per share and net proceeds from the offering, after deducting underwriting discounts and estimated offering expenses payable by the Company, are expected to be approximately \$38.6 million. The Company has also granted the underwriters an option, exercisable for 30 days, to purchase up to 412,500 additional shares of common stock. Stellus Capital Management, LLC, the Company’s investment advisor, has agreed to bear \$0.2372 per share of the underwriting discount in connection with the shares sold in the offering.

The Company intends to use the net proceeds from this offering to repay a portion of the amount outstanding under its credit facility, for general corporate purposes, which may include investing in debt or equity securities, and other general corporate purposes, including working capital requirements.

Raymond James & Associates, Inc., Keefe, Bruyette & Woods, Inc., *A Stifel Company*, and Goldman Sachs & Co. LLC are acting as joint book-running managers for this offering. Ladenburg Thalmann & Co. Inc., BB&T Capital Markets and Janney Montgomery Scott LLC are co-managers for the offering.

The shares will be sold pursuant to an effective shelf registration statement on Form N-2 that has been filed with, and has been declared effective by, the Securities and Exchange Commission.

The offering is subject to customary closing conditions and is expected to close on March 19, 2019.
