**Item 1. Description of Registrant's Securities to be Registered.**

On December 10, 1985, the Board of Directors of The Bank of New York Company, Inc., a New York corporation (the "Company"), declared a dividend distribution of one right (a "Right") for each outstanding share of Common Stock, par value \$7.50 per share (the "Common Stock"), of the Company held of record on December 24, 1985 or issued thereafter and prior to the Separation Date (as hereinafter defined). Each Right was or will be issued pursuant to a Rights Agreement, dated as of December 10, 1985 entered into between the Company and The Bank of New York, as Rights Agent (the "Rights Agent"), and subsequently amended by the Company and the Rights Agent on June 13, 1989, April 30, 1993, March 8, 1994 and further amended and restated on January 13, 2004 (as so amended and restated, the "Rights Agreement"). The terms of the Rights, as so amended are summarized herein.

Each Right entitles the registered holder to purchase from the Company, after the Separation Date (as defined below), one-one thousandth of a share of a new series of preferred stock designated as Participating Preferred Stock, without par value (the "Preferred Stock"), for a price of \$125 (the "Exercise Price"), subject to adjustment. Each share of Preferred Stock will bear dividends equal to one thousand times the dividends paid on each share of Common Stock of the Company (subject to certain anti-dilution adjustments), is entitled to a liquidation preference of \$125,000 plus accrued dividends and has the other terms provided in the form of the Rights Certificate attached as Exhibit A to the Rights Agreement as filed on the Form 8-A filed by the Company on December 20, 1985 with respect to the initial issuance of the Rights.

The Rights will be evidenced by the Common Stock certificates until the close of business on the Separation Date. The Separation Date means the earlier of (i) the tenth business day (or such later date as the Board of Directors of the Company may from time to time fix by resolution adopted prior to the Separation Date that would otherwise have occurred) after the date on which any Person (as defined in the Rights Agreement) commences a tender or exchange offer which, if consummated, would result in such Person's becoming an Acquiring Person, as defined below, and (ii) the tenth business day after or such earlier or later date as the Board of Directors of the Company may from time to time fix (the "Flip-in Date") of public announcement by the Company that any Person has become an Acquiring Person (the "Stock Acquisition Date"); provided that if a tender or exchange offer referred to in clause (i) is cancelled, terminated or otherwise withdrawn prior to the Separation Date without the purchase of any shares of stock pursuant thereto, such offer shall be deemed never to have been made. An Acquiring Person is any Person having Beneficial Ownership (as defined in the Rights Agreement) of 20% or more of the outstanding shares of Common Stock, which term shall not include (i) the Company, any wholly-owned subsidiary of the Company or any employee stock ownership or other employee benefit plan of the Company, (ii) any person who shall become the Beneficial Owner of 20% or more of the outstanding Common Stock solely as a result of an acquisition of Common Stock by the Company, until such time as such Person acquires additional Common Stock, other than through a dividend or stock split, (iii) any Person who becomes the Beneficial Owner of 20% or more of the outstanding Common Stock without any plan or intent to seek or affect control of the Company if such Person, promptly divests sufficient securities such that such 20% or greater Beneficial Ownership ceases or (iv) any Person who Beneficially Owns shares of Common Stock consisting solely of (A) shares acquired pursuant to the grant or exercise of an option granted by the Company in connection with an agreement to merge with, or acquire, the Company entered into prior to a Flip-in Date, (B) shares owned by such Person and its Affiliates (as defined in the Rights Agreement) and Associates (as defined in the Rights Agreement) at the time of such grant, (C) shares, amounting to less than 1% of the outstanding Common Stock, acquired by Affiliates and Associates of such Person after the time of such grant and (D) shares of Common Stock (or securities convertible into, exchangeable into or exercisable for Common Stock) which are held by such Person in trust accounts, managed accounts and the like or otherwise held in a fiduciary capacity, that are Beneficially Owned by third persons who are not Affiliates or Associates of such Person or acting together with such Person to hold such shares, or which are held by such Person in respect of a debt previously contracted. The Rights Agreement provides that, until the Separation Date, the Rights will be transferred with and only with the Common Stock. Common Stock certificates issued after January 13, 2004 but prior to the Separation Date shall evidence one Right for each share of Common Stock

represented thereby and shall contain a legend incorporating by reference the terms of the Rights Agreement (as such may be amended from time to time). Notwithstanding the absence of the aforementioned legend or an earlier form of such legend, certificates evidencing shares of Common Stock outstanding at the Record Date or prior to January 13, 2004 shall also evidence one Right for each share of Common Stock evidenced thereby. Promptly following the Separation Date, separate certificates evidencing the Rights ( Rights Certificates ) will be delivered to holders of record of Common Stock at the Separation Date.

The Rights will not be exercisable until the Business Day (as defined in the Rights Agreement) following the Separation Date. The Rights will expire on the earliest of (i) the Exchange Time (as defined below), (ii) the close of business on January 13, 2014, (iii) the date on which the Rights are redeemed as described below and (iv) immediately prior to the effective time of a consolidation, merger or statutory share exchange that does not constitute a Flip-over Transaction or Event (in any such case, the Expiration Time ).

The Exercise Price and the number of Rights outstanding, or in certain circumstances the securities purchasable upon exercise of the Rights, are subject to adjustment from time to time to prevent dilution in the event of a Common Stock dividend on, or a subdivision or a combination into a smaller number of shares of, Common Stock, or the issuance or distribution of any securities or assets in respect of, in lieu of or in exchange for Common Stock.

