GM's Exchange Offer Registration Declared Effective

DETROIT On Friday, May 15, 2009, the Securities and Exchange Commission issued an order declaring effective General Motors' registration statement on Form S-4 filed on April 27, 2009 regarding its exchange offers for \$27 billion of its unsecured public notes and related consent solicitations. The effectiveness order is a regulatory requirement for consummation of the exchange offers and does not change the terms of the offer in any way.

For More Information Regarding the Exchange Offer

The exchange offers and consent solicitations are being made to holders of GM's outstanding unsecured notes solely upon the terms and subject to the conditions set forth in the Registration Statement on Form S-4 dated April 27, 2009 (as amended on May 14, 2009 and as may be further amended and/or supplemented from time to time), which includes a combined prospectus and proxy statement and information in accordance with the disclosure requirements of the tender offer rules of the Securities and Exchange Commission (SEC) that likewise is reflected in GM's Schedule TO dated April 27, 2009 (as amended on May 14, 2009 and as may be further amended and/or supplemented from time to time), and the related letter of transmittal (or form of electronic instruction notice, in the case of notes held through Euroclear or Clearstream) (collectively, the Exchange Offer Documents). GM strongly encourages you to carefully read the Exchange Offer Documents (including all amendments and supplements thereto) and other documents relating to the exchange offers that have been filed (or will be filed) with the SEC, because they contain important information regarding the proposed transaction. Noteholders can access free copies of the Exchange Offer Documents at the SEC's website (at www.sec.gov), and at GM's website (at http://www.gm.com/corporate/investor_information). Any requests for paper copies of any of these Exchange Offer Documents (including any amendment or supplement thereto) should be directed to D.F. King & Co., the Information and Solicitation Agent, by mail at 48 Wall Street, 22nd floor, New York, NY 10005, and by telephone at (800) 769-7666.

Cautionary Statement

A registration statement relating to the securities offered in the exchange offers has been filed with, and declared effective by, the SEC. The exchange offers will not be completed prior to their expiration. The exchange offers and consent solicitations are not being made to (nor will tenders be accepted from or on behalf of) holders of notes in any jurisdiction where the offers or the acceptance thereof would not be in compliance with the securities or other laws of such jurisdiction.

The securities being offered in exchange for the notes are being offered and will be issued outside the United States only to holders who are non-U.S. qualified offerees (as defined in the U.S. prospectus included in the Exchange Offer Documents). Offers to holders in the United Kingdom, Austria, Belgium, France, Germany, Italy, Luxembourg, the Netherlands, Spain and Switzerland will be made only pursuant to the prospectus dated April 27, 2009 (as amended and/or supplemented), including any documents incorporated by reference into the prospectus, as approved by the United Kingdom Listing Authority as competent authority under EU Directive 2003/71/EC, which will incorporate the U.S. prospectus included in the Exchange Offer Documents (as amended on May 14, 2009 and as may be further amended and/or supplemented from time to time) and will indicate

on the front cover thereof that it can be used for such offers. Holders outside of these jurisdictions (and the United States) are authorized to participate in the exchange offers and consent solicitations, as described in the Non-U.S. Offer Restrictions section of the U.S. prospectus included in the Exchange Offer Documents. In Canada, the exchange offers will only be made to non-US qualified offerees (as defined in the Exchange Offer Documents) and only pursuant to the Canadian Offering Memorandum dated April 27, 2009, which incorporates the U.S. prospectus included in the Exchange Offer Documents (as amended and/or supplemented). Holders of old notes resident in Canada should contact the Solicitation and Information Agent for a copy of the Canadian Offering Memorandum.
