The Schedule 14D-9 relates to the tender offer by Beta Acquisition Corporation, a Delaware corporation (Purchaser) and a wholly owned subsidiary of BGI-Shenzhen, a company organized under the laws of the People's Republic of China (Parent or BGI), to purchase all of the outstanding common stock, par value \$0.001 per share, of Complete (the Shares), at a price of \$3.15 per Share, net to seller in cash, without interest and less any applicable withholding taxes, upon the terms and conditions set forth in the Offer to Purchase dated September 25, 2012 (the Offer to Purchase) and the related Letter of Transmittal (which, together with the Offer to Purchase, as each may be amended or supplemented from time to time, constitute the Offer). The action is pending and defendants have 30 days from the service of the summons to file a responsive pleading with the Court. The Liauw action purports to be brought individually and on behalf of the public stockholders of the Company and alleges claims for breaches of fiduciary duties against the Company Board in connection with the proposed transaction and that the Company and Parent aided and abetted the purported breaches of fiduciary duties. The Liauw action seeks, among other things, preliminary and permanent injunctive relief prohibiting consummation of the proposed acquisition and attorneys' fees and costs.

Complete Genomics, Inc., et al.* In addition to the Company, the suit names Parent, the Purchaser and the individual directors of the Company as defendants.