In the event that prior to the Expiration Time a Flip-in Date occurs, the Company shall take such action as shall be necessary to ensure and provide that each Right (other than Rights Beneficially Owned by the Acquiring Person or any Affiliate or Associate thereof, which Rights shall become void) shall constitute the right to purchase from the Company, upon the exercise thereof in accordance with the terms of the Rights Agreement, that number of shares of Common Stock of the Company having an aggregate Market Price (as defined in the Rights Agreement), on the Stock Acquisition Date that gave rise to the Flip-in Date, equal to twice the Exercise Price for an amount in cash equal to the then current Exercise Price. In addition, the Board of Directors of the Company may, at its option, at any time after a Flip-in Date and prior to the time that an Acquiring Person becomes the Beneficial Owner of more than 50% of the outstanding shares of Common Stock, elect to exchange all (but not less than all) the then outstanding Rights (other than Rights Beneficially Owned by the Acquiring Person or any Affiliate or Associate thereof, which Rights become void) for shares of Common Stock at an exchange ratio of one share of Common Stock per Right, appropriately adjusted to reflect any stock split, stock dividend or similar transaction occurring after the date of the Separation Date (the Exchange Ratio ). Immediately upon such action by the Board of Directors (the Exchange Time ), the right to exercise the Rights will terminate and each Right will thereafter represent only the right to receive a number of shares of Common Stock equal to the Exchange Ratio.

Whenever the Company shall become obligated, as described in the preceding paragraph, to issue shares of Common Stock upon exercise of or in exchange for Rights, the Company, at its option, may substitute therefor shares of Preferred Stock, at a ratio of one one-thousandth of a share of Preferred Stock for each share of Common Stock otherwise issuable.

In the event that prior to the Expiration Time the Company enters into, consummates or permits to occur a transaction or series of transactions after the time an Acquiring Person has become such in which, directly or indirectly, (i) the Company shall consolidate or merge or participate in a binding statutory share exchange with any other Person if, at the time of the consolidation, merger or share exchange or at the time the Company enters into an agreement with respect to such consolidation, merger or statutory share exchange, the Acquiring Person is the Beneficial Owner of 90% or more of the outstanding shares of Common Stock or controls the Board of Directors of the Company and either (A) any term of or arrangement concerning the treatment of shares of capital stock in such merger, consolidation or statutory share exchange relating

to the Acquiring Person is not identical to the terms and arrangements relating to other holders of Common Stock or (B) the Person with whom such transaction or series of transactions occurs is the Acquiring Person or an Affiliate or Associate thereof or (ii) the Company shall sell or otherwise transfer (or one or more of its subsidiaries shall sell or otherwise transfer) assets (A) aggregating more than 50% of the assets (measured by either book value or fair market value) or (B) generating more than 50% of the operating income or cash flow, of the Company and its subsidiaries (taken as a whole) to any other Person (other than the Company or one or more of its wholly owned subsidiaries) or to two or more such Persons which are affiliated or otherwise acting in concert, if, at the time of such sale or transfer of assets or at the time the Company (or any such subsidiary) enters into an agreement with respect to such sale or transfer, the Acquiring Person controls the Board of Directors of the Company (a Flip-over Transaction or Event), the Company shall take such action as shall be necessary to ensure, and shall not enter into, consummate or permit to occur such Flip-over Transaction or Event until it shall have entered into a supplemental agreement with the Person engaging in such Flip-over Transaction or Event or the parent corporation thereof (the Flip-over Entity), for the benefit of the holders of the Rights, providing, that upon consummation or occurrence of the Flip-over Transaction or Event (i) each Right shall thereafter constitute the right to purchase from the Flip-over Entity, upon exercise thereof in accordance with the terms of the Rights Agreement, that number of shares of common stock of the Flip-over Entity having an aggregate Market Price on the date of consummation or occurrence of such Flip-over Transaction or Event equal to twice the Exercise Price for an amount in cash equal to the then current Exercise Price and (ii) the Flip-over Entity shall thereafter be liable for, and shall assume, by virtue of such Flip-over Transaction or Event and such supplemental agreement, all the obligations and duties of the Company pursuant to the Rights Agreement. For purposes of the foregoing description, the term Acquiring Person shall include any Acquiring Person and its Affiliates and Associates counted together as a single Person.

The Board of Directors of the Company may, at its option, at any time prior to the close of business on the Flip-in Date, redeem all (but not less than all) the then outstanding Rights at a price of \$.05 per Right (the Redemption Price), as provided in the Rights Agreement. Immediately upon the action of the Board of Directors of the Company electing to redeem the Rights, without any further action and without any notice, the right to exercise the Rights will terminate and each Right will thereafter represent only the right to receive the Redemption Price in cash for each Right so held.

The holders of Rights will, solely by reason of their ownership of Rights, have no rights as shareholders of the Company, including, without limitation, the right to vote or to receive dividends.

The Rights will not prevent a takeover of the Company. However, the Rights may cause substantial dilution to a person or group that acquires 20% or more of the Common Stock unless the Rights are first redeemed by the Board of Directors of the Company. Nevertheless, the Rights should not interfere with a transaction that is in the best interests of the Company and its shareholders because the Rights can be redeemed on or prior to the close of business on the Flip-in Date, before the consummation of such transaction.

The Rights Agreement (which includes as Exhibit A the forms of Rights Certificate and Election to Exercise) is attached hereto as an exhibit and is incorporated herein by reference. The foregoing description of the Rights is qualified in its entirety by reference to the Rights Agreement and such exhibit thereto.
