Dear Fellow Stockholder:

On behalf of the Board of Directors and management of Banc of California, Inc. (the Company), we cordially invite you to attend the Company's Annual Meeting of Stockholders (the Annual Meeting or the Meeting). The Meeting will be held at 8:00 A.M., Pacific Time, on June 9, 2017 at Banc of California's Headquarters, located at 3 MacArthur Place, Santa Ana, California.

Last year, the Company produced strong performance and we continued to execute on our vision to be California's Bank and our mission of empowering California through its diverse businesses, entrepreneurs and communities.

The first quarter of 2017 ushered in decisive and significant changes, both on the business front and with respect to our management and governance. On the business side, we sold our BANC Home Loans division and select mortgage servicing rights, thus accelerating our strategy to refocus our business on the core commercial banking opportunities we see in our California markets. On the governance side, the Board undertook a comprehensive review of our governance practices and implemented numerous key changes, including:

Separation of the Chair and Chief Executive Officer positions;

Appointment of a new independent Chair of the Board;

Resignation and retirement of two directors (including our former Board Chair and Chief Executive Officer);

Appointment of two new independent directors (Richard J. Lashley and W. Kirk Wycoff) affiliated with significant stockholders of the Company;

Appointment of two additional independent directors (Mary A. Curran and Bonnie G. Hill) whose terms are expected to commence at the conclusion of the Annual Meeting; and

Adoption of new policies that require a more rigorous review of related party transactions and limit outside business interests.

I am honored to welcome Richard, Kirk, Mary and Bonnie to the Board. Each of them brings a fresh perspective and added expertise across disciplines that are important to the Board. After this year's Annual Meeting, our refreshed Board will have eight members, consisting of the four new directors and four directors who have been with the Company between three and six years.

In addition, during the first quarter, a small group of directors including myself, reached out to many of our large investors to make certain they were aware of our governance initiatives and to obtain their feedback in order to enhance our evolving governance practices and compensation programs. We have commenced an overall review and

evaluation of our executive compensation program, which takes into account the feedback received through our stockholder outreach efforts. This feedback was also considered by the Board in its decision to propose four amendments to the Company's charter to facilitate stockholder participation in our governance practices. These amendments, which stockholders are being asked to approve at the Annual Meeting, are described in the proxy statement. The amendments, if approved, will declassify the Board and provide for the annual election of all directors, and enhance the ability of stockholders to remove directors, amend the Company's bylaws and approve amendments to the Company's charter.

Regardless of whether you plan to attend the Annual Meeting, **please read the enclosed proxy statement and then vote your shares as promptly as possible.** You can vote by completing, signing and dating the enclosed proxy card and returning it in the accompanying pre-postage paid return envelope. Registered stockholders, that is, stockholders who hold stock in their own names, can also vote their shares by telephone or via the internet. If your shares are held through a bank, broker or other nominee, please check your proxy card to see if you can also vote by telephone or the internet. Voting promptly will save the Company additional expense in soliciting proxies and will ensure that your shares are represented at the Meeting.

Our Board is committed to the success of the Company and we are focused on enhancing stockholder value. We greatly appreciate your continued confidence and support.

Sincerely,

/s/ Robert D. Sznewajs

PROXY STATEMENT SUMMARY

Our Strategy

Our vision is to be California's Bank with a mission to empower California's diverse businesses, entrepreneurs and communities. Over the past six years, we were one of the fastest growing banks in the United States. We grew from \$862 million in assets as of December 31, 2010 to more than \$10 billion in assets as of December 31, 2016 and exhibited strong profitability and improved asset quality.

Banc of California was recapitalized in 2010 with the vision of being California's Bank. At the time, with assets of \$700 million, and in the aftermath of the financial crisis, the Company set out to build a California-focused financial institution which could replace a portion of the lending to California businesses and entrepreneurs that was lost during the financial crisis. During the financial crisis, many banks pulled back on lending to California, were acquired by out of state institutions or, even worse, failed. The end result was the near elimination of all purely California-based and California-focused regional banks. Banc of California has filled that void by emerging as the only mid-sized bank focused exclusively on California.

The Company has assembled a broad and deep team of experienced bankers and entrepreneurs to serve the diverse needs of California's depositors and borrowers. Our business lines are highlighted below, all of which are centered on the needs of California.

Banc of California Business Model

Banc of California's accomplishments have been recognized by being named to Forbes Magazine's list of the Best Banks in America for the past two consecutive years. Additionally, Banc of California was awarded an Outstanding Rating from the Office of the Comptroller of the Currency for community development.

PROXY STATEMENT SUMMARY

Our new guiding principles, established in early 2017, are key to our business strategy and are supported by four key pillars outlined below:

Guiding Principles

The four pillars of our new guiding principles provide a fresh perspective on our 2017 business outlook and our 2017 compensation program:

Responsible and disciplined growth. We are optimistic about our long-term growth prospects, but growth will be disciplined. The California market is diverse, dynamic and large. We believe that many of California's communities remain underserved as our larger state and regional competitors increasingly redirect their focus outside of the state.

Strong and stable asset quality. Strong and stable asset quality and effective risk management allow the Bank to continue to grow in the long-term, while remaining prudent in the management of risk.

Focus and optimization of our business. We will continue to identify opportunities to focus and optimize our business in an effort to ensure that our resources are efficiently deployed to best meet our mission and vision.

Strong corporate governance. The Board has taken significant action to refresh board composition and enhance corporate governance.

These pillars support our key business strategy and the drivers of our growth and profitability:

growing spread based revenue;

demonstrating expense management and efficiency; and

investing in commercial banking products and services.

We believe this fresh perspective on our business will enhance value to our stockholders, clients, employees and communities.

A Fresh Perspective for California's Bank: Focus on Corporate Governance & Recent Board and Management Changes

During the past year, we faced challenges to both our reputation and our governance practices, which led to a board and management refresh, stockholder outreach and governance enhancements as detailed below.

In response to an anonymous blog post published on October 18, 2016, the Board formed a special committee that retained independent outside counsel to investigate questions raised in the blog regarding the Company's related party transactions, director independence and suggestions that our Company was controlled by an individual who pled guilty to securities fraud in matters unrelated to the Company. The investigation, which was completed in February 2017, did not find evidence of any violation of law. In addition, the inquiry did not find evidence that the individual who pled guilty to securities fraud unrelated to our Company had any direct or indirect control or undue influence over our Company, nor did it find any facts or circumstances that impaired the independence of any director. The Board reviewed recommendations made by the special committee and its independent counsel concerning suggested improvements in various policies, procedures and practices and the Board adopted the recommendations as part of its broader initiative to review and enhance our overall governance generally, including our executive compensation practices.

As part of those governance initiatives, on January 23, 2017, following the resignation of the Company's former Board Chair and Chief Executive Officer, the Board appointed independent director Robert D. Szniewajs as Board Chair, separating the roles of Board Chair

PROXY STATEMENT SUMMARY

and Chief Executive Officer. In addition, the Board implemented the provisions of its established succession plan to install the Office of the President by appointing Hugh F. Boyle and J. Francisco A. Turner to act as the Interim Chief Executive Officer and Interim President, respectively, pending the appointment of a permanent Chief Executive Officer.

The Board has pursued other critical, concurrent and substantial initiatives designed to refresh and restructure the Board, expand stockholder outreach, improve communication and obtain stockholder feedback, and adopt material enhancements to the Company's overall governance, including its compensation practices.

New Policies and Bylaw Changes. To enhance the Company's governance, the Board first adopted policies to enhance corporate governance, including a new Related Party Transaction Policy and a new Outside Business Activities Policy, and acted to strengthen the Company's Public Communications Policy. The Board also amended the Company's bylaws to facilitate the submission by stockholders of director nominations and other proposals for future annual meetings, and to conform the majority voting standard for electing directors more closely to the advisory motion approved by stockholders at the 2016 Annual Meeting.

Top Management Refresh. To support the Board's initiative to refresh top management, the Board formed a search committee to recruit a new Chief Executive Officer, engaging KornFerry to conduct a nation-wide search, with the assistance of the Company's compensation consultant, Pearl Meyer & Partners (Pearl Meyer).

Board Refresh.

To support the initiative to refresh the Board itself, and to fill the Board vacancies created by the resignation of the former Chair of the Board and the retirement of the former Vice Chair and Lead Independent Director, the Board appointed as directors Richard J. Lashley and W. Kirk Wycoff, whose affiliated investment funds (PL Capital Advisors, LLC and Patriot Financial Partners, respectively) have been significant stockholders of the Company for several years. These appointments increase stockholder representation on the Board and add new experience and a fresh perspective. In this proxy statement we refer to PL Capital Advisors, LLC and its affiliates as PL Capital Group and Patriot Financial Partners and its affiliates as Patriot Partners.

As part of the initiative to refresh the Board, the Board also engaged Berkeley Research Group (BRG), a consulting firm specializing in governance for financial institutions, to conduct a skills assessment of the Board, and engaged KornFerry to assist the Board in recruiting independent, talented and diverse directors to expand and augment the Board's collective and individual capabilities.

In furtherance of its refresh initiative, the Board has appointed two additional independent directors, Mary A. Curran and Bonnie G. Hill, whose terms are expected to commence at the conclusion of the Annual Meeting. Ms. Curran and Dr. Hill will add diversity to the Board and broaden the Board's expertise in risk management and corporate governance. With their appointments, together with the recent appointments of Messrs. Lashley and Wycoff, four new independent directors will have been added and will represent one-half of the entire Board at the conclusion of the Annual Meeting (not including any additional directors who may be appointed after the date of this proxy statement).

Stockholder Engagement. To support our enhanced stockholder engagement, the Board actively reached out to many of our larger stockholders, who together own more than 75 percent of our shares, to solicit their views. We obtained feedback from more than 50 percent of those stockholders about various topics including their views about the Company, the Board, our governance initiatives, and our compensation practices.

Compensation Refresh. To support the Board's compensation initiatives, the Compensation Committee engaged Pearl Meyer to evaluate the Company's director compensation program and assist the Compensation Committee in the development and implementation of a new and enhanced executive incentive compensation program emphasizing objective pay-for-performance criteria.

Governance Enhancements. As a result of these activities, the Board has approved for adoption numerous material changes to the Company's governance, including the proposed amendments to the Company's charter being voted on by stockholders at the Annual Meeting to de-classify the Board and reduce the terms of directors from three years to one, to allow for the removal of directors by a majority of stockholders with or without cause, to generally eliminate the supermajority vote by stockholders that is currently required for changes to our bylaws and to remove all supermajority stockholder voting requirements to amend certain provisions of the Company's charter.

PROXY STATEMENT SUMMARY

Stockholder Outreach

At the beginning of 2017, our independent Board Chair, Robert D. Szniewajs, led an outreach effort in partnership with the Company's Investor Relations team, to facilitate a dialogue and to communicate directly with our largest stockholders regarding a broad range of governance and strategic topics. The outreach efforts targeted stockholders representing collectively over 75 percent of our outstanding voting common shares as of year-end 2016 and we obtained feedback from more than 50 percent of those stockholders. Our refreshed Board values investor relationships and the views of stockholders and these engagement efforts provided us with a valuable understanding of stockholder views. The feedback received from investors in these meetings has informed the Board's views and actions on corporate governance and executive compensation.

2017 Board Refresh

At the end of 2016, our Board began a focused and decisive initiative to refresh the Board and by March 2017, this initiative culminated with the following actions:

During the fourth quarter of 2016, the Company began discussions about the Board's composition with Messrs. Lashley and Wycoff, then as representatives of their respective investment funds (PL Capital Group and Patriot Partners) which entities have been significant stockholders of the Company for several years.

In February 2017, the Board appointed Mr. Lashley and Mr. Wycoff to fill the Board vacancies created by the resignation of former Chair and Chief Executive Officer, Steven A. Sugarman and the retirement of former Vice Chair and Lead Independent Director, Chad T. Brownstein. The appointments of Messrs. Lashley and Wycoff have increased stockholder representation on the Board and added new expertise. For more information, see *Proposal I*.

Also in February 2017, the Board engaged BRG to assess the qualifications and skills of the current Board and KornFerry to conduct a nation-wide director search for qualified director candidates. In March 2017, the Company entered into a Cooperation Agreement with a significant stockholder of the Company, Legion Partners Asset Management and its affiliates (Legion Group), pursuant to which the Company agreed to conduct a search for two additional independent directors in collaboration with the Legion Group. In accordance with this agreement and as part of the director search already underway by KornFerry, the Nominating and Corporate Governance Committee and other members of the Board interviewed a number of director candidates based on a pool of more than 90 director candidates identified by KornFerry.

After considering the BRG evaluation and the candidates identified through the KornFerry search, and conferring with the Legion Group, in March 2017 the Board appointed two additional independent directors, Mary A. Curran and Bonnie G. Hill, whose terms are expected to commence at the conclusion of the Annual Meeting. Also in March 2017, Director Eric L. Holoman informed the Company of his decision not to stand for re-election; Mr. Holoman's term will expire at the conclusion of the Annual Meeting.

Ms. Curran has more than 30 years of experience in the banking industry, including several years as a Chief Risk Officer, and Dr. Hill has an extensive background in board leadership and corporate governance. Ms. Curran and Dr. Hill will add diversity to the Board and broaden the Board's expertise in risk management and corporate governance. For more information about the experience and qualifications of Ms. Curran and Dr. Hill, see *Proposal I*.

With the appointments of Messrs. Lashley and Wycoff and the pending appointments of Ms. Curran and Dr. Hill, the Board of Directors has been significantly refreshed and will be stronger in the areas the Board believes are most critical to the Company's long-term success. Our Board is committed to the success of the Company and is focused on enhancing stockholder value.

Our Two Director Nominees and our Refreshed Board

Our two Class II director nominees (each being nominated to serve a term of three years) are:

Halle J. Benett; and

Robert D. Sznewajs.

For more information about our two director nominees see *Proposal I*. The Board recommends you vote **FOR** Mr. Benett and **FOR** Mr. Sznewajs.

Table of Contents**STOCK OWNERSHIP****Stock Ownership of Directors and Executive Officers**

The following table shows the beneficial ownership of our voting common stock on the record date of April 13, 2017 by:

each director and director nominee of the Company;

each Named Executive Officer (as defined under *Compensation Discussion and Analysis Introduction*); and

all of the Named Executive Officers, current executive officers who are not Named Executive Officers and current directors of the Company as a group.

The address of each of these beneficial owners is the same main address as that of the Company. To the extent any of the beneficial owners hold fractional shares of voting common stock; such fractional shares have been rounded down to whole shares. As of April 13, 2017, there were 52,144,194 shares of voting common stock issued and outstanding.

Beneficial ownership is determined in accordance with the rules of the Securities and Exchange Commission. In computing the number of shares beneficially owned by a person and the percentage of ownership by that person, shares of voting common stock subject to outstanding rights to acquire shares of voting common stock held by that person that are currently exercisable or exercisable within 60 days are deemed outstanding. Such shares are not deemed outstanding for the purpose of computing the percentage of ownership by any other person, however.

STOCK OWNERSHIP

Exchange on April 13, 2017, if Mr. Sugarman were to exercise all 1,559,012 of his currently exercisable SARs, he would be entitled to receive an aggregate of 228,133 shares of voting common stock. Using this net number of shares to calculate Mr. Sugarman's beneficial ownership, rather than the gross number of shares to which the SARs relate (1,559,012), the aggregate shares of voting common stock Mr. Sugarman beneficially owned would be 633,084, or 1.21 percent and the aggregate shares of voting common stock all directors and executive officers of the Company at a group beneficially owned would be 7,411,508, or 14.12 percent.

- (2) Includes 330,660 shares subject to options and 1,559,012 shares subject to stock appreciation rights that are exercisable as of, or will become exercisable within 60 days after April 13, 2017.
- (3) Does not include 201,922 shares of Class B non-voting common stock currently outstanding and held by Mr. Seabold.
- (4) Includes 3,401,719 shares owned by PL Capital Advisors (as defined in Note 4 to the *Stock Ownership of Greater than 5 Percent Stockholders* table above). Mr. Lashley is a managing member of PL Capital Advisors and, therefore, Mr. Lashley may be deemed to beneficially own these shares.
- (5) Includes 2,850,564 shares owned by Patriot Partners (as defined in Note 6 to the *Stock Ownership of Greater than 5 Percent Stockholders* table above). As a managing member of Patriot Partners, Mr. Wycoff may be deemed to beneficially own these shares.
- (6) Does not include shares underlying a warrant held by Mr. Sugarman (together with his spouse through a living trust) to acquire 480,000 shares of the Company's Class B non-voting common stock, or 4,000 depositary shares (Series C Depositary Shares), each representing a 1/40th ownership interest in a share of the Company's 8.00 percent Non-Cumulative Perpetual Preferred Stock, Series C. The number of shares listed for Mr. Sugarman under the Voting Common Stock column is based on information known to the Company as of his resignation date.
- (7) The number of shares listed for Mr. McKinney under the *Voting Common Stock* column is based on information known to the Company as of November 11, 2016, the effective date of his resignation, as well as on March 27, 2017 the date he exercised certain options.

Class B Non-Voting Common Stock. As of April 13, 2017, there were 277,797 shares of our Class B non-voting common stock issued and outstanding. In addition to the shares of voting common stock reflected in the table above, Messrs. Seabold and Sugarman beneficially own shares of the Company's Class B non-voting common stock. As of April 13, 2017, Mr. Seabold beneficially owned a total 201,992 shares, or approximately 72 percent, of our Class B non-voting common stock, acquired from his exercise of certain warrants between December 8, 2015 and

September 30, 2016.

At the time of his resignation from the Company on January 23, 2017, Mr. Sugarman (together with his spouse through a living trust) held warrants to purchase 480,000 shares of Class B non-voting common stock. These warrants are fully-vested, and expire at various dates between October 1, 2017 and July 1, 2018. If Mr. Sugarman and his spouse fully exercise their warrants by paying the exercise price in cash (i.e., without the netting of shares in payment of the exercise price) Mr. Sugarman would be the beneficial owner of approximately 63 percent of the outstanding shares of Class B non-voting common stock as of April 13, 2017.

For a more detailed description of the warrants to purchase shares of the Company's Class B non-voting common stock, including the initial grant date of the warrants and exercise price, please see Note 18 of the notes to the consolidated financial statements contained in the Company's Annual Report on Form 10-K for the year ended December 31, 2016.

Series C Preferred Stock. Mr. Sugarman also beneficially owned 4,000 Series C Depositary Shares at the time of his resignation on January 23, 2017, each representing a 1/40th ownership interest in a share of the Company's 8.00 percent Non-Cumulative Perpetual Preferred Stock, Series C, par value \$0.01 per share and liquidation amount \$1,000 per share. This amount represents approximately 0.25 percent of the outstanding Series C Depositary Shares as of April 13, 2017. To the Company's knowledge, none of the other directors or executive officers of the Company beneficially owned any Series C Depositary Shares as of April 13, 2017.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company's directors and executive officers, and persons who own more than 10 percent of the Company's voting common stock, to report to the Securities and Exchange Commission their initial ownership of the Company's equity securities and any subsequent changes in that ownership. Specific due dates for these reports have been established by the Securities and Exchange Commission and the Company is required to disclose in this report any late filings or failures to file.

