APPROVAL OF THE AUTOINFO 2006 STOCK OPTION PLAN

In June 2006 the Board of Directors (the "Board") adopted, subject to stockholder approval, the AutoInfo 2006 Stock Option Plan (the "2006 Plan"), which provides for the grant to AutoInfo's employees, directors and consultants of incentive and/or non-qualified stock options to purchase up to 3,000,000 shares of Common Stock.

The purpose of the 2006 Plan is to provide incentives to employees, directors and consultants whose performance will contribute to our long-term success and growth, to strengthen our ability to attract and retain employees, directors and consultants of high competence, to increase the identity of interests of such people with those of our stockholders and to help build loyalty to AutoInfo through recognition and the opportunity for stock ownership. A committee of the Board administers the 2006 Plan.

The following description of the 2006 Plan is a summary and is qualified in its entirety by reference to the 2006 Plan, a copy of which is annexed hereto as Appendix A.

Eligibility

Under the 2006 Plan, incentive stock options may be granted only to employees and non-qualified stock options may be granted to employees, directors and consultants. As of April 25, 2007, we had approximate fifty employees eligible to participate in the 2006 Plan, the approximate number of non-employee Board members who will be eligible to participate in the 2006 Plan is two and we do not currently have any consultants that we are considering for participation in the 2006 Plan. Options granted under the 2006 Plan, to date, are set forth in the following table:

NEW PLAN BENEFITS		

2006 PLAN		

Name and Position	Dollar Value(\$)(1)	Number of Units
-----	-----	-----
Harry M. Wachtel, President and CEO	\$ 41,000	500,000
William I. Wunderlich, EVP and CFO	\$ 25,000	300,000
Mark Weiss, National account executive	\$ 17,000	200,000
All executive officers as a group(four)	\$ 83,000	1,000,000
All non-executive directors as a group(two)	\$ 17,000	200,000
Non-executive officer employee group	\$205,000	845,000

(1) Amounts are calculated using the provisions of Statement of Financial Accounting Standards (SFAS) No. 123R, Share-based Payments.

Terms of Options

The 2006 Plan permits the granting of both incentive stock options and

Edgar Filing: AUTOINFO INC - Form DEF 14C

non-qualified stock options. Generally, the option price of both incentive stock options and non-qualified stock options must be at least equal to 100% of the fair market value of the shares on the date of grant. The maximum term of each option is ten years. For any participant who owns shares possessing more than 10% of the voting rights of AutoInfo's outstanding shares of Common Stock, the exercise price of any incentive stock option must be at least equal to 110% of the fair market value of the shares subject to such option on the date of grant and the term of the option may not be longer than five years. Options become exercisable at such time or times as the Board committee may determine at the time it grants options.

Federal Income Tax Consequences

Non-qualified Stock Options. The grant of non-qualified stock options will have no immediate tax consequences to AutoInfo or the grantee. The exercise of a non-qualified stock option will require an employee to include in his gross income the amount by which the fair market value of the acquired shares on the exercise date (or the date on which any substantial risk of forfeiture lapses) exceeds the option price. Upon a subsequent sale or taxable exchange of the shares acquired upon exercise of a non-qualified stock option, an employee will recognize long or short-term capital gain or loss equal to the difference between the amount realized on the sale and the tax basis of such shares.

We will be entitled (provided applicable withholding requirements are met) to a deduction for Federal income tax purposes at the same time and in the same amount as the employee is in receipt of income in connection with the exercise of a non-qualified stock option.

Incentive Stock Options. The grant of an incentive stock option will have no immediate tax consequences to the employee. Beginning in 2006, companies are required to recognize an immediate expense from the grant of incentive stock options. If the employee exercises an incentive stock option and does not dispose of the acquired shares within two years after the grant of the incentive stock option nor within one year after the date of the transfer of such shares to him (a "disqualifying disposition"), he will realize no compensation income and any gain or loss that he realizes on a subsequent disposition of such shares will be treated as a long-term capital gain or loss. For purposes of calculating the employee's alternative minimum taxable income, however, the option will be taxed as if it were a non-qualified stock option.

