PROXY STATEMENT

The enclosed proxy is solicited by the Board of Directors (the "Board") of Skyline Corporation ("Skyline" or the "Company") for use at the Annual Meeting of Shareholders to be held September 29, 2017 (the "Annual Meeting"). The shares represented by properly executed proxies received prior to the meeting will be voted. If the shareholder directs in the proxy how the shares are to be voted, they will be voted accordingly. When no direction has been given by the shareholder, it is the intention of the proxies named in the proxy to vote the same in accordance with their best judgment. Any proxy given may be revoked by the shareholder at any time prior to the voting of the proxy by (i) submitting written notice of the revocation to the Corporate Secretary prior to the Annual Meeting; (ii) submitting a later-dated and properly-executed proxy; or (iii) attending the Annual Meeting and voting in person. The approximate date on which this proxy statement and the form of proxy are first sent or given to shareholders is August 22, 2017.

Important Notice Regarding the Availability of Proxy Materials for the Annual Meeting to be Held on September 29, 2017.

Skyline's Annual Report to Shareholders, Proxy Statement, and Proxy are available on the Internet at www.skylinecorp.com.

Please contact Skyline's Secretary, Martin R. Fransted at (574) 350-2251 if you need to obtain directions on how to attend the Annual Meeting and vote in person.

Your vote is very important. Please note that if you hold your shares through a broker, bank, or other nominee, such broker, bank, or nominee may not vote your shares on the election of Directors, the advisory vote on executive compensation for fiscal year 2017, or the advisory vote on the frequency of future advisory votes on executive compensation in the absence of your specific instructions as to how to vote. In order for your vote to be counted, please make sure that you submit your voting instructions to your broker, bank, or other nominee.

VOTING SECURITIES

Only shareholders of record as of the close of business on July 31, 2017, or their proxies are entitled to vote at the Annual Meeting. As of that date, Skyline had outstanding 8,391,244 shares of Common Stock having one vote per share.

Each shareholder is entitled to one vote for each share of Common Stock held by the shareholder. A quorum for purposes of the Annual Meeting shall exist if a majority of the Common Stock of Skyline entitled to vote is represented in person or by proxy at the Annual Meeting. Abstentions, withheld votes, and broker non-votes will be counted for purposes of determining whether a quorum is present. All votes cast at the Annual Meeting will be tabulated by Computershare Trust Company, N.A.

If your shares are held in an account with a bank, broker, or another third party that holds shares on your behalf, referred to herein as a nominee, then you are considered the beneficial owner of these shares, and your shares are referred to as being held in street name. If you hold your shares in street name, you must vote your shares in the manner provided for by your bank, broker, or other nominee. Your bank, broker, or other nominee has enclosed or provided a voting instruction card with this proxy statement for you to use in directing the bank, broker, or other nominee how to vote your shares.

If your shares are held by a bank, broker, or other nominee, they may not be voted or may be voted contrary to your wishes if you do not provide your bank, broker, or other nominee with instructions on how to vote your shares. Brokers, banks, and other nominees have the authority under the rules of the New York Stock Exchange (NYSE) to vote shares held in accounts by their customers in the manner they see fit, or not at all, on routine matters if their customers do not provide them with voting instructions. Proposals 1, 3, and 4 are not considered to be routine matters, but Proposal 2 is considered to be a routine matter. When a proposal is not routine and the bank, broker, or other nominee has not received your voting instructions, a bank, broker, or other nominee will not be permitted to vote your shares and a broker non-vote will occur. To ensure your shares are voted in the manner you desire, you should provide instructions to your bank, broker, or other nominee on how to vote your shares for each of the proposals to be voted on at the Annual Meeting in the manner provided for by your bank, broker, or other nominee.

Directors will be elected by a plurality of the votes of the shares present in person or represented by proxy at the meeting and entitled to vote on the election of directors. This means that the individuals who receive the highest number of votes are elected as directors up to the maximum number of directors to be elected at the meeting. Votes withheld from any director are counted for purposes of determining the presence or absence of a quorum for the transaction of business. Shareholders do not have the right to cumulate their votes in the election of directors. Abstentions, broker non-votes, and votes that are withheld will not be included in the vote count and will have no effect on the outcome of the vote.