To the Company's knowledge, based solely on our review of the copies of these reports furnished to the Company and written representations that no other reports were required during the fiscal year ended December 31, 2016, all Section 16(a) filing requirements applicable to the Company's officers and directors during 2016 were met, except for inadvertent failures by: (i) Mr. Boyle to timely report on a Form 4 a disposition of 1,944 shares on September 30, 2016 to satisfy his tax liability incurred by the vesting of a previously granted award, which was reported on a Form 4 filed on October 5, 2016; and (ii) Mr. Seabold to timely report on a Form 4 the cashless exercise of a warrant to purchase shares of Class B non-voting common stock, which was reported on a Form 4 on July 6, 2016.

The existing terms of the Class II directors, which include Messrs. Benett, Holoman and Sznewajs, will expire at the 2017 Annual Meeting of Stockholders. Mr. Benett and Mr. Sznewajs have been nominated for re-election, each for a three-year term that will expire at the 2020 Annual Meeting of Stockholders. As previously announced, Mr. Holoman has declined to stand for re-election due to the ongoing demands of his current employment and business activities but will continue to serve until the expiration of his term at the conclusion of the 2017 Annual Meeting. The Board and the Company thank Mr. Holoman for his service on the Boards of the Company and the Bank. His guidance, business expertise and community involvement have bolstered our efforts to become California's Bank. CORPORATE GOVERNANCE MATTERS

Board-Approved Proposed Amendments to Our Charter

Based on feedback received from our recent stockholder outreach efforts, the Board approved several proposed amendments to our charter, which stockholders are being asked to approve at the Annual Meeting. These proposed amendments would declassify the Board and provide for the annual election of all directors, and enhance the ability of stockholders to remove directors, amend the Company's bylaws and approve amendments to the Company's charter by generally eliminating super-majority voting requirements.

Corporate Governance Framework

The key components of our corporate governance framework are set forth below:

Existing Policies	Newly Implemented or Amended Policies
<p><u>Corporate Governance Guidelines.</u> The Board of Directors has adopted Corporate Governance Guidelines to provide a framework for effective governance of the Company and its subsidiaries. These Corporate Governance Guidelines are reviewed periodically by the Nominating and Corporate Governance Committee, and, based upon their review, any revisions that are believed to be in the best interest of the Company are then recommended to the Board for review and approval.</p>	<p><u>New Related Party Transaction Policy.</u> In February 2017, the Board adopted a new Related Party Transaction Policy that restricts transactions with related parties by imposing rigorous standards, with the expectation that such transactions will be rare. The new policy establishes protocols for prior review of proposed related party transactions and requires that they be in, or not inconsistent with, the best interests of the Company and its stockholders. For more information about this policy, see <i>Transactions with Related Persons</i>.</p>
<p><u>Code of Business Conduct and Ethics.</u> The Company's Code of Business Conduct and Ethics (the Code), applies to all directors, officers and employees of the Company and its subsidiaries. The Code is intended to require that all employees and directors adhere to high ethical standards and is reviewed by the Board on a regular basis.</p>	<p><u>New Outside Business Activities Policy.</u> The Board adopted a new Outside Business Activities Policy, which supplements the Code, tightens controls on outside business activities of officers and employees</p>

Stock Ownership Guidelines. The Board has determined that long-term, significant equity ownership by all directors and senior officers is in the best interest of the Company and serves to align the interests of the directors and senior officers with the interests of the Company's stockholders. To that end, the Board has adopted the following stock ownership guidelines:

and requires non-employee directors to refrain from engaging in outside business activities that create an actual or apparent conflict of interest. For more information about this policy, see *Transactions with Related Persons*.

As required by the Company's Corporate Governance Guidelines as it was updated in February 2017, directors are expected to own stock or stock equivalents with a value equal to five times the then-current annual base cash retainer by the end of the fifth fiscal year following their appointment to the Board (which increased the three times stock ownership requirement that was in effect as of December 31, 2016). We evaluate stock ownership of our directors annually, on the last day of our fiscal year. As of December 31, 2016, based on the NYSE closing stock price, all of the directors were in compliance with the Stock Ownership Guidelines then in effect.

Stock ownership guidelines are also applicable to senior officers as described in more detail below, under the section titled *Other Compensation Policies and Practices* *Stock Ownership Guidelines*.

Table of Contents

CORPORATE GOVERNANCE MATTERS

Existing Policies

Directors are expected to be long-term stockholders and to refrain from selling stock other than for legitimate tax, estate planning, or portfolio diversification purposes. Other than the case of sales through Rule 10b5-1 plans or other similar automated selling programs or sales to pay taxes on compensation paid by the Company, directors are required to provide six-months' notice of any planned sale by such director (or any of his or her affiliates or immediate family members) unless prior approval is received by the Board of Directors.

Insider Trading Policy. Directors, officers and employees are obligated to comply in all respects with the Code and the Company's Insider Trading Policy, as well as all Company black-outs or similar trading restrictions as communicated by the Corporate Secretary.

Newly Implemented or Amended Policies

Amended Public Communications Policy. The Board recently amended the Company's Public Communications Policy to enhance accountability for, and the review of, all public communications by the Company.

Evaluating the Board's Effectiveness

Annual Evaluation Process. On an annual basis, the (i) Board; (ii) Audit Committee; (iii) Compensation Committee; and (iv) Nominating and Corporate Governance Committee are each responsible to conduct annual self-evaluations to assess performance. These evaluations are completed and submitted anonymously by their respective members to allow for each director to respond candidly, and make any recommendations that would promote the enhancement of the Board or Committee, as applicable, in fulfilling its duties.

The completed responses, along with any recommendations, are then reviewed and discussed by the full Board to determine whether or not any changes are deemed appropriate.

Director Education

In accordance with the Company's Corporate Governance Guidelines, all directors are expected to maintain the necessary continuing educational requirements which include, but are not limited to: (i) a component covering professional development in corporate governance; and (ii) a component which covers educational development in subject matter areas that are deemed relevant to the Company's business. In support of continuing education, the Company incurs reasonable expenses to facilitate any mandatory educational and professional development programs or any voluntary programs which the Nominating and Corporate Governance Committee deem appropriate.

Additionally, each director is required to participate in the Company's compliance training program, wherein the Board is expected to complete annual compliance training overseen by the Company's Chief Compliance Officer.

Corporate Governance Proposals Overview in this Proxy Statement

As part of its review of the Company's corporate governance practices, the Board has determined that a number of amendments to the Company's charter are appropriate to increase the accountability of Board members to the stockholders, and to facilitate stockholder action to amend the Company's charter and bylaws. For more information about these proposed charter amendments, see *Corporate Governance Proposals Overview (Proposals III, IV, V and VI)*.

Director Independence

In accordance with the NYSE Corporate Governance Listing Standards and the Company's Corporate Governance Guidelines, the Board conducted its review of all relationships between the Company and each director and director nominee and has affirmatively determined that none of our current directors, nor Ms. Curran or Dr. Hill (whose appointments to the Board are expected to become effective at the conclusion of the Annual Meeting) has a material relationship with the Company or any other relationship that would preclude their independence under the NYSE Corporate Governance Listing Standards. Accordingly, the Board has determined that each of our current directors is, and each of Ms. Curran and Dr. Hill will be, an independent director under the NYSE Corporate Governance Listing Standards, as applied in accordance with the Company's Corporate Governance Guidelines. Additionally, the Board has also made affirmative determinations that each member of the Audit Committee meets the independence and financial literacy requirements for audit committee membership under the NYSE Corporate Governance Listing Standards and Securities and Exchange Commission Rule 10A-3(b)(1), and each member of the Compensation Committee meets the independence and other requirements for compensation committee membership as set forth in the NYSE Corporate Governance Listing Standards. See *Corporate Governance Matters Role and Composition of the Compensation Committee* for independence requirements specific to the Compensation Committee.

Board Leadership Structure

On January 23, 2017, the Board of Directors determined it was in the best interests of the Board and the Company to separate the roles of the Chief Executive Officer and Chair of the Board. The Board believes this structure increases the Board's independence from management and, in turn, leads to better monitoring and oversight of management. Although the Board believes that the Company is currently best served by separating the role of Board Chair and Chief Executive Officer, the Board will review and consider the continued appropriateness of this structure on an annual basis.

The Chair of the Board presides at meetings of the Board of Directors and at executive sessions of independent (non-employee) Directors, and exercises leadership of Board operations. On January 23, 2017, Mr. Sznewajs, who was initially appointed as a director on May 15, 2014, was appointed to serve as the Chair of the Board.

Prior to January 23, 2017, the Board maintained a combined role of Chair and Chief Executive Officer and, as a result of the combined role, the Board also maintained the position of Vice Chair and Lead Independent Director. With the separation of the roles of Chair of the Board and Chief Executive Officer, the Board determined that it was no longer necessary to designate a Vice Chair or Lead Independent Director. In addition, the Board determined that the Chair of the Nominating and Corporate Governance Committee will discharge the duties of the Chair of the Board in the event that the Chair is unavailable or unable to act.

Risk Oversight

The Board of Directors oversees the Company's risk profile and management's process for assessing and managing risks, both as a whole as well as through its committees. The Board of the Company has two primary methods for overseeing risk. The first method is oversight by the Board as a whole and the second method is through its Enterprise Risk Committee whose primary focus is to assist the Board in discharging its oversight duties with respect to the policies and practices applicable to the risks inherent in the business, including the strategic risk appetite framework of the Company and, then to report back to the full Company Board. The Bank Board

Table of Contents**CORPORATE GOVERNANCE MATTERS**

also has a separate Enterprise Risk Committee, which monitors the emerging risks in the business of the Bank and reports back to the full Bank Board. In accordance with their charters, the Enterprise Risk Committees are responsible for ensuring that the Company and the Bank has in place an appropriate enterprise-wide framework and processes to identify, prioritize measure and monitor significant risks, including, without limitation, capital risk, compliance/legal risk, credit risk, interest rate risk, liquidity risk, operational risk, and reputational and strategic risks.

During 2016, the Enterprise Risk Committee and the full Board received reports from executive management and employees who oversee day-to-day risk management duties on the most critical strategic issues and risks facing the Company. The Board and Enterprise Risk Committee also received reports from the Company's Chief Risk Officer, Chief Financial Officer, Chief Internal Audit Officer, the Company's independent auditors, third-party advisors, and other executive management regarding compliance with applicable risk-related policies, procedures and limits in order to ensure compliance by properly evaluating the effectiveness of the Company's risk controls.

Each of the Company and Bank Boards receives reports from the chairs of the Enterprise Risk Committees regarding the committees' considerations and actions. Each of the committees may address risks directly with management, or, where appropriate, may elevate a risk for consideration by the full Boards. In addition to the Enterprise Risk Committees of the Company Board and the Bank Board, the other Board committees monitor risk aspects relevant to their respective areas of responsibility through direct interactions with the executive and other key management personnel.

Board Composition and Meetings

During 2016, each director attended 75 percent or more of the aggregate total number of Board meetings held during the year.

Attendance by the directors at each of the Company's Annual Meeting of Stockholders is not required; however, the Board of Directors generally requests that the Board Chair attend the Meeting and, if the Chair is not an independent director, the Board generally requests that an independent (non-employee) director attend the Meeting to represent such directors. The 2016 Annual Meeting was attended by one of the seven directors serving at that time which was Mr. Sugarman in his capacity as the Chair.

The chart below reflects the members of the Board of Directors of the Company and the affiliated boards on which they served throughout 2016. Effective May 5, 2016, the Company sold its membership interests in The Palisades Group, LLC (Palisades), a wholly owned subsidiary of the Company (the Palisades Sale). Following the completion of the Palisades Sale, Messrs. Brownstein and Sugarman ceased to serve on the Palisades Board of Managers.

Likewise, separate sessions of only independent directors were held when required or determined by the independent directors to be necessary. Meetings held during the fiscal year ended December 31, 2016, as well as actions taken in the form of a Unanimous Written Consent by the Company's Board of Directors in lieu of holding a special meeting is set forth below.

All current members of the Company Board also serve as directors of the Bank Board, each for a one-year term, in addition to Hugh F. Boyle, who was appointed to the Bank Board in conjunction with his appointment as Interim Chief Executive Officer of the Bank effective January 23, 2017.

Committee Composition of the Board of Directors and Meeting Attendance

While the Board recently separated the compensation-related functions from the nominating and corporate governance-related functions at the Board committee level during 2016, these functions were combined under the then-acting Compensation, Nominating and Corporate Governance Committee. The composition of the Board's standing committees as of December 31, 2016, is reflected in the table below. During 2016, each member attended 75 percent or more of the aggregate total number of meetings held by each committee on which the directors served during the year.

The Board of Directors of the Company currently has five standing committees. Each of these committees is a joint committee of the Boards of Directors of the Company and the Bank, with the exception of the Enterprise Risk Committee which functions separately at the Company Board and the Bank Board levels. The Nominating and Corporate Governance Committee is responsible for evaluating the structure, composition and duties of each Board committee and recommending any changes to the Board.

Table of Contents**CORPORATE GOVERNANCE MATTERS**

In January 2017, the Board separated the compensation, nominating and governance functions at the Board committee level into two committees, the Compensation Committee and the Nominating and Corporate Governance Committee. Shortly thereafter, further changes were made to the composition and structure of the Board's committees including the elimination of the Strategic Committee as well as the Executive Committee in order to facilitate greater participation by all members of the Board in a full range of Company matters. The current composition of the Board's committees is reflected in the table below.

DIRECTOR COMPENSATION

Overview

The Compensation Committee is responsible for the periodic review of compensation paid to non-employee directors and making recommended changes to the Board, when the committee deems appropriate. As indicated below under *Employee Directors*, directors who are also employees of the Company or the Bank receive no compensation for their service as directors.

The existing elements of the Company's director compensation program are a combination of cash and stock-based incentives to attract and retain qualified candidates to serve on the Boards of the Company or its subsidiaries. In determining the components of non-employee director compensation, the Compensation Committee considers the significant amount of time directors expend to fulfill their duties, the skill level required of Board members and the nature of the Company's business objectives. During 2016, the Company's director compensation program was modified, at the recommendation of the then-acting Compensation, Nominating and Corporate Governance Committee, effective July 1, 2016. The components of the director compensation program from January 1, 2016 through June 30, 2016 and the modified compensation program from July 1, 2016 through December 31, 2016 are summarized in the tables below.

In conjunction with the board refresh and governance overhaul that took place at the beginning of 2017, the newly formed Compensation Committee began a review of the components of the director compensation program in comparison to the Company's peers, in addition to consideration of various business objectives of the Company and the Bank for 2017. Under the guidance of compensation consultants, Pearl Meyer as well as considering compensation data provided by Equilar, Inc. (Equilar), who were each engaged by the Compensation Committee, the Compensation Committee determined it would be in the best interests of the Company and its stockholders to revise the Company's director compensation program effective February 7, 2017. For additional information regarding the roles of Pearl Meyer and Equilar with regard to director compensation, see *Director Compensation* *Director Compensation Refresh*.

Director Compensation from January 1, 2016 through June 30, 2016

From January 1, 2016 through June 30, 2016, non-employee directors serving on each of the Company Board, the Bank Board and the Board of Managers of the Company's then wholly-owned subsidiary, Palisades, received separate compensation for each Board on which they served. The non-employee members of the Palisades Board of Managers ceased to receive compensation for their service following the completion of the Palisades Sale, effective May 5, 2016. The Company does not provide non-equity incentive plan awards, deferred compensation or retirement plans for non-employee directors.

The schedule below summarizes the components of fees paid to non-employee directors for their service on the Boards of the Company, the Bank and Palisades for this time period.

Schedule of Director Fees from January 1, 2016 to June 30, 2016

Compensation Element	Company	Bank	Palisades ⁽¹⁾

⁽¹⁾ This column sets forth the fees paid to non-employee directors for their service on the Palisades Board of Managers, a wholly owned subsidiary of the Company until May 5, 2016, the closing date of the Palisades Sale. At that time, Mr. Brownstein was the only non-employee director serving on the Palisades Board of Managers at which point he resigned from the Board of Managers in connection with the closing of the transaction.

⁽²⁾ Cash compensation was payable under this compensation plan in equal monthly installments, up to the maximum amount of the specified annual retainer; provided, however, that no monthly cash retainer was payable after any termination of service; provided further, that with respect to any amounts not paid as a

result of a period less than 12 months having elapsed since the previous Annual Meeting of Stockholders, any such unpaid amount will become due and payable upon the subsequent Annual Meeting of Stockholders.

- (3) Both restricted shares and stock options were granted and vest in equal annual installments over a five year period, subject to acceleration upon a Change of Control or qualifying termination of service, commencing on the first anniversary of the date of grant and continuing on each anniversary thereafter until fully vested.

Components of Director Compensation from July 1, 2016 through December 31, 2016

As previously indicated, non-employee directors serving on both the Company Board and the Bank Board received separate compensation for each Board on which they served throughout 2016. During the second quarter of 2016, the Company exceeded \$10 billion in assets, a threshold at which the scope and complexity of regulatory compliance, operational and legal obligations substantially increase. In consideration of these obligations and the Palisades Sale, the then-acting Compensation, Nominating and Corporate Governance Committee believed it was appropriate to further revise the director compensation program which resulted in a decrease in the annual cash and equity retainers, and an increase in certain of the additional director compensation items, including increasing fees for the committee chairs and adding fees for vice chair positions. In addition, we eliminated fees for Audit Committee membership.

As approved by the Boards of the Company and the Bank effective July 1, 2016, the table below summarizes the schedule of fees for non-employee directors for their service on the Boards of the Company and the Bank.

Schedule of Director Fees effective July 1, 2016		
Compensation Element	Company	Bank
Annual Retainer	\$100,000 in restricted shares ⁽¹⁾	\$100,000 in cash ⁽²⁾
Additional Compensation		
Committee Chair Fees	\$20,000 in restricted shares ⁽¹⁾	\$20,000 in cash ⁽²⁾
Committee Vice Chair Fees (other than the Lead Independent Director)	\$10,000 in restricted shares ⁽¹⁾	\$10,000 in cash ⁽²⁾
Lead Independent Director Fees	\$25,000 in restricted shares ⁽¹⁾	\$25,000 in cash ⁽²⁾
Vice Chair of the Board	\$25,000 in restricted shares ⁽¹⁾	\$25,000 in cash ⁽²⁾

- (1) Restricted shares were granted and vest in equal annual installments over a five year period, subject to acceleration upon a Change of Control or qualifying termination of service, commencing on the first anniversary of the date of grant and continuing on each anniversary thereafter until fully vested.

- (2) Cash compensation was payable in monthly installments equal to 1/12th of the specified annual retainer amount, up to the maximum amount of the specified annual retainer; provided, however, that no monthly cash retainer shall

be paid after any termination of service; provided further, however, that any amounts not paid as a result of a period of less than 12 months having elapsed since the previous Annual Meeting of Stockholders shall become due and payable upon such subsequent Annual Meeting of Stockholders.

Employee Directors

Directors who were also employees of the Company, the Bank or Palisades during 2016 received no compensation for their service as directors. Mr. Sugarman, the Company's then-acting Chair, President and Chief Executive Officer served on the Boards of each of the Company, the Bank and Palisades. Mr. Sugarman resigned from the Palisades Board of Managers on May 5, 2016, in connection with the closing of the Palisades Sale. In addition, on January 23, 2017, Mr. Sugarman resigned from all positions held with the Company and the Bank, which included his position as Chair of the Company Board and the Bank Board.

As of the date of this proxy statement, all directors of the Company Board are independent and are not employees of the Company or the Bank. Mr. Boyle, who was appointed as Interim Chief Executive Officer of the Company and the Bank following Mr. Sugarman's resignation, was also appointed to the Bank Board and is currently the only employee director serving on that board.

