* MagnaChip Semiconductor LLC, a limited liability company organized under the laws of Delaware, is the registrant filing this Registration Statement. Prior to the listing of the common stock and depository shares on the New York Stock Exchange, MagnaChip Semiconductor LLC will be converted into a corporation organized under the laws of Delaware, pursuant to the Delaware Limited Liability Company Act Section 18-216 and the Delaware General Corporation Law Section 265 and renamed MagnaChip Semiconductor Corporation. The common stock and depository shares to be listed on the New York Stock Exchange and referred to herein are securities of MagnaChip Semiconductor Corporation.

As disclosed in the registration statement on Form S-1 (No. 333-165467) relating to the registrant's initial public offering (the Registration Statement), all of the shares of common stock sold in such offering will be sold in the form of depository shares. Each depository share represents an ownership interest in one share of common stock. Approximately forty-five days after the effective date of the Registration Statement, each holder of depository shares will be credited with a number of shares of common stock equal to the number of depository shares held by such holder on that date, and the depository shares will be canceled. Until such cancellation of the depository shares, holders of depository shares will be entitled to all proportional rights and preferences of the shares of common stock underlying such depository shares. Accordingly, application is made for listing of the common stock of the registrant, but such shares will not trade until the depository shares are canceled.

Item 1. Description of Registrant's Securities to be Registered.

For a description of the securities to be registered hereunder, reference is made to the information set forth under the headings "Description of Capital Stock" and "Description of Depositary Shares" in the prospectus included in the registrant's Registration Statement on Form S-1 (File No. 333-165467), originally filed with the Securities and Exchange Commission on March 15, 2010, as amended by any amendments to such Registration Statement, which description is incorporated by reference herein. In addition, any prospectus subsequently filed pursuant to Rule 424(b) under the Securities Act of 1933, as amended, is deemed to be incorporated herein by reference.

Item 2. Exhibits.

Under the "Instructions as to Exhibits" section of Form 8-A, no exhibits are required to be filed because no other securities of the Registrant are registered on the New York Stock Exchange and the securities registered hereby are not being registered pursuant to Section 12(g) of the Securities Exchange Act of 1934.
