**Directors Compensation***Equity Compensation*

On February 8, 2003, the compensation committee of the board of directors granted the following stock options under our Second Amended and Restated 1999 Stock Option Plan ( 1999 Plan ) to directors who were serving on the board on such date and who were not employees of MicroStrategy or any subsidiary: (1) an option to purchase 17,000 shares of class A common stock to David B. Blundin, (2) an option to purchase 25,000 shares of class A common stock to F. David Fowler, chairman of the Audit Committee, (3) an option to purchase 17,000 shares of class A common stock to Jonathan J. Ledecy, a director of the Company who retired from the board effective July 10, 2003, (4) an option to purchase 25,000 shares of class A common stock to Carl J. Rickertsen, chairman of the Compensation Committee, (5) an option to purchase 17,000 shares of class A common stock to Stuart B. Ross and (6) an option to purchase 17,000 shares of class A common stock to Ralph S. Terkowitz. Each of these options has an exercise price equal to the fair market value of the class A common stock on the last trading day immediately preceding the date of grant, or \$20.69 per share, and becomes exercisable in equal annual installments over a five-year period. On June 8, 2003, the Board granted Mr. Ledecy an option to purchase 17,000 shares of class A common stock under the 1999 Plan. This option (i) has an exercise price equal to the fair market value of the class A common stock on the last trading day immediately preceding the date of grant, or \$39.85 per share; (ii) was vested in full on the date of grant; and (iii) has a term of five years.

## Edgar Filing: MICROSTRATEGY INC - Form 10-K/A

Directors who are not employees of MicroStrategy or any subsidiary (an Outside Director ) are granted stock options under our 1999 Plan pursuant to the following standard arrangement: (1) each Outside Director is granted an option to purchase 17,000 shares of class A common stock upon such Outside Director 's initial election or appointment to the board of directors ( First Option ), and (2) each Outside Director is granted an

option to purchase an additional 8,000 shares of class A common stock upon the initial election or appointment of such Outside Director as the chairperson of the Compensation Committee or Audit Committee of the board of directors (the Chairperson Option ), provided that the aggregate number of shares of class A common stock subject to the First Option and any Chairperson Option granted to any individual Outside Director may not exceed 25,000 shares. First Options and Chairperson Options become exercisable in equal annual installments over a five-year period.

Each option granted to an Outside Director under the 1999 Plan has an exercise price equal to the last reported sale price of the class A common stock as reported on the Nasdaq National Market for the most recent trading day prior to the date of grant. In the event of a merger of MicroStrategy with or into another corporation or another qualifying acquisition event, each option will be assumed or an equivalent option will be substituted by the successor corporation. If the successor corporation does not assume outstanding options or such options are not otherwise exchanged, all outstanding options automatically will become immediately exercisable.

#### *Cash Compensation*

Each Outside Director receives an annual retainer of \$15,000 (in four quarterly installments payable on the first day of each calendar quarter in arrears) for serving on our board of directors, and a fee of \$3,750 for each quarterly meeting of the board of directors that such Outside Director attends in person. Each Outside Director who is a member of the Audit Committee (except the chairperson) also receives \$1,000 for each meeting of the Audit Committee that such member attends in person. The chairperson of each of the Audit Committee and the Compensation Committee also receives an annual retainer of \$7,500 (in four equal quarterly installments payable on the first day of each calendar quarter in arrears), and a fee of \$1,875 for each meeting of their respective committees that such chairperson attends in person. The annual retainer fees described above are prorated for the number of days that the individual served as an Outside Director or as a committee chairperson, as the case may be, during the immediately preceding calendar quarter. Each Outside Director is reimbursed for all reasonable out-of-pocket expenses incurred by him or her in attending meetings of the board of directors and any committee thereof and otherwise in performing his or her duties as an Outside Director, subject to compliance with our standard documentation policies regarding reimbursement of business expenses.

#### **Employment Agreements**

Our employees, including our executive officers, are generally required to enter into confidentiality agreements prohibiting the employees from disclosing any of our confidential or proprietary information. In addition, the agreements generally provide that upon termination, an employee will not provide competitive products or services and will not solicit our customers and employees for a period of one year. At the time of commencement of employment, our employees also generally sign offer letters specifying certain basic terms and conditions of employment. Otherwise, our employees are generally not subject to written employment agreements.

In July 2002, each of Messrs. Bedell, Brown, Klein and Sanchez were granted options to purchase 50,000, 75,000, 70,000 and 35,000 shares of class A common stock, respectively, under our 1999 Plan. The option agreements for each of these grants provide for the acceleration of vesting in the event of a change in control of the Company such that, as of the effective date of the change in control, at least fifty percent of the original grant is fully vested and the remaining unvested portion will vest as to fifty percent of the remaining unvested shares on the last day of the third month after the effective date of the change in control and the remaining unvested shares will vest on the last day of the sixth month after the effective date of the change in control. In addition, these option agreements provide that if, following the change in control, such officer's employment is terminated by MicroStrategy other than for cause or by such officer for good reason, the option will vest in full on the effective date of such termination.
