## Table of Contents

The Debt Securities may be offered in an amount and on such terms as may be determined from time to time depending on market conditions and other factors. The specific variable terms of any offering of Debt Securities (including, where applicable and without limitation, the specific designation, the aggregate principal amount being offered, the currency, the issue and delivery date, the maturity date, the issue price (or the manner of determination thereof if offered on a non-fixed price basis), the interest rate (either fixed or floating and, if floating, the manner of calculation thereof), the interest payment date(s), the redemption, repayments, exchange or conversion provisions (if any), the repayment terms, the method of distribution, the form (either global or definitive), the authorized denominations and any other terms in connection with the offering and sale of the Debt Securities) will be set forth in one or more prospectus supplements or pricing supplements (collectively or individually, as the case may be, a **Prospectus Supplement**) which will accompany this Prospectus. A Prospectus Supplement may include specific variable terms pertaining to the Debt Securities that are not within the alternatives and parameters described in this Prospectus.

All shelf information permitted under applicable laws to be omitted from this Prospectus will be contained in one or more Prospectus Supplements that will be delivered to purchasers together with this Prospectus. Each Prospectus Supplement will be incorporated by reference into this Prospectus for the purposes of securities legislation as of the date of the Prospectus Supplement and only for the purposes of the distribution of the Debt Securities to which the Prospectus Supplement pertains.

Bell Canada may sell the Debt Securities to or through underwriters or dealers purchasing as principals and may also sell the Debt Securities to one or more purchasers directly or through agents. The Prospectus Supplement relating to a particular series or issue of Debt Securities will identify each underwriter, dealer or agent engaged by Bell Canada, as the case may be, in connection with the offering and sale of that series or issue, and will set forth the terms of the offering of such series or issue, the method of distribution of such series or issue, including, to the extent applicable, the proceeds to Bell Canada and any fees, discounts or any other compensation payable to underwriters, dealers or agents and any other material terms of the plan of distribution. See **Plan of Distribution**.

Unless otherwise specified in an applicable Prospectus Supplement, the Debt Securities will not be listed on any securities exchange. **There is currently no market through which the Debt Securities may be sold and purchasers may not be able to resell the Debt Securities purchased under this Prospectus. This may affect the pricing of these Debt Securities in the secondary market, the transparency and availability of trading prices, the liquidity of the Debt Securities, and the extent of issuer regulation.** See **Risk Factors**.

### **CAUTIONARY NOTE REGARDING FORWARD-LOOKING STATEMENTS**

This Prospectus and the documents incorporated herein by reference contain forward-looking statements about Bell Canada's and BCE's business outlook, objectives, strategies, plans, strategic priorities and results of operations as well as other statements that are not historical facts. A statement we make is forward-looking when it uses what we know and expect today to make a statement about the future. Forward-looking statements are typically identified by the words *assumption*, *goal*, *guidance*, *objective*, *outlook*, *project*, *strategy*, *target* and other similar expressions or future or conditional verbs such as *aim*, *anticipate*, *believe*, *could*, *expect*, *intend*, *may*, *plan*, *seek*, *should*, *strive* and *will*. All such forward-looking statements are made pursuant to the "safe harbour" provisions of applicable Canadian securities laws and of the United States Private Securities Litigation Reform Act of 1995.

Unless otherwise indicated by us, forward-looking statements contained in this Prospectus describe Bell Canada's and BCE's expectations, as applicable, as at the date of this Prospectus and forward-looking statements contained in the documents incorporated herein by reference describe Bell Canada's and BCE's expectations, as applicable, as of the date of such documents, unless otherwise indicated in such documents. Except as may be required by Canadian securities laws, we do not undertake any obligation to update or revise any forward-looking statement, whether as a result of new information, future events or otherwise.

Forward-looking statements, by their very nature, are subject to inherent risks and uncertainties and are based on several assumptions, both general and specific, which give rise to the possibility that actual results or events could differ materially from our expectations expressed in or implied by such forward-looking statements and that Bell Canada's and BCE's business outlook, objectives, strategies, plans, strategic priorities, results of operations and other statements that are not historical facts may not be achieved. As a result, we cannot guarantee that any forward-looking statement will materialize and we caution prospective investors against relying on any of these forward-looking statements. Forward-looking statements are provided in this Prospectus and in the documents incorporated by reference for the purpose of assisting investors and others in understanding our business outlook, objectives, strategies, plans and strategic priorities as well as our anticipated operating environment. Readers are cautioned, however, that such information may not be appropriate for other purposes.