The following table sets forth, as of December 31, 2006, information concerning our stock option plans, as well as information relating to other equity compensation plans that we have adopted.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

We provide what we believe is a competitive total compensation package to our executive management team through a combination of base salary, annual cash and equity incentives and the right to participate in our broad-based benefits program. We place significant emphasis on incentive compensation directly related to our financial performance.

This Compensation Discussion and Analysis explains our compensation philosophy, policies and practices with respect to our named executive officers which includes our chief executive officer, chief financial officer, and our national account executive.

The Objectives of our Executive Compensation Program

Our compensation committee is responsible for establishing and administering our policies governing the compensation for all of our executive officers. The compensation committee is composed entirely of non-employee independent directors. See "Committees of the Board" above.

The purpose of our executive compensation program is to attract, retain and motivate qualified executives to manage our business so as to maximize profits and stockholder value. Executive compensation in the aggregate is made up principally of the executive's annual base salary, a bonus based upon operating earnings, a discretionary bonus which may be awarded by our compensation committee and awards of stock or stock options under our Stock Option Plans. Our compensation committee annually considers and makes recommendations to our Board as to executive compensation including changes in base salary, bonuses and awards of our stock or stock options.

Consistent with the above-noted purpose of the executive compensation program, in recommending the aggregate annual compensation of our executive officers, our compensation committee considers our overall performance and the individual contribution and performance of the executive with our overall performance being the more significant factor. While stockholders' total return is important and is considered by the compensation committee, it is subject to the vagaries of the public market place. Our executive compensation program focuses on our strategic plans, corporate performance measures, and specific corporate goals which should lead to a favorable stock price. The corporate

Edgar Filing: AUTOINFO INC - Form DEF 14C

performance measure which our compensation committee considers include sales, earnings, return on equity and comparisons of sales and earnings with prior years and with budgets.

Our compensation committee does not rely on any fixed formulae or specific numerical criteria in determining an executive's aggregate compensation. It considers corporate and personal performance criteria, competitive compensation levels, the economic environment and changes in the cost of living as well as the recommendations of management. Our compensation committee then exercises business judgment based on all of these criteria and the purposes of the executive compensation program.

8

The Elements of Our Executive Compensation Program

Overall, our executive compensation programs are designed to be consistent with the objectives and principles set forth above. The basic elements of our executive compensation programs are summarized in the table below, followed by a more detailed discussion of each element of compensation.

Element	Characteristics	Purpose
Base salary	Fixed annual cash compensation; all executives are eligible for periodic increases in base salary based on performance; targeted at the median market pay level.	Keep our annual compensation competitive with the skills and experience to meet the requirements of executive's role with
Incentive bonus awards	Performance-based annual cash and equity incentive earned based on company and individual performance against target performance levels; targeted at the median market pay level.	Motivate and reward achievement and over of our critical financial strategic goals. Amount for achievement of target performance levels based on annual budget is designed to provide a market-competitive package at median potential for lesser amounts are intended participants to achieve our financial performance and to not reward if goals are not met.
Health & welfare benefits	Fixed component. The same/comparable health & welfare benefits (medical, dental, vision, disability insurance and life insurance) are available for all full-time employees.	Provides benefits to health and welfare for employees and their

Annual Compensation

To attract and retain executives with the ability and the experience

Edgar Filing: AUTOINFO INC - Form DEF 14C

necessary to lead us and deliver strong performance to our stockholders, we provide a competitive total compensation package. Base salaries are established considering individual performance and experience, to ensure that each executive is appropriately compensated.

Base Salary

Our compensation committee reviews salary ranges and individual salaries for our executive officers and establishes the base salary for each executive officer based on the following:

9

- o consideration of median pay levels in our peer group among individuals in comparable positions with transferable skills within the transportation industry and comparable companies in general industry;
- o internal factors, such as, the individual's performance and experience, and the pay of others on the executive team;
- o our overall performance and the individual contribution and performance of the executive with our overall performance being the more significant factor; and
- o with a focus on our strategic plans, corporate performance measures, and specific corporate goals which should lead to a favorable stock price including, our sales, earnings, return on equity and comparisons of sales and earnings with prior years and with budgets.

