Dear Stockholder:

We cordially invite you to attend the 2017 Annual Meeting of Stockholders of Wingstop Inc. to be held on Wednesday, May 3, 2017, at 10:00 a.m. central time at Wingstop's conference facility located at 5501 LBJ Freeway, 4th Floor, Dallas, Texas 75240.

The items of business are listed in the following Notice of Annual Meeting of Stockholders and are more fully addressed in the Proxy Statement.

We are pleased to take advantage of the Securities and Exchange Commission rule allowing companies to furnish proxy materials to stockholders over the Internet. We believe that this e-proxy process expedites stockholders' receipt of proxy materials, while also lowering the costs and reducing the environmental impact of our Annual Meeting. On March 23, 2017, we began mailing a Notice of Internet Availability of Proxy Materials containing instructions on how to access our Proxy Statement and annual report and how to vote over the Internet or how to request and return a proxy card by mail. For information on how to vote your shares, please refer to the Notice of Internet Availability of Proxy Materials, proxy materials email or proxy card you receive to assure that your shares will be represented and voted at the Annual Meeting even if you cannot attend. Your vote is important. To be sure your shares are voted at the meeting, even if you plan to attend the meeting in person, please follow the instructions provided to you and vote your shares today. This will not prevent you from voting your shares in person if you are able to attend.

On behalf of your board of directors, thank you for your continued support of and interest in Wingstop Inc.

Sincerely,

Charles R. Morrison

Chairman of the Board, Chief Executive Officer and President

PROXY STATEMENT

The board of directors is furnishing this information in connection with the solicitation of proxies for the annual meeting of stockholders to be held on May 3, 2017. We anticipate that the Notice of Internet Availability of Proxy Materials containing instructions on how to access our Proxy Statement and annual report and how to vote over the Internet or how to request and return a proxy card by mail will first be mailed to our stockholders on or about March 23, 2017.

All properly executed written proxies, and all properly completed proxies submitted by the Internet or telephone, that are delivered pursuant to this solicitation will be voted at the meeting in accordance with directions given in the proxy, unless the proxy is revoked prior to completion of voting at the meeting.

Only owners of record of shares of common stock of the Company at the close of business on March 6, 2017, the record date, are entitled to vote at the meeting, or at any adjournments or postponements of the meeting. Each owner of record on the record date is entitled to one vote for each share of common stock held. There were 28,864,620 shares of common stock issued and outstanding on the record date.

QUESTIONS RELATING TO THIS PROXY STATEMENT

What is a proxy?

It is your legal designation of another person to vote the stock you own. That other person is called a proxy. If you designate someone as your proxy in a written document, that document also is called a proxy or a proxy card. We have designated two of our officers as proxies for the 2017 Annual Meeting of Stockholders (the Annual Meeting). These officers are Charles R. Morrison and Michael F. Mravle.

What is a proxy statement?

It is a document that Securities and Exchange Commission (SEC) regulations require us to give you when we ask you to vote designating Charles R. Morrison and Michael F. Mravle as proxies to vote on your behalf.

What is the difference between a stockholder of record and a stockholder who holds stock in street name?

If your shares are registered in your name with our transfer agent, Computershare Trust Company, N.A., you are a stockholder of record. If your shares are held in the name of your bank, broker or other nominee, your shares are held in street name.

What is the record date and what does it mean?

March 6, 2017 is the record date for the Annual Meeting to be held on May 3, 2017. The record date is established by the board of directors as required by the Delaware General Corporation Law (Delaware Law). Owners of record of our common stock at the close of business on the record date are entitled to receive notice of the meeting and vote at the meeting and any adjournments or postponements of the meeting.

How do I vote as a stockholder of record?

As a stockholder of record, you may vote by one of the four methods described below:

Edgar Filing: Wingstop Inc. - Form DEF 14A

By the Internet. Over the Internet at the web address noted in the Notice of Internet Availability of Proxy Materials, proxy materials email or proxy card you receive (if you have access to the Internet, we encourage you to vote in this manner). The Internet voting procedure is designed to verify the voting authority of stockholders. You will be able to vote your shares by the Internet and confirm that your vote has been properly recorded.

