Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

At the Annual Meeting of Stockholders of TD Ameritrade Holding Corporation on February 18, 2016, the stockholders approved amended and restated versions of TD Ameritrade's long-term incentive plan ("LTIP") and management incentive plan ("MIP"). The LTIP and MIP were submitted to stockholders for approval because both plans are intended to permit the payment of compensation that qualifies as performance-based under section 162(m) of the Internal Revenue Code and section 162(m) requires stockholder re-approval of such plans every five years.

Under the LTIP, incentives are provided to employees, consultants and directors of TD Ameritrade or any of its present or future parents or subsidiaries through the grant of stock options, stock appreciation rights, restricted stock awards, restricted stock units, performance units and performance shares. A total of 42,104,174 shares of common stock, subject to adjustment, have been reserved for the granting of awards. The LTIP contains annual grant limits intended to satisfy section 162(m). The LTIP has been amended in the following material ways to:

- permit TD Ameritrade to establish performance periods of up to five fiscal years;
- set new, lower limits on the maximum number of awards under the LTIP that may be granted in any fiscal year to any non-employee director;
- increase the limit on performance units that may be granted to any individual and to provide flexibility to grant additional restricted stock units to an individual in connection with TD Ameritrade's hiring of that individual;
- permit stock options intended to qualify as incentive stock options to be granted up to November 18, 2025; and
- clarify that the authority of the administrator of the LTIP includes the authority to adjust for an extraordinary cash dividend.

Under the MIP, payments to eligible employees are generally only made after the achievement of any one or more of the applicable performance goals set forth in the MIP. These awards can be paid in cash or in the form of restricted shares, restricted stock units or stock options under any of TD Ameritrade's stock plans. The MIP contains annual award limits intended to satisfy section 162(m). In the case of awards intended to qualify for the performance-based compensation exemption under section 162(m), administration must be by a compensation committee comprised solely of two or more "outside directors" within the meaning of section 162(m). The MIP has been amended in the following material ways to:

- permit TD Ameritrade to establish performance periods of up to five fiscal years; and
- increase the limit on awards that may be earned by a participant during any fiscal year to \$25,000,000.

The LTIP and the MIP are administered by the H.R. and Compensation Committee of TD Ameritrade. For more information about the LTIP and MIP, see our definitive proxy statement filed with the Securities and Exchange Commission on January 7, 2016 ("Proxy Statement"). The description above and such portions of the Proxy Statement are qualified in their entirety by reference to the full text of the LTIP and MIP, filed as Exhibit 10.1 and 10.2, respectively, to this Current Report on Form 8-K and incorporated herein by reference.
