Group designs, imports and sells contemporary branded apparel and accessories, primarily in Canada and the United States.

Pursuant to the Purchase Agreement, the Company and its subsidiaries will acquire (1) all the outstanding capital stock of four principal operating subsidiaries of The Buffalo Group, Buffalo Inc., 3163946 Canada Inc., 3681441 Canada Inc. and Buffalo Corporation, and (2) certain assets, consisting primarily of intellectual property rights and licenses, from The Buffalo Trust. The consideration for the stock and assets to be purchased by the Company under the Purchase Agreement will consist of:

- o \$40,000,000 in cash, subject to reduction prior to closing;
- o \$15,000,000 in promissory notes that are due and payable in five equal annual installments beginning on the second anniversary of the closing date;
- o The issuance to the sellers of 13,000,000 exchangeable shares of the Company's Canadian subsidiary, which shares will be exchangeable by the holders into shares of the Company's common stock on a 1-to-1 basis;
- o The issuance by the Company to a trustee of shares of Series A Special Voting Preferred Stock of the Company that will entitle the sellers to direct the trustee to vote a number of shares equal to the number of exchangeable shares of the Company's Canadian subsidiary that remain outstanding from time to time on all matters on which the Company's shareholders are entitled to vote;
- o Assumption of debt of the entities being acquired by the Company;
- o Earn-out payments of up to \$12,000,000 in the aggregate over a four year period, contingent upon achievement by the acquired business of specified earnings targets in years 2007 through 2010; and
- o The Company may be required to make a contingent cash payment following the fifth anniversary of the closing if the Company's common stock does not reach a minimum price over the next five years of approximately \$3.08.

At signing of the Purchase Agreement, the Company delivered \$5,000,000 to the sellers as a deposit against the purchase price payable under the agreement. Upon closing, this deposit will be used to pay a portion of the consideration payment and will reduce the amount of cash delivered at closing.

business, and the Company has agreed to issue options to purchase an aggregate of 2,000,000 shares of the Company's common stock to the Bittons.