Forward-looking statements made in this Prospectus and in the documents incorporated herein by reference are based on a number of assumptions that BCE or Bell Canada, as applicable, believed were reasonable on the day they made the forward-looking statements. Refer, in particular, to the BCE 2015 Annual MD&A under the heading "Business outlook and assumptions" and the sub-sections entitled "Business outlook and assumptions" set out in section 5 "Business segment analysis", on pages 63, 71, 72 and 77 of the BCE 2015 Annual Report, as updated in the BCE 2016 First Quarter MD&A and the BCE 2016 Second Quarter MD&A under their respective heading "Assumptions" as well as the various assumptions referred to under their respective sub-sections entitled "Assumptions" set out in section 3 "Business segment analysis" of each such quarterly MD&A for a discussion of certain key economic, market and operational assumptions that BCE or Bell Canada have made in preparing forward-looking statements. If our assumptions turn out to be inaccurate, our actual results could be materially different from what we expect.

Important factors that could cause actual results or events to differ materially from those expressed in or implied by the forward-looking statements contained in this Prospectus or the documents incorporated by reference are disclosed in the BCE 2015 Annual MD&A included in the BCE 2015 Annual Report on pages 98 to 103 under the heading "Business risks" as well as in all other sections of the BCE 2015 Annual MD&A referred to therein, as updated in the BCE 2016 First Quarter MD&A under the headings "Regulatory environment" and "Business risks" on page 28 and pages 29 and 30, respectively, of the BCE 2016 First Quarter Shareholder Report, and in the BCE 2016 Second Quarter MD&A under the headings "Regulatory environment" and "Business risks" on page 31 and pages 32 and 33, respectively, of the BCE 2016 Second Quarter Shareholder Report.

Readers are cautioned that the risks referred to above are not the only ones that could affect BCE and Bell Canada. Additional risks and uncertainties not currently known to BCE or Bell Canada or that BCE or Bell Canada currently deem to be immaterial may also have a material adverse effect on BCE's or Bell Canada's financial position, financial performance, cash flows, business or reputation.

Except as otherwise indicated by us, forward-looking statements do not reflect the potential impact of any special items or of any dispositions, monetizations, mergers, acquisitions, other business combinations or other transactions that may be announced or that may occur after the date hereof. The financial impact of these transactions and special items can be complex and depends on the facts particular to each of them. We therefore cannot describe the expected impact in a meaningful way or in the same way we present known risks affecting our business.

- (2) ***Additional Permitted Liens.*** In addition to Mortgages permitted by paragraph (1) above, Bell Canada may issue, assume or guarantee any Debt secured by, or secure after the date of the MTN Indenture any Debt by, a Mortgage upon any property of Bell Canada (whether now owned or hereafter acquired) if, after giving effect thereto, the aggregate principal amount of Debt secured by Mortgages of Bell Canada permitted only by this paragraph (2) does not at such time exceed 5% of the Net Worth of Bell Canada.

### ***Consolidation, Merger, Conveyance or Transfer***

The MTN Indenture provides that Bell Canada will not consolidate with, amalgamate with or merge into any other person and will not transfer or convey its properties and assets as a whole or substantially as a whole to any person, unless (i) the successor corporation or person that acquires all or substantially all the assets of Bell Canada is a corporation, partnership or trust organized and existing under the laws of Canada or any province or territory thereof and expressly assumes all of the covenants to be performed by Bell Canada under the Indenture (except where such assumption is deemed to have occurred by the sole operation of law), and (ii) immediately after giving effect to such transaction, no event of default under the MTN Indenture, and no event which, after notice or lapse of time, or both, would become an event of default under the MTN Indenture, shall have happened and be continuing.

### ***Modification***

The rights of the holders of MTN Debentures under the MTN Indenture may in certain circumstances be modified. For that purpose, among others, the MTN Indenture contains provisions making extraordinary resolutions binding upon all holders of MTN Debentures issued thereunder. **Extraordinary resolution** is defined, in effect, as a resolution passed at a meeting of such holders by the affirmative votes of the holders of at least 66 2/3% of the principal amount of MTN Debentures voted on the resolution at a meeting of holders at which a quorum, as specified in the MTN Indenture, is present or as one or more instruments in writing signed by the holders of at least 66 2/3% in principal amount of all outstanding MTN Debentures. In certain cases, modifications may require separate extraordinary resolutions of the holders of a specific series of MTN Debentures outstanding under the MTN Indenture.