Awards issued during 2016 include: (a) restricted stock awards granted for service as an audit committee member, committee chair and lead independent director, as applicable; (b) restricted stock awards for the equity portion of the annual retainer for each non-employee director; and (c) a restricted stock award of 3,000 shares, with a 3-year annual vesting period, granted to Mr. Schnel for exemplary performance, including service in multiple capacities across various committees.

The assumptions used in the calculation of these amounts are included in Note 16 to the notes to the consolidated financial statements contained in the Company's Annual Report on Form 10-K for the years ended December 31, 2016, as filed with the Securities and Exchange Commission. The grant date fair value is calculated using the closing market price of the Company's voting common stock on the business day preceding the grant date, which is then recognized as an expense, subject to market value changes, over the scheduled vesting period of the award.

⁽³⁾ The following table presents: (a) the aggregate number of restricted stock awards during fiscal 2016, the grant date fair values of which are reflected in the table above; (b) the aggregate number of outstanding unvested restricted stock awards at December 31, 2016; and (c) the aggregate number of outstanding options (both vested and

On February 7, 2017, Mr. Brownstein retired as a director of the Company and the Bank. In connection with his retirement, Mr. Brownstein entered into an Agreement and Release (Retirement Agreement) with the Company and the Bank which provides that he also retired from any and all other titles, positions and appointments held with the Company and the Bank, except that Mr. Brownstein may continue to serve as the Bank's designated choice on the Board of LA 2024, the Olympic bid committee for Los Angeles. Director Compensation Refresh

In connection with the Board refresh and governance overhaul, the newly formed Compensation Committee conducted a more extensive review of Company's director compensation program. The Compensation Committee utilized the resources provided by Equilar which included their annual reports on compensation, disclosure and governance trends in conjunction with Pearl Meyer, to assess the Company's overall director compensation program. In doing so, the Compensation Committee considered several factors, including the Palisades Sale, the consolidation of the Bank's mortgage division and renewed objectives of the Company and the Bank in the areas of corporate governance, stockholder relations and retail and commercial banking. With the assistance of Equilar and Pearl Meyer, the Compensation Committee recommended that the Boards change the director compensation program by decreasing overall director compensation. The changes recommended by the Compensation Committee were approved by the Boards on February 7, 2017 effective immediately.

Non-employee directors serving on either the Company Board or the Bank Board will receive the same compensation regardless of whether they serve on either one or both Boards of the Company and the Bank. However, all directors currently serving on the Company Board also serve as directors on the Bank Board.

Table of Contents**DIRECTOR COMPENSATION**

As previously discussed, the Company does not provide non-equity incentive plan awards, deferred compensation or retirement plans for non-employee directors. The schedule below summarizes the current components of fees paid to non-employee directors for their service on both the Company Board and the Bank Board. General

The Company and the Bank may engage in transactions with the Company's directors and executive officers, beneficial owners of more than 5 percent of the outstanding shares of the Company's voting common stock and certain persons related to them. Except for loans by the Bank, which are governed by a separate policy, those transactions that constitute related party transactions under Item 404 of the Securities and Exchange Commission's Regulation S-K are subject to the review, oversight and approval by a Board committee comprised solely of independent directors. In 2016 and prior years, the committee which approved such transactions was the then-acting Compensation, Nominating and Corporate Governance Committee.

In January 2017, our Board of Directors undertook certain actions to enhance corporate governance, which included separating the Compensation, Nominating and Corporate Governance functions into two separate board committees, with one focused on governance (including oversight responsibility for related party transactions) and one on compensation. The Board also adopted a new, written ***Related Party Transaction Policy***, which was further enhanced in February 2017, that restricts transactions with related parties to ensure such transactions are rare, meet more rigorous standards, and are in, or do not conflict with, the best interest of the Company or the Bank. Additionally, the Board adopted a new ***Outside Business Activity Policy***, which tightens controls on outside business activities of officers and employees and requires non-employee directors to refrain from engaging in outside business activities that create an actual or apparent conflict of interest.

New Related Party Transaction Policy

All related party transactions, as defined under the policy and other than certain pre-approved, routine transactions, must be approved in advance or ratified by the following:

the Nominating and Corporate Governance Committee; or

a sub-committee of the Nominating and Corporate Governance Committee, none of the members of which have had any related party transaction (other than certain pre-approved related party transactions as defined under

the policy), during the current year or the two calendar years prior to their appointment to the sub-committee.

- The subcommittee must approve the transaction if any members of the Nominating and Corporate Governance Committee have had any related party transactions (other than pre-approved related party transactions as defined under the policy), during the current year or either of the two preceding years.
- The decisions of the sub-committee are subject to review and approval by the Nominating and Corporate Governance Committee, which coordinates its oversight of related party transactions with the Audit Committee through regular reports to the Audit Committee, including sessions with the Company's independent auditors.

Related party transactions are broadly construed under the policy:

to include any transaction in which a related party or a family member of a related party has a direct or indirect material interest, which is defined to include any interest having a value in excess of \$100,000.

Related party transactions are expected to be rare.

The policy provides that in reviewing related party transactions, the Nominating and Corporate Governance Committee (or sub-committee) should consider the following factors:

- Are the terms of the related party transaction arms length and no more favorable to the related party or the related party's family member than terms generally available to an unaffiliated third party?
- What is the financial risk to the Company of the related party transaction?
- What is the reputational risk to the Company from public disclosure of the related party transaction?
- Would participation in the related party transaction materially impair the ability of the related party to faithfully discharge his or her duties to the Company?
- Is the related party transaction in (or not inconsistent with) the best interests of the Company and its stockholders?

Table of Contents

TRANSACTIONS WITH RELATED PERSONS

The policy further provides that in reviewing proposed loans to related parties, their family members and any entity in which the related party or their family members have a material interest, the Nominating and Corporate Governance Committee (or sub-committee) should consider the following criteria:

- Will the loan be made in the ordinary course of the Bank's business?
- Does the loan involve a material risk of collectability or other unfavorable features?
- Loans to directors and certain officers must comply with Regulation O of the Board of Governors of the Federal Reserve System.
- The loan must not violate the Sarbanes-Oxley Act of 2002 or any other applicable laws.

New Outside Business Activity Policy. The Board recognizes that outside business activities may create conflicts of interest and may interfere with an individual's responsibilities to the Company. The new Outside Business Activity Policy is intended to control the participation of employees in outside activities in order to mitigate such risks. As in the past, the Company continues to encourage active participation on the part of directors, officers and employees in service clubs and organizations fostering the betterment of the community, and the active use of various social memberships in maintaining a proper image of the Company's organization within the community. Under the policy:

All officers and employees of the Company and its subsidiaries may not engage in outside business activities, as defined in the policy, without prior written permission;

Directors shall refrain from engaging in outside business activities which create an actual or apparent conflict of interest between the director and the Company unless they receive a written waiver; and

The policy is administered by the Nominating and Corporate Governance Committee.

Loans to Officers and Directors

The Bank has granted loans to certain officers and directors and their related interests. Excluding the loan amounts described in detail below, loans outstanding to officers and directors and their related interests amounted to \$249 thousand and \$236 thousand at December 31, 2016 and 2015, respectively, all of which were performing in accordance with their respective terms as of those dates. These loans were made in the ordinary course of business and on substantially the same terms and conditions, including interest rates and collateral, as those of comparable transactions with non-insiders prevailing at the time, in accordance with the Bank's underwriting guidelines, and do not involve more than the normal risk of collectability or present other unfavorable features. The Bank has an Employee Loan Program (the Program) which is available to all employees and offers executive officers, directors and principal stockholders that meet the eligibility requirements the opportunity to participate on the same terms as employees generally, provided that any loan to an executive officer, director or principal stockholder must be approved by the Bank's Board of Directors. The sole benefit provided under the Program is a reduction in loan fees.

Deposits from principal officers, directors, and their related interests amounted to \$2.4 million and \$2.5 million at December 31, 2016 and 2015, respectively. There are certain deposits described below, which are not included in the foregoing amounts.

Seabold (who is currently employed as Management Vice Chair and previously served as a director of the Company and the Bank) and in which certain relatives of Steven A. Sugarman (the then- (now former) Chair, President and Chief Executive Officer of the Company and the Bank) directly or through their affiliated entities also owned certain minority, non-controlling interests. Mr. Seabold is currently employed by the Bank but was determined by the Company's Board of Directors as of March 30, 2017 to no longer fit within the category of an executive officer.

CS Financial Services Agreement. On December 27, 2012, the Company entered into a Management Services Agreement (Services Agreement) with CS Financial. On December 27, 2012, Mr. Seabold was then a member of the Board of Directors of each of the Company and the Bank. Under the Services Agreement, CS Financial agreed to provide the Bank such reasonably requested financial analysis, management consulting, knowledge sharing, training services and general advisory services as the Bank and CS Financial mutually agreed upon with respect to the Bank's residential mortgage lending business, including strategic plans and business objectives, compliance function, monitoring, reporting and related systems, and policies and procedures, at a monthly fee of \$100 thousand. The Services Agreement was recommended by disinterested members of management of the Bank and negotiated and approved by special committees of the Board of Directors of each of the Company and the Bank (Special Committees), comprised exclusively of independent, disinterested directors of the Boards. Each of the Boards of Directors of the Bank and the Company also considered and approved the Services Agreement, upon the

recommendation of the Special Committees.

On May 13, 2013, the Bank hired Mr. Seabold as Managing Director and Chief Lending Officer by entering into a three-year employment agreement with Mr. Seabold (the 2013 Employment Agreement, which was amended and restated effective as of April 1, 2015). Mr. Seabold was appointed Chief Banking Officer of the Bank on April 1, 2015 and was then appointed as Executive Vice President, Management Vice Chair on July 26, 2016. Simultaneously with entering into the 2013 Employment Agreement, the Bank terminated, with immediate effect, its Services Agreement with CS Financial. For the year ended December 31, 2013, the total compensation paid to CS Financial under the Services Agreement was \$439 thousand.

Option to Acquire CS Financial. Under the 2013 Employment Agreement, Mr. Seabold granted to the Company and the Bank an option (CS Call Option), to acquire CS Financial for a purchase price of \$10.0 million, payable pursuant to the terms provided under the 2013 Employment Agreement. Based upon the recommendation of the Special Committees, with the assistance of outside financial and legal advisors and consultants, the Boards of Directors of the Company and the Bank, with Mr. Sugarman recusing himself from the discussions and vote due to previously disclosed conflicts of interest, approved the recommendation of the Special Committees and, pursuant to a letter dated July 29, 2013, the Company indicated that the CS Call Option was being exercised by the Bank, subject to the negotiation and execution of definitive transaction documentation consistent with the applicable provisions of the 2013 Employment Agreement and the satisfaction of the terms and conditions set forth therein.

Merger Agreement. After exercise of the CS Call Option as described above, the Company and the Bank entered into an Agreement and Plan of Merger (Merger Agreement) with CS Financial, the stockholders of CS Financial (Sellers) and Mr. Seabold, as the Sellers' Representative, and completed its acquisition of CS Financial on October 31, 2013 (the Merger).

Subject to the terms and conditions set forth in the Merger Agreement, which was approved by the Board of Directors of each of the Company, the Bank and CS Financial, at the effective time of the Merger, the outstanding shares of common stock of CS Financial were converted into the right to receive in the aggregate: (i) upon the closing of the Merger, (a) 173,791 shares (Closing Date Shares) of voting common stock, par value \$0.01 per share, of the Company, and (b) \$1.5 million in cash and \$3.2 million in the form of a noninterest-bearing note issued by the Company to Mr. Seabold that was due and paid by the Company on January 2, 2014; and (ii) upon the achievement of certain performance targets by the Bank's lending activities following the closing of the Merger that are set forth in the Merger Agreement, up to 92,781 shares (Performance Shares) of voting common stock ((i) and (ii), together, Merger Consideration).

Seller Stock Consideration. The Sellers under the Merger Agreement included Mr. Seabold, and the following relatives of Mr. Sugarman, Jason Sugarman (brother), Elizabeth Sugarman (sister-in-law), and Michael Sugarman (father), who each owned minority, non-controlling interests in CS Financial.

Upon the closing of the Merger and pursuant to the terms of the Merger Agreement, the aggregate shares of voting common stock issued as the consideration to the Sellers was 173,791 shares, which was allocated by the Sellers and issued as follows: (i) 103,663 shares to Mr. Seabold; (ii) 16,140 shares to Jason Sugarman; (iii) 16,140 shares to Elizabeth Sugarman; (iv) 3,228 shares to Michael Sugarman; and (v) 34,620 shares to certain employees of CS Financial. Of the 103,663 shares to be issued to Mr. Seabold, as allowed under the Merger Agreement and in consideration of repayment of a certain debt incurred by CS Financial owed to an entity controlled by Elizabeth Sugarman, Mr. Seabold requested the Company to issue all 103,663 shares directly to Elizabeth Sugarman, and such shares were so issued by the Company to Elizabeth Sugarman.

On October 31, 2014, certain of the Performance Shares were issued as follows: (i) 28,545 shares to Mr. Seabold; (ii) 1,082 shares to Jason Sugarman; (iii) 1,082 shares to Elizabeth Sugarman; and (iv) 216 shares to Michael Sugarman. An additional portion of the Performance Shares was issued on November 2, 2015 as follows: (i) 28,545 shares to Mr. Seabold; (ii) 1,082 shares to Jason Sugarman; (iii) 1,082 shares to Elizabeth Sugarman; and (iv) 216 shares to Michael Sugarman. The final tranche of the Performance Shares were issued on October 31, 2016 as follows: (i) 28,547 shares to Mr. Seabold; (ii) 1,083 shares to Jason Sugarman; (iii) 1,083 shares to Elizabeth Sugarman; and (iv) 218 shares to Michael Sugarman.

Approval of the CS Call Option, Merger Agreement and Merger. All decisions and actions with respect to the exercise of the CS Agreement Option, the Merger Agreement and the Merger (including without limitation the determination of the Merger Consideration and the other material terms of the Merger Agreement) were subject to and under the purview and authority of special committees of the Board of Directors of each of the Company and the Bank, each of which was composed exclusively of independent, disinterested directors of the Boards of Directors, with the assistance of outside financial and legal advisors. Mr. Sugarman abstained from the vote of each of the Boards of Directors of the Company and the Bank to approve the Merger Agreement and the Merger.

Transactions with Former Related Persons

The Company and the Bank have engaged in the transactions described below with persons who were at the time directors, executive officers or beneficial owners of more than 5 percent of the outstanding shares of the Company's voting common stock or with persons related to them.

Indemnification for Costs of Counsel for Former Executive Officers and Former Directors in Connection with Special Committee Investigation, Securities and Exchange Commission Investigation and Related Matters. On November 3, 2016, in connection with the investigation by the special committee of the Company's Board of Directors described under *Proxy Statement Summary A Fresh Perspective for California's Bank: Focus on Corporate Governance & Recent Board and Management Changes*, the Board authorized and directed the Company to provide indemnification, advancement and/or reimbursement for the costs of separate independent counsel retained by any then-current officer or director, in their individual capacity, with respect to matters related to the special committee investigation, and to advise them on their rights and obligations with respect to such investigation. At the Board's direction, this indemnification, advancement and/or reimbursement is, to the extent applicable, subject to the indemnification agreement that each officer and director previously entered into with the Company, which includes an undertaking to repay any expenses advanced if it is ultimately determined that the officer or director was not entitled to indemnification under such

agreements and applicable law. The Company is also providing indemnification, advancement and/or reimbursement for costs related to a formal order of investigation issued by the Securities and Exchange Commission on January 4, 2017.

During the year ended December 31, 2016, fees and expenses incurred under the arrangement described above (which the Company paid in January 2017) included \$573 thousand incurred by the Company's then- (now former) Chair, President and Chief Executive Officer Steven A. Sugarman. Indemnification was paid on behalf of other former executive officers and former directors in lesser amounts for the year ended December 31, 2016.

Los Angeles Football Club Loans, Naming Rights and Sponsorship. Effective August 8, 2016, the Bank provided \$40.3 million out of a \$145.0 million committed construction line of credit (the Stadco Loan) to LAFC Stadium Co, LLC (Stadco) for the construction of a soccer-specific stadium for the Los Angeles Football Club (LAFC) in Los Angeles, California as well as to fund the interest and fees that become due under the Stadco Loan. LAFC is a Major League Soccer expansion franchise scheduled to debut in 2018. Also effective August 8, 2016, the Bank provided \$9.7 million out of a \$35.0 million committed senior secured line of credit (the Team Loan) to LAFC Sports, LLC (Team) to fund distributions to LAFC Partners, LLLP (Holdco) that will be used for stadium construction, funding interest and fees that become due under such Team Loan and to pay all other fees, costs and expenses payable by the Team in connection with project costs related to the stadium construction. All of the outstanding equity interests in Stadco and Team are held by Holdco, and Holdco serves as a sole guarantor of the Team Loan described above. Minority limited partnership interests in Holdco are held by, among others, certain individuals related to Steven A. Sugarman, the Company's and Bank's then- (now former) Chair, President and Chief Executive Officer, namely: (i) Jason Sugarman (who is the brother of Steven A. Sugarman) and (ii) Jason Sugarman's father-in-law, who currently serves as Executive Chair and a member of Holdco's board of directors, which is appointed by Holdco's general partner and primarily functions in an advisory capacity. The foregoing statements are based primarily on information provided to the Company by Holdco through its legal counsel. As of December 31, 2016, there were no outstanding advances by the Bank under the Stadco Loan, and the Bank collected \$59 thousand in unused loan fees during the year ended December 31, 2016. Interest on the outstanding balance under the Stadco Loan accrues at LIBOR plus a margin. During the year ended December 31, 2016, no interest was paid by Stadco to the Bank on the Stadco Loan.

As of December 31, 2016, there were no outstanding advances by the Bank under Team Loan, and the Bank collected \$18 thousand in unused loan fees during the year ended December 31, 2016. Interest on the outstanding balance under the Team Loan accrues at LIBOR plus a margin. During year ended December 31, 2016, no interest was paid by Team to the Bank on the Team Loan.

Following the closing of the Stadco Loan and the Term Loan, the Bank on August 22, 2016 reached agreement with the Team concerning, among other things, the Bank's right to name the stadium to be operated by Stadco (the Stadium) as Banc of California Stadium. The August 22, 2016 agreement, which contemplated the negotiation and execution of more detailed definitive agreements between the Bank, on the one hand, and Stadco and the Team on the other hand (LAFC Transaction), also included a sponsorship relationship between the Bank and the Team with an initial term ending on the completion date of LAFC's 15th full Major League Soccer (MLS) season, and the Bank having a right of first offer to extend the term for an additional 10 years (LAFC Term). On February 28, 2017, the Bank executed more detailed definitive agreements with LAFC and Stadco relating to the LAFC Transaction, which are subject to MLS rules and/or approval (the LAFC Agreements).

The LAFC Agreements provide that, during the LAFC Term, the Bank will have the exclusive right to name the Stadium and will be the exclusive provider of financial services to (and the exclusive financial services sponsor of) the Team and Stadco. In connection with its right to name the Stadium, the Bank will receive, among other rights, signage (including prominent exterior signage) and related branding rights throughout the exterior and interior of the Stadium facility (including exclusive branding rights within certain designated areas and venues within the facility), will receive the right to locate a Bank branch within the Stadium facility, will receive the exclusive right to install and operate ATMs in the Stadium facility, and will receive the exclusive right to process payments and provide other financial services (with certain exceptions) throughout the facility. In addition, the Bank will receive suite access for LAFC and certain other events held at the Stadium and will receive certain hospitality, event, media and other rights ancillary to its naming rights relating to the Stadium and its sponsorship rights relating to the Team. In conjunction with the LAFC Agreements, the Company expects to decrease its planned marketing and sponsorship expenses.

