The affirmative vote of the holders of a majority of the Company's ordinary shares participating and voting at the Meeting, in person or by proxy, is required to adopt each of proposals 1, 3 and 4 to be presented at the Meeting.

The affirmative vote of a majority of the shares present, in person or by proxy, and voting on the matter, is required to adopt proposal 2, provided that either: (i) at least a majority of the shares of shareholders who are not controlling shareholders and who do not have a personal interest in the resolution (excluding personal interest that does not stem from the relations with the controlling shareholder) are voted in favor of the resolution; or (ii) the total number of shares of shareholders who are not controlling shareholders and who do not have a personal interest in the resolution and are voted against the resolution does not exceed two percent of the outstanding voting power in the Company.

Proposal 5 does not involve a vote of our shareholders.

In tabulating the voting result for any particular proposal, shares that constitute broker non-votes and abstentions are not considered votes cast on that proposal, but they will be counted to determine if a quorum is present. Unsigned or unreturned proxies, including those not returned by banks, brokers, or other record holders, will not be counted for voting purposes.

Quorum

The presence, in person or by properly executed proxy, of two or more shareholders, holding shares conferring in the aggregate at least 25% of the voting power of the Company, is necessary to constitute a quorum at the Meeting. If within one-half of an hour from the time appointed for the Meeting a quorum is not present, the Meeting will be adjourned to the same day in the next week, at the same time and place, or to such later day and at such other time and place as the Chairman of the Meeting may determine with the consent of a majority of the voting power present at the meeting, in person or by proxy, and voting on the question of adjournment.

I. ELECTION OF DIRECTORS

(Item 1 on the Proxy Card)

Each of our Directors, with the exception of our external Directors, serves from the annual general meeting in which he or she was appointed until the next annual general meeting and until that Director's successor is appointed, unless his or her office is earlier vacated under any relevant provision of the Articles of Association of the Company or the law.

Under the Company's Articles of Association, the number of members of the Board of Directors shall be not less than five (5) and not more than nine (9). The general meeting of our shareholders has set the current number of Directors at eight (8), of which two (2) are external Directors.

In general, the NASDAQ Stock Market Rules require that the Board of Directors of a NASDAQ-listed company have a majority of independent directors and its audit committee must have at least three members and be comprised only of independent directors, each of whom satisfies the respective "independence" requirements of NASDAQ. Our Board of Directors has determined that three out of the six persons who are nominated for election to our Board of Directors, namely, Messrs. Halevy, Boehm and Rafaeli and our two serving external Directors as well as our external Director nominee, Dr. Zvi Lieber, qualify as independent Directors under NASDAQ requirements.

In accordance with Israeli law and practice, our Board of Directors is authorized to recommend to our shareholders director nominees for election. Accordingly, our Board has nominated the Directors named below for election to our Board of Directors. We are unaware of any reason why any of the nominees, if elected, should be unable to serve as a Director. All nominees listed below have advised our Board of Directors that they intend to serve as Director if elected.

Messrs. Jeremy Blank, Amiram Boehm, Ishay Davidi, Gilead Halevy and Kainan Rafaeli are nominated for re-election. Mr. Amiram Levinberg, who is currently serving as Chairman of our Board of Directors, is not seeking re-election. Mr. Dov Baharav is nominated to be elected to our Board of Directors for the first time. The Company has two additional Directors, who qualify as "external Directors" as mandated by the Israeli Companies Law; Dr. Leora Meridor who is to continue in office until December 30, 2014 and Mr. Haim Benyamini, who is to continue in office until May 27, 2014 and is not nominated for reelection.

II. ELECTION OF AN EXTERNAL DIRECTOR AND APPROVING A
GRANT OF OPTIONS UPON COMMENCEMENT OF HIS TERM
(Item 2 on the Proxy Card)

Election of Dr. Zvi Lieber to Serve as an External Director

Under the Israeli Companies Law, public companies are required to appoint two external Directors who must meet specified standards of independence. An external Director is appointed for an initial term of three consecutive years, and may be reappointed for additional three-year terms, subject to certain conditions (including approval by our shareholders at a general meeting) as provided under the Israeli Companies Law and the regulations promulgated thereunder.

