### **Item 4. Description of Securities.**

Not applicable.

### **Item 5. Interests of Named Experts and Counsel.**

Not applicable.

### **Item 6. Indemnification of Directors and Officers.**

The Amended and Restated Certificate of Incorporation (Article Eighth) of The Bank of New York Mellon Corporation, a Delaware Corporation (the Company), provides that the Company will indemnify its officers and directors, and any other person who served in such role for other entities at the request of the Company (Covered Person), to the fullest extent permitted by law, against all expenses, judgments, fines and settlement amounts incurred by such person in connection with any threatened, pending or completed action, suit or proceeding by reason of the fact that such person was an officer or director of the Company or such other entity. The Company will indemnify Covered Persons in connection with a proceeding commenced or brought by that person only if the commencement or bringing of the proceeding was authorized by the Company's Board of Directors. The Company will, to the fullest extent permitted by the Delaware General Corporation Law (DGCL), pay the expenses (including attorneys' fees) of any Covered Person in defending a proceeding (other than a proceeding commenced or brought by the person without the specific authorization of the Company's Board of Directors), provided that, to the extent required by the DGCL, advancement of expenses will only be made if such person provides an undertaking to repay all amounts advanced if it is determined that he is not entitled to indemnification.

Under the DGCL, other than in actions brought by or on behalf of the Company, indemnification would apply in any threatened, pending or completed action or proceeding, whether civil, criminal, administrative or investigative, where the indemnitee has served in any capacity at the request of the Company, if the proposed indemnitee acted in good faith and in a manner that such person reasonably believed to be in or not opposed to the best interests of the Company and, with respect to any criminal proceeding, had no reasonable cause to believe his conduct was unlawful. In actions brought by or on behalf of the Company that are settled or in which the proposed indemnitee is found liable to the Company, indemnification is not permitted except in the case of a judicial finding that despite the adjudication of liability but in view of all the circumstances of the case, the person is fairly and

reasonably entitled to indemnity for such portion of the settlement amount and expenses as the court deems proper. The Company may purchase and maintain insurance to protect itself and any Covered Person against liability or expense asserted or incurred by such Covered Person in connection with any proceeding, whether or not the Company would have the power to indemnify such Covered Person against such liability or expense by law or under the indemnification provisions in the Company's Amended and Restated Certificate of Incorporation.

The Company is authorized to enter into contracts with any Director or officer, or, as authorized by the Board of Directors, any other employee or agent of the Company in furtherance of the provisions of Article Eighth of the Company's Amended and Restated Certificate of Incorporation and may create a trust fund, grant a security interest or use other means (including, without limitation, a letter of credit) to ensure the payment of such amounts as may be necessary to effect indemnification as provided in Article Eighth of the Company's Amended and Restated Certificate of Incorporation. With respect to advancement of expenses, the DGCL provides that the Company may advance expenses upon the receipt of an undertaking as described above, on such terms and conditions as it deems appropriate. Under each Trust Agreement, the Company will agree to indemnify each of the Trustees of the Trust or any predecessor Trustee for the Trust, and to hold such Trustees harmless against any loss, damage, claims, liability or expense incurred without negligence or bad faith on its part, arising out of or in connection with the acceptance or administration of the Trust Agreements, including the costs and expenses of defending itself against any claim or liability in connection with the exercise or performance of any of its powers or duties under the Trust Agreements.

**Item 9. Undertakings.**

*(a) Rule 415 offering.*

The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933 (the "1933 Act");

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

*Provided, however,* that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 (the "1934 Act") that are incorporated by reference in the registration statement;

(2) That, for the purpose of determining any liability under the 1933 Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

*(b) Filings incorporating subsequent Exchange Act Documents by Reference.*

The undersigned registrant hereby undertakes that, for purposes of determining any liability under the 1933 Act, each filing of the registrant's annual report pursuant to section 13(a) or section 15(d) of the 1934 Act that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

*(h) Filing of Registration Statement on Form S-8.*

Insofar as indemnification for liabilities arising under the 1933 Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the provisions described under Item 6 above, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the 1933 Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the 1933 Act and will be governed by the final adjudication of such issue.