In exchange for the Bank's rights as set forth in the LAFC Agreements, the Bank is required to pay to the Team (i) initially, in late March or early April 2017, \$10.0 million, and (ii) thereafter the following aggregate amounts annually, on a quarterly basis: for the Team's 2018 MLS season, \$5.3 million; for 2019, \$5.4 million; for 2020, \$5.5 million; for 2021, \$5.6 million; for 2022, \$5.7 million; for 2023, \$5.8 million; for 2024, \$5.9 million; for 2025, \$6.0 million; for 2026, \$6.1 million; for 2027, \$6.2 million; for 2028, \$6.3 million; for 2029, \$6.4 million; for 2030, \$6.5 million; for 2031, \$6.6 million; and for 2032, \$6.7 million (collectively, the Aggregate Payments).

As of December 31, 2016, the various entities affiliated with LAFC held \$76.0 million of deposits at the Bank.

Consulting Agreement with the Bank. On August 4, 2016, the Bank entered into a Management Services Agreement with Carlos Salas, who was, at the time, the Chief Executive Officer of COR Clearing LLC (COR Clearing) and Chief Financial Officer of COR Securities Holding, Inc. (CORSHI). Steven A. Sugarman, the then- (now former) Chair, President and Chief Executive Officer of the Company and the Bank, is the Chief Executive Officer, as well as a controlling equity owner, of both COR Clearing and CORSHI. For management consulting and advisory services provided to the Bank through the termination of the management services agreement on November 30, 2016, Mr. Salas earned \$108 thousand in fees. On December 1, 2016, Mr. Salas became a full-time employee of the Bank and tendered his resignation from his positions as Chief Executive Officer of COR Clearing and Chief Financial Officer of CORSHI effective upon the orderly transition of his duties, but in no case later than March 31, 2017. Mr. Salas earned \$17 thousand as a full time employee of the Bank through the year ended December 31, 2016. Mr. Salas separated from the Bank on February 1, 2017.

TCW Affiliates. TCW Shared Opportunity Fund V, L.P. (SHOP V Fund), an affiliate of The TCW Group, Inc., initially became a holder of the Company's voting common stock and non-voting common stock as a lead investor in the November 2010 recapitalization of the Company (the Recapitalization). In connection with its investment in the Recapitalization, SHOP V Fund also was issued by the Company an immediately exercisable five-year warrant (the SHOP V Fund Warrant) to purchase 240,000 shares of non-voting common stock or, to the extent provided therein, shares of voting common stock in lieu of non-voting common stock. SHOP V Fund was issued shares of non-voting common stock in the Recapitalization because at that time, a controlling interest in TCW Asset Management Company, the investment manager to SHOP V Fund, was held by a foreign banking organization, and in order to prevent SHOP V Fund from being considered a bank holding company under the Bank Holding Company Act of 1956, as amended, the number of shares of voting common stock it purchased in the Recapitalization had to be limited to 4.99 percent of the total number of shares of voting common stock outstanding immediately following the Recapitalization. For the same reason, the SHOP V Fund Warrant could be exercised by SHOP V Fund for voting common stock in lieu of non-voting common stock only to the extent SHOP V Fund's percentage ownership of the voting common stock at the time of exercise would be less than 4.99 percent as a result of dilution occurring from additional issuances of voting common stock subsequent to the Recapitalization.

In 2013, the foreign banking organization sold its controlling interest in TCW Asset Management Company, eliminating the need to limit SHOP V Fund's percentage ownership of the voting common stock to 4.99 percent. As a result, on May 29, 2013, the Company and SHOP V Fund entered into a Common Stock Share Exchange Agreement, dated May 29, 2013 (Exchange Agreement), pursuant to which SHOP V Fund could from time to time exchange its shares of non-voting common stock for shares of voting common stock issued by the Company on a share-for-share basis, provided that immediately following any such exchange, SHOP V Fund's percentage ownership of voting common stock did not exceed 9.99 percent. The shares of nonvoting common stock that could be exchanged by SHOP V Fund pursuant to the Exchange Agreement included the shares of non-voting common stock it purchased in the Recapitalization, the additional shares of non-voting common stock SHOP V Fund acquired subsequent to the Recapitalization pursuant to the Company's Dividend Reinvestment Plan and any additional shares of non-voting common stock that SHOP V Fund acquired pursuant to its exercise of the SHOP V Fund Warrant.

On December 10, 2014, SHOP V Fund and two affiliated entities, Crescent Special Situations Fund Legacy V, L.P. (CSSF Legacy V) and Crescent Special Situations Fund Investor Group, L.P. (CSSF Investor Group), entered into a Contribution, Distribution and Sale Agreement pursuant to which SHOP V Fund agreed to transfer shares of

non-voting common stock and portions of the SHOP V Fund Warrant to CSSF Legacy V and CSSF Investor Group. Also on December 10, 2014, SHOP V Fund, CSSF Legacy V, CSSF Investor Group and the Company entered into an Assignment and Assumption Agreement pursuant to which all of SHOP V Fund's rights and obligations under the Exchange Agreement with respect to the shares of non-voting common stock transferred by it to CSSF Legacy V and CSSF Investor Group pursuant to the Contribution, Distribution and Sale Agreement were assigned to CSSF Legacy V and CSSF Investor Group, including the right of SHOP V Fund to exchange such shares for shares of voting common stock on a one-for-one basis.

Based on a Schedule 13G amendment filed with the Securities and Exchange Commission on February 12, 2015, The TCW Group's last public filing reporting ownership of the Company's securities, as of December 31, 2014, The TCW Group, Inc. and its affiliates held 1,318,462 shares of voting common stock (which included, for purposes of this calculation, the 240,000 shares of stock underlying the as yet unexercised SHOP V Fund Warrant). On June 3, 2013, January 5, 2015, January 20, 2015, and March 16, 2015, SHOP V Fund or CSSF Legacy V or CSSF Investor Group exchanged 550,000 shares, 522,564 shares, 86,620 shares, and 934 shares, respectively, of non-voting common stock for the same number of shares of voting common stock. In addition, on August 3, 2015, the SHOP V Fund Warrant, which was held in separate portions by CSSF Legacy V and CSSF Investor Group, was exercised in full using a cashless (net) exercise, resulting in a net number of shares of non-voting common stock issued in the aggregate of 70,690, which were immediately thereafter exchanged for an aggregate of 70,690 shares of voting common stock. Based on automatic adjustments to the original \$11.00 exercise price of the SHOP V Fund Warrant, the exercise price at the time of exercise was \$9.13 per share. As a result of these exchanges and exercises The TCW Group, Inc. and its affiliates no longer hold any shares of non-voting common stock or warrants to

acquire stock. Based on TCW Group's prior report of owning 1,318,462 shares of the Company's voting common stock, TCW Group, Inc. would have owned 2.7 percent of the Company's outstanding voting common stock as of December 31, 2016.

Oaktree Affiliates. Loans. Effective September 30, 2015, the Bank provides a \$15.0 million committed revolving line of credit to Teleios LS Holdings DE, LLC and Teleios LS Holdings II DE, LLC (Teleios), which generate income through the purchase, monitoring, maintenance and maturity of life insurance policies. At the time the facility was executed, the Teleios entities were hedge funds in which Oaktree Capital Management L.P. or one of its affiliates was a controlling investor.

Advances under the Teleios line of credit are secured by life insurance policies purchased by Teleios that have a market value in excess of the balance of the advances under the line of credit. As of December 31, 2016 and 2015, outstanding advances by the Bank (and the largest aggregate amount outstanding) under the Teleios line of credit were \$15.0 million and \$3.6 million, respectively. Interest on the outstanding balance under the Teleios line of credit accrues at the Prime Rate plus a margin. During the years ended December 31, 2016 and 2015, \$2.0 million and no principal, respectively, and \$462 thousand and \$14 thousand in interest, respectively, was paid by Teleios on the line of credit to the Bank.

Effective June 26, 2015, the Bank provided a \$35.0 million committed revolving repurchase facility, which was increased to \$45.0 million (the Sabal repurchase facility) effective October 7, 2016, to Sabal TL1, LLC, a Delaware limited liability company, with a maximum funding amount of \$55.0 million in certain situations. At the time the facility was executed, Sabal TL1, LLC was controlled by an affiliate of Oaktree Capital Management, L.P. Under the Sabal repurchase facility; commercial mortgage loans originated by Sabal are purchased from Sabal by the Bank, together with a simultaneous agreement by Sabal to repurchase the commercial mortgage loans from the Bank at a future date. The advances under the Sabal repurchase facility are secured by commercial mortgage loans that have a market value in excess of the balance of the advances under the facility. During the years ended December 31, 2016 and 2015, the largest aggregate amount of principal outstanding under the Sabal repurchase facility was \$55.1 million and \$26.3 million, respectively. The amount outstanding as of December 31, 2016 and 2015 was \$22.6 million and \$26.3 million, respectively. Interest on the outstanding balance under the Sabal repurchase facility accrues at the six month LIBOR rate plus a margin. \$514.1 million and \$105.0 million in principal, respectively, and \$1.1 million and \$252 thousand in interest, respectively, were paid by Sabal on the facility to the Bank during the years ended December 31, 2016 and 2015.

Securities Purchase Agreement. As noted above, as reported in a Schedule 13G filed with the Securities and Exchange Commission on January 16, 2015, OCM owned 3,288,947 shares of the Company's voting common stock. OCM

purchased these shares from the Company on November 7, 2014 at a price of \$9.78 per share pursuant to a securities purchase agreement entered into on April 22, 2014 (and amended on October 28, 2014) in order for the Company to raise a portion of the capital to be used to finance the acquisition of select assets and assumption of certain liabilities by the Bank from Banco Popular North America (BPNA) comprising BPNA's network of 20 California branches (the BPNA Branch Acquisition), which was completed on November 8, 2014. In consideration for its commitment under the securities purchase agreement, OCM was paid at closing an equity support payment from the Company of \$1.6 million.

Management Services. Approximately nine months before OCM became a stockholder of the Company, certain affiliates of Oaktree Capital Management, L.P. (collectively, the Oaktree Funds) entered into a management agreement, effective January 30, 2014, as amended (the Management Agreement), with The Palisades Group, which was then a wholly owned subsidiary of the Company.

Pursuant to the Management Agreement, The Palisades Group serves as the credit manager of pools of single family residential mortgage loans held in securitization trusts or other vehicles beneficially owned by the Oaktree Funds. Under the Management Agreement, The Palisades Group is paid a monthly management fee primarily based on the amount of certain designated pool assets and may earn additional fees for advice related to financing opportunities. During the period from January 1, 2016 through May 5, 2016 (the date the Company sold its membership interests in The Palisades Group) and the years ended December 31,

2015 and 2014, the Oaktree Funds paid The Palisades Group \$1.0 million, \$5.1 million, and \$5.3 million as management fees, respectively, which in some instances represents fees for partial year services. St. Cloud Affiliates. On November 24, 2014, the Bank invested as a limited partner in an affiliate of St. Cloud Capital LLC (St. Cloud). Based on a Schedule 13G amendment filed with the Securities and Exchange Commission on February 14, 2012, St. Cloud's last public filing reporting ownership of the Company securities, St. Cloud holds 700,538 shares of the Company's voting common stock (approximately 1.4 percent of the Company's outstanding voting common shares as of December 31, 2016). The affiliate is St. Cloud Capital Partners III SBIC, LP (the Partnership), which applied for a license granted by the U.S. Small Business Administration to operate as a debenture Small Business Investment Company (SBIC) under the Small Business Investment Act of 1958 and the regulations promulgated thereunder. The Community Reinvestment Act of 1977 expressly identifies an investment by a bank in an SBIC as a type of investment that is presumed by the regulatory agencies to promote economic development. The Boards of Directors of the Company and the Bank approved the Bank's investment. The Bank has agreed to invest a minimum of \$5.0 million, but up to \$7.5 million as long as the Bank's limited partnership interest in the Partnership remains under 9.9 percent.

Other affiliated funds of St. Cloud have previously invested in CORSHI, of which Steven A. Sugarman (the former Chair, President and Chief Executive Officer of the Company and the Bank) is the Chief Executive Officer as well as a controlling stockholder (both directly and indirectly). St. Cloud Capital Partners III SBIC, LP has provided oral representations to the Bank that the Partnership will not make any investments in COR Securities Holdings, Inc.

As of December 31, 2016, St. Cloud entities held \$1 thousand in deposits at the Bank.

Timothy Chrisman, who retired from the Company's Board on May 15, 2014 upon the expiration of the term of his directorship after the Company's 2014 annual meeting of stockholders, is the Chief Executive Officer and founding principal of Chrisman & Co. The term of the strategic advisor agreement was for a period of one year, which ended on May 15, 2015. For services performed during the term of the agreement, a fixed annual advisory fee of \$200 thousand was paid to Chrisman & Co. during the year ended December 31, 2014 and no additional fees were paid during the year ended December 31, 2015.

Consulting Services to Palisades. The Company completed the sale of its subsidiary, The Palisades Group, on May 5, 2016, which it originally acquired on September 10, 2013. The information included herein is based on information known to the Company as of May 5, 2016, the date the Company completed the sale of The Palisades Group. Effective as of July 1, 2013, prior to the Company's acquisition of The Palisades Group, The Palisades Group entered into a consulting agreement with Jason Sugarman, the brother of the Company's and the Bank's then-(now former) Chair, President and Chief Executive Officer, Steven A. Sugarman. Jason Sugarman has historically provided advisory services to financial institutions and other institutional clients related to investments in residential mortgages, real estate and real estate related assets and The Palisades Group entered into the consulting agreement with Jason Sugarman to provide these types of services. The consulting agreement is for a term of five years, with a minimum

payment of \$30 thousand owed at the end of each quarter (or \$600 thousand in aggregate quarterly payments over the five-year term of the agreement). These payments do not include any bonuses that may be earned under the agreement. Effective as of March 26, 2015, the bonus amount earned by Jason Sugarman for consulting services he provided during the year ended December 31, 2014 was credited in satisfaction and full discharge of all then currently accrued but unpaid quarterly payments as well as any future quarterly payments specified under the consulting agreement, but not against any future bonuses that he may earn under the consulting agreement. During the period from January 1, 2016 through May 5, 2016 (the date the Company sold its membership interests in The Palisades Group), no bonus amounts were earned by Jason Sugarman under the consulting agreement. For the years ended December 31, 2015, 2014 and 2013 minimum and bonus amounts earned by Jason Sugarman under the consulting agreement totaled \$30 thousand, \$1.2 million, and \$121 thousand, respectively. The consulting agreement may be terminated at any time by either The Palisades Group or Jason Sugarman upon 30 days prior written notice. The consulting agreement with Jason Sugarman was reviewed as a related party transaction and approved by the then-acting Compensation, Nominating and Corporate Governance Committee and approved by the disinterested directors of the Board. As of May 5, 2016, the Company has no direct or indirect obligation under the consulting agreement, as the agreement was entered into between Jason Sugarman and The Palisades Group, and the Company completed the sale of The Palisades Group on that date.

and Chief Executive Officer of the Company and the Bank, is the Chief Executive Officer, as well as a controlling stockholder (both directly and indirectly), of CORSHI. In light of the benefit received by The Palisades Group of its occupancy of the Santa Monica premises, the disinterested directors of the Company's Board ratified reimbursement to CORSHI for rental payments made for the Santa Monica premises for the period from September 16, 2013 through June 27, 2014, the last date The Palisades Group occupied the premises. The Palisades Group negotiated with an unaffiliated third party a lease for new premises and occupied those premises on June 27, 2014.

The aggregate amounts of rent payments reimbursed to CORSHI from September 16, 2013 through December 30, 2013 were \$40 thousand. In addition, the Company reimbursed CORSHI for a \$34 thousand security deposit and The Palisades Group, in turn, reimbursed the Company for this cost. For the period from January 1, 2014 through June 27, 2014, CORSHI granted The Palisades Group a rent abatement equal to the \$34 thousand security deposit and, combined with additional payments, The Palisades Group paid leasing costs totaling \$58 thousand to CORSHI for that same time period. The then-acting Compensation, Nominating and Corporate Governance Committee of the Board monitored all the reimbursement costs and reviewed the aggregate reimbursement costs.

Table of Contents**COMPENSATION DISCUSSION AND ANALYSIS****Introduction**

In this section, we describe the material components of our executive compensation program, the material compensation policy decisions we have made under those programs since January 1, 2016 and the measurable factors we took into consideration in making compensation decisions for our Named Executive Officers set forth below, whose compensation earned or paid for 2016 is set forth in a series of tables following this section.

Our Named Executive Officers for Fiscal Year 2016:

Steven A. Sugarman	Former President and Chief Executive Officer
J. Francisco A. Turner	Interim Chief Financial Officer, Interim President and Chief Strategy Officer
Hugh F. Boyle	Interim Chief Executive Officer, Chief Risk Officer
John C. Grosvenor	General Counsel and Corporate Secretary
Jeffrey T. Seabold	Management Vice Chair
James J. McKinney	Former Chief Financial Officer and Principal Accounting Officer

The discussion below is intended to help you understand the detailed information provided in those tables and put that information into context within our overall compensation program. Based on an annual review and analysis of our executive officers that occurs each year, our Board has determined that as of March 30, 2017 Mr. Seabold will no longer be designated as an executive officer.

In this section, we refer to the then-acting Compensation, Nominating and Corporate Governance Committee for actions taken during 2016 and the Compensation Committee for actions taken in 2017. On January 18, 2017, we separated our Compensation, Nominating and Corporate Governance Committee into two committees, with one focused on compensation-related matters and the other focused on nominating and corporate governance-related matters.

Our Business Strategy

Banc of California was recapitalized in 2010 with the vision of being California's Bank. At the time, with assets of \$700 million, and in the aftermath of the financial crisis, the Company set out to build a California-focused financial institution which could replace a portion of the lending to California businesses and entrepreneurs that was lost during the financial crisis. During the financial crisis, many banks pulled back on lending to California, or even worse, failed or were acquired by out of state institutions. The end result was the near elimination of all purely California-based and California-focused regional banks. Banc of California filled that void by emerging as the only mid-sized bank focused exclusively on California.

Over the past six years, the Company has assembled a broad and deep team of experienced bankers and entrepreneurs to serve the diverse needs of California's depositors and borrowers. Banc of California's accomplishments have been recognized by being named to Forbes Magazine's list of the Best Banks in America for the past two consecutive years. Additionally, Banc of California was awarded an Outstanding Rating from the Office of the Comptroller of the Currency for community development.

A Fresh Perspective for California's Bank: Focus on Corporate Governance & Recent Changes

Our vision is to be California's Bank and our mission is to empower California's diverse businesses, entrepreneurs and communities. During the past five years, our Company grew from slightly less than \$1 billion in assets as of January 1, 2012 to more than \$10 billion in assets as of December 31, 2016 and we exhibited strong profitability and improved asset quality.

As we move forward in 2017, our Board is refocusing our business and has taken decisive and significant action to:

- enhance our corporate governance;

- refresh our Board and management;

- engage with stockholders; and

- refresh our compensation practices.