Dr. Leora Meridor and Mr. Haim Benyamini currently serve as external Directors of the Company, and their terms of service terminate on December 30, 2014 and on May 27, 2014, respectively. Mr. Benyamini is not seeking re-election. It is proposed that at the Meeting, Dr. Zvi Lieber be appointed to serve as an external Director for a three-year term commencing on May 28, 2014. Following is Dr. Lieber’s biographical information:

Dr. Zvi Lieber is a financial and investment consultant, an Actuary and an economist. Dr. Lieber has served as Chairman of the Board of Directors of Analyst Provident Funds Ltd. since 2011, and as member of the boards of directors of Baran Ltd., a global provider of engineering, technology, and construction for challenging projects since 2008, Ampa Capital Ltd. a company specializes in non-bank financing since 2006 and Europort Ltd., a holding company mainly focused on the area of senior living residence projects since 2010. Dr. Lieber was a faculty member in Tel Aviv University, The Leon Recanati Graduate School of Business Administration for about 30 years between 1972 and 2002. He lectured on accounting, finance and value creation. Dr. Lieber was also a visiting professor at the business school of NYU in 1971-2 and 1977-8 where he lectured on accounting, and in recent years he lectured in various colleges in Israel. Dr. Lieber has published numerous papers in leading academic journals. From 2008 until 2011 Dr. Lieber was a member of the board of directors of Retalix Ltd., a company previously traded on NASDAQ and TASE. From 2010 until 2011 he served as Chairman of the board of directors of Analyst Underwriters Ltd. From 2005 until 2009, Dr. Lieber served as a board member of Provident and Pension Fund of the workers of the Jewish Agency. From 2002 until 2006 he served as a board member of the Tel Aviv Stock Exchange. Prior to that he served as a board member of numerous public and private companies. Dr. Lieber also participated in key public committees appointed by the Israeli government. Dr. Lieber holds a PhD in Business Administration from Chicago University.

At least one external Director elected must have “accounting and financial expertise” and any other external Director must have either “accounting and financial expertise” or “professional qualification” as such terms are defined by regulations promulgated under the Israeli Companies Law. Our Board of Directors has determined that both our serving external Directors, Dr. Leora Meridor and Mr. Haim Benyamini, as well as our external Director nominee, Dr. Zvi Lieber, meet the criteria defined in the Companies Law and the regulations promulgated thereunder for “accounting and financial expertise”.

Our Board of Directors has determined that Dr. Meridor and our external Director nominee, Dr. Zvi Lieber, each qualify to serve as the “Audit Committee’s financial expert”, as required by the rules of the SEC and NASDAQ.

As required under Israeli Companies Law, Dr. Zvi Lieber has submitted to the Company, prior to the date of the Meeting, a declaration stating his compliance with the requirements imposed by Israeli Companies Law for the office of external Director.

The Company’s Board of Directors proposes to appoint Dr. Zvi Lieber to serve as our external Director commencing on May 28, 2014.

A Grant of Options to Dr. Zvi Lieber

In addition to the cash compensation paid to our external Directors as described in Item III below, our current external Directors were each granted options to purchase 50,000 of our ordinary shares upon their re-appointment as an external Director of the Company after 3 years of service and then again after 6 years of continued service as an external Director of the Company.

Our Compensation and Stock Option Committee and Board of Directors approved and recommended that our shareholders approve the grant to Dr. Zvi Lieber of options to purchase 50,000 of our ordinary shares upon commencement of his term of service as our external Director. Pursuant to the Companies Regulations, since Dr. Lieber is qualified as a director who has accounting and financial expertise, he may be granted equity based compensation which compensation may not be greater than 33% over the average compensation granted to the other Directors of the Company (as defined in the Companies Regulations). The grant of options to Dr. Lieber is in compliance with the foregoing regulation, as each of our serving Directors has received 50,000 options upon their appointment or upon their re-appointment as described above. Mr. Dov Baharav, who is a nominee for election as a Director at this Meeting will not be granted options upon his election.

