**Item 3.03. Material Modification to Rights of Security Holders.**

On March 13, 2018, The Progressive Corporation (the Company) filed a Certificate of Amendment (the Amendment) to its Amended Articles of Incorporation, as amended (the Articles), with the Secretary of State of the State of Ohio, establishing and fixing the rights and preferences of 500,000 Series B Fixed-to-Floating Rate Cumulative Perpetual Serial Preferred Shares, without par value (the Preferred Shares). The Preferred Shares have a liquidation preference of \$1,000 per share (the stated amount).

Holders of the Preferred Shares will be entitled to receive, when, as and if declared by the Company's board of directors (or a duly authorized committee of the board), but only out of funds legally available therefor, cumulative cash dividends:

for each dividend period during the period commencing on the original issue date and continuing to, but excluding, March 15, 2023, at an annual rate of 5.375% of the stated amount per share, and no more, payable semi-annually in arrears on the 15<sup>th</sup> day of each March and September, respectively, in each year, beginning on September 15, 2018; and

for each dividend period during the period commencing on March 15, 2023 and continuing to, but excluding, the first date, if any, as of which all Preferred Shares have been redeemed, at an annual rate equal to Three Month LIBOR (as defined in the Amendment) for such dividend period plus a spread of 2.539% applied to the stated amount per share, and no more, payable quarterly in arrears on the 15<sup>th</sup> day of each March, June, September and December, respectively, in each year, beginning on June 15, 2023.

The Company may, at the option of its board of directors (or a duly authorized committee of the board), redeem the Preferred Shares:

in whole but not in part, at any time prior to March 15, 2023, within 90 days after the occurrence of a rating agency event (as defined in the Amendment) at a cash redemption price per share equal to \$1,020, together (except as otherwise provided in the Amendment) with an amount equal to all accrued and unpaid dividends to, but excluding, the redemption date; and

in whole or in part, from time to time on or after March 15, 2023, at a cash redemption price per share equal to the stated amount, together (except as otherwise provided in the Amendment) with an amount equal to all accrued and unpaid dividends to, but excluding, the redemption date.

With respect to the payment of dividends and distributions of assets upon any liquidation, dissolution or winding up, the Preferred Shares will rank:

senior to the Company's common shares, \$1.00 par value, and any class or series of shares ranking junior to the Preferred Shares;

on a parity with each other series of Serial Preferred Shares or Voting Preference Shares (as those terms are defined in the Articles) that the Company may issue; and

junior to all the Company's existing and future indebtedness and other non-equity claims against the Company.

In the event of any voluntary or involuntary liquidation, dissolution or winding up of the affairs of the Company, the holders of the Preferred Shares shall be entitled to receive in full out of the assets of the Company, including its capital, before any amount shall be paid or distributed among the holders of the common shares of the Company or any other shares ranking junior to the Preferred Shares, an amount equal to the stated amount per share, plus an amount equal to all dividends accrued and unpaid thereon to the date of payment of the amount due pursuant to such liquidation, dissolution or winding up of the affairs of the Company.

Except in the limited circumstances described in the Articles, the Preferred Shares do not have voting rights. The Preferred Shares are perpetual and do not have any maturity date, and will not be subject to any mandatory redemption, sinking fund or other similar provisions. Holders of the Preferred Shares do not have any preemptive rights. The Preferred Shares are not convertible into or exchangeable for property or shares of any other series or class.

Upon the issuance of the Preferred Shares, the ability of the Company to declare or pay dividends on, or purchase, retire or otherwise acquire, its common shares or any shares that rank junior to the Preferred Shares, will be subject to certain restrictions in the event that the Company does not declare and pay (or set apart a sum sufficient for payment therefor) all accrued and unpaid dividends on the Preferred Shares.

The foregoing is a summary and is not complete. The full terms of the Preferred Shares are set forth in the Amendment, filed as Exhibit 3.1 hereto and incorporated herein by reference, and the Articles.
