Item 15. Indemnification of Officers and Directors.

The Declaration of Trust and Bylaws of the Registrant provide that the Registrant shall indemnify its directors, officers and certain other parties to the fullest extent permitted from time to time by the Maryland General Corporation Law (the "MGCL"). The MGCL permits a corporation to indemnify its directors, officers and certain other parties against judgments, penalties, fines, settlements and reasonable expenses actually incurred by them in connection with any proceeding to which they may be made a party by reason of their service to or at the request of the Registrant, unless it is established that the act or omission of the indemnified party was material to the matter giving rise to the proceeding and (i) the act or omission was committed in bad faith or was the result of active and deliberate dishonesty, or (ii) in the case of any criminal proceeding, the indemnified party had reasonable cause to believe that the act or omission was unlawful.

Maryland law permits a Maryland real estate investment trust to include in its Declaration of Trust a provision limiting the liability of its trustees and officers to the trust and its shareholders for money damages except for liability resulting from (a) actual receipt of an improper benefit or profit in money, property or services or (b) active and deliberate dishonesty established by a final judgment and which is material to the cause of action. Our Declaration of Trust contains such a provision which eliminates trustees' and officers' liability to the maximum extent permitted by Maryland law.

Our Declaration of Trust authorizes us, to the maximum extent permitted by Maryland law, to indemnify any present or former trustee or officer or any individual who, while a trustee of the Trust and at the request of the Trust, serves or has served another trust, real estate investment trust, partnership, joint venture, trust, employee benefit plan or any other enterprise as a trustee, officer, partner or trustee, from and against any claim or liability to which that person may become subject or which that person may incur by reason of his or her status as a present or former trustee or officer of the Trust and to pay or reimburse their reasonable expenses in advance of final disposition of a proceeding. Our Bylaws obligate us, to the maximum extent permitted by Maryland law, to indemnify any present or former trustee or officer or any individual who, while a trustee of the Trust and at the request of the Trust, serves or has served another corporation, real estate investment trust, partnership, joint venture, trust, employee benefit plan or other enterprise as a trustee, officer, partner or trustee and who is made a party to the proceeding by reason of his service in that capacity from and against any claim or liability to which that person may become subject or which that person may incur by reason of his or her status as a present or former trustee or officer of the Trust and to pay or reimburse their reasonable expenses in advance of

Edgar Filing: HERSHA HOSPITALITY TRUST - Form S-2/A

final disposition of a proceeding. The Declaration of Trust and Bylaws also permit the Trust to indemnify and advance expenses to any person who served a predecessor of the Trust in any of the capacities described above and any employee or agent of the Trust or a predecessor of the Trust.

II-1

Maryland law permits a Maryland real estate investment trust to indemnify and advance expenses to its trustees, officers, employees and agents to the same extent as permitted for directors and officers of Maryland corporations. Maryland law permits a corporation to indemnify its present and former directors and officers, among others, against judgments, penalties, fines, settlements and reasonable expenses actually incurred by them in connection with any proceeding to which they may be made a party by reason of their service in those or other capacities unless it is established that (a) the act or omission of the director or officer was material to the matter giving rise to the proceeding and (i) was committed in bad faith or (ii) was the result of active and deliberate dishonesty, (b) the director or officer actually received an improper personal benefit in money, property or services or (c) in the case of any criminal proceeding, the director or officer had reasonable cause to believe that the act or omission was unlawful. However, under Maryland law, a Maryland corporation may not indemnify for an adverse judgment in a suit by or in the right of the corporation or for a judgment of liability on the basis that personal benefit was improperly received, unless in either case a court orders indemnification and then only for expenses. In accordance with Maryland law, our Bylaws require us, as a condition to advancing expenses, to obtain (a) a written affirmation by the trustee or officer of his good faith belief that he has met the standard of conduct necessary for indemnification and (b) a written undertaking by him or on his behalf to repay the amount paid or reimbursed if it is ultimately determined that the standard of conduct was not met.

Item 17. Undertakings.

The undersigned Registrant hereby undertakes as follows:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
 - (i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;
 - (ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and
 - (iii) To include any material information with respect to the plan of distribution not previously disclosed in this registration statement or any material change to such information in this registration statement;

provided, however, that paragraphs a(i) and a(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in the periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in this registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of these securities being registered which remain unsold at the termination of the offering.

The undersigned Registrant hereby further undertakes that:

(1) For purposes of determining any liability under the Securities Act of 1933, the information omitted from the form of Prospectus filed as part of this registration statement in reliance under Rule 430A and contained in a form of Prospectus filed by the Registrant pursuant to Rule 424(b)(1) or (4), or 497(h) under the Securities Act of 1933 shall be deemed to be part of this registration statement as of the time it was declared effective.

Edgar Filing: HERSHA HOSPITALITY TRUST - Form S-2/A

(2) For the purpose of determining any liability under the Securities Act of 1933, each post-effective amendment that contains a form of Prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange

Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