Pursuant to the terms of our Compensation Policy, adopted by our shareholders on September 11, 2013, the exercise price of the options to be granted to our Directors shall not be less than 8% over the close price of the Company shares on NASDAQ in the last trading day prior to the grant date, which reflects the Board's view of the appropriate exercise price of options to be granted to the Directors and External Directors. It is proposed that the exercise price of the option to be granted to Dr. Zvi Lieber will be equal to 8% over the closing price of the Company's ordinary shares on the NASDAQ Global Select Market on the last trading day prior to the grant date. Our Board of Directors noted that the options granted in December 2011 to Dr. Leora Meridor, are exercisable at a higher rate of exercise price equal to 15% over the closing price of the Company's shares on NASDAQ in the last trading day prior to the grant date, of which only two (2) installments remain unvested following the appointment of Dr. Lieber. Although the Companies Regulations require that the terms of a serving external Director be adjusted to match any better terms granted to the appointed Director, our Board of Directors determined that such adjustment is not practicable in this case due to negative tax implications on Dr. Meridor and taking into account that the options granted to Dr. Meridor in 2011 are almost fully vested and therefore the amount reflected in such adjustment is not material.

Similar to previous grants of options to other Directors, including external Directors, the options shall vest and become exercisable quarterly over a three year period so long as Dr. Lieber continues to serve in office, and shall remain exercisable for 12 months following cessation or termination of his service (other than for cause).

The above proposed grant of options is in compliance with Company's Compensation Policy.

It is therefore proposed that at the Meeting, the following resolution be adopted:

“RESOLVED, to elect Dr. Zvi Lieber to serve as an external Director commencing as of May 28, 2014 for a three-year term and to approve a grant of options to Dr. Lieber upon commencement of his term of service as described in the proxy statement.”

The approval of this Item 2 requires the affirmative vote of a majority of the shares present, in person or by proxy, and voting on the matter, provided that either: (i) at least a majority of the shares of shareholders who are not Controlling shareholders and do not have a Personal Interest in the resolution (excluding personal interest that does not stem from the relations with the controlling shareholder) are voted in favor of the proposed resolution; or (ii) the total number of shares of shareholders who are not controlling shareholders and do not have a Personal Interest in the resolution and are voted against the proposed resolution does not exceed two percent of the outstanding voting power in the Company.

“Controlling” for the purpose of the preceding paragraph means having the ability to direct the acts of the Company, except for an ability that stems from the fulfillment of his or her duty as a director or as a holder of any other position at the Company.

“Personal Interest” is defined as a person’s personal interest in the approval of an act or a transaction of the Company, including: (i) the personal interest of his or her relative (which includes for these purposes any members of his/her (or his/her spouse's) immediate family or the spouses of any such members of his or her (or his/her spouse's) immediate family); and (ii) a personal interest of a body corporate in which a person or any of his/her aforementioned relatives serve as a Director or the chief executive officer, owns at least 5% of its issued share capital or its voting rights or has the right to appoint a Director or chief executive officer, but excluding a personal interest arising solely from the mere holding of shares in the Company or in a body corporate.

Each shareholder voting at the Meeting or prior thereto by means of the accompanying Proxy Card is requested to indicate if he, she or it has a Personal Interest in connection with this Proposal III and whether he, she or it is a Controlling shareholder.

The Board of Directors recommends a vote FOR the foregoing resolution.

III. RATIFICATION AND APPROVAL OF CASH COMPENSATION TO
EXTERNAL DIRECTORS
(Item 3 on the Proxy Card)

In accordance with the Companies Law, subject to certain exceptions, the payment of compensation to Directors of a company, whether in their capacity as directors or otherwise, requires the approval of the Compensation Committee, the Board of Directors and the shareholders and should be in compliance with the Company's Compensation Policy.

The compensation of external Directors of an Israeli company is regulated by the Israeli Companies Regulations (Rules Regarding Compensation and Expenses to External Directors), 2000, as amended, or the Companies Regulations, and the Companies Regulations (Relief for Public Companies whose Shares are Traded on a Stock Exchange Outside of Israel), 2000, as amended.

The Companies Regulations require that an external director be notified of his compensation prior to his appointment, and generally such compensation may not be changed throughout his three year term of service as an external director.

The Company's Compensation and Stock Option Committee and Board of Directors approved and recommended that our shareholders approve, that the cash compensation payable to our external Director appointed at this Meeting and to our external Directors appointed from time to time in the future shall be NIS 93,690 as annual compensation payable quarterly (currently equivalent to approximately \$26,860), and an additional fee of approximately NIS 1,924 (currently equivalent to approximately \$550) for each Board or Board committee meeting attended. Payment for telephone meetings (or a meeting held by other similar means) shall be equal to 60% of the abovementioned amount and payment for written resolutions shall be equal to 50% of the abovementioned amount. The above cash compensation is the same as the cash compensation that we are currently paying to our serving external Directors as well as our non-employee Directors. All the above amounts are linked to changes in the Israeli consumer price index as of September 2013 and subject to changes in the amounts payable pursuant to Israeli law applicable to external Directors from time to time.

