On April 29, 2008, Host Hotels & Resorts, Inc. sold the Sheraton Suites Tampa for approximately \$24 million. Additionally, on August 1, 2008, the Company sold the Host Airport Hotel Sacramento for approximately \$15 million. In accordance with U.S. generally acceptable accounting principles, the results of these hotels were presented in the Company's continuing operations for all fiscal years included in its Annual Report on Form 10-K for the fiscal year ended December 31, 2007, filed with the Securities and Exchange Commission (SEC) on February 26, 2008. In accordance with Statement of Financial Accounting Standard No. 144, Accounting for the Impairment or Disposal of Long-Lived Assets, (SFAS No. 144) the Company reported the results of these hotels as discontinued operations in its Form 10-Q for the quarter and year-to-date periods ended September 5, 2008. SFAS No. 144 also requires us to reclassify results of operations from a property disposed or held for sale as income from discontinued operations during all reported periods. The purpose of this Current Report on Form 8-K is to set forth the following information (which is attached as exhibits and incorporated by reference herein), including the audited consolidated financial statements of the Company for the three years ended December 31, 2007 and revised notes thereto, to reflect the impact of reclassifying results of operations from properties now reported in discontinued operations in accordance with SFAS No. 144:

In addition, we have updated the footnotes to the audited consolidated financial statements to disclose (1) the September draw of \$200 million under the revolver portion of our credit facility, (2) the second quarter 2008 closing of a \$210 million credit facility term loan, (3) the June 2008 refinancing of a \$208 million, 7.48% mortgage on the Orlando World Center Marriott Resort and Convention Center with a \$300 million mortgage that bears interest at a rate of LIBOR plus 350 basis points and (4) the repurchase of 6.5 million shares of common stock valued at \$100 million.

Investors are cautioned that the MD&A with respect to the three years ended December 31, 2007 presented herein represents the MD&A that we filed as part of our 2007 annual report on Form 10-K updated only to reflect the effect on our results of operations and financial portion discussed therein of the sale of the two properties discussed above.
