Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On March 2, 2018, the Board of Directors of Empire State Realty Trust, Inc. (the Company) adopted the Second Amended and Restated Bylaws of the Company (the Amended Bylaws), effective as of March 2, 2018, to implement proxy access. The Amended Bylaws also reflect certain conforming, technical and clarifying changes made to the previous bylaws of the Company.

The Amended Bylaws include a new Section 2.14 that permits a stockholder, or group of no more than 20 stockholders, meeting specified eligibility requirements, to include director nominees in the Company's proxy materials for annual meetings of its stockholders. The maximum number of director nominees that may be submitted pursuant to these provisions may not exceed 20% of the number of directors then in office. In order to be eligible to utilize the proxy access provisions, a stockholder, or group of stockholders, must, among other requirements:

have owned shares of common stock equal to at least 3% of the aggregate of the issued and outstanding shares of common stock of the Company continuously for at least the prior three (3) years;

represent that such shares were acquired in the ordinary course of business and not with the intent to change or influence control at the Company and that such stockholder or group does not presently have such intent; and

provide a notice requesting the inclusion of director nominees in the Company's proxy materials and provide other required information to the Company not earlier than 150 days nor later than 120 days prior to the first anniversary of the date of mailing of the notice for the preceding year's annual meeting of stockholders (with adjustments if the date for the upcoming annual meeting of stockholders is advanced or delayed by more than 30 days from the anniversary date of the prior year's annual meeting).

Additionally, all director nominees submitted through these provisions must be independent (pursuant to the requirements under the rules of the primary stock exchange on which the common stock of the Company is listed, the Securities and Exchange Commission and any publicly disclosed standards used by the Board of Directors, as well as the audit committee and compensation committee independence requirements under the rules of the primary stock exchange on which the common stock of the Company is listed) and meet specified additional criteria. Stockholders will not be entitled to utilize this proxy access right at an annual meeting if the Company receives notice through its traditional advanced notice by-law provisions that a stockholder intends to nominate a director at such meeting.