When establishing the base salary of any executive officer, we believe that a competitive base salary is necessary to attract and retain an executive management team with the appropriate abilities and experience required to lead us. The base salaries paid to our named executive officers are set forth below in the Summary Compensation Table. We believe that the base salary paid to our executive officers during 2006 achieves our executive compensation objectives, compares favorably to our peer group and is within our target of providing a base salary at the market median.

Incentive Bonus Awards

Cash Bonuses

Cash incentive bonus awards are solely based on established and pre-approved percentages of pre-tax profit levels, are paid quarterly and adjusted on an annual basis. Our compensation committee also exercises discretion adjusting awards based on its consideration of our overall performance during the year and each executive officer's individual performance, other than the chief executive officer and the chief financial officer, based on a review of the executive's performance as communicated to the compensation committee by the chief executive officer.

Health and Welfare Benefits

All full-time employees, including our named executive officers, may participate in our health and welfare benefit programs, including medical, dental and vision care coverage, disability insurance and life insurance.

Overview of 2006 Compensation

Edgar Filing: AUTOINFO INC - Form DEF 14C

We believe that the total compensation paid to our named executive officers for the fiscal year ended December 31, 2006 achieves the overall objectives of our executive compensation program. In accordance with our overall objectives, executive compensation for 2006 was competitive with our peer group and was weighted more heavily to pay for performance.

Employment Agreements, Severance Benefits and Change in Control Provisions

We have employment agreements with our chief executive officer, Harry M. Wachtel, and our chief financial officer, William I. Wunderlich. We entered into these agreements, effective January 1, 2007, to ensure the performance of their roles for an extended period of time. In addition, we also considered the critical nature of the position and our need to retain them when we committed to these agreements. The agreements

10

provide for annual base salaries of \$250,000 and \$175,000, respectively, and for participation in all executive benefit plans. Each of Mr. Wachtel's and Mr. Wunderlich's agreements provide that they will each be entitled to a bonus equal to 10% of our consolidated pre-tax profit (as defined in their respective employment agreements) up to \$1,250,000 and 5% of our consolidated pre-tax profit in excess of \$1,250,000. Annual salaries and bonuses shall not exceed \$750,000 for Mr. Wachtel and \$675,000 for Mr. Wunderlich. The employment contracts with both Mr. Wachtel and Mr. Wunderlich are for terms expiring in December 2011. If either is terminated for cause or terminates without good reason (as defined in the agreements), we are obligated to pay only those wages and bonuses pursuant to the terms of our annual incentive plan and other compensation then vested. If either Mr. Wachtel or Mr. Wunderlich is terminated without cause or if either terminates his employment agreement for good reason (as defined in the agreements), in addition to the payment of amounts then vested, in exchange for a general release of all claims, such executive is entitled to:

- o The immediate vesting of any unvested stock options and one-year from the date of such termination to exercise such options;
- o Salary for the remaining term of the agreement, if any; and
- o Bonus based on a pre-determined percentage of pre-tax profit for the remaining term of the agreement, if any.

We have granted options that remain outstanding under our 2006 Plan. The 2006 Plan contains certain change in control provisions to ensure that our executives remain with us through the closing of any sale of the business.

The 2006 Plan

Under our 2006 Plan, in the event of a "change in control" as defined in the 2006 Plan, the following occurs with respect to options granted under the 2006 Plan:

- o Each outstanding option automatically accelerates so that each option becomes fully exercisable for all of the shares of the related class of Common Stock at the time subject to such option immediately before the change in control;

A change of control for purposes of the 2006 Plan is deemed to have occurred if:

Edgar Filing: AUTOINFO INC - Form DEF 14C

o Any "person" (a) other than us or any of our subsidiaries, (b) any of our or our subsidiaries' employee benefit plans, (c) any "affiliate," (d) a company owned, directly or indirectly, by our stockholders, or (e) an underwriter temporarily holding our securities pursuant to an offering of such securities, becomes the "beneficial owner," directly or indirectly, of more than 50% of our voting stock;

o The individuals who constitute our Board on the effective date of the 2006 Plan (or any individual who was appointed to the Board by a majority of the individuals who constitute our Board as of the effective date of the 2006 Plan) cease for any reason to constitute at least a majority of our Board.

o A merger or consolidation transferring greater than 50% of the voting power of our outstanding securities to a person or persons different from the persons holding those securities immediately prior to such transaction; or

o The disposition of all or substantially all of our assets in a complete liquidation or dissolution.

