PROXY STATEMENT

Annual Meeting of Stockholders: May 10, 2006

Approximate Mailing Date: April 7, 2006

SOLICITATION OF PROXY

General

THE ENCLOSED PROXY IS SOLICITED BY AND ON BEHALF OF THE BOARD OF DIRECTORS OF LAKELAND BANCORP, INC. (hereinafter called Lakeland or the Company) for use in connection with the Annual Meeting of Stockholders to be held at Perona Farms, 350 Andover Sparta Road, Andover, New Jersey 07821 on Wednesday, May 10, 2006 at 5:00 p.m., and at any adjournments thereof. The matters to be considered and acted upon at such meeting are referred to in the enclosed notice of such meeting and are more fully discussed below.

Only stockholders of record at the close of business on March 31, 2006, the record date fixed by the Board of Directors, will be entitled to notice of, and to vote at, the Annual Meeting. If the enclosed Proxy is properly executed and returned to Lakeland and not revoked before its exercise, all shares represented thereby will be voted as specified in the form of Proxy. If the Proxy is signed but no specification is given, the shares will be voted in favor of the Board's nominees for election to the Board. The Proxy will enable you to assure that your shares are voted and to aid in securing a quorum at the meeting.

In order to reduce the number of annual reports being sent to one address, only one annual report is being delivered to multiple security holders sharing an address unless Lakeland has received contrary instructions from one or more of the security holders. This is called "householding". Lakeland will deliver a separate copy of the annual report to any security holder who requests a copy in writing or by telephone. If you wish to receive a separate copy of the 2005 annual report, or if you wish to receive a separate copy of future annual reports, please contact Mr. Harry Cooper at Lakeland Bancorp, Inc., 250 Oak Ridge Road, Oak Ridge, New Jersey 07438 (toll-free telephone 866-284-1291). If you are currently receiving multiple copies of the annual report at the same address, and wish to have one annual report sent to multiple security holders sharing that address in the future, please contact Mr. Harry Cooper at the above address and telephone number.

The entire cost of this solicitation will be borne by Lakeland. Officers and regular employees of Lakeland may also, but without additional compensation, solicit proxies by further mailings, personal conversations, telephone, telegraph, facsimile or e-mail. Lakeland will make arrangements with brokerage houses, custodians, nominees and fiduciaries for the forwarding of proxy solicitation materials to beneficial owners of shares held of record by these brokerage houses, custodians, nominees and fiduciaries and Lakeland will reimburse these brokerage houses, custodians, nominees and fiduciaries for their reasonable expenses incurred in connection with the solicitation.

All share information, including stock option information, contained in this proxy statement has been adjusted to reflect Lakeland's 5% stock dividends.

Voting your Shares

Lakeland shareholders will have four alternative ways to vote:

by traditional paper proxy card;

by telephone;

via the Internet; or

in person at the Annual Meeting.

Please take a moment to read the instructions, choose the way to vote that you find most convenient and cast your vote as soon as possible.

Voting by Proxy Card. If proxy cards in the accompanying form are properly executed and returned, the shares represented thereby will be voted in the manner specified therein. If you vote by proxy card but make no specification on your proxy card that you have otherwise properly executed, your shares will be voted FOR the election of the Board's nominees for director.

Voting by Telephone. If you wish to vote by telephone and you are a shareholder of record of Lakeland, use a touch-tone telephone to call toll-free 1-800-PROXIES and follow the instructions. If you vote by telephone, you must have your control number and the proxy card available when you call.

Voting by the Internet. If you wish to vote through the Internet and you are a shareholder of record of Lakeland, you can access the web page at www.voteproxy.com and follow the on-screen instructions. If you vote through the Internet, you must have your control number and the proxy card available when you access the web page.

If your shares are registered in the name of a broker or other nominee, your nominee may be participating in a program provided through ADP Investor Communication Services that allows you to vote by telephone or the Internet. If so, the voting form your nominee sent you will provide telephone and Internet voting instructions.

The deadline for voting by telephone or through the Internet as a shareholder of record of Lakeland is 11:59 p.m., EST, on May 9, 2006. For shareholders whose shares are registered in the name of a broker or other nominee, please consult the voting instructions provided by your broker for information about the deadline for voting by phone or through the Internet.