The above proposed cash compensation for external Directors is in compliance with Company's Compensation Policy.

It is therefore proposed that at the Meeting the following resolution be adopted:

"RESOLVED, to ratify and approve the cash compensation to our external Director nominee and to any external Director appointed from time to time in the future, as described in Item 3 of the Proxy Statement."

The affirmative vote of the holders of a majority of the ordinary shares represented at the Meeting, in person or by proxy, entitled to vote and voting on the matter, will be necessary for shareholder approval of the foregoing resolution.

The Board of Directors recommends a vote FOR the foregoing resolution.

IV. RATIFICATION AND APPROVAL OF REAPPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS (Item 4 on the Proxy Card)

Kost Forer Gabbay & Kasierer, registered public accountants, and a Member of Ernst & Young Global, has been our independent public accountants for over eight years. It is proposed that at the Meeting, shareholders will ratify and approve the re-appointment of Kost Forer Gabbay & Kasierer as our independent registered public accountants for the fiscal year ending December 31, 2014 and for such additional period until the next annual general meeting of shareholders. In light of the familiarity of Kost Forer Gabbay & Kasierer with our operations and their reputation in the auditing field, our Audit Committee and Board of Directors believe that the firm has the necessary personnel, professional qualifications and independence to act as our independent registered public accountants.

The following table sets forth the fees we paid to Kost Forer Gabbay & Kasierer with respect to fiscal year 2013:

Services Rendered	Fees	Percentages

Tax Fees (2)	\$ 144,638	14.60 %
Other (3)	\$ 14,233	1.44 %
Total	\$ 990,475	100 %

(1) Audit fees are fees for audit services, including fees associated with the annual audit, services provided in connection with audit of our internal control over financial reporting and audit services provided in connection with other statutory or regulatory filings.

(2) Tax fees are fees for professional services rendered for tax compliance, tax planning and tax advice on actual or contemplated transactions.

(3) Other fees are fees for professional services other than audit or tax related fees, rendered in connection with our business activities; such fees in 2013 were mainly related to review of the implementation of a new accounting system.

In accordance with the Company's procedures, our Audit Committee has approved all audit and non-audit services provided to the Company and to its subsidiaries during the periods listed above.

It is therefore proposed that at the Meeting the following resolution be adopted:

"RESOLVED, that Kost Forer Gabbay & Kasierer, a member of Ernst & Young Global, be, and hereby is, reappointed as independent registered public accountants of the Company for the fiscal year ending December 31, 2014 and for such additional period until the next annual general meeting of shareholders."

Board Practices

Election of Directors

Our Articles of Association provide that our Board of Directors shall consist of not less than five and not more than nine Directors as shall be determined from time to time by a majority vote at the general meeting of our shareholders. On January 31, 2011, our shareholders resolved to set the size of our Board of Directors to eight members, including two external Directors.

Pursuant to our Articles of Association, each beneficial owner of 14% or more of our issued and outstanding ordinary shares is entitled to appoint, at each annual general meeting of our shareholders, one member to our Board of Directors, provided that a total of not more than four Directors are so appointed. In the event that more than four qualifying beneficial owners notify us that they desire to appoint a member to our Board of Directors, only the four shareholders beneficially owning the greatest number of shares shall each be entitled to appoint a member to our Board of Directors. So long as our ordinary shares are listed for trading on NASDAQ, we may require that any such appointed Director qualify as an “independent director” as provided for in the NASDAQ rules then in effect. Our Board of Directors has the right to remove any such appointed Director when the beneficial ownership of the shareholder who appointed such Director falls below 14% of our issued and outstanding ordinary shares.

Our Articles of Association provide that a majority of the voting power at the annual general meeting of our shareholders will elect the remaining members of the Board of Directors, including external Directors as required under the Companies Law. At any annual general meeting at which Directors are appointed pursuant to the preceding paragraph, the calculation of the vote of any beneficial owner who appointed a director pursuant to the preceding paragraph shall not take into consideration, for the purpose of electing the remaining Directors, ordinary shares constituting 14% of our issued and outstanding ordinary shares held by such appointing beneficial owner.