Tax Deductibility of Executive Compensation

Section 162(m) of the Internal Revenue Code of 1996, as amended (the "Code"), generally disallows a tax deduction to public companies for compensation over \$1 million paid to the chief executive officer and four

11

other most highly compensated executive officers, unless the compensation is considered performance based. The compensation disclosed in this report does not exceed the \$1 million limit, and executive compensation for 2006 is also expected to qualify for deductibility. We currently intend to structure the performance-based portion of our executive officers' compensation to achieve maximum deductibility under Section 162(m) of the code with minimal sacrifices in flexibility and corporate objective.

Although deductibility of compensation is preferred, tax deductibility is not a primary objective of our compensation programs. We believe that achieving our compensation objectives set forth above is more important than the benefit of tax deductibility and we reserve the right to maintain flexibility in how we compensate our executive officers that may result in limiting the deductibility of amounts of compensation from time to time.

Summary Compensation Table

The following table sets forth certain information with respect to compensation for the year ended December 31, 2006 earned by or paid to our chief executive officer, chief financial officer and our other most highly compensated executive officers in 2006 whose total compensation exceeded \$100,000 (the "named executive officers").

Discussion of Summary Compensation

Our executive compensation policies and practices, pursuant to which the compensation set forth in the Summary Compensation Table was paid, are described above under "Compensation Discussion and Analysis." A summary of certain material terms of our compensation plans and arrangements is set forth below.

Indemnification Arrangements

Our Certificate of Incorporation also provides that a director will not be personally liable to us or to our stockholders for monetary damages for breach of the fiduciary duty of care as a director. This provision does not eliminate or limit the liability of a director:

- o for breach of his or her duty of loyalty to us or to our stockholders;

12

- o for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law;
- o under Section 174 of the Delaware General Corporation Law (relating to unlawful payments or dividends or unlawful stock repurchases or redemptions); or

The Committee shall have the authority in its discretion, subject to and not inconsistent with the express provisions of the Plan, to administer the Plan and to exercise all the powers and authorities either specifically granted to it under the Plan or necessary or advisable in the administration of the Plan, including, without limitation, the authority to grant Options; to determine which Options shall constitute Incentive Stock Options and which Options shall constitute Nonqualified Stock Options; to determine the purchase price of the shares of Common Stock covered by each Option; to determine the persons to whom, and the time or times at which awards shall be granted; to determine the number of shares to be covered by each award; to interpret the Plan; to prescribe, amend and rescind rules and regulations relating to the Plan; to determine the terms and provisions of the Agreements (which need not be identical) and to

4

cancel or suspend awards, as necessary; and to make all other determinations deemed necessary or advisable for the administration of the Plan.

The Committee may not delegate its authority to grant Options. The Committee may employ one or more persons to render advice with respect to any responsibility the Committee may have under the Plan. The Board shall have sole authority, unless expressly delegated to the Committee, to grant Options to Nonemployee Directors. All decisions, determination and interpretations of the Committee shall be final and binding on all Optionees of any awards under this Plan.

The Board shall have the authority to fill all vacancies, however caused, in the Committee. The Board may from time to time appoint additional members to the Committee, and may at any time remove one or more Committee members. One member of the Committee shall be selected by the Board as chairman. The Committee shall hold its meetings at such times and places as it shall deem advisable. All determinations of the Committee shall be made by a majority of its members either present in person or participating by conference telephone at a meeting or by written consent. The Committee may appoint a secretary and make such rules and regulations for the conduct of its business as it shall deem advisable, and shall keep minutes of its meetings.

No member of the Board or Committee shall be liable for any action taken or determination made in good faith with respect to the Plan or any award granted hereunder.

