Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On November 5, 2008, United Natural Foods, Inc. (the “Company”) entered into a performance unit award agreement with Steven L. Spinner, the Company’s President and Chief Executive Officer. The agreement provides for the grant to Mr. Spinner of 50,000 performance units under the Company’s 2004 Equity Incentive Plan. The performance units will vest upon the determination of the Compensation Committee of the Company’s Board of Directors that the Company achieved two financial targets approved by the Compensation Committee during a performance period ending on August 1, 2010. The first financial target is based on a measure of earnings before interest and taxes and the second is based on a measure of the Company’s return of average total capital. The Compensation Committee does not believe that these performance targets are easily attainable. None of the performance units granted to Mr. Spinner will vest unless both performance targets are met as of the end of the performance period.

The foregoing summary of the material terms of the performance unit agreement is qualified in its entirety by reference to the actual agreement, which will be filed as an exhibit to a subsequent Quarterly Report on Form 10-Q of the Company.