The affirmative vote of a majority of the votes cast at the Annual Meeting is required to approve, on an advisory basis, the ratification of the appointment of Crowe Horwath LLP as Skyline's independent auditor for fiscal year 2018 and the non-binding advisory vote on the executive compensation of the Company's Named Executive Officers for fiscal 2017. With

respect to the non-binding advisory vote relating to the frequency of the shareholder advisory vote on the Named Executive Officers compensation, the option receiving the most votes cast (i.e., every one, two, or three years) will be considered the frequency approved by the shareholders. Abstentions and broker non-votes will have no effect on these proposals.

PROPOSALS TO BE VOTED ON

PROPOSAL NO. 1.

ELECTION OF DIRECTORS

In accordance with the terms of Skyline's By-Laws, the number of Directors permitted to serve on the Board is currently fixed at seven (7). Directors are elected on an annual basis at Skyline's Annual Meeting of Shareholders, and each Director holds office for a one-year term. The nominees for Directors for fiscal year 2018 are: Arthur J. Decio, John C. Firth, Richard W. Florea, Samuel S. Thompson, John W. Rosenthal Sr., Matthew W. Long, and Thomas L. Eisele. Proxies cannot be voted for a greater number of persons than seven.

It is intended that the votes authorized by the enclosed proxy will be cast for the election of the seven Director nominees. In the event that one or more of the nominees shall unexpectedly become unavailable for election, the votes will be cast, pursuant to authority granted by the enclosed proxy, for such person or persons as may be designated by the present Board or the Board may be reduced accordingly. All of the nominees for whom the proxies intend to vote have agreed to serve as Directors if elected.

Information on the Director nominees can be found beginning on page 6 of this Proxy Statement.

The Board of Directors recommends that shareholders vote FOR all seven Director nominees.

PROPOSAL NO. 2.

ADVISORY VOTE TO RATIFY THE APPROVAL OF THE APPOINTMENT OF CROWE HORWATH LLP AS INDEPENDENT AUDITOR FOR FISCAL YEAR 2018

The Audit Committee is responsible for the appointment of the independent auditor engaged by Skyline. The Board and Audit Committee have appointed Crowe Horwath LLP as independent auditor for fiscal year 2018. The Board of Directors is asking shareholders to ratify this appointment. Crowe Horwath LLP audited Skyline's financial statements for fiscal year 2017. A representative of that firm will be present at the Annual Shareholders Meeting and will have an opportunity to make a statement and answer questions. Shareholders may

vote for or against the ratification of Crowe Horwath LLP as Skyline's independent auditor for fiscal year 2018, or the shareholder may abstain from voting.

The Board of Directors recommends that shareholders vote FOR ratifying the appointment of Crowe Horwath LLP, an independent registered public accounting firm, to serve as Skyline's independent auditor for fiscal year 2018.

PROPOSAL NO. 3.

ADVISORY VOTE ON EXECUTIVE COMPENSATION

The Board of Directors is asking the shareholders to provide an advisory, non-binding vote to approve the compensation paid to our Named Executive Officers, as described in the Executive Compensation section of this Proxy Statement. Skyline is providing this advisory vote as required pursuant to Section 14A of the Securities Exchange Act of 1934, as amended (the Exchange Act). Non-binding votes on executive compensation have occurred at each of Skyline's Annual Meetings since 2011, and it is anticipated that such non-binding votes will continue to occur on an annual basis.

Skyline's Compensation Committee oversees the compensation program and compensation awarded. In addition, it adopts changes to the program and awards compensation as appropriate to reflect Skyline's circumstances and to promote the main objectives of the program. These objectives include: to compete for and retain managerial talent, to reward profitable growth and increase shareholder returns, and to effectively tie pay to performance. The Board is asking the shareholders to indicate their support for the Named Executive Officers' compensation for fiscal year 2017. The Board believes the executive compensation program was designed appropriately and is working to ensure that management's interests are aligned with the shareholders' interests to support long-term value creation.