Table of Contents

By Telephone. By telephone through the number noted in the proxy card you receive (if you request and receive a proxy card). The telephone voting procedure is designed to verify the voting authority of stockholders. The procedure allows you to vote your shares and to confirm that your vote has been properly recorded.

By Mail. You may sign and date your proxy card (if you request and receive a proxy card) and mail it in the prepaid and addressed envelope enclosed therewith.

In Person. You may vote in person at the annual meeting.

Please follow the directions in the Notice of Internet Availability of Proxy Materials, proxy materials email or proxy card you received carefully.

How do I vote as a street name stockholder?

If your shares are held in street name through a bank, broker or other nominee, you should receive information from the bank, broker or other nominee about your specific voting options. If you have questions about voting your shares, you should contact your bank, broker or other nominee. The availability of telephone and Internet voting depends on the voting processes of your bank, broker or other nominee.

If you wish to vote in person at the annual meeting, you will need to bring a legal proxy to the meeting. You must request a legal proxy through your bank, broker or other nominee. Please note that if you request a legal proxy, any previously executed proxy will be revoked and your vote will not be counted unless you appear at the meeting and vote in person, or legally appoint another proxy to vote on your behalf.

What if I sign and return a proxy card, but do not provide voting instructions?

Proxies that are properly executed and delivered, and not revoked, will be voted as specified on the proxy card. If no direction is specified on the proxy card, the proxy will be voted as follows:

for the election of the two nominees for director described in this Proxy Statement; and

for ratification of the appointment of our independent registered public accounting firm for fiscal year 2017.

What if I change my mind after I return my proxy?

You may revoke your proxy and change your vote at any time before the polls close at the Annual Meeting. You may do this by:

voting again by the Internet or by telephone, if available, prior to 11:59 p.m. Eastern Time, on May 2, 2017;

giving written notice to our Corporate Secretary that you wish to revoke your proxy and change your vote; or

voting in person at the annual meeting.

What is a quorum?

The presence of the holders of a majority of the outstanding shares of common stock entitled to vote at the Annual Meeting, present in person or represented by proxy, is necessary to constitute a quorum. The inspector of elections appointed for the meeting will tabulate votes cast by proxy and in person at the meeting and determine the presence of a quorum.

Table of Contents

Will my shares be voted if I do not vote by the Internet, vote by telephone, sign and return a proxy card, or attend the Annual Meeting and vote in person?

If you are a stockholder of record and you do not vote by the Internet, vote by telephone, sign and return a proxy card or attend the Annual Meeting and vote in person, your shares will not be voted and will not count in deciding the matters presented for stockholder consideration in this proxy statement.

If your shares are held in street name through a bank, broker or other nominee and you do not provide voting instructions before the Annual Meeting, your bank, broker or other nominee may vote your shares on your behalf under certain circumstances. Brokerage firms have the authority under certain rules to vote shares for which their customers do not provide voting instructions on routine matters.

The ratification of the appointment of our independent registered public accounting firm is considered a routine matter under these rules. Therefore, brokerage firms are allowed to vote their customers' shares on this matter if the customers do not provide voting instructions. If your brokerage firm votes your shares on this matter because you do not provide voting instructions, your shares will be counted for purposes of establishing a quorum to conduct business at the meeting and in determining the number of shares voted for or against the routine matter.

When a matter is not a routine matter and the brokerage firm has not received voting instructions from the beneficial owner of the shares with respect to that matter, the brokerage firm cannot vote the shares on that matter. This is called a broker non-vote. Only the ratification of the appointment of our independent registered public accounting firm is considered a routine matter for this Proxy Statement. The election of director nominees is not considered a routine matter. Because the election of director nominees is not considered a routine matter for stockholder consideration, the brokers will not have discretionary authority to vote your shares with respect to such matter and if you do not instruct your bank or broker how to vote your shares, no votes will be cast on your behalf with respect to such matter.