Each of our Directors (except for external directors) serve, subject to early resignation or vacation of office in certain circumstances as set forth in our Articles of Association, until the adjournment of the next annual general meeting of our shareholders following the general meeting in which such Director was elected. The holders of a majority of the voting power represented at a general meeting of our shareholders in person or by proxy will be entitled to (i) remove any Director(s), other than external Directors and Directors appointed by beneficial holders of 14% or more of our issued and outstanding ordinary shares as set forth above, (ii) elect Directors instead of Directors so removed, or (iii) fill any vacancy, however created, in the Board of Directors. Our Board of Directors may also appoint additional Directors, whether to fill a vacancy or in order to bring the total number of serving Directors to the number determined by our shareholders. Such Directors will serve until the next general meeting of our shareholders following such appointment.

Currently, no shareholder beneficially holding 14% or more of our issued and outstanding ordinary shares has exercised its right to appoint a Director.

External Directors and Independent Directors

External Directors. Under the Israeli Companies Law, public companies are required to elect at least two external Directors who must meet specified standards of independence. External Directors may not have had during the two years preceding their appointment, directly or indirectly through a relative, partner, employer or controlled entity, any affiliation with (i) the company, (ii) those of its shareholders who are controlling shareholders at the time of appointment and/or their relatives, or (iii) any entity controlled by the company or by its controlling shareholders.

The term “affiliation” includes an employment relationship, a business or professional relationship maintained on a regular basis, control and services as an office holder. The term “controlling shareholder” is defined as a shareholder who has the ability to direct the activities of a company, other than if this power derives solely from the shareholder’s position on the board of directors or any other position with the company.

In addition, an individual may not be appointed as an External Director in a company that does not have a controlling shareholder or shareholders holding 25% or more of the voting rights, in the event that he has affiliation, at the time of his appointment, to the chairman, chief executive officer, a 5% shareholder or the chief financial officer. An individual may not be appointed as an External Director if his relative, partner, employer, supervisor, or an entity he controls, has other than negligible business or professional relations with any of the persons with which the External Director himself may not be affiliated.

No person can serve as an external Director if the person’s other positions or business creates or may create conflicts of interest with the person’s responsibilities as an external Director. Until the lapse of two years from termination of office, a company may not engage an external Director as an employee or otherwise. If, at the time an external Director is to be appointed, all current members of the Board of Directors, who are not controlling shareholders of the company or their relatives, are of the same gender, then at least one external Director appointed must be of the other gender.

The Israeli Companies Law further requires that external Directors have either financial and accounting expertise or professional competence, as determined by the company's Board of Directors. Under relevant regulations, a Director having financial and accounting expertise is a person who, due to his or her education, experience and talents, is highly skilled in respect of, and understands, business and accounting matters and financial reports, in a manner that enables him or her to have an in-depth understanding of the company's financial information and to stimulate discussion in respect of the manner in which the financial data is presented. Under the regulations, a Director having professional competence is a person who meets any of the following criteria: (i) has an academic degree in either economics, business administration, accounting, law or public administration; (ii) has a different academic degree or has completed higher education in an area relevant to the company's business or in an area relevant to his or her position; or (iii) has at least five years' experience in any of the following, or has a total of five years' experience in at least two of the following: (a) a senior position in the business management of a corporation with a substantial scope of business, (b) a senior public position or a senior position in public service, or (c) a senior position in the main field of the company's business.

At least one of the external Directors is required to qualify as a financial and accounting expert, as determined by the Board of Directors. Our Board of Directors has determined that our current external Directors, Dr. Leora Meridor and Mr. Haim Benyamini, have "accounting and financial expertise" as defined by the Israeli Companies law, as does Dr. Zvi Lieber, the nominee for external Director.

External Directors serve for an initial three-year term. The initial three-year term of service can be extended, at the election of a company subject to certain conditions, by two additional three-year terms. External Directors will be elected by a majority of the voting shareholders, provided that either: (i) at least a majority of the shares of voting shareholders who are not controlling shareholders and who do not have a personal interest in the resolution (excluding personal interest that does not stem from the relations with the controlling shareholder) are voted in favor of the election; or (ii) the total number of shares of voting shareholders who are not controlling shareholders and who do not have a personal interest in the resolution and are voted against the election does not exceed two percent of the outstanding voting power in the Company.