Shareholders may vote for or against the following resolution, or abstain from voting. This vote is not intended to address any specific item of compensation, but rather the overall compensation of the Named Executive Officers. The proposed resolution is:

Resolved, that the shareholders approve the compensation paid to Skyline's Named Executive Officers for fiscal year 2017, as disclosed in the Executive Compensation discussion included in this Proxy Statement.

While this vote is advisory and not binding on Skyline, the Board and the Compensation Committee expect to consider the outcome of the vote, along with other relevant factors, when considering future executive compensation decisions.

The Board of Directors recommends that shareholders vote FOR the approval of the foregoing resolution on Named Executive Officer compensation.

PROPOSAL NO. 4.

ADVISORY VOTE ON THE FREQUENCY OF SHAREHOLDER ADVISORY VOTES ON EXECUTIVE COMPENSATION

In addition to the non-binding shareholder advisory vote on the compensation paid to our Named Executive Officers, the Dodd-Frank Wall Street Reform and Consumer Protection Act (the "Dodd-Frank Act") also requires Skyline to seek, once every six years, shareholder approval of how often Skyline will seek advisory approval of the Named Executive Officer's compensation. This non-binding advisory vote is commonly referred to as a "say-on-frequency" vote. The Dodd-Frank Act requires that Skyline present every one, two, or three years, or abstain, as voting alternatives for shareholders.

After careful consideration, the Board of Directors has determined that a non-binding advisory vote on Named Executive Officer compensation that occurs annually is the most appropriate, and the Board recommends that shareholders vote for the approval of this interval. The Board believes that holding a vote every year is the most appropriate option because (i) it would enable our shareholders to provide us with input regarding the compensation of our Named Executive Officers on an annual basis; and (ii) it would encourage continued engagement with our shareholders to obtain their input on our corporate governance matters and our executive compensation philosophy, policies, and practices.

Shareholders are not voting to approve or disapprove the recommendation of our Board of Directors. Instead, shareholders may cast a vote on their preferred voting frequency by choosing any of the following four options with respect to this proposal: one year, two years, three years, or abstain. For the reasons discussed above, we are asking our shareholders to vote for a frequency of one year. The option that receives the most votes cast at the Annual Meeting will be considered by the Board of Directors in determining the preferred frequency with which we will hold a shareholder vote to approve the compensation of our Named Executive Officers.

Your vote on this proposal will be advisory and non-binding on Skyline, the Board, and the Compensation Committee. However, the Board and Compensation Committee, which is responsible for designing and administering our executive compensation program, value the opinions expressed by shareholders in their vote on this proposal and will consider the option that receives the most votes in determining the frequency of future votes on the compensation of our Named Executive Officers.

The Board of Directors recommends that shareholders vote for a non-binding advisory vote on the compensation of our Named Executive Officers be held every ONE YEAR.

Prior to founding St. Joseph Capital Bank, Mr. Rosenthal was a vice president and senior corporate banker at The First National Bank of Chicago. Mr. Rosenthal is also the lead director of Materials Processing Inc., a privately held diversified manufacturing company headquartered in Indianapolis, Indiana. The Board will benefit from his financial, executive management and commercial credit experience along with his sound business judgment.

Nominees Who are Not Currently Directors

Matthew W. Long, age 55, is a nominee standing for first-time election to the Skyline Board at the Annual Meeting. Mr. Long has served as Chief Financial Officer, Treasurer, and Assistant Secretary of Supreme Industries, Inc. a publicly-traded leading manufacturer of truck bodies and specialized commercial vehicles since 2011. Assistant Treasurer of CTS from December 2000 until May 2003. Previously, he held a variety of accounting positions for Emerson Electric, General Housewares/Chicago Cutlery, and United Technologies. The Board will benefit from his executive management experience, business judgment, financial and accounting expertise.

