Item 1.01 Entry into Material Definitive Agreement

On September 26, 2013, Asbury Automotive Group, Inc. (the Company) and certain of its subsidiaries entered into a real estate term loan credit agreement (the Real Estate Credit Agreement) with Bank of America, N.A., as lender (Bank of America).

The Real Estate Credit Agreement provides for term loans to certain of the Company's subsidiaries that are borrowers under the Real Estate Credit Agreement (collectively, the Borrowers) in an aggregate amount not to exceed \$75.0 million (the Real Estate Term Loan Facility), subject to customary terms and conditions.

Term loans under the Real Estate Term Loan Facility bear interest, at the option of the Company, based on the London Interbank Offered Rate (LIBOR) plus 2.50% or the Base Rate (as described below) plus 1.50%. The Base Rate is the highest of (i) the Federal Funds rate plus 0.50%, (ii) the Bank of America prime rate, and (iii) one month LIBOR plus 1.0%. The Company is required to make quarterly principal payments of 1.25% of the initial amount of each loan on a twenty year repayment schedule, with a balloon repayment of the outstanding principal amount of loans due on September 26, 2023, subject to an earlier maturity if the Company's existing senior secured credit facility matures or is not otherwise refinanced by certain dates. The Borrowers can voluntarily prepay any loan in whole or in part any time without premium or penalty.

On September 26, 2013, certain of the Borrowers borrowed an aggregate amount of \$57.3 million under the Real Estate Credit Agreement and the Company expects additional Borrowers to borrow the remaining \$17.7 million within the next 30 to 60 days subject to the satisfaction of certain conditions under the Real Estate Credit Agreement. The proceeds from the Real Estate Term Loan Facility are expected to be used to refinance a portion of the Company's existing indebtedness and associated costs under its 7.625% Senior Subordinated Notes due 2017 and certain of the Company's other outstanding mortgage indebtedness.

The representations and covenants contained in the Real Estate Credit Agreement are customary for financing transactions of this nature, including, among others, a requirement to comply with a minimum consolidated current ratio, minimum consolidated fixed charge coverage ratio and maximum consolidated total lease adjusted leverage ratio, in each case as set out in the Real Estate Credit Agreement. In addition, certain other covenants could restrict the Company's ability to incur additional debt, pay dividends or acquire or dispose of assets.

The Real Estate Credit Agreement also provides for events of default that are customary for financing transactions of this nature, including cross-defaults to other material indebtedness. Upon the occurrence of an event of default, the Company could be required to immediately repay all amounts outstanding under the Real Estate Term Loan Facility.

Borrowings under the Real Estate Term Loan Facility are guaranteed by each operating dealership subsidiary of the Company whose real estate is financed under the facility, and collateralized by first priority liens, subject to certain permitted exceptions, on all of the real property financed under the Real Estate Credit Agreement.

The Company and certain of its affiliates have commercial banking, investment banking and retail lending and other relationships with Bank of America and/or its affiliates. Bank of America, or its respective affiliates, has received, and may in the future receive, customary fees and expenses for those services.

On September 30, 2013, the Company issued a press release announcing the entry into the Real Estate Credit Agreement. A copy of this press release is filed as Exhibit 99.1 to this current report on Form 8-K (the Current Report) and is incorporated by reference herein.

The foregoing description of the Real Estate Term Loan Facility is qualified in its entirety by reference to the Real Estate Credit Agreement, a copy of which is attached hereto as Exhibit 10.1 and is incorporated herein by reference.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant

The information contained in Item 1.01 is incorporated herein by reference.
