***Issuance of Senior Secured Notes***

On June 3, 2016, Universal Health Services, Inc. (the *Company*) completed its previously announced offering of \$400 million aggregate principal amount of 4.750% Senior Secured Notes due 2022 at 101.5% to yield 4.35% (the *New 2022 Notes*) and \$400 million aggregate principal amount of 5.000% Senior Secured Notes due 2026 (the *2026 Notes*). The New 2022 Notes and the 2026 Notes were offered only to qualified institutional buyers under Rule 144A and to non-U.S. persons outside the United States in reliance on Regulation S under the Securities Act of 1933, as amended (the *Securities Act*). The New 2022 Notes and the 2026 Notes have not been registered under the Securities Act and may not be offered or sold in the United States absent registration or an applicable exemption from registration requirements. The New 2022 Notes and the 2026 Notes were issued and sold pursuant to the Purchase Agreement, dated May 19, 2016, among the Company and certain of its subsidiaries, as guarantors, and J.P. Morgan Securities LLC, for itself and as representative of the several initial purchasers named therein (the *Initial Purchasers*).

The terms of the New 2022 Notes are identical to the terms of the Company's existing \$300 million aggregate principal amount of 4.750% Senior Secured Notes due 2022 issued in August 2014 (the *Existing 2022 Notes*), other than the issue date, the issue price and the first interest payment date, and are fungible and vote together with the Existing 2022 Notes. The New 2022 Notes were issued under an Indenture, dated as of August 7, 2014 (the *Original Indenture*), by and among the Company, the subsidiary guarantors party thereto, MUFG Union Bank, N.A., as trustee (the *Trustee*), and JPMorgan Chase Bank, N.A., as collateral agent (the *Collateral Agent*), as supplemented by the First Supplemental Indenture, dated as of June 3, 2016, between the Company, the subsidiary guarantors party thereto, the Trustee and the Collateral Agent (the *Supplemental Indenture*; the *Original Indenture*, as supplemented by the Supplemental Indenture, the *2022 Notes Indenture*).

The 2026 Notes were issued under an Indenture, dated as of June 3, 2016 (the *2026 Notes Indenture*), and together with the 2022 Notes Indenture, the *Indentures*), between the Company, the subsidiary guarantors party thereto, the Trustee and the Collateral Agent.

The New 2022 Notes, the Existing 2022 Notes and the 2026 Notes are referred to collectively as the *Senior Secured Notes*.

***Indentures and Senior Secured Notes***

The 2022 Notes Indenture, the form of the New 2022 Notes, which is attached as an exhibit to the 2022 Notes Indenture, the 2026 Notes Indenture, and the form of the 2026 Notes, which is attached as an exhibit to the 2026 Notes Indenture, provide, among other things, that the Senior Secured Notes are guaranteed (the *Guarantees*) on a senior secured basis by all of the Company's existing and future direct and indirect subsidiaries (the *Subsidiary Guarantors*) that guarantee the Company's Credit Agreement, dated as of November 15, 2010, as amended, restated or supplemented from time to time, by and among the Company, the several lenders from time to time parties thereto, Credit Agricole Corporate and Investment Bank, Mizuho Corporate Bank LTD., Royal Bank of Canada and The Royal Bank of Scotland PLC, as co-documentation agents, Bank of Tokyo-Mitsubishi UFJ Trust Company, Bank of America N.A. and Suntrust Bank, as co-syndication agents, and JPMorgan Chase Bank, N.A., as administrative agent (the *Senior Credit Facility*), and the Company's other indebtedness and indebtedness of the Subsidiary Guarantors.

The Company's obligations with respect to the Senior Secured Notes, the obligations of the Subsidiary Guarantors under the Guarantees and the performance of all of the Company's and the Subsidiary Guarantors' other obligations under the 2022 Notes Indenture and the 2026 Notes Indenture are secured equally and ratably with the Company's and the Subsidiary Guarantors' obligations under the Senior Credit Facility and the Company's 3.750% Senior Secured Notes due 2019 (the *Existing 2019 Notes*) by first-priority liens, subject to permitted liens, on certain of the Company's and the Subsidiary Guarantors' assets now owned or acquired in the future by the Company or the

Subsidiary Guarantors (other than real property, accounts receivable sold pursuant to the Company's existing accounts receivable securitization program with a group of conduit lenders, liquidity banks, and PNC Bank, National Association, as administrative agent (the "Existing Receivables Facility"), and other excluded assets (the "Common Collateral")) as set forth in the Amended and Restated Collateral Agreement, dated as of August 7, 2014, among the Company, the Subsidiary Guarantors and the Collateral Agent, as supplemented by the Additional Authorized Representative Joinder Agreement, dated as of June 3, 2016, among the Company, the Subsidiary Guarantors party thereto and the Collateral Agent (as supplemented, "Amended and Restated Collateral Agreement").

