**Defeasance:** The defeasance and covenant defeasance provisions of the Senior Indenture described under Description of Debt Securities Debt Securities Issued by the Company under the Senior Indenture or the Senior Subordinated Indenture Legal Defeasance and Covenant Defeasance in the Prospectus will apply to the Notes.

**United States Federal Income Tax Consequences:** The Company believes that the Notes should not be treated as issued with original issue discount ( *OID* ) for U.S. federal income tax purposes. However, the Notes may be issued with a de minimis amount of *OID*. While a U.S. holder is generally not required to include de minimis *OID* in income prior to the sale or maturity of the Notes, under recently enacted legislation, U.S. holders that maintain certain types of financial statements and that are subject to the accrual method of tax accounting may be required to include de minimis *OID* on the Notes in income no later than the time upon which they include such amounts in income on their financial statements. This legislation may also affect U.S. holders that acquire the Notes with market discount. U.S. holders that maintain financial statements should consult their tax advisors regarding the tax consequences to them of this legislation.

See the discussion in the prospectus supplement under **United States Federal Income Tax Consequences** for further discussion of the United States federal income tax consequences of investing in the Notes.

The following selling restriction is in addition to any other selling restrictions set out in the accompanying prospectus supplement.

**PRIIPs Regulation / Prospectus Directive / Prohibition of Sales to EEA Retail Investors:** The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area ( *EEA* ). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (as amended, *MiFID II* ); or (ii) a customer within the meaning of Directive 2002/92/EC, as amended, where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of *MiFID II*; or (iii) not a qualified investor as defined in Directive 2003/71/EC (as amended, the *Prospectus Directive* ). Consequently no key information document required by Regulation (EU) No 1286/2014 (as amended, the *PRIIPs Regulation* ) for offering or selling the Notes or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the *PRIIPs Regulation*. This pricing supplement and the accompanying prospectus and prospectus supplement have been prepared on the basis that any offer of Notes in any Member State of the EEA will be made pursuant to an exemption under the *Prospectus Directive* from the requirement to publish a prospectus for offers of Notes. This pricing supplement and the accompanying prospectus and prospectus supplement is not a prospectus for the purposes of the *Prospectus Directive* as implemented in member states of the EEA.

The selling restrictions for the following jurisdictions appearing in the accompanying prospectus supplement are amended in their entirety as follows:

**South Korea:** The Notes have not been and will not be registered under the Financial Investments Services and Capital Markets Act of Korea and the decrees and regulations thereunder (the *FSCMA* ), and the Notes have been and will be offered in Korea as a private placement under the *FSCMA*. None of the Notes may be offered, sold or delivered directly or indirectly, or offered or sold to any person for re-offering or resale, directly or indirectly, in Korea or to any resident of Korea except pursuant to the applicable laws and regulations of Korea, including the *FSCMA* and the Foreign Exchange Transaction Law of Korea and the decrees and regulations thereunder (the *FETL* ). Furthermore, the purchaser of the Notes shall comply with all applicable regulatory requirements (including but not limited to requirements under the *FETL*) in connection with the purchase of the Notes.

**The People's Republic of China:** This pricing supplement, the accompanying prospectus supplement and the accompanying prospectus have not been filed with or approved by the authorities of the People's Republic of China (for such purposes, not including the Hong Kong and Macau Special Administrative Regions or Taiwan), and are not an offer of securities within the meaning of the Securities Law or other pertinent laws and regulations of the People's Republic of China. This pricing supplement, the accompanying prospectus supplement and the accompanying prospectus may not be delivered to any party who is not an intended recipient and may not be circulated or distributed

in the People's Republic of China, and the Notes may not be offered or sold, directly or indirectly, to any resident of the People's Republic of China, or offered or sold to any person for re-offering or re-sale, directly or indirectly, to any resident of the People's Republic of China except pursuant to applicable laws and regulations of the People's Republic of China.

**Plan of Distribution:** The Notes described herein are being purchased, severally and not jointly, by the agents named in the below table (the *Agents*), each as principal, on the terms and conditions described in the prospectus supplement under the caption "Plan of Distribution of Medium-Term Notes (Conflicts of Interest)."

The Agents expect to deliver the Notes in book-entry form only through the facilities of The Depository Trust Company against payment in New York, New York on or about the fifth business day following the date of this pricing supplement, or T+5. Trades of securities in the secondary market generally are required to settle in two business days, referred to as T+2, unless the parties to a trade agree otherwise. Accordingly, by virtue of the fact that the initial delivery of the Notes will not be made on a T+2 basis, investors who wish to trade the Notes before a final settlement will be required to specify an alternative settlement cycle at the time of any such trade to prevent a failed settlement.

The prospectus, prospectus supplement and this pricing supplement may be used by the Company, BNY Mellon Capital Markets, LLC and any other affiliate controlled by the Company in connection with offers and sales relating to the initial sales of securities and any market-making transaction involving the securities after the initial sale. These transactions may be executed at negotiated prices that are related to market prices at the time of purchase or sale, or at other prices. The Company and its affiliates may act as principal or agent in these transactions.

The Agents and their respective affiliates are full service financial institutions engaged in various activities, which may include securities trading, commercial and investment banking, financial advisory, investment management, investment research, principal investment, hedging, financing and brokerage activities. Certain of the Agents and their respective affiliates have, from time to time, performed, and may in the future perform, various financial advisory and investment banking services for the Company, for which they received or will receive customary fees and expenses.

We estimate that we will pay approximately \$170,000 for expenses, excluding underwriting discounts and commissions.

In the ordinary course of their various business activities, the Agents and their respective affiliates have made or held, and may in the future make or hold, a broad array of investments including serving as counterparties to certain derivative and hedging arrangements, and may have actively traded, and, in the future may actively trade, debt and equity securities (or related derivative securities), and financial instruments (including bank loans) for their own account and for the accounts of their customers and may have in the past and at any time in the future hold long and short positions in such securities and instruments. Such investment and securities activities may have involved, and in the future may involve, securities and instruments of the Company.