4. Eligibility.

Awards may be granted to officers and other key employees of and consultants to the Company, and its Subsidiaries, including officers and directors who are employees, and to Nonemployee Directors. In determining the persons to whom awards shall be granted and the number of shares to be covered by each award, the Committee shall take into account the duties of the respective persons, their present and potential contributions to the success of the Company and such other factors as the Committee shall deem relevant in connection with accomplishing the purpose of the Plan.

5. Stock.

The maximum number of shares of Common Stock reserved for the grant of awards under the Plan shall be Three Million (3,000,000), subject to

Edgar Filing: AUTOINFO INC - Form DEF 14C

adjustment as provided in Section 9 hereof. Such shares may, in whole or in part, be authorized but unissued shares or shares that shall have been or may be reacquired by the Company. The Company, during the term of this Plan, will at all times reserve and keep available such number of shares of Common Stock as shall be sufficient to satisfy the requirements of the Plan.

If any outstanding award under the Plan should for any reason expire, be canceled or be forfeited without having been exercised in full, the shares of Common Stock allocable to

5

the unexercised, canceled or terminated portion of such award shall (unless the Plan shall have been terminated) become available for subsequent grants of awards under the Plan.

6. Terms and Conditions of Options.

Each Option granted pursuant to the Plan shall be evidenced by an Agreement, in such form and containing such terms and conditions as the Committee shall from time to time approve, which Agreement shall comply with and be subject to the following terms and conditions, unless otherwise specifically provided in such Agreement:

(a) Number of Shares. Each Agreement shall state the number of shares of Common Stock to which the Option relates.

(b) Type of Option. Each Agreement shall specifically state that the Option constitutes an Incentive Stock Option or a Nonqualified Stock Option.

(c) Option Price. Each Agreement shall state the Option Price, which shall not be less than one hundred percent (100%) of the Fair Market Value per share of Common Stock covered by the Option on the date of grant. The Option Price shall be subject to adjustment as provided in Section 9 hereof. The date as of which the Committee adopts a resolution expressly granting an Option shall be considered the day on which such Option is granted, unless such resolution specifies a different date.

(d) Exercise Schedule and Period of Options. Each Agreement shall provide the exercise schedule for the Option as determined by the Committee; provided, however, that, the Committee shall have the authority to accelerate the exercisability of any outstanding Option at such time and under such circumstances as it, in its sole discretion, deems appropriate. The exercise period shall be ten (10) years from the date of the grant of the Option unless otherwise determined by the Committee; provided, however, that, in the case of an Incentive Stock Option, such exercise period shall not exceed ten (10) years from the date of grant of such Option. The exercise period shall be subject to earlier termination as provided in Sections 6(f), 6(g) and 6(h) hereof. An Option may be exercised, as to any or all full shares of Common Stock as to which the Option has become exercisable, by written notice delivered in person or by mail to the Chief Financial Officer of the Company, specifying the number of shares of Common Stock with respect to which the Option is being exercised.

(e) Medium and Time of Payment. The Option Price multiplied by the number of shares of Common Stock exercised by the Optionee shall be paid in full, at the time of exercise, in cash.

(f) Termination. Except as provided in this Section 6(f) and in Sections 6(g) and 6(h) hereof, an Option may not be exercised unless (i) with respect to an Optionee who is an employee of the Company or a Subsidiary, the

Edgar Filing: AUTOINFO INC - Form DEF 14C

Optionee is then in the employ of the Company or a Subsidiary (or a company or a Parent or Subsidiary company of such company issuing or assuming the Option in a transaction to which Section 424(a) of the Code applies), and unless the

6

Optionee has remained continuously so employed since the date of grant of the Option and (ii) with respect to an Optionee who is a Nonemployee Director, the Optionee is then serving as a member of the Board or as a member of a board of directors of a company or a Parent or Subsidiary company of such company issuing or assuming the Option. In the event that the employment of an Optionee shall terminate or the service of an Optionee as a member of the Board shall cease (other than by reason of death or Disability), all Options of such Optionee that are exercisable at the time of such termination may, unless earlier terminated in accordance with their terms, be exercised within ninety (90) days after the date of such termination of service (or such different period as the Committee shall prescribe).