COMPENSATION DISCUSSION AND ANALYSIS

Stockholder Outreach

During the first quarter of 2017, our new independent Board Chair led an outreach effort in partnership with the Company's Investor Relations team, to facilitate a dialogue and to communicate directly with our largest stockholders regarding a broad range of governance and strategic topics. The outreach efforts targeted stockholders representing collectively over 75 percent of our outstanding voting common shares as of year-end 2016. Our refreshed Board values investor relationships and the views of stockholders and these engagement efforts provided us with a valuable understanding of investor views. The feedback received from investors in these meetings, has informed the Board's view and actions on governance matters and policies as well as the Board's changes to the executive compensation program.

2017 Compensation Refresh

In 2017, the Compensation Committee engaged outside counsel Morrison & Foerster, compensation consultant Pearl Meyer and Equilar to revisit the overall compensation approach given concerns expressed by institutional stockholders and their advisors. The Compensation Committee is in the midst of a comprehensive review of our executive compensation program, with the goals of:

creating a more transparent compensation structure;

targeted compensation as compared to peer banks;

delivering more uniform incentive awards to the executive team on an annual basis;

better aligning our pay with our performance using balanced financial performance metrics to promote growth and profitability while also ensuring the safety and soundness of the Bank; and

adopting policies to mitigate the risk of the overall executive compensation program.

Based on the outreach to major institutional investors and other factors, the Compensation Committee approved several significant changes to the program for 2017.

Recoupment Policy Implementation

On March 29, 2017, the Compensation Committee approved an enhanced recoupment policy that provides the Board with the ability to recover or cancel cash incentive compensation and equity awards granted to officers beginning with the 2017 awards. The Board is committed to strong corporate governance and the integrity of the Company's financial statements. Under the recoupment policy, if we are required to restate the Company's financial statements to correct a material error, or if the Board determines that a financial, operational or other performance metric used to determine the grant, vesting, payment or issuance of incentive compensation was calculated incorrectly, the Board will, if it determines in its sole discretion that it is appropriate, feasible and in the best interests of the Company and its stockholders, cause the forfeiture of outstanding incentive compensation awards and require reimbursement of all or part of the incentive compensation previously granted, vested, paid or issued, in each case, in the amount by which the incentive compensation exceeded the amount that would have been granted, vested, paid or issued based on the restated financial statements or correctly calculated metric.

The policy also provides for recoupment of gain realized from the sale of shares received under an incentive compensation award to the extent the shares would have been subject to recoupment, and for recoupment or forfeiture of awards in such amount as the Board determines from any officer who engages in illegal, fraudulent, or dishonest conduct that has or could materially adversely affect us, or that contributed to the grant, vesting, payment or issuance of incentive compensation to the officer that was greater than what would have been granted, vested, paid or issued in the absence of the misconduct.

Table of Contents**COMPENSATION DISCUSSION AND ANALYSIS****Fiscal Year 2017 Annual Incentive Plan**

After a review of institutional stockholder and advisor comments regarding prior cash incentives, a review of the key strategic objectives of the Company for 2017, and design alternatives to provide risk mitigators in the plan design, the Compensation Committee approved a revised annual incentive plan structure for 2017. Our program is intended to provide a target annual cash incentive to each Named Executive Officer who remains an executive officer as of the date of this proxy statement as a percent of the officer's salary, for achieving key annual performance objectives for the year that are set by our compensation committee in the first quarter. Each executive has the opportunity to earn between a threshold and maximum amount based on the degree of achievement of the performance objectives. For 2017, the annual incentive opportunity for each current Named Executive Officer who remains an executive officer as of the date of this Proxy Statement is as follows:

Name	Title	Annual Incentive Opportunity as a % of Salary		
		Threshold	Target	Maximum
Boyle	Interim Chief Executive Officer	37.5%	75%	112.5%
Turner*	Interim Chief Financial Officer, Interim President, Chief Strategy Officer	50%	100%	150%
Grosvenor	General Counsel and Corporate Secretary	25%	50%	75%

* Annual Incentive Opportunity as per Mr. Turner's Annual Bonus provision under his employment contract. Mr. Turner is also eligible to receive an Incentive Bonus under his employment contract equal to the Annual Bonus subject to additional performance criteria as established by the Compensation Committee.

Each Named Executive Officer who remains an executive officer as of the date of this Proxy Statement is eligible to receive awards based on achieving both corporate performance metrics and individual or business unit goals. Each of these Named Executive Officers are eligible to earn 80 percent of their target incentive award based on corporate performance metrics, with the remainder earned for achieving specific individual or group objectives.

Performance Objective	Percent of Objective Cash Incentive	Threshold Performance	Target Performance	Maximum Performance
-----------------------	---	--------------------------	-----------------------	------------------------

Core Deposit Growth*	25%	Targets are based on the Company's Board-approved annual operating plan		
ROAA	25%	0.91%	1.02%	1.10%
Classified Assets to Total Assets (%)	25%	70 th Percentile of Peers	80 th Percentile of Peers	90 th Percentile of Peers
Adjusted Efficiency Ratio (%)	25%	57.7%	54.5%	51.5%

* We define core deposits as noninterest-bearing deposits, interest-bearing demand deposits, NOW accounts, IRA accounts and money market accounts. The Compensation Committee excludes institutional banking deposits and certificate of deposits in our core deposit goal for the annual incentive plan.

In addition to utilizing several metrics, the annual incentive plan has additional provisions to mitigate risk, including a performance gate based on maintaining a specific Capital Ratio (Common Equity Tier 1 Capital Ratio), below which no payouts, including the amounts related to individual or group objectives, will occur under the plan. The Compensation Committee and the Board also reserve the right to apply negative discretion to any calculated payments as needed to reflect the business environment and market conditions that may affect the Bank's performance and incentive plan funding and meet applicable legal and regulatory requirements. The awards are also subject to the recently enhanced recoupment policy.

In addition, after appointment of the Interim Chief Executive Officer and Interim Chief Financial Officer, the Compensation Committee approved interim cash incentive opportunities for each officer to recognize their additional roles and responsibilities in the amount of \$350,000 and \$250,000, respectively. These interim cash incentives are subject to certain performance criteria being achieved.

Fiscal Year 2017 Equity Awards

Given the feedback from stockholders regarding the desirability to provide performance-contingent equity (PSUs), the Compensation Committee approved revisions to our philosophy regarding long-term incentive awards to include a performance requirement for 50 percent of the annual award of restricted stock units issued to each Named Executive Officer. Due to outstanding contractual obligations, Mr. Turner's 2017 awards did not meet the Compensation Committee's stated philosophy in regards to the mix of time-

Table of Contents**COMPENSATION DISCUSSION AND ANALYSIS**

vested and performance contingent awards. The 2017 PSUs are subject to two goals, growth in Earnings per Share over a three-year period beginning January 1, 2017 and ending December 31, 2019 (after adjusting for share repurchases), and our Total Stockholder Return relative to a select group of comparators over the same period. The balance of the award was issued in restricted stock awards with a four-year ratable vesting schedule.

2017 Annual Equity Awards

The following are the 2017-2019 corporate target performance measures and corresponding award opportunities approved for the Company's executive officers

Performance Corresponding to Threshold, Target and

Performance Measure	Threshold (50% of Target Shares)	Maximum Payouts	
		Target Shares	Maximum (150% of Target Shares)
2019 Diluted EPS	95% of Targeted Performance	Targeted Performance	105% of Targeted Performance
Relative TSR	40 th Percentile	50 th Percentile	75 th Percentile

As with the annual incentive plan, both the time-vested restricted stock units and the PSUs have additional provisions to mitigate risk, including a performance gate based on maintaining a specific Capital Ratio level (Common Equity Tier 1 Capital Ratio), below which no payouts will occur under the plan. The Committee also maintains the ability to reduce the awards below the calculated award levels. The PSUs are also subject to the recoupment policy. For the portion of the annual equity award where payout is conditioned on our performance relative to peers, the awards are also subject to a maximum payout at target to the extent our absolute total stockholder return for the three-year period is negative, regardless of our relative performance.

Revisiting the Peer Group for future Compensation Decisions. In connection with the refreshment of compensation practices, the Compensation Committee also reviewed the prior peer group with assistance from Pearl Meyer and on March 31, 2017, approved revisions to better align compensation peers to the size of the Company. The revised peer group is as follows:

COMPENSATION DISCUSSION AND ANALYSIS

Align executive compensation with interests of stockholders. We seek to have the long-term performance of our stock reflected in executive compensation through our stock option, restricted stock grants and other equity incentive programs. Our approach to compensating management includes a review of all incentive programs to avoid imprudent risk-taking and to promote safety and soundness. We believe that compensation should not be based on the short-term performance of our stock, whether favorable or unfavorable, but rather that the price of our stock will, in the long-term, reflect our operating performance, and ultimately, the management of the Company by our executives.

Use performance based compensation where appropriate to link the success of the executive with the success of the Company.

Our 2016 Performance Highlights

Our 2016 performance highlights include:

Recorded net income of \$115 million for 2016, an increase of 86 percent from 2015 with earnings per share of \$1.94, return on average assets of 1.1 percent, and return on average tangible common equity of 16.5 percent.

Increased recurring, spread-based revenues as net interest income totaled \$326 million for 2016, an increase of \$102 million, or 46 percent, from 2015.

Improved efficiencies as the efficiency ratio, as adjusted to include the pre-tax effect of investments in alternative energy partnerships,* for 2016 declined to 67 percent, down from 75 percent for 2015, 88 percent for 2014 and 92 percent for 2013.

Increased tangible book value per share, including shares issuable under purchase contracts*, to \$13.14 at year-end 2016, up 26 percent from \$10.44 at year-end 2015.

Improved credit quality as ratio of nonperforming assets to total assets declined to 0.16 percent at year-end 2016, compared to 0.56 percent at year-end 2015, 0.65 percent at year-end 2014 and 0.87 percent at year-end 2013.

Total Shareholder Return (TSR) largely kept pace with the KBW Bank Index as 1-year, 2-year, and 3-year TSR was 22 percent, 61 percent, and 44 percent, respectively, and the KBW Bank Index was 29 percent,

29 percent and 41 percent, respectively.

- * The efficiency ratio, as adjusted to include the pre-tax effect of investments in alternative energy partnerships, and tangible book value per share, including shares issuable under purchase contracts, are calculated by methods other than in accordance with accounting principles generally accepted in the United States (GAAP). For reconciliations of these non-GAAP measures to measures calculated in accordance with GAAP, see *Item 6. Selected Financial Data Non-GAAP Financial Measures* in our Annual Report on Form 10-K for the year ended December 31, 2016.

Our 2016 Executive Compensation Highlights

The following are highlights of actions taken during 2016 with respect to our executive compensation programs:

We terminated the anti-dilution provision of Mr. Sugarman's stock appreciation rights.

We restructured Mr. Sugarman's overall compensation package, entering into an Amended and Restated Employment Agreement with Mr. Sugarman that took effect on March 24, 2016. Mr. Sugarman resigned as our Chair and Chief Executive Officer on January 23, 2017 and we entered into an Employment Separation Agreement and Release with Mr. Sugarman on that date.

We entered into amended and restated employment agreements with Messrs. Turner and McKinney and amended the employment agreements for Messrs. Boyle, Grosvenor and Seabold. Changes to those agreements are described below.

On January 19, 2016, we approved a cash incentive plan for all Named Executive Officers under the provisions of the 2013 Omnibus Stock Incentive Plan. The cash incentive plan provided for a maximum dollar amount payable over the four quarters of the fiscal year not to exceed the stockholder-approved individual annual award limit under the 2013 Omnibus Stock Incentive Plan (\$8 million). The actual amount earned was determined by the relevant Committee and was conditioned upon achieving profitability and a specified regulatory rating. The plan anticipated that awards would be both quarterly and annual in nature. This new approach was intended to focus the executives on achieving quarterly and annual objectives, rather than general performance, with incentives being paid when the objectives are achieved, rather than providing one lump sum bonus after year end. The plan provided for payment to be in cash or stock, which could be subject to additional performance and service-based vesting conditions.

Termination of Stock Appreciation Right Anti-Dilution Provision and New Chief Executive Officer Contract for 2016. As noted above, during 2016, we terminated the anti-dilution provision of Mr. Sugarman's stock appreciation right and restructured Mr. Sugarman's overall compensation package. Our then-acting Compensation, Nominating and Corporate Governance Committee, at the direction of our Board of Directors, completed its ongoing evaluation of Mr. Sugarman's overall compensation package, including an evaluation of certain attributes of his initial stock appreciation right. The initial stock appreciation right was granted to Mr. Sugarman in connection with his appointment as Chief Executive Officer in 2012. Continued and strategic growth was encouraged pursuant to an anti-dilution provision in the initial stock appreciation right, which provides for the granting of additional stock appreciation rights to Mr. Sugarman upon the Company's issuance of common stock pursuant to certain capital raises (which we refer to as the "anti-dilution provision"). Following are the highlights of the compensation evaluation:

We consulted with and retained Semler Brossy, a nationally recognized compensation consulting firm, to further assist with our ongoing review and evaluation of Mr. Sugarman's overall compensation and to recommend competitive Chief Executive Officer annual compensation opportunities.

As Chief Executive Officer, Mr. Sugarman oversaw the Company's growth from approximately \$1.7 billion in assets as of December 31, 2012 to \$8.2 billion in assets as of December 31, 2015, leading to overall increased earnings, profitability and total stockholder returns and improved operating metrics.

In order to continue to incent Mr. Sugarman and shift incentives to align with the Company's continued growth as it approached \$10 billion in assets and in response to stockholder feedback regarding the anti-dilution provisions of Mr. Sugarman's initial stock appreciation right, we entered into an Amended and Restated Employment Agreement with Mr. Sugarman that took effect on March 24, 2016. For a description of the terms of the new employment contract, see *Employment Agreements*. The highlights of the new employment agreement are:

Concurrent with signing the new employment agreement, Mr. Sugarman agreed to waive the anti-dilution provision in his initial stock appreciation right, and the new employment agreement eliminated the guaranteed minimum bonus to Mr. Sugarman that equaled 10 percent of the earnings before interest, tax, depreciation and amortization of the Company's non-deposit businesses.

Before the new employment agreement was finalized, Mr. Sugarman waived his right under the anti-dilution provision to an additional stock appreciation right relating to 223,218 shares at a price of \$15.12 that would have been issued to him with respect to the Company's March 8, 2016 offering of 5,577,500 shares of its voting common stock.

In connection with the removal of the anti-dilution provision of the initial stock appreciation right, subject to the Company's achievement of certain performance goals, we agreed to grant Mr. Sugarman a one-time performance based restricted stock award having an aggregate grant date fair market value of up to \$5 million, which provided for vesting on the one-year anniversary of the grant date. We also reserved the right to impose restrictions on sale or transfer of the shares for an additional four-year period following the vesting date. In connection with Mr. Sugarman's resignation from the Company on January 23, 2017, this award vested in full and became free of restrictions.

We evaluated and determined a specific compensation peer group with the assistance of Semler Brossy, to further evaluate Mr. Sugarman's compensation.

New Contract with Mr. Turner for 2016. We entered into an amended and restated employment agreement with Mr. Turner that took effect on April 1, 2016 and, under the terms of the agreement, on April 1, 2016 we granted a performance based restricted stock award to Mr. Turner of 50,000 shares which vests in substantially equal annual installments for a period of five years beginning on the first anniversary date of the grant if performance conditions relating to regulatory standing are achieved. In addition, on April 1, 2016, we also granted Mr. Turner a performance-based option award of 120,000 shares which vests in substantially equal annual installments over a period of five years beginning on the first anniversary date of the grant if performance conditions relating to regulatory standing are achieved.

New Contract with Mr. McKinney for 2016. We entered into an amended and restated employment agreement with Mr. McKinney that took effect on April 1, 2016. In addition, on January 1, 2016, we granted a performance-based option award of 80,000 shares to Mr. McKinney which was scheduled to vest in substantially equal annual installments for a period of five years beginning April 1, 2016 if performance conditions relating to timely filing of the Company's quarterly and annual reports, receipt of unqualified opinions from the Company's independent registered public accounting firm on the Company's audited annual financial statements and internal control over financial reporting, and regulatory standing are achieved. On September 19, 2016, Mr. McKinney provided formal written notice of his resignation as Chief Financial Officer and separated from the Company effective as of November 11, 2016 and, as of that date, all unvested equity awards previously granted to Mr. McKinney were forfeited.

COMPENSATION DISCUSSION AND ANALYSIS

2016 Amendments to Standardize Executive Contracts. We entered into amendments to employment agreements with each of Messrs. Boyle, Grosvenor and Seabold. In addition:

In view of the continued growth of our assets, which were slightly less than \$1 billion as of December 31, 2011 and were \$8.2 billion as of December 31, 2015, we evaluated these agreements against best practices and regulatory requirements for banks that have grown to more than \$10 billion in assets.

We evaluated base compensation for our Section 16 officers, which resulted in increases to base salaries, considering the continued growth of our assets and competitive practices among peer companies.

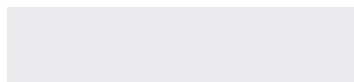

We added non-solicit and non-competition provisions and a requirement that these key executives provide the Company adequate and proper notice prior to any resignation or leave of absence to ensure the Company's business is not harmed.

We standardized the executive employment agreements for consistent treatment and alignment to the Company's objectives among similarly situated executives.

Overview of Executive Compensation Program

Our policy for allocating between long-term and short-term compensation is to ensure adequate base compensation to attract and retain personnel, while providing incentives with an appropriate level of risk to maximize long-term value for our Company and our stockholders. Likewise, we provide cash compensation in the form of base salary to meet competitive norms and reward good performance on an annual basis in the form of merit salary adjustments and bonus compensation to reward superior performance against specific short-term goals. We provide equity-based compensation as a long-term incentive and a means of directly aligning the interests of our executive officers with the interests of our stockholders. We believe that our overall compensation package, including benefits and equity-related awards, is competitive within the marketplace and consistent with the philosophy and objectives of our compensation program.

Key elements of compensation for our executives include the following:

Base Salary	We pay base salaries commensurate with an executive's position and experience. Subject to the terms of their employment agreements, base salaries for our executive officers are generally reviewed, at least annually, at a meeting of the Compensation Committee. See <i>Employment Agreements</i> .
Employee Bonus	The Compensation Committee considers executive officer performance and makes recommendations for bonus payments to our Chief Executive Officer based on a variety of factors, in its discretion, and for our other executive officers based on recommendations from our Chief Executive Officer or our Interim Chief Executive Officer.
Performance Based Incentive Plan	
Equity Performance Based Incentive Awards	
Other Compensation	We provide 401(k) plan, and health, disability and life insurance benefits, as well as other benefits.

The foregoing elements fit into our overall compensation objectives by helping to secure the future potential of our operations, facilitating our entry into new markets, providing proper regulatory compliance and helping to create a cohesive team.

Our Compensation Program Best Practices

Based upon the evolving nature of the Company's businesses and its dynamic profile, the Compensation Committee has implemented the following compensation strategies, which the Compensation Committee considers to be key elements for a program of compensation plans as set forth in the table below:

Strong Alignment with Stockholders What We Do and What We Don't Do

Strong Alignment with Stockholders What We Do

Compensation Principles. We believe our compensation principles promote a best practice approach to compensation, by aligning the interests of our officers and our long-term strategy with the interests of stockholders and appropriately integrating risk with compensation so there are no features that could impact the safety and soundness of the Company.

Risk Events Are Considered in Pay Decisions. Our Compensation Committee conducts an annual assessment of the Bank's executive and broad-based compensation programs to ensure prudent risk management.