Voting in Person. If you attend the Annual Meeting, you may deliver your completed proxy card in person or you may vote by completing a ballot, which will be available at the meeting.

Changing your Vote

You will be able to change your vote as many times as you wish and the last vote received chronologically by any means will supersede your prior vote(s). Please note, however, that if you vote by the Internet, the maximum number of times that you can access the website using any one control number is limited to five times per day.

Any Lakeland shareholder may revoke a proxy at any time before or at the Annual Meeting in one or more of the following ways:

Edgar Filing: LAKELAND BANCORP INC - Form DEF 14A

Delivering a written notice of revocation, bearing a later date than the proxy, at any time prior to the vote at the Annual Meeting to Arthur L. Zande, Corporate Secretary of Lakeland; or

Submitting a later-dated proxy card; or

Submitting a new proxy via telephone or the Internet.

A Lakeland shareholder should send any written notice of revocation or subsequent proxy card to Lakeland Bancorp, Inc., Attention: Arthur L. Zande, Corporate Secretary, 250 Oak Ridge Road, Oak Ridge, New Jersey 07438, or hand deliver the notice of revocation or subsequent proxy card to Mr. Zande before the taking of the vote at the Annual Meeting. Attendance at the Annual Meeting will not by itself constitute a revocation of a proxy.

CAPITAL STOCK OUTSTANDING

At the close of business on March 31, 2006, there were 20,973,501 shares of Lakeland's common stock, no par value (the "Common Stock"), outstanding and entitled to vote at the Annual Meeting. Each share will be entitled to one vote on all matters properly coming before the meeting. Provided that a quorum is present, directors will be elected by a plurality vote (there is no right to vote stock cumulatively). A majority of the shares of Common Stock outstanding on the record date will constitute a quorum for purposes of the Annual Meeting. For purposes of determining the votes cast with respect to any matter presented for consideration at the Annual Meeting, only those votes cast for or against are included. Abstentions and broker non-votes are counted only for the purpose of determining whether a quorum is present at the Annual Meeting.

To Lakeland's knowledge, no person beneficially owned more than 5% of the outstanding voting securities of Lakeland as of December 31, 2005.

ELECTION OF DIRECTORS

Unless a shareholder either indicates "withhold authority" on his proxy or indicates on his proxy that his shares should not be voted for certain nominees, it is intended that the persons named in the proxy will vote for the election as directors of the four persons named in Table I below to serve until the expiration of their respective terms and thereafter until their successors shall have been duly elected and shall have qualified. If elected, the nominees will serve for three year terms. Discretionary authority is also solicited to vote for the election of a substitute for any of said nominees who, for any reason presently unknown, cannot be a candidate for election.

Table I sets forth the names and ages of the nominees for election to the Board of Directors, the positions and offices presently held by each such person within Lakeland, the period during which each such person has served on Lakeland's Board of Directors, the expiration of their respective terms, the principal occupations and employment of each such person during the past five years, and the number of shares of Lakeland Common Stock which they beneficially owned as of February 1, 2006. Table II sets forth comparable information with respect to those directors whose terms of office will continue beyond the date of the Annual Meeting. Unless otherwise indicated, positions have been held for more than five years. Unless otherwise stated in the footnotes following the tables, the nominees and other directors listed in the tables have sole power to vote and dispose of the shares which they beneficially owned as of February 1, 2006. Shares covered by stock options are included in the tables below only to the extent that such options may be exercised by April 1, 2006.

All of the persons named in both tables have been directors of Lakeland and Lakeland Bank for at least five years, except as follows: (a) Stephen R. Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, and the rules and regulations promulgated thereunder require Lakeland's directors, executive officers and 10% shareholders to file with the SEC certain reports regarding such persons' ownership of Lakeland's securities. Lakeland is required to disclose any failures to file such reports on a timely basis. Based solely upon a review of the copies of the forms or information furnished to Lakeland, Lakeland believes that during 2005, all filing requirements applicable to its directors and officers were satisfied on a timely basis, except that Mr. Bohuny failed to file on a timely basis a report disclosing the sale of shares in November 2005. The failure to file on a timely basis was inadvertent, and the filing was made promptly after the failure was noted.