We encourage you to provide instructions to your brokerage firm by voting your proxy. This action ensures your shares will be voted at the meeting in accordance with your wishes.

How may I vote for each proposal?

For *Proposal 1 Election of Directors*, you may vote **for** all nominees, **withhold** from all nominees or **withhold** from individual nominees.

For *Proposal 2 Ratification of the Appointment of our Independent Registered Public Accountants*, you may vote **for**, **against** or **abstain** from voting.

How are votes tabulated?

According to our By-Laws, each of the proposed items will be determined as follows:

Proposal 1 Election of Directors: The election of directors will be determined by a plurality of votes cast. If you do not vote on such proposal or cast a withhold vote, it will have no effect on such proposal.

Proposal 2 Ratification of the Appointment of our Independent Registered Public Accountants: The ratification of the appointment of our independent registered public accountants will be determined by a majority of votes cast affirmatively or negatively. If you abstain from voting on such proposal or your broker is unable to vote your shares, it will have the same effect as a vote against such proposal.

Any other matters: The voting results of any other matters are determined by a majority of votes cast affirmatively or negatively, except as may otherwise be required by law.

Table of Contents

No cumulative voting rights are authorized, and dissenters' rights are not applicable to the matters being voted upon.

How are proxies solicited and what is the cost?

We will bear all expenses incurred in connection with the solicitation of proxies. We may reimburse brokers, fiduciaries and custodians for their costs in forwarding proxy materials to beneficial owners of common stock. Our directors, officers and employees may solicit proxies by mail, telephone and personal contact. They will not receive any additional compensation for these activities.

Where can I find the voting results of the Annual Meeting?

We expect to announce preliminary voting results at the Annual Meeting. We will publish the final results in a current report on Form 8-K within four business days of the Annual Meeting. We will file that report with the SEC, and you can get a copy from:

CORPORATE GOVERNANCE

Board Composition and Director Independence

Our amended and restated bylaws provide that our board of directors shall consist of such number of directors as determined from time to time by resolution adopted by a majority of the total number of directors then in office. Our board of directors currently consists of six members, Lynn Crump-Caine, Sidney J. Feltenstein, Michael J. Hislop, Kay M. Madati, Wesley S. McDonald and Charles R. Morrison. Our amended and restated certificate of incorporation provides that our board of directors is divided into three classes, with each director serving a three-year term. Following their initial terms, each class of directors will be elected for a three-year term. Our directors may be removed only by the affirmative vote of at least 66 $\frac{2}{3}$ % of our then outstanding common stock and only for cause.

We follow the director independence standards set forth in The Nasdaq Stock Market, or Nasdaq, corporate governance standards and the federal securities laws.

The board of directors reviewed and analyzed the independence of each director. The purpose of the review was to determine whether any particular relationships or transactions involving directors or their affiliates or immediate family members were inconsistent with a determination that the director is independent for purposes of serving on the board of directors and its committees. During this review, the board of directors examined whether there were any transactions and/or relationships between directors or their affiliates or immediate family members and the Company and the substance of any such transactions or relationships.

As a result of this review, the board of directors affirmatively determined that Ms. Crump-Caine and Messrs. Feltenstein, Hislop, Madati and McDonald are independent for purposes of serving on the board of directors and meet the requirements set forth in Nasdaq corporate governance standards.

Board Leadership Structure

The board of directors is led by the Chairman, and the board of directors also has a Lead Independent Director. The Company's bylaws provide that the board of directors appoints the Chairman to preside at all meetings of the board of directors and stockholders and perform such other duties and exercise such powers as by the Company's bylaws or the board of directors may prescribe. The Company's bylaws and Corporate Governance Guidelines each provide that the Chairman may also hold the position of Chief Executive Officer. The board of directors selects its Chairman and the Company's Chief Executive Officer in the manner it considers to be in the best interests of the Company. In accordance with the Company's Corporate Governance Guidelines, the board of directors considers from time to time whether it is in the best interests of the Company to have the same person occupy the offices of Chairman and Chief Executive Officer, using its business judgment after considering all relevant circumstances.

