Edgar Filing: INTERLEUKIN GENETICS INC - Form 8-K

Item 2.02 Results of Operations and Financial Condition.

The Registrant is furnishing its press release dated April 1, 2005, which announced that it is conducting a review of the accounting treatment of its March 2003 sale of Series A Convertible Preferred Stock and convertible long-term debt in its previously reported financial statements for the year ended December 31, 2003 and that the filing of its Annual Report on Form 10-K for the year ended December 31, 2004 will be delayed until the completion of the review.

The Registrant is also furnishing its press release dated April 7, 2005 which announced that it is continuing its review of the accounting of the convertible Preferred stock and convertible Long-term Debt. The Registrant also announced that it is reviewing the accounting treatment of its research and development agreements with affiliates of Alticor. As a result of its review, the Registrant expects to restate its previously reported financial statements and reclassify some or all of the payments received under those research agreements from revenue to equity. The Registrant expects to file its Annual Report on Form 10-K for the year ended December 31, 2004 during the week of April 11, 2005 and will schedule an investor conference call shortly thereafter.

The press releases are attached to this Report as Exhibit 99.1 and 99.2 and are incorporated by reference herein.

Item 9.01 Financial Statements and Exhibits.
