Item 1.02 Termination of a Material Definitive Agreement

As previously disclosed, on February 24, 2010, we consummated the initial closing under a Share Exchange Agreement, dated October 13, 2009, as amended by an Amendment to Share Exchange Agreement, dated January 21, 2010 (collectively, the Share Exchange Agreement), by and among the Company, Blackbird Corporation (Blackbird), certain of our principal shareholders, certain principal shareholders of Blackbird, and Mr. Prepaid, formerly a wholly-owned subsidiary of Blackbird.

Also, as previously disclosed, a subsequent closing under the Share Exchange Agreement was to occur subject to the satisfaction of certain additional conditions including obtaining consents to transfer certain telecommunications licenses from the Federal Communication Commission and state regulatory authorities. At such subsequent closing, Blackbird was to deliver to the Company all of the issued and outstanding shares of capital stock of all other Blackbird subsidiaries. Additionally, certain assets necessary to conduct the core business of Telenational Communications, Inc., our former subsidiary, were to be transferred to a wholly-owned subsidiary of the Company in exchange for the assumption by such transferee of certain indebtedness.

On June 7, 2010, Blackbird notified us that due to the inability of certain conditions to the consummation of the subsequent closing to be timely satisfied, the subsequent closing was incapable of being completed. As a result, Blackbird advised us that it was exercising its rights to terminate the remaining portions of the Share Exchange Agreement which had yet to be performed, namely, the subsequent closing. Accordingly, as of June 7, 2010, the Share Exchange Agreement was terminated with no further force or effect. There are no termination penalties or other obligations triggered by the termination. Our board of directors has ratified and confirmed such termination.

Notwithstanding the termination of the Share Exchange Agreement, Blackbird agreed to transfer its wholly-owned subsidiary, Spot Mobile Corp., to the Company. Spot Mobile Corp. is a mobile virtual network operator (MVNO) offering principally prepaid mobile telephones. Spot Mobile Corp. has recently completed network development, testing and market analysis. We intend to commence full operations of Spot Mobile Corp. beginning with our Mr. Prepaid retail base and then through experienced sales agent networks.