Charles R. Morrison has served as our President and Chief Executive Officer since June 2012 and as Chairman of the Board since March 2017. The board of directors currently has combined the positions of Chairman and Chief Executive Officer. It believes, at this time, that this structure is appropriate and in the best interests of the Company and its shareholders. Specifically, the board of directors acknowledges that Mr. Morrison has significant experience managing the Company's business operations and the board of directors wants to preserve this continuity. Although the board of directors believes that this current leadership structure is appropriate at this time, the board of directors believes that there is no specific leadership structure that applies to all companies, nor is there one specific leadership structure that permanently suits the Company. As a result, the decision as to whether to combine or separate the positions of Chairman and Chief Executive Officer may vary from time to time, as conditions and circumstances warrant.

The Company's Corporate Governance Guidelines also provide that, in the event the Chief Executive Officer of the Company also serves as Chairman of the board of directors, the Company will appoint a Lead Independent Director, who will preside over each executive session of the non-management directors. The Lead

Table of Contents

Independent Director also assists the Chairman and the remainder of the board of directors in assuring effective governance in overseeing the direction and management of the Company. The board of directors believes that the Lead Independent Director serves an important corporate governance function by providing separate leadership for the non-management directors.

Lynn Crump-Caine has served as Lead Independent Director since March 2017. Pursuant to the Company's Corporate Governance Guidelines, the non-management directors meet in executive session at least twice each year without any non-independent directors or members of management being present. Ms. Crump-Caine presides at these meetings of our non-management directors and provides significant outside perspective and leadership. In 2016, the non-management directors met in executive sessions at each regularly scheduled meeting of the board of directors without any members of management being present.

Succession Planning

The board leadership structure described above was the result of substantial succession planning efforts. Our board has worked to recruit highly qualified directors and establish a board structure that meets the needs of the Company and its stockholders. Both Ms. Crump-Caine and Mr. Madati, described above, joined the board this year. As a result of the succession planning efforts and as discussed above, the board is now comprised entirely of independent members, with the exception of Mr. Morrison who serves as President, Chief Executive Officer and Chairman. The restructuring of the Board included resignations from Neal Aronson, Steve Romaniello, and Erik Morris, each affiliated with Roark Capital. The board wishes to thank Messrs. Aronson, Morris and Romaniello for their leadership, dedication and service to the Company. They resigned from the board effective March 13, 2017.

Risk Oversight

Our board of directors is responsible for overseeing our risk management. The board focuses on our general risk management strategy and the most significant risks facing us, and ensures that appropriate risk mitigation strategies are implemented by management. Our management is responsible for day-to-day risk management, including identifying, evaluating, and addressing potential risks that may exist at the enterprise, strategic, financial, operational, compliance and reporting levels. Management keeps the Board apprised of particular risk management matters in connection with its general oversight and approval of corporate matters and significant transactions. In addition to the broad risk-oversight functions performed by the Board as a whole, the Board has tasked certain of its committees with

responsibility for evaluating risks associated with specific elements of the Company's business, operations or governance, or with evaluating management's assessments of these risks. Each committee regularly reports to the full Board, among other things, important risk-management matters considered by that committee.

Audit Committee

Our board has delegated to the Audit Committee primary responsibility with respect to risk assessment and risk management and the appropriate disclosure of risk factors in the Company's public filings. Pursuant to its charter, the Audit Committee discusses with management and the Company's independent auditor the Company's policies with respect to risk assessment and risk management, the Company's significant financial risk exposures and the actions management has taken to limit, monitor or control such exposures.

