Gilat Announces Second Quarter 2013 Results

- EBITDA up 6% to \$5.4 million as compared to Q1 2013
- Non-GAAP operating income increased 20% as compared to Q1 2013

Petah Tikva, Israel – August 14, 2013 – Gilat Satellite Networks Ltd. (NASDAQ, TASE: GILT), a worldwide leader in satellite networking technology, solutions and services, today reported its results for the second quarter ended June 30, 2013.

Key Financial Highlights:

- •Non-GAAP operating income increased by 20% to \$1.3 million compared to \$1.0 million in the first quarter of 2013
 - EBITDA increased to \$5.4 million, up 6% compared to \$5.1 million in the first quarter of 2013

Revenues for the second quarter of 2013 were \$80.2 million, compared to \$82.8 million in the first quarter of 2013 and \$85.3 in the second quarter of 2012.

On a non-GAAP basis, operating income for the second quarter of 2013 was \$1.3 million compared to an operating income of \$1.0 million in the first quarter of 2013 and \$4.8 million in the second quarter of 2012. Net loss for the period on a non-GAAP basis was \$1.9 million, or \$0.05 per diluted share, compared to net loss of \$0.3 million, or \$0.01 per diluted share, in the first quarter of 2013 and a net income of \$3.2 million, or \$0.07 per diluted share in the second quarter of 2012.

EBITDA for the second quarter of 2013 reached \$5.4 million, representing a margin of 6.8%, compared with \$5.1 million in the first quarter of 2013 and \$8.6 million in the second quarter of 2012.

"We were able to gain traction across our businesses this quarter, particularly in our Commercial Division, which was highlighted by new client wins, continued execution on existing projects and a significant partnership agreement with THAICOM," commented Erez Antebi, Gilat's Chief Executive Officer. "In our Defense Division, though we felt the effects this quarter of the budget cuts and purchasing slowdowns in the United States, we believe strongly in our long term prospects and the strategic nature of the programs of record that we are targeting."

"Looking forward to the second half of 2013 and beyond, we continue to focus on our long-term strategic plan providing products and solutions to enable broadband internet access via high throughput satellite networks and on-the-move applications. We strongly believe these growth engines will provide a solid base for our company in the years to come," added Antebi.

Notes:

- (1) The attached summary financial statements were prepared in accordance with U.S. Generally Accepted Accounting Principles (GAAP). The attached summary financial statements are unaudited. To supplement the consolidated financial information and statements presented in accordance with GAAP, the Company presents its EBITDA before the impact of non-cash stock based compensation, depreciation and amortization, other income and other costs related to acquisition transactions. Non-GAAP presentations of net income, EBITDA and earnings per share are provided to enhance the understanding of the Company's historical financial performance and comparability between periods.
- (2) Operating income before depreciation, amortization, non-cash stock based compensation as per ASC 718 and other costs related to acquisition transactions ('EBITDA') is presented because it is a measure commonly used and is presented solely in order to improve the understanding of the Company's operating results and to provide further perspective on these results. EBITDA, however, should not be considered as an alternative to operating income or net income for the period as an indicator of the operating performance of the Company.

Similarly, EBITDA should not be considered as an alternative to cash flows from operating activities as a measure of liquidity. EBITDA is not a measure of financial performance under generally accepted accounting principles and may not be comparable to other similarly titled measures for other companies. EBITDA may not be indicative of the historic operating results of the Company; nor is it meant to be predictive of potential future results. Reconciliation between the Company's Operating income and EBITDA is presented in the attached summary financial statements.

About Gilat Satellite Networks Ltd.