External Directors may be re-elected for additional terms by means of one of the following mechanisms: (i) the board of directors proposed the nominee and his or her appointment was approved by the shareholders in the manner required to appoint external directors for their initial term, or (ii) a shareholder holding 1% or more of the voting rights proposed the nominee, and the nominee is approved by a majority of the votes cast by the shareholders of the company, excluding the votes of controlling shareholders and those who have a personal interest in the matter as a result of their relations with the controlling shareholders, and the aggregate votes cast by shareholders who are not controlling shareholders and do not have a personal interest in the matter as a result of their relations with the controlling shareholders in favor of the nominee constitute more than two percent of the voting rights in the company. The external director who has been nominated in such fashion by the shareholders must not be a linked or competing shareholder, and not have or not had, on or within the two years preceding the date of such person's appointment to serve another term as external director, any affiliation with a linked or competing shareholder. The term "linked or competing shareholder" means the shareholder(s) who nominated the external director for reappointment or a shareholder of the company holding more than 5% of the company's issued share capital or its voting rights, provided that at the time of the reappointment, such shareholder(s) of the company, the controlling shareholder of such shareholder(s) of the company, or a company under such shareholder(s) of the company's control, has a business relationship with the company or is a competitor of the company.

The term of office of external Directors of Israeli companies traded on certain foreign stock exchanges, including the NASDAQ Global Select Market, may be further extended, indefinitely, in increments of additional three-year terms, in each case provided that, in addition to reelection in such manner described above, (i) the audit committee and subsequently the Board of Directors of the Company confirm that, in light of the external Director's expertise and special contribution to the work of the Board of Directors and its committees, the reelection for such additional period is beneficial to the Company, and (ii) prior to the approval of the reelection of the external Director, the Company's shareholders have been informed of the term previously served by such nominee and of the reasons why the Board of Directors and audit committee recommended the extension of such nominee's term.

External Directors can be removed from office only by the court or by the same special majority of shareholders that can elect them, and then only if the external Directors cease to meet the statutory qualifications with respect to their appointment or if they violate their fiduciary duty to the company. The court may additionally remove external Directors from office if they were convicted of certain offenses by a non-Israeli court or are permanently unable to fulfill their position.

An external Director is entitled to compensation as provided in regulations adopted under the Companies Law and is otherwise prohibited from receiving any other compensation, directly or indirectly, in connection with such service.

The Companies Law requires external Directors to submit to the company, prior to the date of the notice of the general meeting convened to elect the external Directors, a declaration stating their compliance with the requirements imposed by Companies Law for the office of external Director.

Our Board of Directors currently has two external Directors under Israeli law: (i) Dr. Leora Meridor, who was initially elected to serve as an external Director at our special general meeting of shareholders held on August 30, 2005 and was reelected for additional three year periods at our annual general meeting of shareholders held on December 30, 2008 and at our annual general meeting of shareholders held on December 29, 2011; (ii); Mr. Haim Benyamini who was initially elected to serve as an external Director at our special general meeting of shareholders held on February 10, 2005 and was reelected for additional three year periods at our special general meeting of shareholders held on May 28, 2008 and at our annual general meeting of shareholders held on January 31, 2011.

Independent Directors.

In general, NASDAQ Marketplace Rules require that the board of directors of a NASDAQ-listed company have a majority of independent directors, within the meaning of NASDAQ rules. Our Board of Directors has determined that five out of our eight serving Directors (including the external Directors), qualify as independent directors under NASDAQ requirements and, subject to the election of the nominees proposed to be elected at this Meeting, following the Meeting, five of our Directors, namely, Messrs. Halevy, Boehm and Rafaeli, Dr. Zvi Lieber and Dr. Leora Meridor, will qualify as independent directors under NASDAQ requirements.

Pursuant to the Israeli Companies Law, a director may be qualified as an independent director if such director is either (i) an external director; or (ii) a director that served as a board member less than nine years and the audit committee has approved that he or she meets the independence requirements of an external director. A majority of the members serving on the audit committee must be independent under the Israeli Companies Law. We comply with this requirement.

Committees of the Board of Directors

Our Articles of Association provide that the Board of Directors may delegate its powers to committees of the Board of Directors as it deems appropriate, to the extent permitted by the Israeli Companies Law. Each committee exercising powers delegated by the Board must include at least one external Director.

