Use of Proceeds:	<p>The net proceeds from this offering of notes will be approximately \$1.881 billion, after deducting estimated underwriting discounts and commissions and offering expenses payable by us. We intend to use the net proceeds of this offering, together with the net proceeds of the Common Stock Offering, borrowings under our revolving credit facility or the Bridge Facility and cash on hand, or some combination of the foregoing, to fund the consideration for the GIP Purchase and to pay related transition and transaction expenses. Any excess net proceeds will be used for general corporate purposes. If the GIP Purchase were to fail to close, we will use the net proceeds of this offering, together with cash on hand, to fund the special mandatory redemption of the notes described in</p> <p>Description of the Notes Special Mandatory Redemption.</p>
Special Mandatory Redemption:	<p>If the GIP Purchase has not closed by December 31, 2014, we will be required to redeem the notes of each series, in whole but not in part, at a redemption price equal to 101% of the aggregate principal amount of the notes of such series, plus accrued and unpaid interest thereon on the notes of such series to the mandatory redemption date. The notes of both series may also be redeemed at our option, in whole but not in part, at any time prior to December 31, 2014, at a redemption price equal to 101% of the aggregate principal amount of the notes of the applicable series, plus accrued and unpaid interest thereon to the redemption date, if, in our judgment, the GIP Purchase will not be consummated on or prior to December 31, 2014 on substantially the terms described in the prospectus supplement for this offering.</p>