(g) Death or Disability of Optionee. If an Optionee shall die while employed by the Company or a Subsidiary or serving as a member of the Board, or within ninety (90) days after the date of termination of such Optionee's employment or cessation of such Optionee's service which shall not have been for Cause, in which case this Section 6(g) shall not be applicable, (or within such different period as the Committee may have provided pursuant to Sections 6(f) hereof), or if the Optionee's employment shall terminate or service shall cease by reason of Disability, all Options theretofore granted to such Optionee (to the extent otherwise exercisable) may, unless earlier terminated in accordance with their terms, be exercised by the Optionee or by his beneficiary, at any time within one year after the death or Disability of the Optionee (or such different period as the Committee shall prescribe). In the event that an Option granted hereunder shall be exercised by the legal representatives of a deceased or former Optionee, written notice of such exercise shall be accompanied by a certified copy of letters testamentary or equivalent proof of the right of such legal representative to exercise such Option. Unless otherwise determined by the Committee, Options not otherwise exercisable on the date of termination of employment shall be forfeited as of such date.

(h) Termination for Cause. In the event that the employment of an Optionee shall terminate or the service of an Optionee as a member of the Board shall cease for Cause, all Options of such Optionee that are exercisable at the time of such termination may, unless earlier terminated in accordance with their terms, be exercised within thirty (30) days after the date of such termination of service (or such different period as the Committee shall prescribe).

(i) Other Provisions. The Agreements evidencing awards under the Plan shall contain such other terms and conditions not inconsistent with the Plan as the Committee may determine, including penalties for the commission of competitive acts.

7. Nonqualified Stock Options.

Options granted pursuant to this Section 7 are intended to constitute Nonqualified Stock Options and shall be subject only to the general terms and conditions specified in Section 6 hereof.

8. Incentive Stock Options.

Options granted pursuant to this Section 8 are intended to constitute Incentive Stock Options and shall be subject to the following special

Edgar Filing: AUTOINFO INC - Form DEF 14C

terms and conditions, in addition to

7

the general terms and conditions specified in Section 6 hereof. An Incentive Stock Option may not be granted to a Nonemployee Director or a consultant to the Company.

(a) Value of Shares. The aggregate Fair Market Value (determined as of the date the Incentive Stock Option is granted) of the shares of Common Stock with respect to which Incentive Stock Options granted under this Plan and all other option plans of any subsidiary become exercisable for the first time by each Optionee during any calendar year shall not exceed \$100,000.

(b) Ten Percent Stockholder. In the case of an Incentive Stock Option granted to a Ten Percent Stockholder, (i) the Option Price shall not be less than one hundred ten percent (110%) of the Fair Market Value per share of Common Stock on the date of grant of such Incentive Stock Option, and (ii) the exercise period shall not exceed five (5) years from the date of grant of such Incentive Stock Option.

9. Effect of Certain Changes.

(a) In the event of any stock dividend, recapitalization, merger, consolidation, stock split, or combination or exchange of such shares, or other similar transactions, each of the number of shares of Common Stock available for awards, the number of such shares covered by outstanding awards, and the Option Price, as appropriate, shall be equitably adjusted by the Committee to reflect such event and preserve the value of such awards.

(b) Upon the occurrence of a Change in Control, each Option granted under the Plan and then outstanding but not yet exercisable shall thereupon become fully exercisable.

10. Surrender and Exchange of Awards.

The Committee may permit the voluntary surrender of all or a portion of any Option granted under the Plan or any option granted under any other plan, program or arrangement of the Company or any Subsidiary ("Surrendered Option"), to be conditioned upon the granting to the Optionee of a new Option for the same number of shares of Common Stock as the Surrendered Option, or may require such voluntary surrender as a condition precedent to a grant of a new Option to such Optionee. Subject to the provisions of the Plan, such new Option may be an Incentive Stock Option or a Nonqualified Stock Option, and shall be exercisable at the price, during such period and on such other terms and conditions as are specified by the Committee at the time the new Option is granted.

11. Period During Which Awards May Be Granted.

Awards may be granted pursuant to the Plan from time to time within a period of ten (10) years from the date the Plan is adopted by the Board, or the date the Plan is approved by the shareholders of the Company, whichever is earlier, unless the Board shall terminate the Plan at an earlier date.