Employment Agreements and Other Arrangements with Executive Officers

Lakeland and Lakeland Bank entered into an employment agreement (the Employment Agreement) with Mr. Bosma as of January 1, 2000 whereby he serves as the President and Chief Executive Officer of Lakeland. The initial term of the Employment Agreement was three years, and is automatically renewable for one year on each anniversary date thereof unless a majority of the directors of Lakeland vote not to extend the term. The Board determined in December 2004 that the term of Mr. Bosma's employment agreement would not be extended past December 31, 2007. The Employment Agreement provides that Mr. Bosma will receive an annual base salary of at least \$250,000. Mr. Bosma is also entitled to use of a Lakeland Bank-supplied automobile, Lakeland Bank paid membership in a country club approved by the Board and supplemental life insurance equal to two times base salary. If Mr. Bosma's employment is terminated by Lakeland other than for cause (as defined in the Employment Agreement), and a change in control (as defined in the Employment Agreement) has not occurred, he will receive his then current base salary, an annual bonus equal to the average annual bonus paid him during the three most recent fiscal years preceding his termination, and applicable perquisites and benefits for the balance of the term. The Employment Agreement contains confidentiality and non-compete covenants from Mr. Bosma in favor of Lakeland.

In the event of a change in control, the term of the Employment Agreement becomes fixed for a period of three years from the date of such event. During such period, Mr. Bosma is to be employed as President and Chief Executive Officer of Lakeland and is entitled to a base salary that is no less than the salary in effect as of the change in control, an annual bonus equal to the average annual bonus paid him during the three most recent fiscal years prior to the change in control, and continuation of other benefits and perquisites in effect as of the change in control. If following a change in control, Mr. Bosma's employment is terminated without cause, or he resigns within 90 days for good reason (as defined in the Employment Agreement) or after such 90 day period for any

reason, he will be entitled to continued life and health insurance benefits for three years and a lump sum cash payment equal to three times the sum of his pre-change in control salary and the average annual bonus paid him during the three most recent fiscal years prior to the change in control. To the extent that the amount payable to Mr. Bosma on account of a change in control is subject to an excise tax under Section 4999 of the Code, Mr. Bosma will also receive an additional payment equal to 10% of such amount; provided, however, that if the net amount retained by Mr. Bosma after payment of such excise tax is less than the maximum amount which could be paid him without triggering the excise tax, then the amount and benefits otherwise payable or to be provided to Mr. Bosma will be reduced to such maximum amount. For purposes of the Employment Agreement, the term "change in control" has the same meaning as under Lakeland's Stock Option Plan.

During 1996, High Point Financial Corp.'s subsidiary bank entered into a salary continuation agreement with Mr. Vandenberg, which entitles him to certain payments upon his retirement. As part of the Lakeland/High Point merger, Lakeland placed in trust an amount equal to the present value of the amount that would be owed to Mr. Vandenberg upon his retirement. This amount is \$381,000. Lakeland has no further obligation to pay additional amounts pursuant to this agreement.

In connection with Lakeland's acquisition of Metropolitan State Bank in 1998, Lakeland agreed to (1) provide to Mr. Lubertazzi an additional annuity comparable to the annuity provided to him by Metropolitan at a cost to Lakeland of \$278,000 and (2) provide to Mr. Lubertazzi certain retiree medical benefits at a cost to Lakeland of \$45,000. Mr. Lubertazzi retired on January 31, 2000. He will receive an annual distribution of \$35,000 for 15 years pursuant to this annuity, beginning with the year 2000. Lakeland is not required to incur any additional costs to fund this obligation.

Mr. Lubertazzi previously entered into a separate agreement with Metropolitan State Bank which was assumed by Lakeland. Pursuant to that agreement, Lakeland is required to pay Mr. Lubertazzi or his beneficiary an aggregate of \$525,000 payable in 15 annual installments beginning on his retirement date (January 31, 2000) or date of death. In order to fund this obligation, Metropolitan obtained a variable life insurance policy, which had a cash surrender value of approximately \$200,000 as of December 31, 2005. Although no assurance can be given, Lakeland does not expect to expend additional significant amounts to fund this obligation.