Compensation Committee

The Compensation Committee is responsible for overseeing the management of risks related to the Company's compensation policies and practices and for overseeing the evaluation of the Company's executive management. The Compensation Committee accomplishes this duty by assessing the risks associated with each of the compensation plans used by the Company, including not only those plans applicable to executive officers, but also plans applicable to other employees. The Compensation Committee also receives advice from Frederic W. Cook & Co., its independent compensation consultant, regarding compensation-based risk issues.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee manages risks associated with the independence of the Board of Directors and potential conflicts of interest. It also oversees the annual self-evaluation of the Board and its committees.

Selection of Director Nominees

General Criteria and Process

It is the Nominating and Corporate Governance Committee's responsibility to review and recommend to the board of directors nominees for director and to identify one or more candidates to fill any vacancies that may occur on the board of directors. As expressed in our Corporate Governance Guidelines, we do not set specific criteria for directors, but the Company seeks to align board composition with the Company's strategic direction so that the board members bring skills, experience and backgrounds that are relevant to the key strategic and operational issues that they will

oversee and approve. Directors are selected for their integrity, character, independent judgment, breadth of experience, insight, knowledge and business acumen. Leadership skills and executive experience, expertise in retail or restaurants, franchise knowledge, familiarity with issues affecting global businesses, financial and accounting knowledge, prior experience in the Company's geographic markets, expertise in capital markets, strategic planning and marketing expertise, among others, may also be among the relevant selection criteria. In addition, the Company strives to maintain a board of directors that reflects a

Table of Contents

diversity of experience and personal backgrounds. These criteria will vary over time depending on the needs of the board of directors. Accordingly, the board of directors may adopt new criteria and amend or abandon existing criteria as and when it determines such action to be appropriate.

Under its charter, the Nominating and Corporate Governance Committee is responsible for determining criteria and qualifications for board nominees to be used in reviewing and selecting director candidates, including those described in the Corporate Governance Guidelines.

For each of the nominees to the board of directors, the biographies included in this Proxy Statement highlight the experiences and qualifications that were among the most important to the Nominating and Corporate Governance Committee in concluding that the nominee should serve as a director. The Nominating and Corporate Governance Committee also believes that directors must be willing to devote sufficient time to carrying out their duties and responsibilities effectively and should be committed to serve on the board of directors for an extended period of time.

In developing recommendations for new director candidates, the Nominating and Corporate Governance Committee identifies potential individuals whose qualifications and skills reflect those desired by the board of directors, and evaluates and recommends to the board of directors all nominees for board membership as specified in the committee's charter.

Stockholder Recommendation of Candidates for Director

Stockholders wishing to recommend candidates to be nominated for election to the Company's board of directors may do so by sending to the attention of the General Counsel at the address provided in this Proxy Statement a statement setting forth the information required by the advance notice provision in the Company's bylaws. Stockholder recommendations provided to the General Counsel and received in accordance with the advance notice provision in the Company's bylaws will be considered and evaluated by the Nominating and Corporate Governance Committee in the same manner as candidates recommended from other sources.

For information regarding stockholder nominations of directors and stockholder proposals, please see the Next Annual Meeting Stockholder Proposals section of this Proxy Statement.

Meetings of the Board of Directors

During the fiscal year ended December 31, 2016, the board of directors met eight times. All of our directors attended 100% of the total meetings held by the board of directors and any committee on which the director served during the period of the fiscal year that the director was a member of the board. We expect that each continuing director will attend the annual meeting of stockholders, absent a valid reason.

Executive Sessions of Non-Management Directors

The independent directors meet in executive session, without any non-independent directors or members of management present, at least twice each year. Since the Chairman of the board of directors is not an independent director, our lead independent director presides at such sessions.

Voting Standard for Directors and Director Resignation Policy

In October 2016, the Company received an inquiry from a large institutional shareholder, regarding its voting standard in uncontested director elections. The Company engaged the shareholder in a dialogue, and as a result of those

discussions, the Company in December 2016 adopted amendments to our Corporate Governance Guidelines to provide that, effective January 1, 2018, directors who do not receive a majority vote in an uncontested election will tender their resignations to the Board. The Board may accept or reject the resignations in its discretion.