Certain changes can be made only with the consent of each holder of an outstanding series of MTN Debentures. In particular, each holder must consent to changes in the right of a holder of MTN Debentures to receive payment of the principal of and interest on such MTN Debentures, on or after the respective due dates expressed in such MTN Debentures, or to institute suit for the enforcement of any such payment on or after such respective dates.

### ***Events of Default***

The MTN Indenture provides that any of the following constitutes an event of default: (i) default in the payment of the principal of or premium, if any, on any MTN Debenture when the same becomes due and payable and continuation of such default for a period of five days; (ii) default in the payment of any installment of interest on any MTN Debenture when the same becomes due and payable and continuation of such default for a period of 90 days; (iii) default in the payment of any purchase or sinking fund installment on any MTN Debenture when the same shall become due and payable and continuation of such default for a period of 30 days; (iv) default in the performance or observance of any covenant, agreement or condition of the MTN Indenture and continuation of such default for a period of 90 days after written notice has been given by the Trustee to Bell Canada specifying such default and requiring Bell Canada to remedy the same or after written notice by the holders of not less than 25% in principal amount of the MTN Debentures at the time outstanding; (v) certain events of insolvency or bankruptcy and, in certain cases, continuation of such events for a period of 60 days; and (vi) default, as defined in one or more instruments evidencing indebtedness for borrowed money of Bell Canada, shall happen and be continuing in relation to indebtedness in excess of 5% of the aggregate principal amount of all outstanding indebtedness for borrowed money of Bell Canada, and (a) shall consist of a failure to make any payment of principal at maturity or (b) shall have resulted in the acceleration of such indebtedness so that the same shall be or become due and payable prior to the date on which the same would otherwise have become due and payable.

If an event of default has occurred under the MTN Indenture and is continuing, the Trustee may in its discretion and shall upon the request in writing of the holders of at least 25% of the principal amount of the MTN Debentures issued and outstanding under the MTN Indenture, subject to any waiver of default under the MTN Indenture, by notice in writing to Bell Canada declare the principal and interest on all MTN Debentures then outstanding under the MTN Indenture and other money payable thereunder to be due and payable.

### ***Subordinated Indenture***

The following paragraphs summarize certain provisions of the Subordinated Indenture in addition to the provisions summarized in "Description of the Debt Securities" The Indentures.

### ***Subordination***

The Subordinated Indenture provides that the indebtedness evidenced by the Subordinated Debentures is subordinate in right of payment to the prior payment in full of all Senior Debt of Bell Canada, whether outstanding on or created, incurred, assumed or guaranteed after the date of the Subordinated Indenture. **Senior Debt** is defined, in effect, as the principal of, premium, if any, interest on and all other amounts in respect of: (i) indebtedness, other than indebtedness represented by the Subordinated Debentures, issued, assumed or guaranteed by Bell Canada for borrowed money or for the deferred purchase price of property; (ii) all other liabilities of Bell Canada; and (iii) renewals, extensions or refundings of any indebtedness referred to in the foregoing clauses (i) and (ii), except, in each case, those which by their terms rank in right of payment equally with or subordinate to the Subordinated Debentures.

## **Table of Contents**

In the event of the insolvency or winding-up of Bell Canada the holders of all Senior Debt are entitled to receive payment in full before the holders of the Subordinated Debentures are entitled to receive any payment. Notwithstanding the subordination provisions, Bell Canada may, except during any such insolvency or winding-up proceedings, make payments of principal of, premium, if any, and interest on the Subordinated Debentures.