Lakeland and Lakeland Bank also entered into agreements, dated March, 2001 and as amended by agreements dated March 10, 2003, with each of Messrs. Hurley, Vandenberg, Luddecke and Buonforte (each, an "Executive") providing for certain terms and conditions of their employment in the event of a change in control (each a "Change in Control Agreement"). Under such Change in Control Agreements, the term of each Executive's employment becomes fixed for a period (the "contract period") ending on the earlier of the Executive's death, attainment of age 65, or the second anniversary of the date of such event. During the contract period, each Executive is to be employed in the same position as held by him immediately prior to such event, and is entitled to base salary equal to the annual salary in effect immediately prior to the change in control and bonus equal to the highest annual bonus paid during the three most recent fiscal years prior to the change in control. In addition, during the contract period, each Executive is entitled to certain other benefits and perquisites as in effect as of the change in control. If during the contract period, an Executive's employment is terminated without "cause", or he resigns for "good reason" (each as defined in the Change in Control Agreement), he will be entitled to continued life and health insurance benefits for the balance of the contract period and a lump sum cash payment equal to two times the sum of his highest salary and bonus paid him during any of the three most recent calendar years prior to the change in control. For purposes of each Change in Control Agreement, the term "change in control" has the same meaning as under the Stock Option Plan.

In 2003, Lakeland began contributing to a supplemental executive retirement plan for Roger Bosma that provides annual retirement benefits of \$150,000 a year for a 15 year period when he reaches the age of 65. Lakeland intends to fund its obligations under this arrangement with the increase in cash surrender value of bank owned life insurance policies purchased in 2003. In 2005, Lakeland contributed \$331,000 to this plan.

The following table contains information regarding the grant of stock options to the Named Officers during the year ended December 31, 2005. On May 13, 2005, the Company's Board of Directors accelerated the vesting of all outstanding unvested stock options with exercise prices in excess of the closing price of a share of the Company's Common Stock on May 13, 2005. In addition, the Stock Option Plan provides that all outstanding stock options will become immediately exercisable upon the occurrence of a change in control event (as defined in the Stock Option Plan).

The following table provides data regarding stock options exercised by the Named Officers during the year ended December 31, 2005 and the number of shares of Lakeland Common Stock covered by both exercisable and non-exercisable stock options held by the Named Officers at December 31, 2005. Board Independence; Committees and Directors Compensation

Since the adoption of the Sarbanes-Oxley Act in July 2002, there has been a growing public and regulatory focus on the independence of directors. NASDAQ adopted amendments to its definition of independence. Additional requirements relating to independence are imposed by the Sarbanes-Oxley Act with respect to members of the Audit Committee. As noted below, the Board has determined that the members of the Audit Committee satisfy all such definitions of independence. The Board has also determined that the following members of the Board satisfy the NASDAQ definition of independence: Mary Ann Deacon, George H. Guptill, Jr., Janeth C. Hendershot, Paul P. Lubertazzi, Robert E. McCracken, Robert B. Nicholson, III, Joseph P. O Dowd, Stephen R. Tilton, Sr., Paul G. Viall, Jr. and Arthur L. Zande.

During 2005, Lakeland's Board of Directors held 13 meetings. Lakeland's Board of Directors also maintains several Board committees.

The Audit Committee, consisting of George H. Guptill, Jr. (Chairperson), Joseph P. O Dowd and Stephen R. Tilton, Sr., is responsible for reviewing the reports submitted by Lakeland's independent registered public accounting firm and internal auditor and for reporting to the Board on significant audit and accounting principles, policies, and practices related to Lakeland. The Audit Committee met four times in 2005.

Lakeland is required to disclose whether the Board of Directors has determined that a member of the Audit Committee is an audit committee financial expert, as that term is defined in rules adopted by the SEC, and, if not, why not. Lakeland's Board has not determined that any of the members of the audit committee is an audit committee financial expert. The Board has determined, however, that each member of the audit committee has sufficient knowledge in financial and auditing matters to serve on the audit committee. The Board does not believe that it is necessary to search for any outside person who meets the definition of audit committee financial expert to serve on the Board and the audit committee. The audit committee has the authority to hire outside experts and consultants as it deems appropriate in carrying out its responsibilities.

The Nominating (or Governance) Committee consists of Paul P. Lubertazzi (Chairperson), Robert McCracken and Joseph P. O Dowd. This committee is responsible for interviewing potential candidates for election to the Board and for nominating individuals each year for election to the Board. This committee met once in 2005.