COMPENSATION DISCUSSION AND ANALYSIS

Share Ownership Guidelines. We required that our former Chief Executive Officer own shares equal to at least 300 percent of his after-tax base salary and that the other Named Executive Officers own shares equal to at least 100 percent of their after-tax base salary. This 300 percent stock ownership requirement is not currently in effect for our Interim Chief Executive Officer, but it is expected that he own shares equal to at least 100 percent of his after tax base salary.

Hedging/Pledging Policy. We have a no-hedging policy and a no-pledging policy on Company shares.

Performance Based Awards. Our executive compensation practice focuses on performance awards that are tied to overall stockholder objectives and generally are intended to meet the deductibility requirements of Section 162(m) of the Internal Revenue Code.

Strong Alignment with Stockholders What We Don't Do

No Tax Gross Ups. Our employment agreements do not provide for tax gross-ups in the event of a change of control event.

No Repricing or Repurchase of Underwater Equity Awards. Unless our stockholders approve, we do not permit the repricing or repurchase of underwater stock options or stock appreciation rights.

No Multi-Year Guaranteed Bonuses.

No Single Trigger Severance Payments on Change in Control in Employment Agreements. Our employment agreements do not have single-trigger cash severance payments resulting solely from the occurrence of a change of control.

No Single Trigger Severance Payments for Equity Awards Granted under Our 2013 Omnibus Stock Incentive Plan. Other than any unvested portion of Mr. Sugarman's stock appreciation rights, all equity awards under our 2013 Omnibus Stock Incentive Plan made to employees generally require double trigger (i.e., a termination of employment other than by the Company for cause or by the participant without good reason) before vesting can accelerate following a change in control. For performance based awards, our 2013 Omnibus Stock Incentive Plan provides that unless the performance award is replaced by a similar award, that it shall be deemed earned and payable in an amount equal to at least the target level of performance.

How We Make Compensation Decisions

The Compensation Committee will consider information from a variety of sources when assessing the competitiveness of the Company's current and future compensation levels. These sources include, but are not limited to, committee members, management, other members of the Board of Directors, publicly available compensation data regarding executive officers within the industry, the Company's understanding of compensation arrangements at other financial institutions with similar growth strategies, feedback from key stakeholders (including stockholders, regulators and holders of our senior notes and preferred stock), and advice from the Compensation Committee's consultants.

Role of the Chief Executive Officer and Interim Chief Executive Officer

During 2016 and prior years, the Chief Executive Officer would typically make compensation recommendations to the then-acting Compensation, Nominating and Corporate Governance Committee with respect to the executive officers who report to him. Such executive officers would not be present at the time of these deliberations. The then-acting committee Chair would then make compensation recommendations to the then-acting Compensation, Nominating and Corporate Governance Committee with respect to the Chief Executive Officer, who would not attend that portion of the meeting. The then-acting Compensation, Nominating and Corporate Governance Committee could accept or adjust such recommendations.

Subsequent to 2016, upon the establishment of the separate Compensation Committee, the Interim Chief Executive Officer and the Interim President will typically make compensation recommendations to the Compensation Committee for all other executive officers, who are not present during the deliberations. With respect to compensation of the Interim Chief Executive Officer and the Interim President, the Compensation Committee Chair will make compensation recommendations and neither officer will attend that portion of the meeting. The Compensation Committee may accept or adjust such recommendations.

Table of Contents**COMPENSATION DISCUSSION AND ANALYSIS****Role of the Compensation Consultants**

The Compensation Committee at times retains the services of independent consultants to assist the Compensation Committee with its consideration of the Company's compensation policies, programs and practices.

In connection with its determinations of the amount of incentive compensation for Mr. Sugarman's 2015 performance, as well as certain incentive and retention awards granted at the beginning of 2016, the then-acting Compensation, Nominating and Corporate Governance Committee engaged the independent compensation consulting firm Semler Brossy.

In 2017, the Compensation Committee engaged compensation consultant Pearl Meyer & Partners (Pearl Meyer), a consultant that has historically provided compensation advice to the Company, to provide advice about determination of year-end bonus amounts for the Named Executive Officers as well as to assist the Compensation Committee in 2017 with a refresh of our compensation practices.

Role of Peer Group for 2016 Compensation Decisions. In connection with the review of Mr. Sugarman's overall compensation, with assistance from Semler Brossy, the then-acting Compensation, Nominating and Corporate Governance Committee used compensation data compiled from the following peer companies to evaluate Mr. Sugarman's then-proposed 2016 compensation package, which was approved on March 24, 2016.

BoFI Holding, Inc.	FCB Financial Holdings, Inc.	South State Corporation
Capital Bank Financial Corp.	OneWest	Washington Federal, Inc.

We believe the peer group represented an appropriate group for competitive benchmarking and determination of how to appropriately evaluate the compensation of our former Chief Executive Officer as we considered banks with strong asset and earnings per share growth, those banks pursuing a growth strategy similar to the Company's during 2016, with focus on West Coast banks.

COMPENSATION DISCUSSION AND ANALYSIS

2016 Compensation Decisions

Compensation decisions made by the then-acting Compensation, Nominating and Corporate Governance Committee in 2016 and decisions made in 2017 by the Compensation Committee for Named Executive Officer 2016 performance, as well as related to components of the Named Executive Officer compensation such as base salary, annual incentives and long term incentives are described below.

Base Salary

Each of the Named Executive Officers was hired pursuant to an employment agreement or subsequently signed an employment agreement that established the Named Executive Officer's minimum base salary. Each employment agreement was the result of negotiations between the Company and the Named Executive Officer. Salaries are typically reviewed and adjusted annually at the discretion of the Committee or the Board of Directors.

During 2016, we approved the following as a result of the overall analysis of our compensation, which included increases to base salaries for our Named Executive Officer based on the continued growth of our assets and based on a review of competitive practices among peer companies:

Effective as of January 1, 2016, we increased Mr. Boyle's base salary to \$600,000, Mr. Turner's base salary to \$500,000 and Mr. Grosvenor's base salary to \$500,000;

We adopted an Amended and Restated Employment Agreement for our former Chief Executive Officer, Mr. Sugarman, effective as of March 24, 2016, pursuant to which, among other changes, Mr. Sugarman's base salary was set at \$800,000 (see *Employment Agreements*); and

We adopted an Amended and Restated Employment Agreement for our former Chief Financial Officer, Mr. McKinney, effective as of April 1, 2016, pursuant to which, among other changes, Mr. McKinney's base salary was set at \$500,000 (see *Employment Agreements*).

The below chart shows the annual rate of base salary for each Named Executive Officer as of December 31, 2015 and the Named Executive Officer's base salary established during 2016 as well as the percentage of change.

**Annual Rate of
Base Salary**

Executive	2015	2016	% Change
Sugarman	\$600,000	\$800,000	33%
Turner	\$400,000	\$500,000	25%
Boyle	\$500,000	\$600,000	20%
Grosvenor	\$450,000	\$500,000	11%
Seabold	\$750,000	\$750,000	0%
McKinney	\$325,000	\$500,000	54%

Table of Contents**COMPENSATION DISCUSSION AND ANALYSIS****Annual Incentives**

The employment agreements with our Named Executive Officers provide for additional or special compensation, such as incentive pay or bonuses, as the Board of Directors or Compensation Committee may from time to time determine. Employment agreements for Named Executive Officers specify the following target bonus amounts; however, these amounts are targets only and the actual bonus amounts may be higher or lower than the targeted amounts at the discretion of the Compensation Committee:

Executive	Annual Target Incentive as defined by Employment Agreement
Sugarman	\$800,000 ⁽¹⁾ (target was 100% of Mr. Sugarman's base salary).
Turner	\$500,000 ⁽¹⁾ (target is 100% of Mr. Turner's base salary).
	In addition to the annual bonus, Mr. Turner's employment agreement also provides for an incentive bonus, targeted at 100% of the actual annual bonus Mr. Turner receives.
Boyle	\$450,000 ⁽¹⁾ (target is 75% of Mr. Boyle's base salary).
Grosvenor	No specific range set forth in Mr. Grosvenor's employment agreement.
Seabold	\$750,000 ⁽¹⁾ (target is 100% of Mr. Seabold's base salary).
	In addition to the annual bonus, Mr. Seabold's employment agreement also provides for an incentive bonus, targeted at 100% of the actual annual bonus Mr. Seabold receives.
McKinney	\$500,000 ⁽¹⁾ (target was 100% of Mr. McKinney's base salary).

⁽¹⁾ As the target is based on a percentage of base salary, the target will increase if the base salary increases.

2016 Cash Incentives. For each quarterly performance period in 2016, performance objectives were achieved under the 2016 cash incentive plan, allowing the then-acting Compensation, Nominating and Corporate Governance Committee (or subsequent to the change in governance structure in January 2017, the Compensation Committee) to provide up to the maximum amount of cash incentive provided for under the plan, subject to the committee's discretion to reduce the amount earned based on any objective or subjective criteria that the committee selected and the target and maximum levels established in each Named Executive Officer's employment agreement.

On April 26, 2016 and again on October 13, 2016, January 23, 2017 and March 16, 2017, the relevant Committee commenced an evaluation of the cash incentive compensation to be considered for the Named Executive Officers (other than Messrs. Sugarman and McKinney subsequent to their resignations) based upon their performance through 2016. There was no specific weighting of business goals compared to an individual officer's performance for the payment of cash incentives, but instead the recommended bonus reflected a holistic view of the success of each executive in achieving objectives for their respective functional area, as well as the contractual terms of their

compensation arrangements. The relevant Committee considered the significant growth in the Bank (+60 percent CAGR assets over the past four years), the 75 percent improvement in pre-tax net income, the improvement in ROAA to 1.1 percent, the return on tangible common equity to 17 percent, the reduction in non-performing assets to 0.16 percent, improved efficiency, positive regulatory relations, and capital ratios exceeding regulatory guidelines, all as of March 31, 2016, September 30, 2016 and December 31, 2016 when determining cash incentives. Excluding Messrs. Sugarman and McKinney who had already resigned, on March 16, 2017, the Compensation Committee also determined that the amount of cash incentives allowable to be paid to the Interim Chief Executive Officer and the other Named Executive Officers should be reduced in light of the extraordinary challenges faced by the Company in late 2016 and early 2017.

The cash incentive amounts which have been awarded for 2016 performance are as follows:

	Aggregate Quarterly	2016 Year	
Executive	Cash Incentives	End Cash Incentives	2016 Total Cash Incentives
Sugarman	\$ 2,250,000	\$ 1,500,000	\$ 3,750,000
Turner	\$ 250,000	\$ 150,000	\$ 400,000
Boyle		\$ 180,000	\$ 180,000
Grosvenor	\$ 125,000	\$ 75,000	\$ 200,000
Seabold	\$ 850,000		\$ 850,000
McKinney			

Table of Contents**COMPENSATION DISCUSSION AND ANALYSIS****Long-Term Incentives**

The Compensation Committee (and its predecessor the then-acting Compensation, Nominating and Corporate Governance Committee) believes that a significant portion of Named Executive Officers' target compensation should generally be in the form of long-term incentives, which motivates leaders and key employees through the use of awards tied to the long-term performance of the Company. These awards are intended to reward performance over a multi-year period, align the interests of executives with those of stockholders, instill an ownership culture, enhance the personal stake of executive officers in the growth and success of the Company, and provide an incentive for continued service at the Company. Long-term incentive awards are currently granted under the 2013 Omnibus Stock Incentive Plan. The Company may issue long-term incentives in three ways: upon hire, retention awards, and annual awards.

2016 Equity Awards. Consistent with its philosophy that a significant portion of a Named Executive Officers' target compensation should generally be in the form of long-term incentives, and to encourage focus on long-term stockholder value, the then-acting Compensation, Nominating and Corporate Governance Committee approved the granting to the Named Executive Officers equity awards under the 2013 Omnibus Stock Incentive Plan if specified performance goals requiring profitable operations and the satisfaction of regulatory ratings at a specified level were achieved. For each quarterly performance period, the performance objectives were achieved, and on April 26, 2016 and again on October 13, 2016, the then-acting Compensation, Nominating and Corporate Governance Committee granted the awards in the following dollar amounts (based on the market value of the shares on the day prior to grant).

Executive	Stock Incentives that Vest Immediately	2016 Stock Retention Incentives that Vest on April 1, 2017	2016 Stock Retention Incentives that Vest on April 1, 2018	2016 Stock Retention Incentives that Vest over 3 to 5 years	Total

Turner		\$ 300,015	\$ 250,002	\$ 300,015	\$ 850,032
Boyle		\$ 125,018	\$ 300,003	\$ 250,016	\$ 675,037
Grosvenor		\$ 125,018	\$ 125,010	\$ 150,018	\$ 400,046

Inducement Awards. At the discretion of the Board of Directors, the Company at times awards special inducement equity awards upon hire or upon renegotiation of the employee's contract. During 2016, as a result of the re-negotiation of employment with the Company, Mr. Sugarman was given an award in consideration of the termination of the anti-dilution provisions of his initial stock appreciation right and Mr. Turner was also given an inducement award described below.

Executive Sugarman	New Contract Date	Inducement Awards	Grant Date Fair Value
	March 26, 2016	251,005 shares of restricted stock were earned under a January 19, 2016 performance unit award and were also granted to Mr. Sugarman in connection with entering into a new employment agreement with the Company on March 24, 2016, pursuant to which Mr. Sugarman agreed to the elimination of the anti-dilution provision of his initial stock appreciation right, in exchange for a one-time restricted stock award having an aggregate grant date fair market value of \$5 million, subject to the Company's achievement of certain performance goals prior to the award being granted. See <i>Compensation Discussion and Analysis Our 2016 Executive Compensation Highlights Termination of Stock Appreciation Right Anti-Dilution Provision and New Chief Executive Officer Contract for 2016</i> . The restricted stock award was to vest in full on April 1, 2017, and accelerated in vesting as of January 23, 2017 pursuant to the terms of Mr. Sugarman's Employment Separation Agreement and Release that is more fully described under <i>Employment Agreements Resignation of and Separation Agreement with Mr. Sugarman, the former Chair, President and Chief Executive Officer</i> .	\$ 5,000,020

OTHER COMPENSATION POLICIES AND PRACTICES

Compensation Committee's Response to 2016 Say-on-Pay Vote

At our 2016 Annual Meeting, our stockholders were presented with an advisory (non-binding) proposal to approve the compensation of our executives disclosed in our proxy statement for that Meeting. Approximately 29 percent of the votes cast voted for this proposal.

In response to this low approval rating and as part of our overall 2017 Board and management refresh, we engaged in stockholder outreach targeting stockholders representing collectively over 75 percent of our outstanding voting common shares as of the year ended 2016 to give them the opportunity to provide feedback that would help us shape our compensation program. Additionally, our Compensation Committee retained compensation consultant Pearl Meyer to re-evaluate and assist with improving our executive compensation programs and we have made significant changes as described in this *Compensation Discussion and Analysis 2017 Compensation Refresh*. We are continuing to evaluate our compensation programs to address stockholder feedback as well as to allow the Company to retain competitiveness in the market and retain and attract talented management.

Stock Ownership Guidelines

In April 2013, the Board of Directors adopted stock ownership guidelines for senior officers of the Company. The guidelines require that our Chief Executive Officer own shares equal to at least 300 percent of his or her after-tax base salary and that the other Named Executive Officers beneficially own shares equal to at least 100 percent of his or her after-tax base salary. This 300 percent stock ownership requirement is not currently in effect for our Interim Chief Executive Officer, but it is expected that he own shares equal to at least 100 percent of his after tax base salary. Compliance with the guidelines is required to be achieved within two years from the date each officer first becomes subject to the guidelines. We evaluate stock ownership of our executive officers and directors annually, on the last day of our fiscal year. As of December 31, 2016, all of the Named Executive Officers are in compliance with the Stock Ownership Guidelines. For stock ownership guidelines of directors, see *Corporate Governance Matters Corporate Governance Framework Existing Policies*.

Hedging/Pledging Policy

The Company considers it inappropriate for any director or officer to enter into speculative transactions in the Company's securities. The Company's insider trading policy prohibits the purchase or sale of puts, calls, options, or other derivative securities based on the Company's securities. This prohibition also includes hedging or monetization transactions, such as forward sale contracts, in which the stockholder continues to own the underlying security without all the risks or rewards of ownership. Directors, officers, and other employees also may not purchase the Company's securities on margin, or borrow against any account in which Company securities are held. The prohibitions do not apply to a broker-assisted cashless exercise of stock options granted as part of a Company incentive plan.

401(k) Plan

We offer a qualified, tax exempt savings plan to our employees with a cash or deferred feature qualifying under Section 401(k) of the Internal Revenue Code (the 401(k) Plan). All employees who participate in the 401(k) Plan receive matching contributions, including the Named Executive Officers, who receive matching contributions on the same terms and using the same formulas as other participating employees. Participants are also permitted to borrow against their account balance in the 401(k) Plan.

Perquisites and Other Benefits

Our executives are entitled to few benefits that are not otherwise available to all of our employees. The limited perquisites that we provide to our Named Executive Officers include a company car or auto allowance. In addition, the Named Executive Officers are given the option of receiving the services of a financial advisory firm to assist with their personal financial planning. Finally, our Interim Chief Executive Officer used a club membership paid by the Company for personal use, with primary usage being for business purposes.

Equity Grant Policy

The Board of Directors and, by delegation, the Compensation Committee (or its predecessor the then-acting Compensation, Nominating and Corporate Governance Committee), administers (or administered) the 2013 Omnibus Stock Incentive Plan and establishes the rules for all awards granted under the plan, including grant guidelines, vesting schedules, and other provisions. The Board of Directors or the Compensation Committee reviews these rules periodically and considers, among other things, the interests of our stockholders, market conditions, information provided by independent advisors, performance objectives, and recommendations made by the Chief Executive Officer or Interim Chief Executive Officer.

Table of Contents

OTHER COMPENSATION POLICIES AND PRACTICES

The Board of Directors or the Compensation Committee reviews the awards granted for all employees. For annual awards granted in 2016, the then-acting Compensation, Nominating and Corporate Governance Committee would review the recommendations of the Chief Executive Officer for executives and other employees, would modify the proposed grants in certain circumstances, and approve the awards effective as of the date of its approval.

The exercise prices of stock option or stock appreciation right grants are set at the closing market price of a share of Company common stock on the date the Board of Directors or Compensation Committee (or its predecessor the Compensation, Nominating and Corporate Governance Committee) approves the grants, except that the exercise price of each stock option granted under the 2013 Omnibus Stock Incentive Stock is equal to the closing price of the Company common stock the business day before the grant. The exercise price of new hire awards and relocation or retention grants is determined as set forth above, except that in certain circumstances the exercise price is set on the date of hire or effective date of the underlying agreement providing for such grant rather than the date of the approval thereof.

Employment Agreements

As previously discussed, the Company has entered into employment agreements with each of the Named Executive Officers, which were each reviewed by the then-acting Compensation, Nominating and Corporate Governance Committee. The then-acting Compensation, Nominating and Corporate Governance Committee determined that the compensation packages provided under these agreements was fair and reasonable on the basis of its assessment of comparable compensation opportunities available to the individuals. The specifics of these arrangements are described in detail below under *Employment Agreements*.

Payments Due Upon Termination or a Change in Control

Under the terms of our equity-based compensation plans and their respective employment agreements, the former Chief Executive Officer was entitled to severance benefits upon termination of his employment under specified circumstances, and the Interim Chief Executive Officer, the Interim Chief Financial Officer and the other Named Executive Officers are entitled to severance benefits upon termination of their employment under specified circumstances. The specific terms of these arrangements, as well as an estimate of the compensation that would have been payable had they been triggered as of fiscal year-end, are described in detail below under *Employment Agreements Potential Payments upon Termination of Employment or Change in Control*.