Similarly, in the event of the insolvency or winding-up of Bell Canada, the indebtedness of the Guarantor evidenced by the Guarantee of the Subordinated Debentures (the **Guaranteed Obligations**) will be subordinated in right of payment to the prior payment in full of all Senior Guaranteed Obligations (as defined below) of the Guarantor, whether such Senior Guaranteed Obligations were outstanding on the date on which the Guarantor entered into the Guarantee or were thereafter granted, incurred, or assumed by the Guarantor. **Senior Guaranteed Obligations** means any and all payment obligations of the Guarantor arising from a guarantee of Bell Canada's payment obligations (but excluding the Guaranteed Obligations or any other guarantee of Bell Canada's payment obligations by the Guarantor which by its terms ranks in right of payment equally with or subordinated to the Guaranteed Obligations) whether such guarantee is outstanding on the date hereof or hereafter granted, incurred, or assumed by the Guarantor, and, for greater certainty includes the Guarantor's payment obligations under: (i) the indenture dated as of July 1, 1976 and indentures supplemental thereto executed by Bell Canada in favour of The Royal Trust Company (the predecessor company of CIBC Mellon Trust Company), as trustee, and indentures supplemental thereto executed by Bell Canada in favour of CIBC Mellon Trust Company, as trustee, and (ii) the MTN Indenture.

**As a result of these subordination provisions, in the event of Bell Canada's insolvency, holders of Subordinated Debentures may recover less than general creditors of Bell Canada.**

### ***Events of Default***

The Subordinated Indenture provides that any of the following constitutes an event of default: (i) default in the payment of the principal of or premium, if any, on any Subordinated Debenture when the same becomes due and payable; (ii) default in the payment of any installment of interest on any Subordinated Debenture when the same becomes due and payable and continuation of such default for a period of 90 days; (iii) default in the payment of any purchase or sinking fund installment on any Subordinated Debenture when the same shall become due and payable and continuation of such default for a period of 30 days; (iv) default in the performance or observance of any covenant, agreement or condition of the Subordinated Indenture and continuation of such default for a period of 90 days after written notice has been given by the Trustee to Bell Canada specifying such default and requiring Bell Canada to remedy the same or after written notice by the holders of not less than 25% in principal amount of the Subordinated Debentures at the time outstanding; and (v) certain events of insolvency or bankruptcy and, in certain cases, continuation of such events for a period of 60 days.

If an event of default has occurred under the Subordinated Indenture and is continuing, the Trustee may in its discretion and shall upon the request in writing of the holders of at least 25% of the principal amount of the Subordinated Debentures issued and outstanding under the Subordinated Indenture, subject to any waiver of default under the Subordinated Indenture, by notice in writing to Bell Canada declare the principal and interest on all Subordinated Debentures then outstanding under the Subordinated Indenture and other money payable thereunder to be due and payable.

### ***Reorganization, Reconstruction, Consolidation and Amalgamation***

The Subordinated Indenture permits the reorganization or reconstruction of Bell Canada or the consolidation, amalgamation or merger of Bell Canada with any other corporation and permits the transfer by Bell Canada of its undertakings and assets as a whole or substantially as a whole to another corporation, provided that: (i) either at the time of or immediately after giving effect to such transaction, no condition or event shall exist as to Bell Canada or such successor or assign which constitutes or would constitute an event of default thereunder; (ii) such successor or assign expressly assumes all of the covenants to be performed by Bell Canada thereunder; and (iii) every such transaction shall be made on such terms and at such times and otherwise in such manner as shall be approved by Bell Canada and by the Trustee as being in no way prejudicial to the interests of the holders of debentures.

## **Table of Contents**

### ***Modification***

The provisions of the MTN Indenture described in Description of the Debt Securities MTN Indenture Modification also apply to the Subordinated Debentures.

### ***Transfer Agent and Registrar***

The register for the Subordinated Debentures will be kept at the principal office of BNY Trust Company of Canada acting as administrative agent for CIBC Mellon Trust Company, in Montréal, and facilities for registration, exchange and transfer of the Subordinated Debentures will be maintained at its offices in Montréal, Québec, Toronto, Ontario, Vancouver, British Columbia and Calgary, Alberta.

## **EARNINGS COVERAGE RATIOS**

The following earnings coverage ratios are calculated for the 12 months ended December 31, 2015 and for the 12 months ended June 30, 2016 and give effect to the issuance and redemption of all long-term debt since January 1, 2015 and July 1, 2015, respectively, as if these transactions occurred on January 1, 2015 and July 1, 2015, respectively. These earnings coverage ratios do not give effect to the proposed issue of any Debt Securities pursuant to this Prospectus and any Prospectus Supplement, since the aggregate principal amounts and the terms of such securities are not presently known.