The Compensation Committee, consisting of Paul P. Lubertazzi (Chairperson), Mary Ann Deacon and Paul G. Viall, Jr., makes compensation decisions for Lakeland's staff and Board of Directors. The Compensation Committee met nine times in 2005. The Compensation Committee does not administer the Stock Option Plan, which is administered by the full Board.

During 2005, each director received a fee of \$1,500 for each meeting of Lakeland's Board that he or she attended from January through June, and \$1,750 for each meeting attended from July through the remainder of the year. In addition, each director, other than Roger Bosma, received a \$15,000 retainer, and payment for committee meetings attended, except that Chairman John Fredericks and Vice Chairman Bruce Bohuny received no payment for committee meetings. Members of committees received \$500 for each meeting attended from January through June 2005, with the exception of the Governance Committee, which received \$350 and the Audit Committee, which received \$1,000 per meeting. From July through December 2005, the fees for the Compensation, Profit Sharing, ALCO, Governance, and Loan Review committees increased to \$650 per meeting attended, and the Audit Committee increased to \$1,250 per meeting attended. Each member of Lakeland's Board was present for 75% or more of the aggregate of the total meetings of the Board and committees on which he or she served.

During 2005, the Board of Directors of Lakeland Bank met twice a month. Each director received \$1,000 for each meeting attended from January through June and \$1,150 for each meeting attended from July through December. Each director of Lakeland Investment Corp., a subsidiary of Lakeland Bank, received \$575 as an annual fee.

The Board of Directors of Newton Trust Company met 18 times in 2005 until the merger into Lakeland Bank in November. Each director, other than Roger Bosma, received a \$5,000 retainer. Additional retainers were paid as follows: \$12,500 to Newton Trust Company's Chairman of the Board, \$5,000 to the Chairman Emeritus, \$2,000 to the corporate secretary and \$6,000 to outside counsel. Each director, other than Roger Bosma, received \$250 for the first meeting attended each month and \$500 for the second monthly meeting attended. Additionally, in January 2006, nine members of the Board of Directors of Newton Trust Company received an aggregate of \$60,875 in consideration of their prior service to Newton.

The Board of Directors maintains a plan which provides that any director having completed five years of service on Lakeland's Board of Directors may retire and continue to be paid for a period of ten years at a rate ranging from \$5,000 to \$17,500 per annum, depending upon years of credited service. This plan is unfunded.

Lakeland's Stock Option Plan provides for automatic option grants to directors who are not otherwise employed by Lakeland or its subsidiaries. Upon commencement of service, a non-employee director will receive a stock option to purchase 25,000 shares of Common Stock at an exercise price equal to the fair market value of the underlying Common Stock on the grant date. Options granted to non-employee directors are exercisable in 20% annual installments beginning on the date of grant.

John W. Fredericks and Bruce G. Bohuny received \$80,000 and \$70,000, respectively, in 2005 as additional director's compensation for their positions as Chairman and Vice Chairman, respectively. In 2006, Mr. Fredericks' compensation was increased to \$84,000, while the compensation for Mr. Bohuny was increased to \$73,500.

Compensation Committee Interlocks and Insider Participation

Lakeland's Compensation Committee, which is currently comprised of Paul P. Lubertazzi, (Chairperson), Mary Ann Deacon and Paul G. Viall, Jr., makes compensation decisions for executives. Mr. Lubertazzi retired as President and CEO of Metropolitan State Bank (which merged into Lakeland Bank on January 28, 2000) on January 31, 2000. Charles L. Tice also served as a member of the Compensation Committee during 2005. Mr. Tice retired as a director in January 2006.

Mr. Bohuny, a director of Lakeland, has a 30% interest in the entity which owns the building in Pompton Plains, New Jersey in which Lakeland rents a branch office. During 2005, the Company paid \$103,000 to this entity as rent and related expenses.

Stephen R. Tilton, Sr., a director of Lakeland, is the Chairman and Chief Executive Officer of Fletcher Holdings, LLC, which owns a building in Little Falls, New Jersey in which Lakeland rents a branch office. During 2005, the Company paid \$126,000 to Fletcher Holdings, LLC as rent and related expenses.

Mark J. Fredericks, a director of Lakeland, is the president of Fredericks Fuel and Heating Service. During 2005, the Company paid \$90,000 to Fredericks Fuel and Heating Service for fuel and related services.

