**Item 2.02. Results of Operations and Financial Condition.**

On August 9, 2006, i2 Technologies, Inc. (the Company ) announced by press release (the Press Release ) that it is delaying the filing of its Form 10-Q for the three and six month periods ended June 30, 2006. The information contained in the Press Release, which is attached to this Current Report on Form 8-K as Exhibit 99.1, is incorporated by reference herein and is furnished pursuant to Item 2.02, Results of Operations and Financial Condition .

**Item 8.01. Other Events.**

The Company said in the Press Release that it is evaluating, together with its external auditors, the accounting implications of its December 2005 vesting acceleration of certain outstanding employee stock options and the tender offer for the exchange of certain employee stock options completed in May 2006. The Company currently anticipates that it may be required to record approximately \$3.5 million of additional non-cash stock compensation expense in its financial statements for the six months ended June 30, 2006. In the event the Company is required to book this expense, the amount that would be recorded in the three months ended June 30, 2006 and the amount, if any, that would be recorded in the three months ended March 31, 2006 has not yet been determined.