*Ranking.* The Senior Secured Notes and the Guarantees are the Company's and the Subsidiary Guarantors' senior secured obligations and (i) rank senior in right of payment to any of the Company's and the Subsidiary Guarantors' future subordinated indebtedness, (ii) rank equally in right of payment with all of the Company's and the Subsidiary Guarantors' existing and future senior indebtedness, (iii) rank equally with the Company's obligations under the Senior Credit Facility and

the Existing 2019 Notes to the extent of the value of the Common Collateral, (iv) rank effectively senior to the Company's and the Subsidiary Guarantors' existing and future unsecured debt to the extent of the value of the assets securing the Senior Secured Notes and the Guarantees, (v) effectively rank equal to all future debt that shares in the first-priority liens that secure the Senior Secured Notes and (vi) are structurally subordinated to obligations of the Company's non-guarantor subsidiaries.

*Interest and Maturity.* Interest on the New 2022 Notes accrues from February 1, 2016 and will be payable on February 1 and August 1, commencing August 1, 2016, until the maturity date of August 1, 2022. Purchasers of the New 2022 Notes paid accrued interest thereon from February 1, 2016 to the issuance date of June 3, 2016. Interest on the 2026 Notes accrues from June 3, 2016 and is payable on June 1 and December 1, commencing December 1, 2016, until the maturity date of June 1, 2026.

*Certain Covenants.* The terms of the Indentures, among other things, limit the Company's and the Company's restricted subsidiaries' ability to create liens on certain assets to secure debt, sell certain assets and consolidate, merge, sell or otherwise dispose of all or substantially all of its assets. However, if the Senior Secured Notes receive investment grade ratings from both Moody's Investors Service, Inc. (Moody's) and Standard & Poor's Ratings Services (S&P), the covenants limiting the creation of liens and sales of certain assets will terminate and will be replaced by limitations on the Company's ability to create mortgages on certain of its principal properties to secure debt and to engage in certain sale and lease-back transactions, subject to important exceptions and qualifications.

*Events of Default.* The Indentures provide for customary events of default which include (subject in certain cases to customary grace and cure periods), among others: (i) failure to pay the principal or any premium on the Senior Secured Notes when due; (ii) failure to pay any interest on the Senior Secured Notes when due, and such default continues for a period of 30 days; (iii) failure to perform, or the breach of, any of the Company's other applicable covenants or warranties in the Indentures, and such default continues for a period of 60 days after written notice by holders of at least 10% in principal amount of the outstanding Senior Secured Notes of each series; (iv) default under any mortgage, indenture or instrument under which there is issued or by which there is secured or evidenced any indebtedness for money borrowed by the Company or any of its restricted subsidiaries, subject to additional conditions described in the Indentures; (v) failure by the Company or any significant subsidiary or group of restricted subsidiaries that taken together would constitute a significant subsidiary to pay final judgments aggregating in excess of \$50.0 million, which judgments are not paid, discharged or stayed for a period of 60 days or more after such judgment becomes final; (vi) certain events of bankruptcy, insolvency or reorganization described in the Indentures with respect to the Company or any significant subsidiary or group of restricted subsidiaries that together would constitute a significant subsidiary; (vii) the Guarantee of a significant subsidiary or group of Subsidiary Guarantors that taken together would constitute a significant subsidiary ceases to be in full force and effect or any responsible officer of a Subsidiary Guarantor that is a significant subsidiary or group of Subsidiary Guarantors that taken together would constitute a significant subsidiary denies liability under its Guarantee, except in accordance with the Indentures and (viii) the security interest with respect to collateral having a fair market value in excess of \$100 million ceases to be in full force and effect or is declared invalid or invalid or unenforceable, except in accordance with the Indentures. In the case of an event of default (other than certain events of bankruptcy, insolvency or reorganization), the trustee or the holders of at least 25% in principal amount of the then outstanding Senior Secured Notes may declare all the Senior Secured Notes to be due and payable immediately. In the case of an event of default constituting an event of bankruptcy, insolvency or reorganization, all the Senior Secured Notes shall immediately become due and payable, without action by the trustee or the holders of the Senior Secured Notes.

However, this change of control offer provision will be suspended during any period in which the Senior Secured Notes have investment grade ratings from both Moody's and S&P.

*Asset Sale Offer.* If the Company or its restricted subsidiaries sell assets, under certain circumstances, the Company will be required to use the net proceeds to make an offer to purchase Senior Secured Notes at an offer price in cash in an amount equal to 100% of the principal amount of the Senior Secured Notes plus accrued and unpaid interest to the repurchase date.