Lakeland's subsidiary banks have had, and expect to have in the future, transactions in the ordinary course of business with directors, officers, principal stockholders, and their associates, on the same terms, including interest rates and collateral, as those prevailing at the same time for comparable transactions with others, and that do not involve more than the normal risk of collectability or other unfavorable features.

The charter requires a nomination notice to set forth as to each person whom the proponent proposes to nominate for election as a director: (a) all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors in an election contest, or is otherwise required, in each case pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended (including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected), and (b) information that will enable the Nominating Committee to determine whether the candidate or candidates satisfy the criteria established pursuant to the charter for director candidates.

a review of reference letters from at least two sources determined to be reputable by the Nominating Committee; and

a personal interview of the candidate,

together with a review of such other information as the Nominating Committee shall determine to be relevant.

Third Party Recommendations. In connection with the 2006 Annual Meeting, the Nominating Committee did not receive any nominations from any shareholder or group of shareholders which owned more than 5% of the Company's Common Stock for at least one year.

The Company's current compensation program focuses upon the salaries of and bonuses granted to executive officers and is designed to provide appropriate reimbursement for services rendered. Compensation amounts take into account the individual performance of each executive officer. Salaries are determined annually, and each executive officer's performance is reviewed on a yearly basis. Traditionally, the salaries of executive officers have been set at levels which are perceived to be comparable to the salaries of executive officers of other banks and bank holding companies which the Board considers to be comparable to the Company and its subsidiary bank. Bonuses are granted based on the Company's performance and the executive's contribution to the Company's results. In recent years, the Compensation Committee has focused more on bonus than salary, since bonus is tied more closely to the executive's performance. All of the Named Officers received bonuses for 2005.

In determining whether a bonus should be paid to Roger Bosma, the Company's Chief Executive Officer, for 2005, and the amount of any such bonus, the Compensation Committee reviewed the goals and objectives that the Board of Directors had established for Mr. Bosma for 2005. In particular, the Compensation Committee reviewed the following factors and analyzed the Chief Executive Officer's contributions to these factors:

the Company's Return on Average Equity;

the Company's Return on Average Assets;

the Company's Efficiency Ratio;

the Company's Earnings per Share;

the Company's loan and deposit growth;

the Company's cost containment efforts;

the merger of Newton Trust Company into Lakeland Bank; and

the reorganization of the Lakeland Bank Equipment Leasing Division.

The Compensation Committee also considered the Chief Executive Officer's:

reputation in the community;

good relationships with employees and shareholders; and

overall knowledge of the banking industry.

Based on this analysis, the Compensation Committee granted the Chief Executive Officer a bonus of \$200,000 for 2005.

The Chief Executive Officer recommends to the Compensation Committee the salaries and bonuses of the other Named Officers. He also establishes goals and objectives for the other executive officers. The Compensation Committee reviews the factors described above, the contributions made by each of the other Named Officers and whether such Named Officers have achieved their goals and objectives in reviewing the Chief Executive Officer's recommendations.

Executive officers are also provided with standard benefits, including various health and life insurance benefits. The Company also makes contributions to the Lakeland Bank Profit Sharing Plan on behalf of executive

officers, as well as all other employees. The Board of Directors authorized a total contribution to the Lakeland Bank Profit Sharing Plan of \$755,000 in 2005.

The Company maintains the 2000 Equity Compensation Program, as amended (the "Stock Option Plan"), which is currently administered by the full Board of Directors. Incentive stock options granted to executive officers of the Company are granted at an exercise price equal to fair market value on the date of grant. Accordingly, these options will gain appreciable value only if the market price of the Company's Common Stock increases. The Board believes that the issuance of stock options at fair market value provides incentives to employees to maximize the Company's performance and encourage continued affiliation with the Company. The Stock Option Plan also provides for automatic option grants to new non-employee directors. The Board believes that this feature of the Stock Option Plan will encourage qualified non-employee directors to serve on the Company's Board.

The Compensation Committee believes that an appropriate compensation program can help foster the Company's growth. The Compensation Committee seeks to reflect an appropriate balance between providing rewards to executive officers while at the same time effectively controlling cash compensation costs. The Board intends to continue monitoring the Company's compensation program to ensure that this balance is appropriately maintained.