After giving effect to the above transactions, BCE's interest on debt requirements amounted to \$953 million for the 12 months ended December 31, 2015 and to \$946 million for the 12 months ended June 30, 2016. BCE's net earnings attributable to owners of BCE before interest expense and income tax was \$4,511 million for the 12 months ended December 31, 2015, which is 4.7 times BCE's interest on debt requirements for that period and \$4,789 million for the 12 months ended June 30, 2016, which is 5.1 times BCE's interest on debt requirements for that period.

The earnings coverage ratios set out above do not purport to be indicative of an earnings coverage ratio for any future period.

## **PLAN OF DISTRIBUTION**

Bell Canada may offer and sell the Debt Securities to or through underwriters or dealers purchasing as principals, and it may also sell the Debt Securities to one or more purchasers directly or through agents. Debt Securities may be sold from time to time in one or more transactions at a fixed price or prices, or at non-fixed prices.

If offered on a non-fixed price basis, the Debt Securities may be offered at prevailing market prices at the time of sale or at prices to be negotiated with purchasers. The prices at which the Debt Securities may be offered may vary as between purchasers and during the period of distribution. Consequently, any dealer's overall compensation will increase or decrease by the amount by which the aggregate price paid for the Debt Securities by the purchasers exceeds or is less than the gross proceeds paid by the dealers, acting as principals, to Bell Canada.

If, in connection with the offering of Debt Securities at a fixed price or prices, the underwriters have made a *bona fide* effort to sell all of the Debt Securities at the initial offering price fixed in the applicable Prospectus Supplement, the public offering price may be decreased and thereafter further changed, from time to time, to an amount not greater than the initial public offering price fixed in such Prospectus Supplement, in which case the compensation realized by the underwriters will be decreased by the amount that the aggregate price paid by purchasers for the Debt Securities is less than the gross proceeds paid by the underwriters to Bell Canada.

A Prospectus Supplement will identify each underwriter, dealer or agent engaged by Bell Canada, as the case may be, in connection with the offering and sale of a particular series or issue of Debt Securities, and will also set forth the terms of the offering, including the public offering price (or the manner of determination thereof, if offered on a non-fixed price basis), the proceeds to Bell Canada and any compensation payable to the underwriters, dealers or agents.

## **Table of Contents**

Under agreements which may be entered into by Bell Canada, underwriters, dealers and agents who participate in the distribution of the Debt Securities may be entitled to indemnification by Bell Canada against certain liabilities, including liabilities arising out of any misrepresentation in this Prospectus and the documents incorporated by reference herein, other than liabilities arising out of any misrepresentation made by underwriters, dealers or agents who participate in the offering of the Debt Securities.

Each series or issue of Debt Securities will be a new issue of securities with no established trading market. In accordance with rules and policy statements of certain Canadian securities regulators, the underwriters, dealers or agents, as the case may be, may not, throughout the period of distribution of a series of Debt Securities, bid for or purchase such series of Debt Securities. The foregoing restriction is subject to exceptions, on the condition that the bid or purchase is not engaged in for the purpose of creating actual or apparent active trading in, or raising prices of, such series of Debt Securities. These exceptions include a bid or purchase permitted under the Universal Market Integrity Rules of the Investment Industry Regulatory Organization of Canada relating to market stabilization and passive market-making activities and a bid or purchase made for and on behalf of a customer where the order was not solicited during the period of distribution. Subject to the foregoing and applicable laws, in connection with the offering, and subject to the first exception mentioned above, the underwriters, dealers or agents, as the case may be, may engage in over-allotment and stabilizing transactions and purchases to cover short positions created by the underwriters, dealers or agents, as the case may be, in connection with the offering. Stabilizing transactions consist of certain bids or purchases for the purpose of preventing or retarding a decline in the market price of a particular series of Debt Securities and short positions created by the underwriters, dealers or agents, as the case may be, involving the sale by the underwriters, dealers or agents, as the case may be, of a greater number of Debt Securities of such series than may be offered by Bell Canada in the offering. These activities may stabilize, maintain or otherwise affect the market price of the Debt Securities, which may be higher than the price that might otherwise prevail in the open market; these activities, if commenced, may be discontinued at any time. These transactions may be effected in the over-the-counter market or otherwise.

Any underwriters, dealers or agents to or through whom Debt Securities are sold by Bell Canada for public offering and sale may make a market in the Debt Securities, but such underwriters, dealers or agents will not be obligated to do so and may discontinue any market making at any time without notice. No assurance can be given that a trading market in the Debt Securities of any series or issue will develop or as to the liquidity of any trading market for the Debt Securities.

