Liability Management Operations

Rio de Janeiro, September 3, 2018 Petróleo Brasileiro S.A. Petrobras informs that in August it executed the following operations, totaling US\$ 1.45 billion: debt prepayment; term and/or cost renegotiation; and new financing, as per table below:

Table: Prepayment, renegotiation and new financing operations

Bank	Renegotiation/		Original Maturity	New Maturity Dates
	Prepayment (US\$million)	Financing (US\$million)		
	250		2022	
HSBC		250	2023	2024
		250	2023	2023
Bank of China		500	2020	2023
New Development Bank		200		2030

It is the first time that the New Development Bank, a bank formed by the BRICS member countries, based in Shanghai, China, provides credit directly to a company without sovereign guarantee. The funds from the financing will support investment in environmentally friendly projects at the Duque de Caxias (REDUC) and Gabriel Passos (REGAP) refineries.

The operation is in line with Petrobras liability management strategy, which aims to improve the amortization profile and the cost of debt, taking into account the deleveraging target set forth in its 2018-2022 Business and Management Plan.

FORWARD-LOOKING STATEMENTS

This release includes forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended, that are subject to risks and uncertainties. The forward-looking statements, which address the Company's expected business and financial performance, among other matters, contain words such as believe, expect, estimate, anticipate, optimistic, intend, plan, aim, will, may, should, could, would, likely, and similar expressions cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date on which they are made. There is no assurance that the expected events, trends or results will actually occur. We undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information or future events or for any other reason.

The Company's actual results could differ materially from those expressed or forecast in any forward-looking statements as a result of a variety of assumptions and factors. These factors include, but are not limited to, the following: (i) failure to comply with laws or regulations, including fraudulent activity, corruption, and bribery; (ii) the outcome of ongoing corruption investigations and any new facts or information that may arise in relation to the Lava Jato Operation; (iii) the effectiveness of the Company's risk management policies and procedures, including operational risk; and (iv) litigation, such as class actions or proceedings brought by governmental and regulatory agencies. A description of other factors can be found in the Company's Annual Report on Form 20-F for the year ended December 31, 2017, and the Company's other filings with the U.S. Securities and Exchange Commission.
