Items to be Included in this Report

Item 1.02. Termination of a Material Definitive Agreement

Effective January 29, 2005, Reliability Incorporated ("the Company") terminated the Asset Purchase Agreement between the Company and Futura International, Inc. ("Futura") for the purchase of the Ezy-Load product line. The Company elected to terminate the agreement due to continued disappointing sales of the product and the amount of capital required to sustain the sales and marketing efforts. As a result of the termination, the Company will cease manufacturing and marketing the Ezy-Load product, except that any units on hand and any units in production (which may be completed) may be sold by the Company. With the exception of inventories, the Company will reconvey to Futura all assets previously acquired from Futura, consisting primarily of intellectual property rights. Upon reconveyance of the assets to Futura and payment of all royalties due through the termination date, the Company is relieved of all payment liabilities to Futura, including \$225,000 of contingent purchase price payments scheduled for 2005 and future royalties.

Item 7.01. Regulation FD Disclosure

On January 31, 2005 the Registrant issued a press release announcing the termination of the Asset Purchase Agreement with Futura International, Inc. for the purchase of the Ezy-Load product line, a copy of which press release is attached as Exhibit 99.1.