8

12. Nontransferability of Awards.

Edgar Filing: AUTOINFO INC - Form DEF 14C

Except as otherwise determined by the Committee, awards granted under the Plan shall not be transferable otherwise than by will or by the laws of descent and distribution, and awards may be exercised or otherwise realized, during the lifetime of the Optionee, only by the Optionee or by his guardian or legal representative.

13. Approval of Stockholders.

The Plan shall take effect upon its adoption by the Board and shall terminate on the tenth anniversary of such date, but the Plan (and any grants of awards made prior to the shareholder approval mentioned herein) shall be subject to the approval of Company's shareholders, which approval must occur within twelve months of the date the Plan is adopted by the Board.

14. Agreement by Optionee Regarding Withholding Taxes.

If the Committee shall so require, as a condition of exercise of a Nonqualified Stock Option (a "Tax Event"), each Optionee who is not a Nonemployee Director shall agree that no later than the date of the Tax Event, such Optionee will pay to the Company or make arrangements satisfactory to the Committee regarding payment of any federal, state or local taxes of any kind required by law to be withheld upon the Tax Event. Alternatively, the Committee may provide that such an Optionee may elect, to the extent permitted or required by law, to have the Company deduct federal, state and local taxes of any kind required by law to be withheld upon the Tax Event from any payment of any kind due the Optionee. The withholding obligation may be satisfied by the withholding or delivery of Common Stock. Any decision made by the Committee under this Section 14 shall be made in its sole discretion.

15. Amendment and Termination of the Plan.

The Board at any time and from time to time may suspend, terminate, modify or amend the Plan; provided, however, that, unless otherwise determined by the Board, an amendment that requires stockholder approval in order for the Plan to continue to comply with Rule 16b-3, Section 162(m) of the Code or any other law, regulation or stock exchange requirement shall not be effective unless approved by the requisite vote of stockholders. Except as provided in Section 9(a) hereof, no suspension, termination, modification or amendment of the Plan may adversely affect any award previously granted, unless the written consent of the Optionee is obtained.

16. Rights as a Stockholder.

An Optionee or a transferee of an award shall have no rights as a stockholder with respect to any shares covered by the award until the date of the issuance of a stock certificate to such for such shares. No adjustment shall be made for dividends (ordinary or extraordinary,

9

whether in cash, securities or other property) or distribution of other rights for which the record date is prior to the date such stock certificate is issued, except as provided in Section 9(a) hereof.

17. No Rights to Employment or Service as a Director or Consultant.

Nothing in the Plan or in any award granted or Agreement entered into pursuant hereto shall confer upon any Optionee the right to continue in the employ of the Company or any Subsidiary or as a member of the Board or a consultant to the Company or any Subsidiary or to be entitled to any

Edgar Filing: AUTOINFO INC - Form DEF 14C

remuneration or benefits not set forth in the Plan or such Agreement or to interfere with or limit in any way the right of the Company or any such Subsidiary to terminate such Optionee's employment or service. Awards granted under the Plan shall not be affected by any change in duties or position of an employee Optionee as long as such Optionee continues to be employed by the Company or any Subsidiary.

18. Beneficiary.

An Optionee may file with the Committee a written designation of a beneficiary on such form as may be prescribed by the Committee and may, from time to time, amend or revoke such designation. If no designated beneficiary survives the Optionee, the executor or administrator of the Optionee's estate shall be deemed to be the Optionee's beneficiary.

19. Governing Law.

The Plan and all determinations made and actions taken pursuant hereto shall be governed by the laws of the State of Delaware.

20. Other Compensation Plans.

The adoption of the Plan shall not affect any other stock option or other compensation plans in effect for the Company or any Subsidiary, nor shall the Plan preclude the Company from establishing any other forms of incentive or other compensation plans.

21. Singular, Plural; Gender.

Whenever used herein, nouns in the singular shall include the plural, and the masculine pronoun shall include the feminine gender.

22. Headings, Etc., No Part Of Plan.

Headings of Sections hereof are inserted for convenience and reference; they constitute no part of the Plan.