## **RISK FACTORS**

An investment in the Debt Securities involves risks. Prospective investors in the Debt Securities should carefully consider the information contained in, or incorporated by reference in, this Prospectus, including, without limitation, the risk factors disclosed in the BCE 2015 Annual MD&A included in the BCE 2015 Annual Report on pages 98 to 103 under the heading *Business risks* as well as in all other sections of the BCE 2015 Annual MD&A referred to therein, as updated in the BCE 2016 First Quarter MD&A under the headings *Regulatory environment* and *Business risks* on page 28 and pages 29 and 30, respectively, of the BCE 2016 First Quarter Shareholder Report, and in the BCE 2016 Second Quarter MD&A under the headings *Regulatory environment* and *Business risks* on page 31 and pages 32 and 33, respectively, of the BCE 2016 Second Quarter Shareholder Report, and the risk factors described below.

### ***Debt Securities Denominated or Payable in Foreign Currencies***

Debt Securities denominated or payable in foreign currencies may entail significant risks, and the extent and nature of such risks change continuously. These risks include, without limitation, the possibility of significant fluctuations in the foreign currency market, the imposition or modification of foreign exchange controls and potential illiquidity in the secondary market. These risks will vary depending upon the currency or currencies involved. Prospective purchasers should consult their own financial and legal advisors as to the risks entailed in an investment in Debt Securities denominated in currencies other than Canadian dollars. Such Debt Securities are not an appropriate investment for investors who are unsophisticated with respect to foreign currency transactions.

### ***Limited Market***

**There is currently no market through which the Debt Securities may be sold and purchasers may not be able to resell the Debt Securities issued hereunder. This may affect the pricing of the Debt Securities in the secondary market, the transparency and availability of trading prices, the liquidity of the securities, and the extent of issuer regulation. Also, it cannot be assured that a secondary market for trading in the Debt Securities will develop or that any secondary market which does develop will continue.**

### ***Unsecured Debt Securities, Additional Indebtedness and Structural Subordination***

Although the Debt Securities and the Guarantee may not necessarily be subordinated to any other indebtedness, they are not secured. Furthermore, although Bell Canada's and BCE's various debt instruments restrict the incurrence of secured indebtedness, such indebtedness may, subject to certain conditions, be incurred. In addition, Bell Canada's and BCE's subsidiaries may incur indebtedness. Although BCE is the Guarantor of the Debt Securities that may be issued from time to time hereunder, it is not subject to the limitation on liens and other covenants under the Indentures. Consequently, BCE may, subject to the limitations and covenants under its own debt instruments, incur substantial additional indebtedness, which could make it more difficult for BCE to fulfill its Guarantee obligations with respect to the Debt Securities. The Debt Securities will be effectively subordinated to the creditors of Bell Canada's subsidiaries and the Guarantee will be effectively subordinated to the creditors of BCE's subsidiaries, in that the right of Bell Canada or BCE, as the case may be, to participate as a shareholder in the distribution of the assets of any subsidiary upon any such distribution would be subject to the prior claims of the creditors of such subsidiary.

### ***Credit Ratings***

There is no assurance that the credit rating, if any, assigned to Debt Securities issued hereunder will remain in effect for any given period of time or that any rating will not be revised or withdrawn entirely by the relevant rating agency in the future if in its judgment circumstances so warrant. A revision or withdrawal of such rating may have an adverse effect on the market value of the Debt Securities.

## **TAXATION**

The applicable Prospectus Supplement will describe the material Canadian and United States federal income tax consequences to an initial investor acquiring Debt Securities, including whether payments of principal, premium, if any, and interest in respect of the Debt Securities will be subject to Canadian non-resident withholding tax and any United States Federal income tax consequences relating to Debt Securities payable in a currency other than U.S. dollars, Debt Securities that are subject to early redemption or other special terms.

## **LEGAL MATTERS**

Unless otherwise specified in the Prospectus Supplement relating to a particular offering of Debt Securities, certain legal matters relating to the issuance of the Debt Securities will be passed upon by Mr. Michel Lalande, Senior Vice-President - General Counsel and Corporate Secretary of Bell Canada, Stikeman Elliott LLP and Sullivan & Cromwell LLP on behalf of the Corporation.