Thomas L. Eisele, age 67, is a nominee standing for first-time election to the Skyline Board at the Annual Meeting. Mr. Eisele is the former Senior Vice President, Chief Legal Officer and Secretary of NIBCO Inc., a global manufacturer of flow control products for residential and commercial construction, and industrial and irrigation markets. Mr. Eisele served NIBCO for thirty-one years and was an instrumental member of and advisor to executive management, implementing strategic business growth initiatives, building strong board relations, creating powerful internal and external alliances, managing through crisis and change, providing proactive and effective solutions, and overseeing many aspects of corporate governance and the corporate legal function. He is currently a member of the NIBCO Board of Directors. The Board will benefit from Mr. Eisele's executive management experience, corporate governance skills, strategic vision and business acumen.

CORPORATE GOVERNANCE

Skyline believes good governance starts with a Board whose independence ensures candid and constructive engagement with management about all aspects of Skyline's business. Skyline's Director nomination process seeks persons with the initiative, time, skills, and experience to be effective contributors.

Skyline's governance processes address matters relating to Board operations that are fundamental to shareholder interests. The independent Directors meet regularly without management present to evaluate Skyline's results, plans, and challenges, as well as management's performance and the strength and development of Skyline's Named Executive Officers. Between June 1, 2016 and May 31, 2017, the Board met five times. All the Directors of the Board were present at these meetings. Skyline's independent Directors also met in executive session four times during the fiscal year ended May 31, 2017. Directors are expected, although not required, to attend Skyline's Annual Shareholders' Meeting, and all Board meetings and meetings of the Committees of the Board on which they serve. In 2016, all of the Directors attended the Annual Meeting of the Shareholders.

The Board is actively engaged in overseeing and reviewing Skyline's strategic direction and objectives, taking into account (among other considerations) Skyline's risk profile and exposures. The Board conducts an annual in-depth review of the business, which includes consideration of strategic, operational, competitive, financial, compliance, and other risk exposures. Skyline currently separates the Chairman and CEO functions, with each position held by a different individual. Skyline has at times operated with a combined Chairman and

CEO functions and at other times Skyline has separated those positions. The Board considers the current constituency of management in evaluating whether a combined role is efficient and effective. At the present time, it is the assessment of the Board that separating these positions allows the CEO to focus on the Company's business, while the Chairman can focus on corporate governance matters, as well as leadership development and succession planning. Mr. Firth serves as the non-executive Chairman of the Board, and his considerable experience with other publicly-traded companies provides him with an excellent background to define the function and structure of the independent Directors. The primary focus of the independent Directors continues to be an independent assessment of the performance of the Company, along with a continuous discussion regarding succession planning. The Board interacts extensively with management in a continuous monitoring of risk factors, both internal and external, that are involved with the particular business of the Company. The independence of the Board, the extensive experience of the Board of Directors, and the sophistication of the individuals serving on the Board provide a high level of ability to address risk at all levels.

Although the Board as a whole has responsibility for risk oversight, three standing committees also oversee Skyline's risk profile and exposures relating to matters within the scope of each committee's authority and reports to the Board about their deliberations. The committees are the Audit Committee, Compensation Committee, and the Nominating and Governance Committee. The Audit Committee considers audit, accounting, and compliance risk, and it receives reports from its outside auditors, internal audit staff, and the Chief Financial Officer, among others. The Audit Committee is also responsible for the review of Skyline's major risk exposures (whether financial, operational, or otherwise), and the steps management has taken to monitor and control such exposures, and for evaluating management's process to assess and manage Skyline's enterprise risk issues. The Compensation Committee considers the level of risk implied by Skyline's compensation programs, including incentive compensation programs in which the CEO and other employees participate. The Nominating and Governance Committee monitors potential risks to the effectiveness of the Board, notably Director succession and the composition of the Board, and the principal policies that guide Skyline's governance. Each of the committees operates under a written charter to promote clarity in their responsibilities and accountability amongst their members. These committees work in a coordinated way to address recurring matters and respond to unanticipated events, and they are discussed in greater detail below.

In addition, in compliance with the wishes of a majority of the shareholders, shareholders will again have the opportunity to participate in a non-binding advisory vote on the compensation of the Company's Named Executive Officers.

