## Introduction and Background.

As previously announced, on March 14, 2010, Chordiant Software, Inc., a Delaware corporation (the "Company"), entered into an Agreement and Plan of Merger (the "Merger Agreement") with Pegasystems Inc., a Massachusetts corporation ("Parent"), and Maple Leaf Acquisition Corp., a Delaware corporation and a wholly-owned subsidiary of Parent ("Purchaser"). Pursuant to the Merger Agreement, upon the terms and subject to the conditions set forth therein, Purchaser commenced a cash tender offer (the "Offer"), disclosed in a Tender Offer Statement on Schedule TO, dated March 24, 2010 (as amended or supplemented, the "Schedule TO"), to purchase all of the outstanding shares (the "Shares") of common stock, \$0.001 par value per share, of the Company, including the associated rights to purchase Series A Junior Participating Preferred Stock, par value \$0.001 per share, of the Company, issued pursuant to the Rights Agreement, dated as of July 10, 2008, between the Company and American Stock Transfer & Trust Co. LLC, as the rights agent, as amended, at a purchase price of \$5.00 per share, net to the holder thereof in cash without interest (the "Offer Price"), and less any required withholding taxes, upon the terms and subject to the conditions set forth in the Offer to Purchase, dated March 24, 2010 (as amended or supplemented, the "Offer to Purchase"), and in the related Letter of Transmittal (as amended or supplemented from time to time), which are included as exhibits to the Schedule TO.

The Offer expired at 12:00 Midnight (one minute after 11:59 p.m.), New York City time, on April 20, 2010. Purchaser was advised by the depository for the Offer that approximately 24,998,423 Shares were validly tendered and not withdrawn prior to the expiration of the Offer (including 1,110,825 Shares that were tendered pursuant to guaranteed delivery procedures), representing approximately 81.8% of the Shares issued and outstanding as of April 20, 2010. On April 21, 2010, Purchaser accepted for payment all validly tendered and not withdrawn Shares (including Shares tendered to the depository pursuant to guaranteed delivery procedure) in accordance with the terms and conditions of the Offer and applicable law.

Parent completed its acquisition of the Company on April 21, 2010 through a merger of Purchaser with and into the Company (the "Merger") in accordance with the short form merger procedures available under the General Corporation Law of the State of Delaware (the "DGCL"), which does not require a vote or meeting of the Company's stockholders. In connection with the Merger, and pursuant to the Merger Agreement, each outstanding Share not tendered in the Offer (other than (a) Shares owned by Parent, Purchaser or any other wholly-owned subsidiary of Parent, (b) Shares owned by the Company or any wholly-owned subsidiary of the Company, in each case immediately prior to the Effective Time (as defined in the Offer to Purchase), and (c) Shares owned by stockholders who have properly and validly exercised their dissenters' rights of appraisal in respect of such Shares pursuant to the DGCL) was converted into the right to receive the Offer Price, less any required withholding taxes. The Company is the surviving corporation in the Merger and has become a wholly owned subsidiary of Parent. To accomplish the Merger as a short form merger, on April 21, 2010, Purchaser exercised a top-up option pursuant to which Purchaser purchased additional Shares directly from the Company, upon the terms and subject to the conditions set forth in the Merger Agreement.

### Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

As a result of the consummation of the Merger and related transactions, the Company no longer fulfills the numerical listing requirements of The Nasdaq Global Market ("Nasdaq"). Accordingly, on April 22, 2010, at the Company's request, Nasdaq filed with the U.S. Securities and Exchange Commission (the "SEC") a Notification of Removal from Listing and/or Registration under Section 12(b) of the Securities Exchange Act of 1934, as amended, on Form 25, thereby effecting the delisting of the Shares from Nasdaq.

### Item 3.02 Unregistered Sales of Equity Securities.

To complete the Merger as a short form merger, on April 21, 2010, Purchaser exercised a top-up option pursuant to which Purchaser purchased additional Shares directly from the Company, and accordingly, the Company issued 43,435,562 Shares (the "Top-Up Shares") at a price per share of \$5.00, which resulted in an aggregate purchase price for such Shares of \$217,177,810.00 (the "Purchase Price"). Purchaser paid the Purchase Price for such Shares by delivery of a promissory note to the Company.

The Company offered and sold the Top-Up Shares as a private placement pursuant to an exemption from registration provided by Section 4(2) of the Securities Act of 1933, as amended (the "Securities Act"). The Company relied on the representations made by Purchaser that it was an accredited investor as defined in Rule 501 of Regulation D under the Securities Act and that it had the necessary investment intent as required by Section 4(2) of the Securities Act.

**Item 3.03 Material Modification to Rights of Security Holders.**

In connection with the Merger, and pursuant to the Merger Agreement, each outstanding Share not tendered in the Offer (other than (a) Shares owned by Parent, Purchaser or any other wholly-owned subsidiary of Parent, (b) Shares owned by the Company or any wholly-owned subsidiary of the Company, in each case immediately prior to the Effective Time (as defined in the Offer to Purchase), and (c) Shares owned by stockholders who have properly and validly exercised their dissenters' rights of appraisal in respect of such Shares pursuant to the DGCL) was converted into the right to receive the Offer Price, less any required withholding taxes.

**Item 5.01 Changes in Control of Registrant.**

Parent completed its acquisition of the Company on April 21, 2010 through the Merger and in accordance with the short form merger procedures available under the DGCL, which does not require a vote or meeting of the Company's stockholders. In connection with the Merger, and pursuant to the Merger Agreement, each outstanding Share not tendered in the Offer (other than (a) Shares owned by Parent, Purchaser or any other wholly-owned subsidiary of Parent, (b) Shares owned by the Company or any wholly-owned subsidiary of the Company, in each case immediately prior to the Effective Time (as defined in the Offer to Purchase), and (c) Shares owned by stockholders who have properly and validly exercised their dissenters' rights of appraisal in respect of such Shares pursuant to the DGCL) was converted into the right to receive the Offer Price, less any required withholding taxes. The Company is the surviving corporation in the Merger and has become a wholly-owned subsidiary of Parent. Following the Merger, Parent owns 100% of the voting securities of the Company.

Purchaser had sufficient cash on hand at the expiration of the Offer to pay the Offer Price for all Shares that were tendered in the Offer because Parent contributed or otherwise advanced funds to Purchaser to enable Purchaser to pay for the Shares that were tendered in the Offer. Parent used its working capital to make such cash contribution to Purchaser.

Stevens were each members of the Company's Compensation Committee. At the time of their resignation, David R. Springett, Richard G. Stevens and Allen A.A.
