Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On September 11, 2014, in response to recently enacted changes to the Puerto Rico Internal Revenue Code, specifically, Act 77 of 2014 (Act 77), the Compensation Committee of the Company's Board of Directors (the Committee) decided to accelerate the vesting of certain stock options held by certain officers that otherwise would have vested in 2015. Act 77 temporarily reduces the income tax rate payable by Puerto Rican taxpayers with respect to certain types of income, including income attributable to stock options. The reduced income tax rate expires on October 31, 2014.

The Committee determined that it is in the best interests of the Company to take advantage of the tax incentives created by Act 77 by accelerating the vesting of certain stock options held by certain officers. The officers whose stock options are being accelerated did not receive any equity compensation awards for 2014. The Committee made this determination after consulting with Frederic W. Cook & Co., Inc., the Committee's compensation consultant, regarding the economic, accounting and tax implications of the accelerated vesting. The advantages of the acceleration of the vesting of the stock options include the potential for an accelerated tax deduction for the Company for the compensation attributable to the stock options.

Vesting will be accelerated to October 1, 2014 for the stock options that were scheduled to vest in 2015. Stock options that are scheduled to vest beyond 2015 will not be affected.

The table below sets forth the stock options of the Company's named executive officers that will be accelerated:

Named Executive Officer	Grant Date	Exercise Price	Number of Securities Underlying Options	Original Vesting Date
Peter Harrington	February 22, 2012	\$4.83	46,666	February 22, 2015
Juan J. Román	June 30, 2011	\$1.30	26,000	June 30, 2015
Miguel Vizcarrondo	September 30, 2010	\$1.30	23,371	September 30, 2015
Miguel Vizcarrondo	September 30, 2011	\$4.83	1,666	September 30, 2015
Carlos J. Ramírez	September 30, 2010	\$1.30	31,164	September 30, 2015