Committees

Information about Committee meetings is as follows:

The Audit Committee consists of Messrs. Firth, Hammes, Link, Rosenthal, and Thompson. Messrs. Hammes and Link will step down from the Audit Committee upon the expiration of their terms as directors at the Annual Meeting. The Audit Committee met five times during the fiscal year ended May 31, 2017. Every member of the Audit Committee was present at all the meetings, except one committee member missed one Committee meeting. The Committee meets with the accounting firm which conducts the annual audit of Skyline's financial statements, reviews auditors' recommendations, reviews the independence of Skyline's auditors and considers the range of audit and non-audit fees. It also meets with the internal audit staff and Chief Financial Officer, reviews the scope and adequacy of Skyline's internal auditing program, and reports its findings to the Board with any recommendations it considers appropriate. Skyline's Board has adopted a written charter for the Audit Committee which is posted to Skyline's website at www.skylinecorp.com and available in paper form upon request to Skyline's Secretary. The members of the Audit Committee are all independent as defined in the applicable listing standards. Messrs. Firth, Hammes, Rosenthal, and Link are all Audit Committee Financial Experts.

The Nominating and Governance Committee consists of Messrs. Thompson, Firth, Hammes, Rosenthal, and Link, all of whom are independent. Messrs. Hammes and Link will step down from the Nominating and Governance Committee upon the expiration of their terms as directors at the Annual Meeting. The Nominating and Governance Committee met two times during the fiscal year ended May 31, 2017. Every member of the Nominating and Governance Committee was present at all the meetings. The Nominating and Governance Committee identifies individuals qualified to become members of the Board, and recommends that the Board nominates such individuals for election to the Board at the next Annual Meeting of Shareholders. The Nominating and Governance Committee also develops and reviews Skyline's corporate governance guidelines and makes recommendations to the Board regarding the guidelines. The Nominating and Governance Committee believes that candidates for directors should meet certain minimum qualifications including being of the highest ethical character and sharing the values of Skyline as reflected in Skyline's Code of Business Conduct and Ethics, having reputations both personally and professionally consistent with the image and reputation of Skyline, and being highly accomplished in their respective fields with superior credentials and recognition and having relevant experience and expertise. In selecting candidates, the Nominating and Governance Committee and Board take diversity into account, seeking to ensure a representation of varied perspectives and experience, although Skyline's nomination policy does not prescribe specific standards for diversity. The Nominating and Governance Committee retains the right to modify these qualifications.

Shareholders may provide the Nominating and Governance Committee information on director candidates for consideration by the Nominating and Governance Committee. The Nominating and Governance Committee will consider shareholder recommendations of candidates when the recommendations are properly submitted. To be considered, any such shareholder recommendation must be submitted as set forth under the section of this Proxy Statement below entitled "Shareholder Proposals," and must comply with the notice, information, and consent provisions set forth in the Company's Bylaws. Shareholder nominees will be evaluated under several criteria, including: (i) the satisfaction of applicable independence and eligibility requirements, such as those required of members of the Audit Committee and the Compensation Committee; (ii) the person's professional experiences, including achievements, and whether those experiences and achievements would be useful to the Board, given its existing composition, in discharging its responsibilities; (iii) the person's subject matter expertise, i.e., finance, accounting, legal, management, technology, strategic visioning, marketing, and the desirability of that particular expertise given the existing composition of the Board; (iv) the viewpoint, background, and demographics of the person and whether the person would positively contribute to the overall diversity of the Board; (v) the person's professional ethics, integrity, and values; (vi) the person's intelligence and ability to make independent analytical inquiries; (vii) the person's stated willingness and ability to devote adequate time to Board activities, including attending meetings and development sessions and adequately preparing for those activities; (viii) the person's service on more than three public company boards, excluding the Board, unless the Nominating and Governance Committee concludes, based upon a review of all of the facts and circumstances, that such service on more than three other public company boards would not impair the ability of the proposed candidate/nominee to discharge his or her responsibilities as a member of the Board, and, provided further, the proposed candidate/nominee does not serve on more than five other public company boards; (ix) the person's principal business responsibilities; (x) whether the person would be able to serve on the Board for an extended period of time; (xi) whether the person has, or potentially could have, a conflict of interest which would affect the person's ability to serve on the Board or to participate in decisions that are material to the Company; and (xii) whether and to what extent the person has an ownership interest in the Company. The Nominating and Governance Committee retains absolute discretion and independence in determining whether to recommend a candidate. Skyline has a written charter for the Nominating and Governance Committee which is posted to Skyline's website at www.skylinecorp.com and available in paper form upon request to Skyline's Secretary.