This right may be exercised within two business days after receipt or deemed receipt of a prospectus and any amendment, irrespective of the determination at a later date of the purchase price of the securities distributed if offered on a non-fixed price basis. In several of the provinces, securities legislation further provides a purchaser with remedies for rescission or, in some jurisdictions, revisions of the price or damages if the prospectus, the accompanying prospectus supplement relating to securities purchased by a purchaser and any amendment contains a misrepresentation or is not delivered to the purchaser, provided that such remedies for rescission, revisions of the price or damages are exercised by the purchaser within the time limit prescribed by the securities legislation of the purchaser's province. The purchaser should refer to any applicable provisions of the securities legislation of the purchaser's province for the particulars of these rights or consult with a legal advisor.

**Indemnification**

The directors of BCE Inc. ( "BCE" ) adopted on May 27, 2003, and the directors of Bell Canada (together with BCE, the "Co-Registrants" ) also adopted on May 27, 2003, a resolution providing as follows:

**Section 8 INDEMNIFICATION OF DIRECTORS AND OFFICERS**

Subject to the limitations contained in the CBCA but without limit to the right of the Corporation to indemnify any person under the CBCA or otherwise, the Corporation shall indemnify a Director or Officer, a former Director or Officer or another individual who acts or acted at the Corporation's request as a director or officer, or an individual acting in a similar capacity, of another entity, against all costs, charges and expenses, including an amount paid to settle an action or satisfy a judgment, reasonably incurred by the individual in respect of any civil, criminal, administrative, investigative or other proceeding in which the individual is involved because of that association with the Corporation or other entity if (a) such individual acted honestly and in good faith with a view to the best interests of the Corporation, or, as the case may be, to the best interests of the other entity for which the individual acted as director or officer or in a similar capacity at the Corporation's request; and (b) in the case of a criminal or administrative action or proceeding that is enforced by a monetary penalty, such individual had reasonable grounds for believing that such individual's conduct was lawful. The Corporation shall advance moneys to the Director, Officer or other individual for the costs, charges and expenses of a proceeding referred to herein provided that the individual shall repay the moneys if the individual does not fulfill the conditions of subsection 124(3) of the CBCA.

This resolution represents, in general terms, the extent to which directors and officers may be indemnified by a Co-Registrant under the *Canada Business Corporations Act* ( "CBCA" ), the governing Act to which each Co-Registrant is subject. Except in the case of an action taken by a Co-Registrant or of a derivative action taken by a shareholder on behalf of such Co-Registrant, as provided below, the CBCA provides that a director or officer may be indemnified by such Co-Registrant against all costs, charges and expenses, including an amount paid to settle an action or satisfy a judgment, reasonably incurred by such individual in respect of any civil, criminal, administrative, investigative or other proceeding in which the director or officer is involved because of that association with a Co-Registrant if (i) such individual acted honestly and in good faith with a view to the best interests of such Co-Registrant; and (ii) in the case of a criminal or administrative action or proceeding that is enforced by a monetary penalty, such individual had reasonable grounds for believing that the individual's conduct was lawful. The right of indemnification is more limited where directors or officers are sued by the applicable Co-Registrant or on its behalf by a shareholder. In those cases, each Co-Registrant may, with the approval of a court, indemnify directors and officers against all costs, charges and expenses reasonably incurred by the individual in connection with such action, but not the amount of the judgment or settlement of an action, provided the individual fulfills the conditions of (i) and (ii) above. A director or officer must be indemnified for costs, charges and expenses if he was not judged by the court or other competent authority to have committed any fault or omitted to do anything that such director or officer ought to have done and fulfils the conditions of (i) and (ii) above. A Co-Registrant may advance moneys to a director or officer for the costs, charges and expenses referred to above, provided that such director or officer shall repay the moneys if the individual does not fulfil the conditions of (i) and (ii) above.

The directors and officers of the Co-Registrants are covered by a directors' and officers' liability insurance policy indemnifying, subject to its terms and conditions, against certain civil liabilities which might be incurred by them in such capacities.

In addition, each director and certain officers of the Co-Registrants have entered into indemnification agreements with the Co-Registrants generally providing for indemnification of such person for liabilities incurred in connection with his or her service as a director or officer and obliging the Co-Registrants to maintain liability insurance to support their indemnification obligations under such agreement.

**Table of Contents**

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or persons controlling the Co-Registrants pursuant to the foregoing provisions, the Co-Registrants have been informed that in the opinion of the U.S. Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.