Recoupment Policy

Under Section 304 of the Sarbanes Oxley Act of 2002, if the Company is required to restate its financial statements due to material noncompliance with any financial reporting requirements as a result of misconduct, the former Chief

Executive Officer, the Interim Chief Executive Officer, the former Chief Financial Officer and Interim Chief Financial Officer may be required to reimburse the Company for: (i) any bonus or other incentive-based or equity-based compensation received during the 12 months following the first public issuance of the non-complying document; and (ii) any profits realized from the sale of securities of the Company during that 12-month period. On March 30, 2017, the Compensation Committee approved and implemented a formal recoupment policy of the Company. See *Compensation Discussion and Analysis 2017 Compensation Refresh Recoupment Policy Implementation*.

Tax Impact

Section 162(m) of the Internal Revenue Code does not permit publicly traded companies to take income tax deductions for compensation paid to the Chief Executive Officer and the other Named Executive Officers if employed at year end (other than the Chief Financial Officer) to the extent that taxable compensation exceeds \$1.0 million per officer in any taxable year and does not otherwise qualify as performance-based compensation.

The 2013 Omnibus stock Incentive Plan is structured so that the compensation deemed paid to an executive officer in connection with the exercise of stock options should qualify as performance-based compensation not subject to the \$1.0 million limitation. Other awards made under the 2013 Omnibus Stock Incentive Plan may or may not qualify as performance-based compensation.

The Compensation Committee will continue to consider steps that might be in the Company's best interests to comply with Section 162(m) of the Code. However, in establishing the cash and equity incentive compensation programs for the executive officers, the Compensation Committee believes that the potential deductibility of the compensation payable under those programs should be only one of a number of relevant factors taken into consideration, and not the sole or primary factor. The Compensation Committee believes that cash and equity incentive compensation must be maintained at the requisite level to attract and retain the executive officers essential to the Company's financial success, even if all or part of that compensation may not be deductible by reason of the limitations of Section 162(m) of the Code.

Information about Warrants and Stock Appreciation Rights. Information about the warrants and stock appreciation rights granted to Mr. Sugarman are described below.

Warrants. Warrants were originally issued on November 1, 2010 to COR Advisors LLC, an entity controlled by Mr. Sugarman (who was a director of the Company on that date and who later became, and subsequently resigned as, President and Chief Executive Officer of the Company), to purchase the Company's non-voting common stock at an exercise price of \$11.00 per share, subject to certain adjustments to the number of shares underlying the warrants as well as certain adjustments to the warrant exercise price as applicable. Subsequent to their original issuance, the warrants were transferred and, as of December 31, 2016, warrants for the right to purchase 480,000 shares of non-voting common stock were held by Mr. Sugarman and his spouse through a living trust. These warrants vest in tranches, with each tranche being exercisable for five years after the tranche's vesting date. With respect to the warrants held by Mr. Sugarman and his spouse as of December 31, 2016, 90,000 shares vested on October 1, 2012 and the remainder vested in three equal quarterly installments beginning January 1, 2013 and ending on July 1, 2013.

Stock Appreciation Rights. Information about the stock appreciation rights (SARs) granted to Mr. Sugarman is provided below.

Initial SAR and Additional SARs. The initial stock appreciation right (Initial SAR) was granted to Mr. Sugarman on August 21, 2012 with respect to 500,000 shares. The Initial SAR provided for dividend equivalent rights, and contained an anti-dilution provision, which provided for the issuance of additional stock appreciation rights (Additional SARs) upon the Company's issuance of common stock pursuant to certain capital raises and a merger transaction, with a base price determined as of the date of issuance but otherwise with the same terms and conditions (including vesting and dividend equivalent rights) as the Initial SAR. The Initial SAR and all Additional SARs will be settled in shares of voting common stock upon exercise.

Additional TEU SAR. Additional stock appreciation rights (the Additional TEU SAR) were issued to Mr. Sugarman in connection with the closing of an offering of the Company's 8.00 percent Tangible Equity Units on May 21, 2014. Each Tangible Equity Unit is composed of a prepaid stock purchase contract (each, a Purchase Contract) and a junior subordinated amortizing note issued by the Company. Each Purchase Contract settles based on minimum or maximum settlement rates of shares of voting common stock. Until each Purchase Contract settles and the voting common stock related thereto is issued, each corresponding Additional TEU SAR has a vesting date of May 15, 2017 and no dividend equivalent rights prior to vesting. By its terms, the Additional TEU SAR vests earlier than May 15, 2017 to the extent any Purchase Contracts settle prior to that date. As of December 31, 2016, as a result of early settlement of some of the Purchase Contracts, the Additional TEU SAR vested with respect to 254,197 shares and was forfeited with respect to 37,953 shares. In addition, on January 12, 2017 the Additional TEU SAR vested with respect to an additional 205 shares and was forfeited with respect to 35 additional shares. The Additional TEU SAR that has vested has the same terms and conditions as the Initial SAR. In accordance with the separation agreement entered into with Mr. Sugarman in connection with his resignation on January 23, 2017, the remaining 7,829 of Additional TEU SAR that were unvested as of January 23, 2017 vested in full. For more information about the separation agreement, see *Employment Agreements Resignation of and Separation Agreement with Mr. Sugarman, the former Chair, President and Chief Executive Officer.*

Replacement/Inducement Award as Substitution for the Anti-Dilution Rights in the Initial SAR. In connection with entering into a new employment agreement with the Company on March 24, 2016, Mr. Sugarman agreed to the elimination of the anti-dilution provision of the Initial SAR award with respect to all future stock issuances by the Company, in exchange for the Company's agreement to grant Mr. Sugarman a one-time performance based restricted stock award having an aggregate grant date fair market value of up to \$5 million, subject to the Company's achievement of certain performance goals prior to the award being granted. See *Compensation Discussion and Analysis Executive Compensation Highlights Termination of Stock Appreciation Right Anti-Dilution Provision and New Chief Executive Officer Contract for 2016*. After the Company's achievement of the performance goals during the first quarter of 2016, we granted to Mr. Sugarman this one-time restricted stock award having an aggregate grant date fair market value of \$5 million, comprised of 251,005 shares. This restricted stock award was originally scheduled to vest in full on April 1, 2017, but with restrictions on transfer through April 1, 2021. As part of Mr. Sugarman's Employment Separation Agreement and Release, these awards became fully vested and free of restrictions on January 23, 2017. See *Employment Agreements Resignation of and Separation Agreement with Mr. Sugarman, the former Chair, President and Chief Executive Officer*.

⁽¹⁾ Amounts do not take into account any shares withheld by the Company to satisfy employee income taxes.

⁽²⁾ Represents the value realized upon vesting of a restricted stock award, based on the market value of the shares on the vesting date.

⁽³⁾ Reflects the exercise as to the following shares underlying a warrant (53,711; 70,775; and 40,081) to purchase shares of the Company's non-voting common stock that was originally issued to COR Advisors, LLC for certain consulting services and transferred to Mr. Seabold. Each exercise was done on a cashless basis, and the net number of shares of non-voting common stock issued to Mr. Seabold for these exercises was 164,567. The value realized on exercise is based on the difference between the fair market value per share (as determined pursuant to the terms of the warrant) of the Company's voting common stock at the time of exercise (for these purposes: \$15.1660; \$19.4040; and \$17.6360, respectively) and the exercise price of the warrant at the time of exercise (\$8.90, \$8.84, and \$8.80 per share, respectively). The warrant does not represent part of Mr. Seabold's employment compensation for the Company.

Table of Contents**EMPLOYMENT AGREEMENTS**

We currently have employment agreements with each of Messrs. Turner, Boyle, Grosvenor and Seabold, and we had employment agreements with Messrs. Sugarman and McKinney prior to their respective resignations. Additionally, Mr. Sugarman entered into a separation agreement at the time of his resignation. The material terms of each of these agreements are summarized below.

Resignation of and Separation Agreement with Mr. Sugarman, the former Chair, President and Chief Executive Officer. On January 23, 2017, the Company and Steven A. Sugarman, the Company's Chair, President and Chief Executive Officer, entered into an Employment Separation Agreement and Release (Separation Agreement) pursuant to which Mr. Sugarman resigned from all positions he held with respect to the Company, the Bank and their respective affiliated entities including resigning from the Board of Directors of the Company and the Bank. The Separation Agreement contains mutual general releases of claims arising out of acts or omissions occurring on or before January 23, 2017, with customary exceptions for obligations arising from the Separation Agreement, vested benefits, indemnity rights and matters that cannot be released by private agreement. Mr. Sugarman agreed to cooperate in providing information for operational, financial and other reports relating to the period of his employment and further agreed to remain bound by the clawback and confidentiality provisions of his Amended and Restated Employment Agreement. The Separation Agreement provides for a Standstill Period from January 23, 2017 through July 1, 2018, during which Mr. Sugarman has agreed to limit his ownership of Company shares, his efforts to influence its Board and his efforts to acquire control of the Company.

The cash payments and other benefits provided and owed to Mr. Sugarman under the Separation Agreement, are described in the table below. In addition, a comparison of the Separation Agreement payments and potential payments under Mr. Sugarman's Amended and Restated Employment Agreement in effect on December 31, 2016 is set forth below under *Employment Agreements Potential Payments Upon Termination of Employment or Change in Control*.

On September 19, 2016, James J. McKinney, the Company's Chief Financial Officer, submitted formal notice of his resignation, to be effective at a mutually agreeable date on or before November 18, 2016. Mr. McKinney's effective resignation date was November 11, 2016, and immediately thereafter, all of Mr. McKinney's unvested awards forfeited in full. As of his resignation date, Mr. McKinney held a vested option to purchase 16,000 shares of voting common stock which, by its terms, was to expire on February 11, 2017 as a result of Mr. McKinney's resignation. The Compensation Committee extended the expiration date of the option to March 31, 2017.

Employment Agreements in effect during 2016. Pursuant to their respective employment agreements, Messrs. Turner, Boyle, Grosvenor and Seabold are, and (prior to their resignations) Messrs. Sugarman and McKinney were, each entitled to compensation for their services at an annual base salary at the rate approved by the then-acting Compensation, Nominating and Corporate Governance Committee. Further, as each executive's annual incentive and target incentive is or was based on a percentage of base salary, the respective incentive amounts will increase or would increase if the executive's base salary increases. Target incentives are awarded at the discretion of the Compensation Committee. Actual amounts earned may be higher or lower than targeted. Potential Payments upon Termination of Employment or Change in Control

As discussed above, we have entered into employment agreements with each of our Named Executive Officers. Payment of any such benefits is contingent upon a variety of factors, including the circumstances under which employment is terminated. The following chart summarizes the payments and benefits that each Named Executive Officer would receive in connection with various employment termination scenarios.

The following table shows the approximate value of the payments and benefits that the Named Executive Officers, other than Mr. McKinney (whose resignation as Chief Financial Officer became effective on November 11, 2016), would have been entitled to receive as of December 31, 2016 had their employment been terminated or had a change in control occurred on that date. The table excludes: (i) amounts accrued through December 31, 2016 that would be paid in the normal course of continued employment, such as accrued but unpaid salary and bonus amounts; (ii) vested account balances under the Company's 401(k) plan; and (iii) already vested equity awards. The table also excludes the effect of any cutback required under the executive's employment agreement to avoid having any portion of the executive's payments or benefits being non-deductible by the Company under Section 280G of the Internal Revenue Code and the imposition of an excise tax on the executive under Section 4999 of the Internal Revenue Code. In addition, the amounts in the table below assume: (i) maximum payouts for the performance awards held by Messrs. Turner, Boyle and Grosvenor after termination of employment; and (ii) the employment agreement provisions relating to equity incentive awards are reflected in the respective award agreements. The amounts shown are merely estimates of the amounts that would be paid to each Named Executive Officer upon their termination, each in accordance with their respective employment agreements. The actual amounts to be paid can only be determined at the time of such Named Executive Officer's termination of employment.

Representatives of KPMG LLP have been invited to be present at the Annual Meeting, and it is expected that they will attend. If present, the representatives will have an opportunity to make a statement if they so choose, and will be available to respond to appropriate questions from stockholders.

The Audit Committee has appointed KPMG LLP as the Company's independent registered public accounting firm for the year ending December 31, 2017, subject to ratification by the Company's stockholders at the Annual Meeting. Although stockholder ratification of the appointment of KPMG LLP is not required by our bylaws or otherwise, our Board of Directors is submitting this appointment to stockholders for their ratification at the Annual Meeting as a matter of good corporate practice. If the stockholders do not ratify the appointment of KPMG LLP, the selection of the independent registered public accounting firm will be reconsidered by the Audit Committee. Even if the appointment of KPMG LLP is ratified by the stockholders at the Annual Meeting, the Audit Committee, in its discretion, may direct the selection of a different independent registered public accounting firm at any time during the year.

Pre-Approval of Audit and Non-Audit Services

Pursuant to the terms of its charter, the Audit Committee of the Company's Board of Directors is responsible for the appointment, compensation, retention and oversight of the work of the independent registered public accounting firm. The Audit Committee must pre-approve the engagement letters and the fees to be paid to the independent registered public accounting firm for all audit and permissible non-audit services to be provided by the independent registered public accounting firm and consider the possible effect that any non-audit services could have on the independence of the auditors. The Audit Committee may establish pre-approval policies and procedures, as permitted by applicable law and Securities and Exchange Commission regulations and consistent with its charter for the engagement of the independent registered public accounting firm to render permissible non-audit services to the Company, provided that any pre-approvals delegated to one or more members of the committee are reported to the committee at its next scheduled meeting. At this time, the Audit Committee has not adopted any pre-approval policies. During 2016 and 2015, the Audit Committee pre-approved all of the services provided by KPMG LLP. The Audit Committee has considered the provisions of these services by KPMG LLP and has determined that the services are compatible with maintaining KPMG LLP's independence.

CORPORATE GOVERNANCE PROPOSALS OVERVIEW (PROPOSALS III, IV, V and VI)

As part of its review of the Company's corporate governance practices, the Board has determined that a number of amendments to the Company's charter are appropriate to increase the accountability of Board members to the stockholders, and to facilitate stockholder action to amend the Company's charter and bylaws. These proposed charter amendments include:

declassifying the Board and requiring all directors to stand for election every year;

permitting stockholders to remove directors, with or without cause, by vote of a simple majority of the outstanding shares of our voting common stock;

permitting stockholders to amend the Company's bylaws by vote of a simple majority of the outstanding shares of our voting common stock (subject to a limited carve-out for amending the bylaw provision on calling special stockholder meetings); and

permitting all provisions of the Company's charter to be amended with the vote of a simple majority of the outstanding shares of our voting common stock after an amendment has been proposed and declared advisable by the Board (other than a limited number of provisions which the Board may amend without stockholder approval).

These proposals will only take effect if they are approved by our stockholders. The proposals are set forth as **Proposals III, IV, V and VI**. Proposal IV (pertaining to the removal of directors) is contingent upon the stockholders also approving Proposal III (pertaining to the declassification of the Board). None of the other proposals are contingent upon the approval of any other proposal. We encourage all stockholders to read the more complete descriptions below and to vote in favor of these proposals, which the Board believes will enhance director accountability and stockholder rights.

PROPOSAL III

Proposal III

**APPROVAL OF AN AMENDMENT TO THE COMPANY'S CHARTER TO
DECLASSIFY THE BOARD OF DIRECTORS AND PROVIDE FOR THE
ANNUAL ELECTION OF ALL DIRECTORS.**

The Company's charter provides that the Company's Board of Directors is divided into three classes, as nearly equal in number as reasonably possible, with each class having a three-year term. Consequently, at any given annual meeting of stockholders, the Company's stockholders are able to elect only one class of directors, constituting roughly one-third of the Company's Board of Directors. As part of its recent efforts to enhance the Company's corporate governance practices, the Board re-evaluated its classified structure and considered whether the interests of the Company's stockholders would be better served by having all directors elected annually.

The Board recognizes that a classified structure may offer several advantages, such as promoting board of director continuity and stability, encouraging directors to take a long-term perspective and reducing a company's vulnerability to coercive takeover tactics. The Board also recognizes, however, that a classified structure may appear to reduce directors' accountability to stockholders, since such a structure does not enable stockholders to express a view on each director's performance by means of an annual vote. The Board also believes that implementing annual elections for all directors would support our ongoing and renewed efforts to adopt best practices in corporate governance, having noted that many U.S. public companies have eliminated their classified board structures in recent years. The feedback received by the Board from its outreach to the Company's large stockholders was supportive of eliminating the Board's classified structure.

After careful consideration of the advantages and disadvantages of maintaining a classified board structure, the Board has determined, upon the recommendation of the Nominating and Governance Committee, that amending Article 8 of the Company's charter to declassify the Board is advisable and in the best interests of the Company.

Proposed Amendment

Section B of Article 8 of the Company's charter currently divides the Board into three classes. Each class is elected for a three-year term, with the terms staggered so that approximately one-third of the directors stand for election each year.

If the Company's stockholders approve the proposed amendment, directors will be elected to one-year terms starting with the 2018 Annual Meeting of Stockholders, but the existing terms of directors elected prior to the 2018 Annual Meeting will not be shortened. Accordingly, directors previously elected to three-year terms by our stockholders, including those directors elected at the 2017 Annual Meeting (whose terms will expire at the 2020 Annual Meeting) will continue to serve until the end of their terms. Beginning with the 2020 Annual Meeting of Stockholders, the entire Board will be elected annually. Section C of Article 8 of the Company's charter, which addresses the filling of Board vacancies, will also be amended to make corresponding changes.

The Board has also approved amendments to Sections 2.01 and 2.02 of the Company's bylaws to make corresponding changes, contingent upon stockholder approval and implementation of this amendment to declassify the Board.

The text of the proposed amendments to Sections B and C of Article 8 of the Company's charter is set forth in Appendix A to this proxy statement. The above description of the proposed amendments is qualified in its entirety by reference to the text of the proposed amendments.

Effectiveness of Amendment

If approved by stockholders at the Meeting, the amendments to Sections B and C of Article 8 of the Company's charter will become effective upon the filing of articles of amendment to the charter with the Department of Assessments and Taxation of the State of Maryland (Maryland Department).

Vote Required

The affirmative vote of the holders of at least 80 percent of the voting power of the outstanding shares of the Company's voting common stock (after giving effect to the 10 percent voting limitation in the Company's charter, as described under *Information About the 2017 Annual Meeting of Stockholders Our Annual Meeting Logistics Who Can Vote*) is required to approve this proposal.

Restated Charter

A vote in favor of this proposal will also be deemed to constitute approval of the filing with the Maryland Department of a complete amended and restated charter reflecting the proposed amendments.

PROPOSAL IV

Proposal IV

**APPROVAL OF AN AMENDMENT TO THE COMPANY'S CHARTER TO
ALLOW FOR REMOVAL OF DIRECTORS WITH OR WITHOUT CAUSE
BY MAJORITY VOTE OF THE STOCKHOLDERS.**

The Company's charter provides that subject to the rights of the holders of any series of preferred stock then outstanding, directors of the Company may be removed only for cause and only by the affirmative vote of the holders of at least 80 percent of the combined voting power of the then outstanding shares of the Company's stock entitled to vote generally in the election of directors (currently limited to our voting common stock), after giving effect to the 10 percent voting limitation in the Company's charter (as described under Information About the 2017 Annual Meeting of Stockholders Our Annual Meeting Logistics Who Can Vote), voting together as a single class.

