Item 3.02 Unregistered Sales of Equity Securities.

On February 28, 2011, the Company completed the final closing of a private placement (the Private Placement) with approximately 9 accredited investors (the Investors), pursuant to which the Company sold to the Investors an aggregate of 5 units (the Units) at a purchase price of \$50,000 per Unit (the Unit Price). Each Unit is comprised of (i) 100,000 shares of our common stock, \$.001 par value per share (the Common Stock); and (ii) a three-year warrant to purchase 100,000 shares of Common Stock at an exercise price of \$0.75 per share, subject to adjustment for stock splits, stock dividends, recapitalizations and similar events (the Investor Warrants). In the final closing, we sold 5 Units and received net proceeds of approximately \$216,250 after payment of placement agent fees and costs relating to the Private Placement.

As previously reported, on January 25, 2011, we completed an initial closing of the Private Placement, having sold 41 Units and received net proceeds of approximately \$1.8 million. The total gross proceeds of the Private Placement were \$2.3 million and we sold an aggregate of 46 Units comprised of 4,600,000 shares of Common Stock and Investor Warrants to purchase an additional 4,600,000 shares of Common Stock. The net proceeds from the Private Placement will be used to fund our ongoing operations and to provide working capital. As of February 28, 2010, the Private Placement has been terminated and no further securities will be offered in connection with the Private Placement.

In consideration for services rendered as the placement agent in the Private Placement, upon the final closing, we paid the placement agent cash commissions and an expense allowance fee aggregating \$33,750. In addition, as consideration for services rendered in connection with the Private Placement, at the final closing date of the Private Placement, we will sell to the placement agent (i) warrants to purchase 10,000 shares of Common Stock for each Unit sold in the private placement at an aggregate cost of \$10.00 (the Placement Agent Warrants), and (ii) 10,000 warrants identical to those sold to Investors. The Placement Agent Warrants will have a term of five years and shall be exercisable at \$0.60 per share, subject to adjustment for stock splits, stock dividends, recapitalizations and similar events. The Placement Agent Warrants will also contain weighted average anti-dilution protection, cashless exercise provisions and piggy-back registration rights during the lifetime of the Placement Agent Warrants.

The Units were offered and sold in reliance upon exemptions from registration under the Securities Act of 1933, as amended (the Securities Act) in reliance on Section 4(2) of the Securities Act and Rule 506 of Regulation D promulgated thereunder, as transactions by an issuer not involving a public offering. The subscription agreements executed in connection with the transactions disclosed above contain representations from the Investors to support our reasonable belief that: (i) the Investors either received or had access to adequate information concerning the Company's operations and financial condition in order to make an informed investment decision, (ii) the Investors acquired the Units for their own account for investment purposes only and not with a view to the distribution thereof in the absence of an effective

registration statement or an applicable exemption from registration, and (iii) the Investors are sophisticated within the meaning of Section 4(2) of the Securities Act and are accredited investors (as defined by Rule 501 under the Securities Act).

Neither the shares of Common Stock nor the Investor Warrants or Placement Agent Warrants, or the Common Stock issuable upon exercise thereof, have been registered under the Securities Act nor may any such securities be offered or sold absent registration or an applicable exemption from registration. The Company has agreed to file a registration statement with the Securities and Exchange Commission, within 90 days of the final closing of the Private Placement, covering the resale by the Investors of the shares of Common Stock issued in the Private Placement as well as the resale by the Investors and the placement agent of the shares of Common Stock issuable upon the exercise of the Investor Warrants and Placement Agent Warrants. Until this registration statement is declared effective by the SEC such shares of Common Stock may not be transferred or resold unless the transfer or resale is registered or unless exemptions from the registration requirements of the Securities Act and applicable state laws are available.