The amended and restated by-laws of the Company (the "By-Laws") contain provisions requiring shareholders to provide advance notice to the Company of shareholder proposals and other business to be considered at shareholders' meetings (Section 11 of Article III of the By-Laws), advance notice of shareholder nominations for director elections at annual

shareholders' meetings (Section 12 of Article III of the By-Laws), as well as the information required to be submitted by shareholders in connection with any shareholder proposal or director nomination, and delineating the director qualifications that the Nominating and Governance Committee of the Board must consider in assessing whether any proposed director nominee should be considered for membership on the Board (Section 12(b) of Article III of the By-Laws).

The Compensation Committee consists of Messrs. Firth, Hammes, Link, Rosenthal, and Thompson. Messrs. Hammes and Link will step down from the Compensation Committee upon the expiration of their terms as directors at the Annual Meeting. The Compensation Committee met two times during the fiscal year ended May 31, 2017. Every member of the Compensation Committee was present at all the meetings, except one committee member missed one Committee meeting. The functions of the Compensation Committee are to discharge the Board's responsibilities relating to compensation of Skyline's executives, review and approve corporate goals and objectives relevant to the Chief Executive Officer's compensation, evaluate Chief Executive Officer performance in light of these goals and objectives and set the Chief Executive Officer's compensation level based on this evaluation, and to make recommendations to the Board regarding incentive compensation plans, equity based plans and to undertake any similar functions.

In fiscal 2017, the Compensation Committee retained an outside consultant, Korn Ferry Hay Group (KFHG), to assist the committee in reviewing and evaluating certain aspects of the Company's executive compensation programs. The services for fiscal 2017 provided by KFHG focused on the development of the Company's peer group, a review of the Company's fiscal 2017 cash incentive plan, and a review of short-term and long-term incentive plan designs and prospective grant modeling. The fees paid to KFHG for those services were approved solely by the Compensation Committee. During fiscal 2017, KFHG did not provide any additional services to the Company or the Company's affiliates other than the executive compensation consulting services to the Compensation Committee described herein. In accordance with the rules of the SEC and NYSE American LLC stock exchange, the Compensation Committee has considered the independence of KFHG pursuant to, and based on the factors set forth in, such rules, including the following factors: (i) other services provided to the Company by KFHG; (ii) fees paid as a percentage of KFHG's total revenue; (iii) policies and procedures maintained by KFHG that are designed to prevent a conflict of interest; (iv) any business or personal relationships between the individual consultants involved in the engagement and any member of the Compensation Committee; (v) any Company stock owned by individual consultants involved in the engagement; and (vi) any business or personal relationships between our executive officers and KFHG or the individual consultants involved in the engagement. The Compensation Committee has concluded that no conflict of interest exists that would prevent KFHG from serving as an independent consultant to the committee.

When setting executive officer compensation for fiscal 2017, the Compensation Committee considered recommendations from KFHG and the Company's management. The executive officers for whom compensation recommendations and proposals were discussed were not present during those discussions with the committee. When setting the fiscal 2017 compensation for the Company's Chief Executive Officer, the Chief Executive Officer was not present during the discussions. The Compensation Committee retains the discretion to accept, adjust, or reject any recommendations and proposals concerning executive officer compensation.

Skyline has a written charter for the Compensation Committee which is posted to Skyline's website at www.skylinecorp.com and available in paper form upon request to Skyline's Secretary. The members of the Compensation Committee are all independent as defined in the applicable listing standards.