Stock Ownership Guidelines for Directors and Officers

In March 2017, we adopted new stock ownership guidelines that apply to our directors and officers, which provide that each officer must own a multiple of annual base salary in our common stock or qualifying derivatives and each independent director must own a multiple of the annual cash retainer in our common stock or qualifying derivatives. The multiple is (a) 5x for our CEO, (b) 2x for executive vice presidents and senior vice presidents, and (c) 1x for vice presidents. The multiple for independent directors is 4x.

Clawback Policy

We maintain a robust clawback policy for incentive compensation paid to current or former executive officers. Our 2015 Omnibus Equity Incentive Plan authorizes the compensation committee to provide for the forfeiture or recoupment of a participant's awards in certain situations, such as the termination of the participant's employment for cause, serious misconduct, breach of noncompetition, confidentiality or other restrictive covenants, or other activity detrimental to our business, reputation or interests. If we are required to prepare an accounting restatement due to our material noncompliance with any financial reporting requirement under the federal securities laws, we may seek to recover from any current or former executive officer any payment in settlement of an award earned or accrued during the three-year period preceding the accounting restatement. The amount to be recovered will be based on the excess of the amount paid under the award over the amount that would have been paid under the award if the financial statements had been correct.

Compensation Committee Interlocks and Insider Participation

The directors serving on the Compensation Committee of the board of directors during the fiscal year ended December 31, 2016 were Steven M. Romaniello (Chairman), Neal K. Aronson, Sidney J. Feltenstein, Michael J. Hislop and Erik O. Morris. None of these individuals is or has at any time during the past year been an officer or employee of ours. During the 2016 fiscal year, none of our executive officers served as a director of any corporation for which any of these individuals served as an executive officer and there were no other Compensation Committee interlocks or relationships with the companies with which these individuals or our other directors are affiliated.

Communications with the Board of Directors

Any interested parties who have concerns that they wish to make known to the Company's non-management directors, should send any such communication to the board of directors as a group or the non-management directors as a group in care of the Company's registered office at 5501 LBJ Freeway, 5th Floor, Dallas, Texas 75240 to the attention of the General Counsel or send an email to the board of directors as a group or the non-management directors as a group at a specified email address provided by the Company on our website. The General Counsel shall review all written and emailed correspondence received from stockholders and other interested parties and forward such correspondence periodically to the directors. Advertisements, solicitations for business, requests for employment, requests for contributions or other inappropriate material will not be forwarded to the directors.

**PROPOSAL 2 RATIFICATION OF THE APPOINTMENT OF THE
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

Our Audit Committee appointed Ernst & Young LLP (E&Y) to audit our consolidated financial statements for the year ending December 30, 2017 and to prepare a report on this audit. A representative of E&Y will be present at the Annual Meeting, will have the opportunity to make a statement and will be available to respond to appropriate questions by stockholders.

We are asking our stockholders to ratify the appointment of E&Y as our independent registered public accounting firm. Although ratification is not required by our bylaws or otherwise, the board of directors is submitting the selection of E&Y to our stockholders for ratification because we value our stockholders' views on the Company's independent registered public accounting firm and as a matter of good corporate practice. In the event that our stockholders fail to ratify the appointment, it will be considered as a direction to the board of directors and the Audit Committee to consider the appointment of a different firm. Even if the appointment is ratified, the Audit Committee in its discretion may select a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and our stockholders.

Information regarding fees paid to E&Y during fiscal year 2016 and fiscal year 2015 is set out below in Fees Billed by Independent Registered Public Accounting Firm.