The Board believes that allowing stockholders to remove directors with or without cause by a simple majority of the outstanding shares is fundamental to maintaining the accountability of the directors to the Company's stockholders. The Board is aware that the current provision restricting the right of stockholders to remove directors is tied to the classified Board structure and is intended to maintain the integrity of the classes of directors. As discussed above, the Board is proposing to de-classify the Board. If the declassification proposal is approved by the stockholders, then the Board believes that no further purpose would be served by maintaining restrictions on the right of the stockholders to remove directors by majority vote, with or without cause. The feedback received by the Board from its outreach to the Company's large stockholders was supportive of allowing directors to be removed without cause by a majority of the outstanding shares.

After careful consideration, the Board has determined, upon the recommendation of the Nominating and Governance Committee, and subject to the approval by the stockholders of Proposal III, that amending Section D of Article 8 of the Company's charter to allow directors to be removed with or without cause by the holders of a majority of the outstanding shares is advisable and in the best interests of the Company.

The proposed amendment set forth in this Proposal IV will only take effect if Proposal III is also approved by the Company's stockholders.

Proposed Amendment

As indicated above, Section D of Article 8 of the Company's charter currently provides that directors of the Company may be removed only for cause and only by the affirmative vote of the holders of at least 80 percent of the combined voting power of the then outstanding shares entitled to vote in the election of directors, after giving effect to the 10 percent voting limitation in the Company's charter, voting together as a single class.

If the Company's stockholders approve the proposed amendment, as well as the amendment presented in Proposal III, stockholders will be able to remove directors with or without cause by the affirmative vote of the holders of a majority

of the combined voting power of all of the then-outstanding shares of capital stock entitled to vote generally in the election of directors, after giving effect to the 10 percent voting limitation in the Company's charter, voting together as a single class.

The text of the proposed amendments to Section D of Article 8 of the Company's charter is set forth in Appendix B to this proxy statement. The above description of the proposed amendments is qualified in its entirety by reference to the text of the proposed amendments.

Effectiveness of Amendment

If this Proposal IV and the declassification proposal set forth in Proposal III are approved by stockholders at the Meeting, the amendment to Section D of Article 8 of the Company's charter will become effective upon the filing of articles of amendment to the charter with the Maryland Department.

Vote Required

The affirmative vote of the holders of at least 80 percent of the voting power of the outstanding shares of the Company's voting common stock (after giving effect to the 10 percent voting limitation in the Company's charter) is required to approve this proposal.

Restated Charter

A vote in favor of this proposal will also be deemed to constitute approval of the filing with the Maryland Department of a complete amended and restated charter reflecting the proposed amendments.

The Board of Directors recommends that stockholders vote FOR Proposal IV.

Table of Contents**PROPOSAL V****Proposal V****APPROVAL OF AN AMENDMENT TO THE COMPANY'S CHARTER TO AUTHORIZE AMENDMENT OF THE COMPANY'S BYLAWS BY MAJORITY VOTE OF THE STOCKHOLDERS; PROVIDED THAT, A 2/3RDS VOTE (WHICH IS A REDUCED SUPERMAJORITY REQUIREMENT) WOULD BE REQUIRED TO AMEND THE PROVISION REGARDING THE RIGHT OF STOCKHOLDERS TO CALL SPECIAL MEETINGS.**

The Company's charter provides that the Company's bylaws may be amended by the Board of Directors or by the stockholders, upon the affirmative vote of the holders of at least 80 percent of the voting power of all of the then-outstanding shares of the Company's capital stock entitled to vote generally in the election of directors (currently limited to our voting common stock), after giving effect to the 10 percent voting limitation in the Company's charter (as described under Information About the 2017 Annual Meeting of Stockholders—Our Annual Meeting Logistics—Who Can Vote), voting together as a single class. In January 2017, the Company received a stockholder proposal for inclusion in this proxy statement requesting that the Board of Directors initiate the appropriate process to eliminate the existing supermajority vote requirement for stockholders to amend the bylaws. Although that stockholder proposal was ultimately withdrawn, the Board, as part of its recent efforts to enhance the Company's corporate governance practices, continued to evaluate the merits of the proposal and recognizes that the elimination of the supermajority vote requirement to amend the bylaws would represent a significant enhancement to the rights of stockholders. The feedback received by the Board from its recent outreach to the Company's large stockholders was supportive of this change.

The Board has determined, upon the recommendation of the Nominating and Governance Committee, that amending Article 9 of the Company's charter to eliminate the supermajority vote requirement for stockholders to amend the bylaws, is advisable and in the best interests of the Company. The Board believes, however, that the Company should retain a supermajority requirement for amending the bylaw provision regarding the calling of special meetings of stockholders. Under this bylaw provision, a special meeting of the Company's stockholders may be called by the President, by the Chief Executive Officer, by the Board of Directors or at the request of stockholders entitled to cast at least a majority of all the votes entitled to be cast at the meeting. The Board believes that, given the relatively high concentration of Company shares held by a small number of institutional stockholders, the orderly governance of the Company is best served by limiting the ability of a simple majority of stockholders to revise the provision on calling special meetings of the stockholders. The Board is mindful of the importance of stockholder input and has taken a number of actions to facilitate such input. The Board also believes that special meetings can be disruptive to the orderly management of the Company's affairs and that it is therefore appropriate to retain a super-majority provision governing potential changes to the right to call such meetings. The proposed amendment would, however, reduce that super-majority threshold from 80 percent to 66.67 percent.

Proposed Amendment

As indicated above, Article 9 of the Company's charter provides that the Company's bylaws may be amended by the Board of Directors or by the stockholders, upon the affirmative vote of the holders of at least 80 percent of the of the outstanding shares of the Company's voting common stock, voting together as a single class, after giving effect to the 10 percent voting limitation in the Company's charter. The proposed amendment would lower this 80 percent stockholder vote threshold to a simple majority of the outstanding shares, with the exception that amending the bylaw provision regarding the calling of special meetings of stockholders would require two-thirds of the outstanding shares.

The text of the proposed amendment to Article 9 of the Company's charter is set forth in Appendix C to this proxy statement. The above description of the proposed amendment is qualified in its entirety by reference to the text of the proposed amendment.

Effectiveness of Amendment

If approved by stockholders at the Meeting, the amendment to Article 9 of the Company's charter will become effective upon the filing of articles of amendment to the charter with the Maryland Department.

Vote Required

The affirmative vote of the holders of at least 80 percent of the voting power of the outstanding shares of the Company's voting common stock (after giving effect to the 10 percent voting limitation in the Company's charter) is required to approve this proposal.

A vote in favor of this proposal will also be deemed to constitute approval of the filing with the Maryland Department of a complete amended and restated charter reflecting the proposed amendments.

PROPOSAL VI

Proposal VI

APPROVAL OF AN AMENDMENT TO THE COMPANY'S CHARTER TO REMOVE ALL SUPERMAJORITY STOCKHOLDER VOTING REQUIREMENTS TO AMEND CERTAIN PROVISIONS OF THE COMPANY'S CHARTER.

The Company's charter and the Maryland General Corporation Law (MGCL) provide generally that the affirmative vote of the holders of a majority of the shares outstanding and entitled to vote on the matter (after giving effect to the 10 percent voting limitation in the Company's charter, as described under Information About the 2017 Annual Meeting of Stockholders Our Annual Meeting Logistics Who Can Vote) is required to amend or repeal any provision of the Company's charter but in Article 14, the charter further provides that the affirmative vote of the holders of at least 80 percent of the voting power of the then outstanding shares of capital stock of the Company entitled to vote generally in the election of directors (after giving effect to the 10 percent voting limitation in the Company's charter as described under Information About the 2017 Annual Meeting of Stockholders Who Can Vote), voting together as a single class, is required to amend or repeal certain provisions, including Article 14 (the Company's reservation of the right to amend the Company's charter, including this 80 percent supermajority vote requirement), Article 6.F (restrictions on voting rights of stockholders beneficially owning more than 10 percent of the outstanding shares of the Company's common stock), Article 6.G (the Company's opt-out of the MGCL's control share acquisition statute), Article 8 (provisions relating to directors, including the number and classification of directors, Board vacancies, and the removal of directors), Article 9 (concurrent powers of the Board and stockholders to amend the Company's bylaws), Article 10 (approval of certain business combinations with greater than 10 percent stockholders) and Article 12 (indemnification of directors and officers).

The Board, as part of its recent efforts to enhance the Company's corporate governance practices, believes that eliminating the supermajority voting requirement for the amendment of the above-noted provisions of the Company's charter would enhance stockholders' rights. The feedback received by the Board from its outreach to the Company's large stockholders was supportive of eliminating the supermajority voting requirement for amending these provisions of the Company's charter.

The Board has determined, upon the recommendation of the Nominating and Governance Committee, that amending Article 14 of the Company's charter to eliminate the supermajority vote requirement for amending the above-noted provisions of the Company's charter is advisable and in the best interests of the Company.

Proposed Amendment

As indicated above, Article 14 of the Company's charter provides that amending or repealing certain charter provisions requires the affirmative vote of the holders of at least 80 percent of the voting power of the outstanding shares of the Company's capital stock (after giving effect to the 10 percent voting limitation in the Company's charter). The proposed amendment would lower this 80 percent stockholder vote threshold to a simple majority of the outstanding

shares (after giving effect to the 10 percent voting limitation in the Company's charter). As a result, amending all charter provisions (other than those which the Board may, pursuant to the Company's charter and the MGCL, amend unilaterally without action by the stockholders) will, once an amendment has been proposed and declared advisable by the Board, require a simple majority of the outstanding shares (after giving effect to the 10 percent voting limitation in the Company's charter).

The text of the proposed amendment to Article 14 of the Company's charter is set forth in Appendix D to this proxy statement. The above description of the proposed amendment is qualified in its entirety by reference to the text of the proposed amendment.

Effectiveness of Amendment

If approved by stockholders at the Meeting, the amendment to Article 14 of the Company's charter will become effective upon the filing of articles of amendment to the charter with the Maryland Department.

Vote Required

Approval of this Proposal is required by the affirmative vote of at least 80 percent of the voting power of the outstanding shares of the Company's voting common stock (after giving effect to the 10 percent voting limitation in the Company's charter).

Restated Charter

A vote in favor of this proposal will also be deemed to constitute approval of the filing with the Maryland Department of a complete amended and restated charter reflecting the proposed amendments.

Notice and Access (Electronic Proxy)

Under what are commonly referred to as the e-proxy or Notice and Access rules of the Securities and Exchange Commission, companies may send stockholders a one-page notice that proxy materials are available online instead of mailing a full printed package containing a proxy card, annual report and proxy statement.

The Company is using Notice and Access for the Annual Meeting. As a result, beginning on or about April __, 2017, the Company sent to most of its stockholders a notice of internet availability of its proxy materials. If you receive such a notice, you have the option of (1) accessing the proxy materials, including instructions on how to vote online, or (2) requesting that those materials be sent to you in paper form. The Company may still choose to mail hard copies of proxy materials to all or some stockholders that have not elected to have the Company send hard copies to them.

Copies of Materials

Securities and Exchange Commission rules allow a single copy of the proxy materials to be delivered to multiple stockholders sharing the same address and last name, or who the Company reasonably believes are members of the same family and who consent to receive a single copy of these materials in a manner provided by these rules. This practice is referred to as householding and can result in significant savings of paper and mailing costs.

The Company may household its proxy card, notices (including any notice of internet availability of proxy materials), annual report and proxy statement to stockholders of record that share an address. This means that stockholders of record sharing an address may not each receive a separate copy of these materials. The Company also understands that certain brokerage firms, banks, or other similar entities holding the Company's voting common stock for their customers may household proxy materials. Stockholders sharing an address whose shares of voting common stock are held by such an entity should contact such entity if they now receive: (a) multiple copies of the Company's proxy materials and wish to receive only one copy of these materials per household in the future; or (b) a single copy of the Company's proxy materials and wish to receive separate copies of these materials in the future. Who Can Vote

The record date for the Meeting is April 13, 2017. Only holders of record of the Company's voting common stock as of the close of business on that date are entitled to notice of and to vote at the Meeting. Each stockholder is entitled to one vote for each share of voting common stock held as of the record date; provided, however, that under Section F of Article 6 of the Company's charter, no stockholder who beneficially owns more than 10 percent of the shares of voting common stock outstanding as of that date may vote shares held in excess of that amount. At the close of business on the record date, there were 52,144,194 outstanding shares of voting common stock.

Special Voting Instructions for Participants in the Company's 2013 Omnibus Stock Incentive Plan with Respect to Shares Held by the Company's Stock Employee Compensation Trust

In August 2016, the Company appointed Evercore Trust Company, N.A., as trustee (the Trustee) of the Banc of California Capital and Liquidity Enhancement Employee Compensation Trust (SECT) which was established by the Company to fund its future employee compensation and benefit obligations. In connection with establishing the SECT, the Company sold 2,500,000 shares of the Company's voting common stock to the SECT for an aggregate purchase price of \$53.6 million, in exchange for a cash amount equal to the aggregate par value of the shares and a promissory note for the balance of the purchase price. The SECT will release the shares over the term of the SECT to satisfy certain compensatory and benefit obligations of the Company under certain stock and other employee benefit plans of the Company and its subsidiaries, as the promissory note is paid down through allocations of available shares as directed by the Company, dividends on the shares received by the SECT or other earnings of the SECT.

Table of Contents

INFORMATION ABOUT THE 2017 ANNUAL MEETING OF STOCKHOLDERS

As of April 13, 2017, the SECT beneficially owned 2,500,000 shares of the Company's voting common stock, which represents approximately 4.79% of the total shares of voting common stock outstanding as of that date. The SECT provides for confidential pass-through voting of the shares of the Company's voting common stock held by the SECT and requires the Trustee to follow the direction of participants in the Company's 2013 Omnibus Stock Incentive Plan as to the manner in which such shares are to be voted on each matter presented to the Company's stockholders. In accordance with the SECT, the Trustee will furnish to each active employee and director with awards outstanding under the 2013 Omnibus Stock Incentive Plan (Participants) as of April 13, 2017, the record date for the Meeting, a copy of the proxy materials received by the Trustee, together with a form requesting confidential instructions as to how the Trustee should vote the shares of voting common stock held by the SECT. In order to exercise these pass-through voting rights, Participants must return their voting instructions to the Trustee by 11:59 P.M. Eastern Time on June 6, 2017.

The Trustee will assign to each Participant a number of shares equal to the product of (x) the total number of shares of voting common stock held by the SECT and (y) a fraction, the numerator of which is the number of shares of voting common stock underlying awards to such Participant that are outstanding under the 2013 Omnibus Plan as of the record date for the Meeting, and the denominator of which is the total number of shares of voting common stock underlying awards to all Participants that are outstanding under the 2013 Omnibus Plan as of the record date for the Meeting. Each share so assigned to each Participant will be voted by the Trustee in accordance with such Participant's voting instructions. Any shares which remain undirected will be voted for, against or to abstain in the same proportions as the shares for which the Trustee receives instructions to vote.

Voting Shares Held in Street Name by a Broker

If your shares are held in street name by a broker, your broker is required to vote your shares in accordance with your instructions. If you do not give instructions to your broker, your broker will nevertheless be entitled to vote your shares with respect to any discretionary items, but will not be permitted to vote your shares with respect to non-discretionary items. In the case of non-discretionary items, your shares will be treated as broker non-votes. Whether or not an item is discretionary is determined by the exchange rules governing your broker.

Proposal II, the ratification of the appointment of the Company's independent registered public accounting firm, is expected to be a discretionary item. The remaining proposals are expected to be non-discretionary items. See *Information about the 2017 Annual Meeting of Stockholders How Shares are Treated when no Voting Instructions are Provided*.

Number of Shares Required to be Present to Hold the Meeting

A quorum must be present at the Meeting for any business to be conducted. The presence at the Meeting, in person or by proxy, of the holders of at least one-third of the shares of voting common stock outstanding on the record date will constitute a quorum. Proxies received but marked as abstentions and broker non-votes will be included in the

calculation of the number of shares considered to be present at the Meeting.

If a quorum is not present at the scheduled time of the Meeting, the chair of the Meeting or the holders of a majority of the shares of voting common stock entitled to vote who are present, in person or by proxy, may adjourn the Meeting to another date, place or time. The time and place of the adjourned Meeting will be announced at the time the adjournment is taken. An adjournment will have no effect on the business that may be conducted at the Meeting.

INFORMATION ABOUT THE 2017 ANNUAL MEETING OF STOCKHOLDERS

If you abstain from any proposal, your shares will still be included for purposes of determining whether a quorum is present. Shares treated as broker non-votes on one or more items also will be included for purposes of calculating the presence of a quorum.

The approval of Proposal IV is contingent upon the approval of Proposal III. None of the other proposals are contingent upon the approval of any other proposal.

Actions Required if any Director Nominee Does not Receive Required Majority Vote

If a nominee for director who is an incumbent director (which includes each nominee named in this proxy statement) is not elected by a majority of the votes cast at the Meeting, then the Company's bylaws provide that the following sequence of events shall occur:

the director shall promptly tender his resignation to the Board of Directors;

the Nominating and Corporate Governance Committee shall make a recommendation to the Board of Directors as to whether to accept or reject the tendered resignation, or whether other action should be taken; and

the Board of Directors shall act on the tendered resignation, taking into account the Nominating and Corporate Governance Committee's recommendation, and publicly disclose (by a press release, a filing with the Securities and Exchange Commission or other broadly disseminated means of communication) its decision regarding the tendered resignation within 90 days from the date of the certification of the election results.

The Nominating and Corporate Governance Committee, in making its recommendation, and the Board of Directors, in making its decision, may each consider any factors or other information that it considers appropriate and relevant. The director who tenders his or her resignation may not participate in the recommendation of the Nominating and Corporate Governance Committee or the decision of the Board of Directors with respect to his or her resignation.

If an incumbent director's resignation is not accepted by the Board of Directors and/or the director is re-appointed by the Board, the director will continue to serve until his or her successor is duly elected or his or her earlier resignation or removal. If a director's resignation is accepted by the Board of Directors, or if a nominee for director is not elected and the nominee is not an incumbent director, then the Board of Directors, in its sole discretion, may fill any resulting vacancy or eliminate the vacancy by reducing the size of the Board.

Inspector of Election

The Board of Directors has appointed Computershare to act as Inspector of Election at the Annual Meeting to tabulate the votes cast.

Proxy Solicitor and Proxy Solicitation Costs

We will pay the costs of soliciting proxies. We have retained D.F. King & Co. to assist with the Annual Meeting, including the distribution of proxy materials and solicitation of votes, for a fee of \$8,500, plus reimbursement of expenses to be paid by us.

We will reimburse brokerage firms and other custodians, nominees and fiduciaries for reasonable expenses incurred by them in sending proxy materials to the beneficial owners of the Company's voting common stock. In addition, our directors, officers or employees may solicit proxies for us in person or by telephone, facsimile, internet or other electronic means for which they will not receive any compensation other than their regular compensation as directors, officers and employees.

Director Nominees Unable to Stand for Election

If a director nominee is unable to stand for election, the Board of Directors may either reduce the number of directors to be elected or select a substitute director nominee. If a substitute director nominee is selected, the Board of Directors, as holder of your proxy, will vote your shares for the substitute director nominee unless you have withheld authority to vote for the director nominee replaced.