Audit Committee. Under the Israeli Companies Law, publicly traded companies must establish an audit committee. The audit committee must consist of at least three members, and must include all of the company's external Directors. A majority of an audit committee must be comprised of "independent directors" (as such term is defined in the Companies Law). The chairman of the Board of Directors, directors employed by, or that provide services on a regular basis to, the company or to a controlling shareholder or a company controlled by a controlling shareholder (or whose main livelihood depends on a controlling shareholder), any controlling shareholder and any relative of a controlling shareholder may not be a member of the audit committee. An audit committee may not approve an action or a transaction with an officer or director, a transaction in which an officer or director has a personal interest, a transaction with a controlling shareholder and certain other transactions specified in the Companies Law, unless at the time of approval two external directors are serving as members of the audit committee and at least one of the external directors was present at the meeting in which an approval was granted.

In addition, the NASDAQ Marketplace Rules require us to establish an audit committee comprised of at least three members, all of whom must be independent directors, each of whom is financially literate and satisfies the respective "independence" requirements of the Securities and Exchange Commission and NASDAQ and one of whom has accounting or related financial management expertise at senior levels within a company.

Our Audit Committee oversees (in addition to the Board) the accounting and financial reporting processes of our company and audits of our financial statements, including the integrity of our financial statements, compliance with legal and regulatory requirements, our independent auditors' qualifications, independence, compensation, and performance, and the performance of our internal audit function. Our Audit Committee is also required to find deficiencies in the business management of our company and proposes to our Board of Directors ways to correct such deficiencies, determine whether certain related party actions and transactions are "material" or "extraordinary" in connection with their approval procedures, approve related-party transactions as required by Israeli law, establish whistle blower procedures (including in respect of the protections afforded to whistle blowers). Additional duties of our Audit Committee are to establish procedures to be followed in respect of non-extraordinary related party transactions with a controlling shareholder which may include, where applicable, the establishment of a competitive process for such transaction, under the supervision of the audit committee, or whomever it designates for this purpose, in accordance with criteria determined by the audit committee, to establish procedures for approving certain related party transactions with a controlling shareholder, which having been determined by the audit committee not to be extraordinary transactions, were also determined by the audit committee not to be negligible transactions, and such other duties as may be directed by our Board of Directors. The Audit Committee may consult from time to time with our independent auditors and internal auditor with respect to matters involving financial reporting and internal accounting controls.

Our Audit Committee consists of Mr. Benyamini, Dr. Meridor, Mr. Halevy and Mr. Rafaeli. All of the members of our Audit Committee satisfy the respective "independence" requirements of the Securities and Exchange Commission, NASDAQ and Israeli law for audit committee members. Dr. Zvi Lieber will also satisfy such requirement. Our Board of Directors has determined that Dr. Meridor qualifies to serve as Audit Committee financial expert, as required by the rules of the Securities and Exchange Commission and NASDAQ.

Compensation and Stock Option Committee. Under the Israeli Companies Law, publicly traded companies must establish a compensation committee. The compensation committee must consist of at least three members, and must include all of the company's external Directors. The additional members of the compensation committee must satisfy the criteria for remuneration applicable to the external Directors.

Our Compensation and Stock Option Committee consists of Mr. Benyamini, Dr. Meridor and Mr. Rafaeli. All of the members of our Compensation and Stock Option Committee are independent directors, within the meaning of NASDAQ rules and the Israeli Companies Law.

Under the Israeli Companies Law, the compensation committee is responsible for: (i) making recommendations to the board of directors with respect to the approval of the Compensation Policy applicable to the company's office holders and any extensions thereto; (ii) providing the board of directors with recommendations with respect to any amendments or updates to the Compensation Policy and periodically reviewing the implementation thereof; (iii) reviewing and approving arrangements with respect to the terms of office and employment of office holders; and (iv) determining whether or not to exempt a transaction with a candidate for chief executive officer from shareholder approval.

In addition, our Compensation and Stock Option Committee offers recommendations to the Board of Directors regarding equity compensations issues (with the Board also approving compensation of our executive officers), and administers our option plans, subject to general guidelines determined by our Board of Directors from time to time. The Compensation and Stock Option Committee also makes recommendations to our Board of Directors in connection with the terms of employment of our chief executive officer and all other executive officers.