The Board of Directors recommends that you vote FOR the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee is responsible for, among other things, reviewing with E&Y, our independent registered public accounting firm for fiscal year 2016, the scope and results of their audit engagement. In connection with the audit for the fiscal year ended December 31, 2016, the Audit Committee has:

reviewed and discussed with management the audited financial statements of Wingstop to be included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2016;

discussed with E&Y the matters required by the statement of Auditing Standards No. 61, as amended (AICPA, *Professional Standards*, Vol. 1 AU section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T; and

received the written disclosures and letter from E&Y required by the applicable requirements of the Public Company Accounting Oversight Board regarding E&Y's communications with the Audit Committee concerning independence, and has discussed with E&Y their independence.

Management is primarily responsible for Wingstop's financial reporting process (including its system of internal control) and for the preparation of the consolidated financial statements of Wingstop in accordance with generally accepted accounting principles (GAAP). E&Y is responsible for auditing those financial statements and issuing an opinion on whether the audited financial statements conform with GAAP. The Audit Committee's responsibility is to

monitor and review these processes. It is not the Audit Committee's duty or responsibility to conduct auditing or accounting reviews or procedures. Therefore, the Audit Committee has relied on management's representation that the financial statements have been prepared with integrity and objectivity and in conformity with accounting principles generally accepted in the United States and on the representations of E&Y included in their report to the financial statements of Wingstop.

Table of Contents

Based on the review and the discussions described in the preceding bullet points, the Audit Committee recommended to the board of directors that the audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2016.

(1) Mr. Morrison's option grant for 408,750 shares is divided equally between time vesting and performance vesting options. Of the 204,375 time vesting options, 25% vested on each of December 31, 2013, 2014, 2015 and 2016. Of the performance vesting options, 51,094 options vest upon our achievement of an annual adjusted EBITDA target for each of the years ended December 31, 2013, 2014, 2015 and 2016. In addition, we achieved the adjusted EBITDA target for 2016, and, as a result, all unvested options that were eligible to vest prior to 2016 vested. Vesting is also subject to the executive's continued employment through each vesting date. We achieved our adjusted EBITDA target (determined for compensation purposes) for the year ended December 31, 2016, and, as a result, 51,094 options vested.

(2) Mr. Mravle's option grant for 163,500 shares is divided equally between time vesting and performance vesting options. Potential Payments upon Termination or Change of Control

The employment agreements with each of our named executive officers provide for the payment of certain severance benefits upon termination. In addition, the terms of the stock options granted to the named executive officers under the 2010 Plan include certain vesting rights upon a change of control.

Severance Benefits under the Employment Agreements

We have agreed to pay severance benefits in the event of an executive's termination by us without cause or, for Mr. Morrison, a termination by the executive for good reason. We also provide severance benefits in the case of death and disability.

Mr. Morrison

On December 22, 2016, the Company entered into a new employment agreement with Mr. Morrison. The agreement provides for severance benefits if Mr. Morrison's employment is terminated without cause or if he resigns for good reason. In such instance, Mr. Morrison is entitled to (1) any earned but unpaid cash bonus, (2) the continuation of base salary for 24 months following the termination of his employment and (3) continued participation for up to 24 months in employee welfare benefit plans which, by their terms, permit a former employee to participate, subject to his compliance with the non-disclosure of trade secrets, a confidentiality obligation, a 24 month non-compete obligation, a 24 month non-solicitation obligation, a non-disparagement obligation and the execution of a general release of claims. If a change of control of the company occurs, there is no obligation to make severance payments in connection with such change of control unless Mr. Morrison's employment is terminated without cause or he resigns for good reason within six months prior to or two years following such change of control.

If Mr. Morrison is terminated as a result of a permanent disability, he is entitled to (1) a prorated portion of the annual cash bonus earned for the year of termination (if any) calculated at the end of such year and paid on the same date on which bonuses are paid to other executives of the company, (2) any other amounts earned, accrued or owing but not yet paid, and (3) continued participation in employee welfare benefit plans which, by their terms, permit a former employee to participate. In the event of his death, his estate is entitled to (1) and (2) above as well as any other benefits to which he would be entitled in accordance with the terms of the applicable plans and programs of the company.