Employment Agreement with Richard Florea

The Company has entered into an Executive Employment Agreement dated June 25, 2015 (the "Employment Agreement") with Richard W. Florea, the Company's President and Chief Executive Officer. Following is a description of the material terms of the Employment Agreement.

The initial term of the Employment Agreement continued until May 31, 2017, and upon expiration of the initial term the Employment Agreement will automatically renew for successive one-year periods unless one of the parties gives 60-day prior notice of termination to the other party or the agreement is earlier terminated in accordance with its terms. The Employment Agreement provides Mr. Florea with an annual base salary of \$360,000, and he will be eligible to receive an annual performance bonus for each of Skyline's fiscal years in an amount up to 50% of his base salary based on the achievement of certain financial and operational goals for Skyline and Mr. Florea as established by the Board. Each annual performance bonus to which Mr. Florea becomes entitled will be paid by August 15 following the fiscal year for which the bonus is due. Additionally, Mr. Florea was granted options to purchase 200,000 shares of Skyline common stock under the Skyline Corporation 2015 Stock Incentive Plan (the "2015 Plan"). The options vest in five annual installments of 40,000 options each. Mr. Florea also is entitled to participate in the medical, life, and disability insurance plans, retirement plans, and other employee benefit plans and policies as established by Skyline from time to time upon the same terms as available to other executive officers of Skyline.

Under the Employment Agreement, Mr. Florea is entitled to receive severance benefits if his employment is terminated under certain circumstances. In this regard, if Skyline terminates Mr. Florea's employment without Cause (as defined in the Employment Agreement) in contemplation of a Change in Control (as defined in the Employment Agreement) or without Cause within six months after the occurrence of a Change in Control, then he will be entitled to the following severance benefits: (i) his then-current base salary for an 18-month period; and (ii) all stock options granted to Mr. Florea (as described in the preceding paragraph) will immediately vest. These severance benefits will be payable to Mr. Florea in equal quarterly installments with the first installment payable on the first day of the seventh month after the date on which his employment was terminated. However, if Mr. Florea accepts other employment or other consulting engagements within the above-referenced 18-month severance period, his remaining severance payments will be reduced by the total amount of the base salary earned by or paid to Mr. Florea in connection with his subsequent employment or engagement.

If the Employment Agreement is terminated for any reason other than in connection with a Change in Control as described in the preceding paragraph, Mr. Florea will receive his earned but unpaid base salary through the date of termination, any reimbursable business

expenses, and any accrued but unpaid vested amounts under any of Skyline's employee benefit plans, and if the termination was without Cause, severance payments equal to his then-current base salary for a 9-month period.

In addition, Mr. Florea is bound by noncompetition provisions that restrict him from competing with Skyline for nine months following the termination of his employment with Skyline, except that in the event of termination of his employment without Cause in contemplation of or within six months after a Change of Control, the noncompetition period shall be 18 months (i.e., the same period in which he would be entitled to severance payments in those circumstances). Mr. Florea also is subject to nonsolicitation restrictions with respect to Skyline's customers and employees for the same period. Finally, Mr. Florea is subject to confidentiality provisions protecting Skyline's confidential business information from unauthorized disclosure.

401(k) Plan

Skyline has a 401(k) plan where all employees become eligible in the 401(k) plan as of the June 1 or December 1 immediately following completion of six months of employment. Participants in the 401(k) plan have the ability to self-direct investments pursuant to various investment choices permitted under the plan. Employee deferrals under the 401(k) plan are 100% vested. However, assets transferred from two profit sharing plans which are now terminated remain subject to a six year vesting schedule ranging from 0% after one year of employment to 100% after six or more years. Skyline in any year has the discretion to contribute employer contributions on a matching basis (based on participant 401(k) deferrals), or as a profit sharing contribution on the basis of compensation earned by participants. No employer contributions are required in any year. Any employer contributions are subject to the maximum amount permitted under the Internal Revenue Code.

Skyline reserves the right to modify, amend, or terminate the 401(k) plan. In the event of termination of the 401(k) plan, the 401(k) plan trustee must pay all benefits under the plan to participants or their beneficiaries in accordance with Plan provisions and IRS and ERISA requirements.