If we terminate Mr. Morrison's employment for cause or he resigns other than for good reason, we will pay (1) his base salary actually earned up to the date of termination and (2) any earned cash bonus from the previous year not yet paid.

Mr. Mravle and Mr. Kruguer

The agreements for Mr. Mravle and Mr. Kruguer provide for severance benefits if the executive's employment is terminated without cause (as defined in the agreement). In such instance, the executive is entitled to the continuation of base salary for 12 months following the termination of the executive's employment, subject to the executive's compliance with the non-disclosure of trade secrets, a confidentiality obligation, a 24 month non-compete obligation, a 24 month non-solicitation obligation, a non-disparagement obligation and the execution of a general release of claims. If a change of control of the company occurs, there is no obligation to make severance payments in connection

with such change of control unless the executive's employment is terminated without cause simultaneously with such change of control.

Table of Contents

If the executive is terminated as a result of a permanent disability (as defined in the agreement), he is entitled to any amounts earned, accrued or owing but not yet paid and continued participation in employee welfare benefit plans which, by their terms, permit a former employee to participate. In the event of the executive's death, his estate is entitled to any amounts earned, accrued or owing but not yet paid as well as any other benefits to which he would be entitled in accordance with the terms of the applicable plans and programs of the company.

If we terminate the executive's employment for cause, or the executive resigns for any reason, we will pay the executive's base salary actually earned up to the date of termination.

Accelerated Vesting under Equity Award Agreements

The stock options granted to the named executive officers under the 2010 Plan and 2015 Plan include provisions that accelerate vesting in certain circumstances, including upon a change of control (as defined in the 2010 Plan and the 2015 Plan).

Mr. Mravle

With respect to the performance vesting options held by Mr. Mravle, if (1) a change of control occurs prior to December 31, 2019, (2) we met or exceeded the adjusted EBITDA target for the year prior to the year in which the change of control occurs, and (3) the board determines that we were on track to meet or exceed the adjusted EBITDA target for the year in which the change of control occurs, then any unvested options that were eligible to vest prior to the change of control but did not will vest.

In addition, if (1) a change of control occurs prior to December 31, 2019, (2) during the year preceding the change of control, we achieved the adjusted EBITDA target for a year following the year of the change of control, and (3) the board determines that we are on track to achieve the adjusted EBITDA target for such subsequent year in the year that the change of control occurs, then the unvested options allocated to the year in which the change of control occurs and any subsequent year for which we met such adjusted EBITDA target will vest.

In the case of termination as a result of death or disability, the employment of Mr. Mravle will be deemed to have been terminated on the last day of the year in which the death or disability occurs, and that year will count toward the applicable vesting schedule, subject to the achievement of adjusted EBITDA targets with respect to the performance vesting options.

Mr. Kruguer

With respect to the performance vesting options held by Mr. Kruguer, if (1) a change of control occurs prior to December 31, 2019, (2) we met or exceeded the adjusted EBITDA target for the year prior to the year in which the change of control occurs, and (3) the board determines that we were on track to meet or exceed the adjusted EBITDA target for the year in which the change of control occurs, then any unvested options that were eligible to vest prior to the change of control but did not will vest.

In addition, if (1) a change of control occurs prior to December 31, 2019, (2) during the year preceding the change of control, we achieved the adjusted EBITDA target for a year following the year of the change of control, and (3) the board determines that we are on track to achieve the adjusted EBITDA target for such subsequent year in the year that the change of control occurs, then the unvested options allocated to the year in which the change of control occurs and any subsequent year for which we met such adjusted EBITDA target will vest.

In the case of termination as a result of death or disability, the employment of Mr. Kruguer will be deemed to have been terminated on the last day of the year in which the death or disability occurs, and that year will count toward the applicable vesting schedule, subject to the achievement of adjusted EBITDA targets with respect to the performance vesting options.