Skyline has entered into arrangements with certain employees, including one Named Executive Officer, which provide for Skyline to pay benefits to the employees' estates in the event of death during active employment or to pay retirement benefits over 10 years beginning at the date of retirement. Skyline also purchased life insurance contracts on the covered employees. The cash surrender value of the insurance contracts are recorded as a long-term other asset and the net present value of the maximum potential benefit is recorded as a liability on Skyline's financial statements.

The following table provides information on a plan that provides for payments or other benefits in connection with one Named Executive Officer's retirement, excluding tax-qualified and non-qualified defined contribution plans. Messrs. Florea and Newport did not participate in any such plan during fiscal 2017.

See the *Summary Compensation Table* on page 19 for a description of Mr. Florea's compensation.

Jerry Hammes	\$ 39,000
William H. Lawson	\$ 42,000
David T. Link	\$ 40,000
Samuel S. Thompson	\$ 41,000
John W. Rosenthal, Sr.	\$ 27,250

Transactions with Related Persons

Skyline did not participate in any transaction with a related person as defined by 17 CFR §229.404 during the fiscal years ended May 31, 2017 or May 31, 2016 in which the amount involved exceeded the lesser of \$120,000 or one percent (1%) of the average of Skyline's total assets as of the end of Skyline's fiscal years ending May 31, 2017 and May 31, 2016.

Risk and Executive Compensation

It is the judgment of the Board that Skyline's compensation policies and practices are unlikely to have a material adverse effect to Skyline. This conclusion was based in part upon the fact Skyline does not currently use compensation programs at levels that commit Skyline to compensation obligations that may be inconsistent with the long-term performance of Skyline. The value of awards under the 2015 Plan should largely track changes in value of Skyline Common Stock.

DIRECTOR INDEPENDENCE AND EXECUTIVE SESSIONS

The Board of Directors has affirmatively determined that each of the five current non-management Directors – Jerry Hammes, David T. Link, John C. Firth, Samuel S. Thompson, and John W. Rosenthal, Sr. – is an independent Director, and therefore, that a majority of Skyline's Board of Directors is currently independent as so defined. The Board of Directors also has determined that, upon their election to the Board, each of Matthew W. Long and Thomas L. Eisele will qualify as an independent director. Each of the aforementioned persons would also qualify as an independent Nominee for Director. For this purpose, Skyline's Board adopted the following categorical standards based in part on the New York Stock Exchange Corporate Governance Listing Standards approved by the SEC on November 4, 2003, as amended, and additional categories considered appropriate by the Board:

1. No Director qualifies as independent unless the Board affirmatively determines that the Director has no material relationship with Skyline or any of its subsidiaries (either directly or as a partner, shareholder or officer of an organization that has a relationship with Skyline or its subsidiaries);

4. There were four

executive sessions of the independent directors held in the fiscal year ended May 31, 2017. All shareholders and interested parties may communicate directly with the independent Directors by sending an e-mail to board@skylinecorp.com.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has appointed Crowe Horwath LLP as Skyline's independent auditor for the fiscal year ending May 31, 2018. Crowe Horwath LLP has been the Company's independent auditor since 2005, and is considered by management to be well qualified. The Board and the Audit Committee recommend that shareholders ratify the appointment of Crowe Horwath LLP as Skyline's independent auditor for Skyline's fiscal year 2018. Although not required to do so, Skyline believes that it is appropriate to request that shareholders ratify this appointment. If shareholders do not ratify the appointment, the Audit Committee will investigate the reasons for the shareholders' rejection and reconsider the appointment. Representatives of Crowe Horwath LLP will be at the Annual Meeting, will be given the opportunity to make a statement, and will be available to respond to questions.

COMMUNICATIONS WITH DIRECTORS

Skyline provides for a procedure for shareholders and other interested parties to communicate with the Board. Communications may be sent to the attention of all Board Members or Committees in care of board@skylinecorp.com or to the independent directors only at chairman@skylinecorp.com.
